

Tom Torero Daygame Book

Day Bang is a 201-page book that teaches you how to pick up women during the day, primarily in a coffee shop, clothing store, bookstore, grocery store, subway, or on the street. It contains 51 openers, 23 long dialogue examples with commentary, and dozens of additional lines that teach by example. Day Bang includes...
-The optimal day game mindset that leads to the most amount of success-An easy mental trick to prevent your brain from going into a flight-or-fight response when it's time to approach a woman you're attracted to-A detailed breakdown of how to use the "elderly opener," an easy style of approach that reliably starts conversations with women-2 ways to tell if a girl will be receptive to your approach-How to avoid the dreaded "interview vibe"-10 common mistakes guys make that hurt their chances of getting a number Day Bang shares tons of tips and real examples on having successful conversations. It teaches you...
-How to use my bait system to get the girl engaged and interested in you-How to segue out of the initial opening topic into a more personal chat where you'll get to know the girl on a deeper level-How to take the interesting things you've done (your accomplishments, hobbies, and experiences) and morph them into bait hooks that gets the girl intrigued enough to want to go out with you-My "Galnuc" method to seamlessly get a girl's number-An easy hack at the end of your interactions that will reduce the chance of a flake and prime the girl for going out with you-Ways to open up a conversation on a girl who isn't giving you much to work with Day Bang goes into painstaking detail on how to approach women in a variety of common environments...
-How to open a girl in coffee shops when she has a book, laptop, mp3 player, cell phone, research paper, crossword or Sudoku puzzle, or nothing at all-Two methods for approaching a girl on the street, depending on if she's moving or not, with a diagram to explain all the approach variations-How to approach in a retail store or mall environment, with openers to use on customers or sales clerks-How to approach in bookstores, with specific tips on how to customize your approaches in the cafe, magazine section, or general book aisles-How to meet women in public transportation, on both the bus and subway-How to meet women in grocery stores-How to approach girls in secondary venues like a beach, casino, concert, gym, hair salon, handicraft fair, museum, art show, park, public square, or wine festival Dozens of additional topics are logically organized into 12 chapters...
-Preparation. How to reduce your approach anxiety-Opening. How to deliver your opener in a way that doesn't scare women away-Rambling. How to have conversations that make women interested in you-Closing. How to get a number in a way that reduces the chance she'll flake-The Coffee Shop. How to pick up in coffee shops and cafes-The Street. How to pick up outdoors-The Clothing Shop. How to pick up in retail shops, malls, and big box stores-The Bookstore. How to pick up in bookstores-Public Transportation. How to pick up in the bus, subway, or long distance transportation-The Grocery Store. How to pick up in grocery stores-Other Venues. How to pick up just about anywhere else women can be found-Putting It All Together. How to maximize your day game potential The lessons taught in this 75,000 word, no-fluff textbook will help you meet women during the day. If you need tips on what to do after getting her number, consult my other book Bang, which contains an A-to-Z banging strategy. Day Bang focuses exclusively on daytime approaching.

History is full to the brim with untold tales of heroics and villainy, gruesome battles, hilarious happenings and downright bizarre coincidences. Meet the war veteran who lost an eye and amputated his own fingers. Discover the original Die Hards, whose bravery would put even Bruce Willis to shame. Just who stole the still-missing Irish crown jewels and how did Adeline, Countess of Cardigan, scandalise society so completely? In Lessons from History, Alex Deane takes us on an uproarious romp through the tales you didn't hear at school. With stories ranging from the little-known characters who played their vital parts in the world's most famous wars to the remarkable adventures of figures across the centuries, to events so extraordinary as to be almost – unbelievable, this book proves that fact is almost always wilder than fiction. Bringing these stories joyfully and often poignantly back to life, Deane finally shines a light on the tales lost to history, and on what we might learn from them today.

Is It Worth \$15 To Learn How To Meet, Attract and Keep the Women You Most Desire? Is it worth \$15 to have access to a proven strategy that can help turn even the shyest man into an attractive social man capable of dating the women he really wants. Is it worth \$15 to learn how to turn your biggest obstacle (fear of rejection and not being enough) into your #1 asset? To eliminate your approach anxiety, increase your social confidence, and to develop the single most important trait (not it's not what you think) required to improve your dating life and relationships. Unlike the other "dating advice" books on the market, the Dating Playbook For Men isn't packed with fluff and filler content that leaves you even more confused before you picked up the book. No games. No rah rah motivation. No weird seduction tactics. It's just raw, actionable content designed to turn you into the strongest version of yourself capable of dating the women you truly desire. It's worked for 1000s of men already so there is no reason why it cannot work for you too. One word of warning: If you expect a magic "push of a button" formula that will require no effort on your part then you are completely mistaken and you may want to exit this page. What you will receive is a mindset shift and a Proven 7 Step Strategy that will give you the courage to take action and change not only your dating life - but who you are as a man, which will positively affect every other aspect of your life as a bonus. Inside this action packed book you're about to learn: How to deepen your masculine polarity to become a stronger Grounded Man. How to understand what women really want and desire at their core from men. How to build an adventurous social life that women can't get enough of. How to go out, meet women and get them to chase you without being needy. How, to go from getting her phone number to the setting up the first date. How to have a perfect first, second and third date - and beyond. How to naturally transition from dating and into a relationship. How to have a happy and loving relationship and be the Grounded Man that she'll want to be with and won't cheat on. Now let me ask you a question... Where will you be in 30 days? Will you be in the same old situation, scared of talking to women, desiring the girl you saw at the coffee shop or gym, but being crippled by your approach anxiety. Or will you be a man of purpose. A man who doesn't hesitate when he sees a woman he desires, and has a calendar filled with exciting dates with beautiful women who are fighting for your attention? It's up to you. If you spent \$15 and all it did was finally... Make you a confident grounded man who goes after what he wants in life.... Would it be worth it? Help you overcome your fear of approaching women.... Would it be worth it? Have weekends packed with adventurous social activities with fun and beautiful women.... Would it be worth it? Stop you from experiencing a heart wrenching breakup that steals years away from your life.... Would it be worth it? Join Andrew Ferebee now on the greatest adventure you'll ever have and one that every man must fully commit to at least once in their lives. This is your time. You're going to like the man you become after reading this book. 1000s of men live by it.

"One of the most admired men in the world of seduction" (The New York Times) teaches average guys how to approach, attract and begin intimate relationships with beautiful women For every man who always wondered why some guys have all the luck, Mystery, considered by many to be the world's greatest pickup artist, finally reveals his secrets for finding and forming relationships with some of the world's most beautiful women. Mystery gained mainstream attention for his role in Neil Strauss's New York Times bestselling exposé, The Game. Now he has written the definitive handbook on the art of the pickup. He developed his unique method over years of observing social dynamics and interacting with women in clubs to learn how to overcome the guard shield that many women use to deflect come-ons from "average frustrated chumps." The Mystery Method: How to Get Beautiful Women Into Bed shares tips such as: *Give more attention to her less attractive friend at first, so your target will get jealous and try to win your attention. *Always approach a target within 3 seconds of noticing her. If a woman senses your hesitation, her perception of your value will be lower. *Don't be picky. Approach as many groups of people in a bar as you can and entertain them with fun conversation. As you move about the room, positive perception of you will grow. Now it's easy to meet anyone you want. *Smile. Guys who don't get laid, don't smile.

The bestselling Games People Play is the book that has helped millions of people understand the dynamics of relationships, by psychiatrist Eric Berne.We all play games. In every encounter with other people we are doing so. The nature of these games depends both on the situation and on who we meet.Eric Berne's classic Games People Play is the most accessible and insightful book ever written about the games we play: those patterns of behaviour that reveal hidden feelings and emotions. Wise and witty, it shows the underlying motivations behind our relationships and explores the roles that we try to play - and are forced to play.Games People Play gives you the keys to unlock the psychology of others - and yourself. You'll become more honest, more effective, and a true team player.'A brilliant, amusing, and clear catalogue of the psychological theatricals that human beings play over and over again' Kurt VonnegutEric Berne was a prominent psychiatrist and bestselling author.After inventing his groundbreaking Transactional Analysis, he continued to develop and apply this new methodology leading him to publish Games People Play. This became a runaway success and Berne leaves a remarkable legacy of over 30 other books and articles, as well as the founding of the International Transactional Analysis Association.Dr Berne's other works include Principles of Group Treatment, A Layman's Guide to Psychiatry and Psychoanalysis', and What Do You Say After You

Say Hello? He died in 1970.

The fourth volume in Nick Krauser's epic series of memoirs

Hidden somewhere, in nearly every major city in the world, is an underground seduction lair. And in these lairs, men trade the most devastatingly effective techniques ever invented to charm women. This is not fiction. These men really exist. They live together in houses known as Projects. And Neil Strauss, the bestselling author and journalist, spent two years living among them, using the pseudonym Style to protect his real-life identity. The result is one of the most explosive and controversial books of the last decade—guaranteed to change the lives of men and transform the way women understand the opposite sex forever. On his journey from AFC (average frustrated chump) to PUA (pick-up artist) to PUG (pick-up guru), Strauss not only shares scores of original seduction techniques but also has unforgettable encounters with the likes of Tom Cruise, Britney Spears, Paris Hilton, Heidi Fleiss, and Courtney Love. And then things really start to get strange—and passions lead to betrayals lead to violence. The Game is the story of one man's transformation from frog to prince to prisoner in the most unforgettable book of this generation.

How to Get Beautiful Women Into Bed

These two short stories are from the writer of "Too Late, Mate?" the memoir that charts the astonishing story of Alex Forrest during the course of his adventures into Daygame, the technique for approaching and meeting girls during the daytime. The stories are notable for the sexual chemistry he enjoyed with these two girls, almost from the get-go.The book also includes an extract from "Too Late, Mate?" The book is available on amazon in both print and kindle versions."Too Late, Mate?" (available on amazon) tells the true story of a singleton and relationship virgin who spent most of his adult life bewildered, struggling to figure out where he was going wrong with women and wondering where he had misplaced his sex life. In the process he had achieved the impressive feat of amassing the largest collection of female friends known to mankind, whilst simultaneously failing to sleep with any one of them. When all else had failed - relationship counselling, psychotherapy, the self-help book industry, secret cults, salsa dancing, tree-hugging... he stumbled on a bunch of renegade dudes who were experts at the art of approaching and attracting women during the daytime. It transpired that attracting women was not about waiting for "the one" or "being yourself" but about taking action. Indeed, taking action was the key to understanding the mystery about what women found attractive. So began an 18-month journey in which he met literally hundreds of girls in the street, went on dozens of dates and EVEN managed to persuade one or two of them back into his bedroom... All without ever going anyway near a dating website, bar, or nightclub. Here is a review: By W A Feb 28, 2018I loved this book!! One of the few books on pickup I've ever read cover-to-cover. Regardless of whether you're into pickup or not ("PUA"), this is an engaging, come-from-behind hero tale-- told autobiographically. Mr. Forrest's humanity comes through in a very self-effacing way, as he struggles with the ups-and-downs of learning "game" later in his life. His maturity and self-doubt on the subject stand in sharp relief to the swagger of many PUAs whose youth and brashness consume most of the oxygen on this subject. It's a bit interesting that Mr. Forrest espoused filmmaking interests in this book because it actually has all of the essential storytelling elements of the classic "Hero's Journey" outlined by Joseph Campbell/Christopher Vogler (would make an interesting movie, imo). One of the inherent dangers of books on this subject of seducing women is that a thorough read potentially lulls its male followers into becoming bloviating keyboard theorists, not men of action, as notions delude us into thinking that knowledge somehow supplants or equates to experience. The reason that I strongly gravitate to the work of authors/YT'ers like Alex Forrest (and his impish, gamesome compadre Tom Torero) is that they have a way of inspiring me to confront my fears and approach women in my daily life. And for those gents in their 40's or maybe more, with natural fears about aging

'How to Meet Girls' is a comprehensive, easy to follow guide on how to meet the girl of your dreams. Many guys feel unable to go up and talk to a girl even if they're desperately attracted to her. Their stomach feels twisted in knots. They feel pressure from the watching eyes of bystanders. Their minds give them all sorts of reasons not to take action. If you're one of those guys and you really want to turn this area of your life around, you can. 'How to Meet Girls' will tell you everything you need to know to meet whichever girl you want, whenever you want. It's easy to read, with exercises to complete and illustrations to help explain various concepts. 'How to Meet Girls' will take you from zero to hero, giving you the confidence and ability to talk to girls without tricks or pickup lines. You'll learn that being yourself is good enough.

Jungian analyst Moore (psychoanalysis, culture, and spirituality; Chicago Theological Seminary) argues that people are vulnerable as never before to having their psyches invaded and possessed by archetypal energies of great power. The antidote, he says, is increasing spiritual and psychological awareness, and a respectful acceptance of the dragon w

A straightforward, often humorous workbook approach to comedy writing as creative problem-solving. In it, veteran Hollywood comedy writer John Vorhaus offers his tools of the trade to writers, comics, and anyone else who wants to be funny. Among these indispensable tools are Clash of Context, Tension and Release, The Law of Comic Opposites, The Wildly Inappropriate Response, and The Myth of the Last Great Idea. Readers will learn that comedy = truth and pain (the essence of the comic situation), that fear is the biggest roadblock to comedy (kill the ferocious editor within and rich, useful comic ideas will flow), and much more.

52 First Dates: Part 5

Volume three in the memoir of Nick Krauser, world famous daygamer and seduction coach.

Follow Alex Forrest, writer of the popular day game memoir, "Too Late, Mate?" in this 12-part series as he goes on fifty-two first dates in a year in order to improve his dating skills and find a partner, applying the teachings of the pick-up industry in the process. Whereas "Too Late, Mate?" is a "paperback wing" to help guys to approach girls and get numbers, the 52 First Dates series is a dating guide. As well as telling the stories of these dates, the book includes sections in which he goes into the detail of the lessons learned and lays out the skills and techniques employed. During the course of 52 First Dates, Alex Forrest met many of the day game gurus such as, Yad, Andy Yosha, Tom Torero, James Tusk, Jon Matrix and others - many of whom he interviewed for his YouTube channel, "The A Life stories of the actual dates, the successes, the failures, the adventures in London, Russia, and Poland as well as many European capitals. Reviews of the 1st edition published on Lulu: Dean - 07-Nov-2017 This is a great, high quality read, detailing Alex's journey into the world of pick-up through daygame. Without wishing to give too much away he shows that you can get this part of your life and be open to trying a new approach. A lot of the successful PUAs' almost seem untouchable when you read about them now. Alex speaks to the average man about how to get started and gives hope that anyone can achieve what he has. Recommended to anyone, whatever your level, who has any interest in this field. By W A 28-Feb-2018I loved this book!! One of the few books on pickup I've into pickup or not ("PUA"), this is an engaging, come-from-behind hero tale-- told autobiographically. One of the inherent dangers of books on this subject of seducing women is that a thorough read potentially lulls its male followers..(MORE: https://goo.gl/4Xmw8P) In this vibrant and moving collection of short stories by award winning author Quaisra Shahraz, she demonstrates yet again her abilities for storyline and plot which are always gripping.The Elopement, The Discovery and A Pair of Jeans focus on the issues facing young Pakistani Muslim women as they work out how to live in a world where traditional and Western values clash. Can they create a that a seeming innocuous item of clothing can cause disaster while Rubiya in The Elopement and The Discovery pays the price of rejection for her past misdeed. In The Zemindar's Wife and Perchanvah the reader opens a window into a world of feudal lifestyle and class consciousness that is embedded in the psyche of many of the country's inhabitants.Other stories - Escape and The City Dweller the meaning of "home". The Malay Host is a contrast with an element of the mysterious. What is behind the one locked door in the old Malay house that is a tourist attraction and why is the woman of the house brandishing a piece of burning wood at the Western visitors? Long held cultural and traditional attitudes to clothes and other aspects of life in general is a dilemma for young women a crisis. In some ways a lot has changed in British Pakistani society but this fundamental dilemma is still there and well depicted in the lives of the protagonists in these stories.

Have trouble talking to beautiful women?See girls every day that you'd love to get to know, but you're too afraid of rejection to approach?Well, what if there was a way you could learn to approach women like the most confident, natural alpha guy on the planet?Like 'Chad', in other words easy-to-follow system to do just that - and this book reveals all. In the book, Troy explains the 4 secret 'elements of Chad' and how YOU can use them to skyrocket your own results in the dating market. The four 'elements of Chad' are: Crass, Humorous, Actonly, Delusional. If you've ever wondered how cocky jerks, football players and high-value alpha males approach women so effortlessly, this

'In this book I build out the CHAD concepts in a clear, concise and powerful manner. As with all of my writing, my ambition is to give it to you straight. I always aim to provide the most no-BS, raw, hardcore advice around - the kind of advice that actually gets the job done rather than pussyfoots around. And this book, while brief, will be like rocket fuel for your game - if you apply the advice I give more like Chad with the techniques I teach and there is no way on earth that your success in dating won't rise exponentially. Chad, after all, is not in the habit of getting left behind in the sexual marketplace, and neither will you be once you've read this book. So if you urgently need to get your dating and sex life sorted, and you're sick of the 'all-filler-no-killer' info out there, then APPROACH HER

How To Meet Beautiful Girls With Rock Star Fearlessness Today

A Memoir and Dating Handbook

Games People Play

How to Effortlessly Start Conversations and Flirt Like a Pro
Meet and Talk to Attractive Girls Without Fear Or Hesitation

Non-monogamy is having a moment. It’s widely discussed and celebrated in the culture. At the same time, many guys are learning about game and evolutionary biology, which together discuss what women find attractive and how to use that knowledge to meet and have sex with attractive women. But no one is discussing how non-monogamy (including sex clubs, sex parties, and group dates) and the game fit together. Yet that’s what’s I’ve been doing for the past ten years. This book synthesizes everything I’ve done and experienced over this time period. You’ll learn why non-monogamy is popular; how non-monogamy works in practice; what successful non-monogamy looks like; and how to propose non-monogamy to your lovers. Sex clubs are not a shortcut to having real game. Sex clubs are an extension of existing game. If you don’t have game and status already you will have a bad time if you try to bring your only, sole, single girl with you. By analogy, if you invest your life savings in a single stock, you are one scandal away from going bankrupt, while a diversified portfolio or index fund ensures that you are financially robust. But if you have game, non-monogamy can be a powerful accelerant to your dating and relationship portfolio. Myths and incorrect information abound in this field. Many guys in the game think non-monogamy is something only out-there fruits are willing to try. Many people doing non-monogamy are blinded by blank-slate ideology and foolish optimism about human nature. This book dispels myths, explains how exchanging value for value propels the non-monogamy scene, and why non-monogamy is an untapped resource for players.

This is the original masterpiece that outlines the London Daygame Model, brought to life in full colour and with expanded content for the second edition. It is the perfect companion piece to Daygame Infinite.

Within the so-called seduction community, the ability to meet and attract women is understood as a skill which heterosexual men can cultivate through practical training and personal development. Though it has been an object of media speculation - and frequent sensationalism - for over a decade, this cultural formation remains poorly understood. In the first book-length study of the industry, Rachel O'Neill takes us into the world of seduction seminars, training events, instructional guidebooks and video tutorials. Pushing past established understandings of 'pickup artists' as pathetic, pathological or perverse, she examines what makes seduction so compelling for those drawn to participate in this sphere. Seduction vividly portrays how the twin rationalities of neoliberalism and postfeminism are reorganising contemporary intimate life, as labour-intensive and profit-orientated modes of sociality consume other forms of being and relating. It is essential reading for students and scholars of gender, sexuality, sociology and cultural studies, as well as anyone who wants to understand the seduction industry's overarching logics and internal workings.

If you want to play the Game, you've got to know the Rules. In his international bestseller The Game, Neil Strauss delved into the secret world of pick-up artists—men who have created a science out of the art of seduction. Not only did he reveal the techniques that they had developed, but he became a master of The Game, and the world's No. 1 PUA, as Style. Now, in this bestselling companion, Strauss reduces three books of life-changing knowledge into a single-volume set. The first book, The Stylelife Challenge, breaks down the knowledge he learned and techniques he invented into simple step-by-step instructions that anyone can follow to meet and land the women of their dreams. In the second book, Strauss takes readers into the dark side of The Game. The Style Diaries offers a series of tales of seduction and sexual (mis)adventure. From accidentally getting married during a drunken night in Reykjavik, to luring a famous musician's granddaughter into a threesome; to the stress and frustration of the torturous and highly unorthodox "30 Day Sex Experiment," The Style Diaries takes you further into the seduction underworld than ever before. Finally, in the all-new, updated third volume, Strauss collects the greatest, most powerful, field-tested, word-for-word routines. You don't need money, looks, or fame to succeed with women. All you need is an understanding of how attraction works—and this thirty-day workout program for your social skills, which has already guided countless men from frustration to fulfillment.

Liam McRae is a world renowned dating and social freedom coach, and in this tell-all expose you'll get an insight into the lifestyle of a seducer as he shares his sexually charged stories. It details his journey of becoming an expert at Rapid Escalation (how to have a saucy encounter with a stranger in a short period of time) and provides you with simple steps you can take to create some of these experiences for yourself! Everything is here, from the awkwardness of approaching women to the raunchy details of the sex scenes. It will expand your mind about what's possible with seduction and inspire you to live a more romantic, passionate and sexually free life!

Many artists, writers, and other creative people do their best work when collaborating within a circle of likeminded friends. Experimenting together and challenging one another, they develop the courage to rebel against the established traditions in their field. Out of their discussions they develop a new, shared vision that guides their work even when they work alone. In a unique study that will become a rich source of ideas for professionals and anyone interested in fostering creative work in the arts and sciences, Michael P. Farrell looks at the group dynamics in six collaborative circles: the French Impressionists; Sigmund Freud and his friends; C. S. Lewis, J. R. R. Tolkien, and the Inklings; social reformers Elizabeth Cady Stanton and Susan B. Anthony; the Fugitive poets; and the writers Joseph Conrad and Ford Maddox Ford. He demonstrates how the unusual interactions in these collaborative circles drew out the creativity in each member. Farrell also presents vivid narrative accounts of the roles played by the members of each circle. He considers how working in such circles sustains the motivation of each member to do creative work; how collaborative circles shape the individual styles of the persons within them; how leadership roles and interpersonal relationships change as circles develop; and why some circles flourish while others flounder.

Follow Alex Forrest, writer of the popular daygame memoir, "Too Late, Mate?" in this 12-part series of mini-books as he goes on fifty-two first dates in a year in order to improve his dating skills and find a partner, applying the teachings of the pick-up industry in the process. Alongside the entertaining stories, this dating memoir also doubles up as a dating handbook and features special chapters describing in detail the methods and skills used. Whereas "Too Late, Mate?" (Go here to obtain the first 25 pages: <http://streetstories.co.uk/product/too-late-mate/>) is a "paperback wing" to help guys to approach girls and get numbers, the 52 First Dates series is a dating handbook and a journal of his dating adventures. During the course of 52 First Dates Alex Forrest met many of the daygame gurus such as, Yad, Andy Yosha, Tom Torero, James Tusk, Jon Matrix and others - many of whom he interviewed for his YouTube channel, "Fifty Two First Dates". You can also find the vlogs and podcasts at: www.streetstories.co.uk . They cover the real life stories of the actual dates, the successes, the failures, the adventures in London, Russia, and Poland as well as many European capitals:"Too Late, Mate?" is published on www.lulu.com. It charts his journey over 18 months during which he acquired the skills used to approach women during the daytime. Buy the book here: <https://goo.gl/4Xmw8P>Here is the description of that book: "Are you a man who has had enough of bars, clubs, and late nights? Are you fed up with online dating? This is a memoir of a lonely singleton who turned his love-life around (and upside down) after he stumbled on DAYGAME, the art of meeting and attracting women during the daytime. "Too Late, Mate?" tells the true story of a singleton and relationship virgin who spent most of his adult life bewildered, struggling to figure out where he was going wrong with women and wondering where he had misplaced his sex life. In the process he had achieved the impressive feat of amassing the largest collection of female friends known to mankind, whilst simultaneously failing to sleep with any one of them. When all else had failed - relationship counseling, psychotherapy, the self-help book industry, secret cults, salsa dancing, tree-hugging... he stumbled on a bunch of renegade dudes who were experts at the art of approaching and attracting women during the daytime. It transpired that attracting women was not about waiting for "the one" or "being yourself" but about taking action. Indeed, taking action was the key to understanding the mystery about what women found attractive. So began an 18-month journey in which he met literally hundreds of girls in the street, went on dozens of dates and EVEN managed to persuade one or two of them back into his bedroom... All without ever going anyway near a dating website, bar, or nightclub."A recent review on Lulu: Dean - 07-Nov-2017This is a great, high quality read, detailing Alex's journey into the world of pick-up through daygame. Without wishing to give too much away he shows you can get this part of your life handled at any age if you're willing to put in the work and be open to trying a new approach. A lot of the successful PUA's almost seem untouchable when you read about them now. Alex speaks to the average man about how to get started and gives hope that anyone can achieve what he has. Recommended to anyone, whatever your level, who has any interest in this field.By W A 28-Feb-2018I loved this book!! One of the few books on pickup I've ever read cover-to-cover. Regardless of whether you're into pickup or not ("PUA"), this is an engaging, come-from-behind hero tale-- told autobiographically. Mr. Forrest's humanity comes through... Are you a man who has had enough of bars, clubs, and late nights? Are you fed up with online dating? This is a memoir of a lonely singleton who turned his love-life around (and upside down) after he stumbled on DAYGAME, the art of meeting and attracting women during the daytime."Too Late, Mate?" tells the true story of a singleton and relationship virgin who spent most of his adult life bewildered, struggling to figure out where he was going wrong with women and wondering where he had misplaced his sex life. In the process he had achieved the impressive feat of amassing the largest collection of female friends known to mankind, whilst simultaneously failing to sleep with any one of them. When all else had failed - relationship counseling, psychotherapy, the self-help book industry, secret cults, salsa dancing, tree-hugging - he stumbled on a bunch of renegade dudes who were experts at the art of approaching and attracting women during the daytime. So began an 18-month journey in which he met literally hundreds of girls in the street, went on dozens of dates and even managed to persuade one or two of them back into his bedroom...Reviews of the 1st Edition: By ZV Oct 10, 2019I purchased 'Too Late, Mate' about a year and a half ago. I enjoyed it very much as there are similarities to how I grew up and my experiences in with girls and school as in the book...Great Read! By Leigh Sep 27, 2019An entertaining & honest account of a middle-aged man who after a lifetime of being inept at meeting and dating women, stumbles across Daygame. Think Crazy Stupid Love meets Dostoevsky i.e. a fascinating, funny and sometimes painful story where the processes of learning how to overcome deep-rooted beliefs about women, masculinity, and relationships through practical field training is described together with an introspective analysis. I enjoyed this book as I think it reflects the experience of a lot of men, particularly older men, trying to address this area of their life. I can say that the account of his journey is authentic as I'm of a similar age and got into Daygame about the same time. The book is professionally written which is a rarity in this genre and is equally valid as an entertaining story or a valuable reference piece. By W A Feb 28, 2018I loved this book!! One of the few books on pickup I've ever read cover-to-cover. Regardless of whether you're into pickup or not ("PUA"), this is an engaging, come-from-behind hero tale-- told autobiographically. Mr. Forrest's humanity comes through in a very self-effacing way, as he struggles with the ups-and-downs of learning "game" later in his life. His maturity and self-doubt on the subject stand in sharp relief to the swagger of many PUAs whose youth and brashness consume most of the oxygen on this subject. It's a bit interesting that Mr. Forrest espoused filmmaking interests in this book because it actually has all of the essential storytelling elements of the classic "Hero's Journey" outlined by Joseph Campbell/Christopher Vogler (would make an interesting movie, imo). One of the inherent dangers of books on this subject of seducing women is that a thorough read potentially lulls its male followers into becoming bloviating keyboard theorists, not men of action, as notions delude us into thinking that knowledge somehow supplants or equates to experience. The reason that I strongly gravitate to the work of authors/YT'ers like Alex Forrest (and his impish, gamesome compadre Tom Torero) is that they have a way of inspiring me to confront my fears and approach women in my daily life. And for those gents in their 40's or maybe more, with natural fears about aging and the what-if's of it all, this book addresses this older niche that has heretofore been all but ignored. Bravo, Mr. Forrest, bravo!By Dean Craddock Nov 7, 2017This is a great, high quality read, detailing Alex's journey into the world of pick-up through daygame.

Fiction. Nick Antosca's THE GIRLFRIEND GAME is a tumble through the looking glass into a vortex of violence and desire. The 12 stories in the newest collection by the Shirley Jackson Award-winning author are brutal, urgent and unforgettable. In "Predator Bait," a decoy in a sex sting news show questions her job and the man who shares her bed. An undependable son watches his mother become a creature he hardly recognizes in "Amphibian." A young man plots the death of his girlfriend's killer in "Winter Was Hard." Antosca crafts surreal doomsday scenarios and otherworldly transformations alongside painfully articulate depictions of sexuality and animal impulse. The stories in THE GIRLFRIEND GAME are mesmerizing, leaving a haunting afterglow long after you close the book.

Currie breaks down the "Four Modes of Verbal Communication" to help readers better understand why men exhibit the behavior they do towards the women they are either interested in dating or having a few episodes of casual sex with.
