

Tombstone Tea

"The essays in this collection fill an important conceptual gap in present-day criticism. New essays are presented on such diverse writers. The essayists offer diverse approaches, such as the influence of poetry, histories and novels, ideological and political discourses, unlikely connections, the problems of translation, the evolution, and the relationships"--Provided by publisher.

Wyatt Earp, the Gunfight near the O.K. Corral, and related events happened in the larger context of an area in turmoil. The Tombstone Mining District was a fluid area, filled with hard working settlers, some of the nations best mining engineers, and some of the nations worst criminals. The Tombstone saga and its greatest conflicts were linked to incidents outside of Tombstone. A shooting near Drew's Station, drew Wyatt Earp more closely into conflict with the local outlaw element. This in turn would set in motion a chain of events that would in part lead to the West's most famous gunfight, the Gunfight near the O.K. Corral. The Earps were brought into court at Contention City over the shootings in Tombstone. The all important history of Drew's Station, Contention City, and Fairbank, Arizona Territory are now revealed for the first time ever. Heavily documented and thoroughly researched, many misconceptions about this portion of the wild west are brought to light, and a great deal of previously unpublished research is now available for the first time, bringing to light the key stories of these key locations along the road to Tombstone.

It's the middle of the night when Beth Watson sneaks out of the house, steals a car, and drives, desperate to run from what she's seen, what happened to Jack. She drives across several states until she ends up in a sleepy little Michigan resort town as the summer season draws to a close. All Beth wants to do is escape, to stay unnoticed, to fly under the radar. But tiny Beaumont is a town with big secrets, some very like the ones she's fled from, and she arrives in town at the same time a murderer strikes. Beth, who has never gone to school, never held a job, and isn't even sure if 16 is her real age, enlists the help of a protector, Dee, the town's café owner, who sees a little of herself in Beth. Beth has to jump into a world she's never known—a world of other teens, of cell phones and computers, cliques and bullying, girlfriends and boyfriends. And killing. So much killing. When the murderer strikes again, and again, Beth is certain her plans to start a new life are over and the worst is yet to come. "J.D. Shaw takes on child abuse, bullying, the deep need teens have to be loved and accepted, and the risks they'll take to gain that love. Despite the horrors she's faced, Beth is a character all teens can identify with. Leave No Footprints is a deftly drawn portrait of a young woman whose past is a mystery even to herself, but who, like most kids, just wants to be normal—if only she can escape her past."

This 1973 text provides a critical introduction to the writings of Franz Kafka. Within it Ronald Gray surveys the novels and short stories, and glances also at the religious or confessional writings. He presents a persuasive and coherent account of Kafka's personal and artistic development and its meaning and value for us. Dr Gray argues that the early short stories are most finished and controlled; here Kafka recognised and managed to find a form exactly fitting his own condition, and the writing is less compulsive and obsessional than it became later. Dr Gray quotes extensively, translating specifically for the purpose. He writes for all whose who read Kafka, especially the many who read him in translation and would like a helpful and shrewd guide to understanding. Kafka's work hauntingly expresses one whole area of the modern mind - its anguish, dissociation and guilt - and this sane and sympathetic book puts him into a humane perspective.

The year's best, and darkest, tales of terror, showcasing the most outstanding new short stories and novellas by both contemporary masters of the macabre and exciting newcomers. As ever, this acclaimed anthology also offers the most comprehensive annual overview of horror around the world in all its incarnations; a comprehensive necrology of famous names; and a list of indispensable contact addresses for the dedicated horror fan and writer alike. The Mammoth Book of Best New Horror remains the world's leading annual anthology dedicated solely to presenting the best in contemporary horror fiction. Praise for Stephen Jones: 'The best horror anthologist in the business is, of course, Stephen Jones, whose Mammoth Book of Best New Horror is one of the major bargains of this as of any other year.' Roz Kavaney 'An essential volume for horror readers.' Locus 'Stephen Jones . . . has a better sense of the genre than almost anyone in this country.' Lisa Tuttle, The Times Books

On the Road to Tombstone

A History of Capitalism in China and India

The Green Teas Cave

In order to be accepted by the "in crowd" at her new high school, Jamie accepts a dare to spend one night in a local cemetery collecting rubbings from ten gravestones. Once inside the gate of the dark and frightening burial ground, Jamie meets Paul, a handsome boy who works as a caretaker at the cemetery. Paul explains to Jamie about Tombstone Tea: a fund-raising performance in which actors impersonate the people buried in the cemetery. The actors are supposedly rehearsing on this particular evening, but Jamie quickly discovers that they aren't actors at all but the ghosts of men and women buried in the cemetery. When one woman decides to adopt Jamie to replace her lost daughter, our heroine fears she may never escape the cemetery. Full of rich history and filled with a cast of ghostly characters, the third eerily descriptive novel from Joanne Dahme is just as creepy as her first novel Creepers.

The award-winning author of States of Mind journeys around America in search of the best the country has to offer, finding the beautiful, the historic, and the offbeat in exotic locales that range from Rome, Oregon, to Moscow, Maine. Original. 20,000 first printing.

No Foreign Bones in China tells a story of China through the eyes of a British colonial family. Through the Opium Wars, the Boxer Rebellion, two world wars, and the rise of Mao, the Shaws were witness to the turbulent birth of modern China. Captain Samuel Lewis Shaw, a merchant seaman, arrived in China in the 1830s. After a long and colourful career, he settled in the port of Foochow, married a Japanese woman, and started a family. The Shaw children grew up in Pagoda Anchorage, the heart of the Chinese tea trade, and expected to spend their lives in this beautiful place. But a few years later, they were forced to leave. In a dramatic display of pro-Chinese nationalism, foreigners were expelled from the country—even to the bones lying in their graves. Told with emotion and insight, No Foreign Bones in China explores cultural history in lavish detail. In re-creating the story of his family, Peter Stursberg reveals history as it was lived and made.

Leave No Footprints

The Last Best Hope

Sherry Monahan is an authority on "the city that wouldn't die" and its history. In Tombstone's Treasure, she focuses on the silver mines, one reason for the city's founding, and the saloons, the other reason the city grew so quickly. When the discovery of silver at Tombstone first became known in mid-1880, there were about twenty-six saloons and breweries. By July of the following year, the number of saloons in Tombstone had doubled. The most popular saloon games of the time were faro, monte, and poker, with some offering keno, roulette, and twenty-one. Monahan shares true tales about Tombstone's mining and gambling history and describes a different time and locale where wealthy businesspeople and rugged miners rubbed elbows at the bar and gambled side by side. It is both shocking and enlightening to learn just how sophisticated Tombstone really was when the Earps, Doc Holliday, Johnny Ringo, and Curly Bill strode the boardwalks. Tombstone actually had telephones, ice cream parlors, coffee shops, a bowling alley, and a swimming pool. Wow! It is so contrary to the Hollywood version of the town . . . but it's absolutely true."--from the Foreword by Bob Boze Bell Read Sherry Monahan's interview on AMC on the Wild West and the film Wild Bill

Join Petra and Kipp on their first three adventures in a fanciful blend of time travel, history, animals and a touch of science fiction. The Symbiont: A pair of time-traveling historians, symbionts Petra and Kipp have arrived to unravel the mystery behind an enigmatic coastal colony near Roanoke. As they become involved with the colonists, their fact-finding mission spins dangerously out of control when they discover a deranged killer living among the colonists. Tombstone, 1881: Fun turns to danger when Doc Holliday assumes the role of Petra's protector. Now the symbiotic duo risk becoming entangled in the power struggle between warring factions and breaking the Symbiont Code: never interfere with history's natural progression. Whitechapel, 1888: Time traveling symbionts Petra and Kipp arrive in Victorian England during the time of Jack the Ripper, in search of their boss, Silas. But the telepathic duo's efforts prove unsuccessful until local philanthropist William Harrow points the way. Silas is pursuing Jack the Ripper, whose disturbing thoughts of murder are turning to Petra and Kipp. Publisher Note: The Symbiont Time Travel Adventures are suitable for readers of all ages who enjoy clean, wholesome entertainment with a touch of fantasy and science fiction. "Being a lover of all things canine, the symbiotic relationship between canine and human is immensely appealing." - Lee, verified reviewer THE SYMBIONT TIME TRAVEL ADVENTURES, i>The Symbiont Tombstone, 1881 Whitechapel, 1888 The Great Locomotive Chase, 1862 Titanic, 1912 A Conspiracy to Murder, 1865 Robin Hood, 1192

The corresponding Teacher's Guide is a page-by-page supplementary resource that gives you additional activities to enhance the student's learning opportunities by using cross-curricular materials including discussion questions, reproducible vocabulary, science, geography and math activities. Each Teacher's Guide turns you into the expert—we've done all the research for you! This comprehensive resource enhances the many dramatic learning opportunities students can gain from reading this mystery by Carole Marsh. The supplementary Teacher's Guide includes: ¥ A chapter guide of additional information, trivia, historical facts, and more to help teachers be "Experts!" ¥ Activity ideas that make the book come dramatically to life for young readers! ¥ The author's additional comments and thoughts about the subject ¥ Some reproducible activities ¥ Great out-of-the-box ideas for activities.

Readers will learn what to do, how to do it, and get loads of information and inspiration.

A history of capitalism in nineteenth- and twentieth-century China and India exploring the competition between their tea industries. Tea remains the world's most popular commercial drink today, and at the turn of the twentieth century, it represented the largest export industry of both China and colonial India. In analyzing the global competition between Chinese and Indian tea, Andrew B. Liu challenges past economic histories premised on the technical "divergence" between the West and the Rest, arguing instead that seemingly traditional technologies and practices were central to modern capital accumulation across Asia. He shows how competitive pressures compelled Chinese merchants to adopt abstract, industrial conceptions of time, while colonial planters in India pushed for labor indenture laws to support factory-style tea plantations. Further, characterizations of China and India as premodern backwaters, he explains, were themselves the historical result of new notions of political economy adopted by Chinese and Indian nationalists, who discovered that these abstract ideas corresponded to concrete social changes in their local surroundings. Together, these stories point toward a more flexible and globally oriented conceptualization of the history of capitalism in China and India.

Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

Conrad Olsen is the son of a once famous San Francisco trial attorney who takes on the representation of Leo and Siri Dubrovsky after their unique home is red-tagged by county inspectors for building without permits. This seemingly innocuous problem soon unravels into a race against time when Conrad discovers dangerous secrets about his clients and the century old Cave located on their Property-Shangri La. Conrad's once comfortable world of power and privilege rapidly starts to fall apart the more he uncovers and learns about his client's past and their secrets. The deeper his involvement with his new clients, the more dangerous the case becomes. Attorney Conrad Olsen must overcome tragedy and personal loss while he struggles with his own inner demons, love sickness, secrets and transparent success. Ultimately, Conrad's own redemption depends upon the personal choices he has made and whether they have become unfixable or just another problem he was raised to solve.

Remember the last good party you attended? No, not the office mixer where the chips were served from the bag, you had to mix your own drink, and the conversational topic was the latest child-rearing theory. No, the last good party you attended, the one where there was a theme with real food and yummy drinks and decorations to match and people actually talked to you. That's the kind of party we are talking about. And sadly, that's the kind of party that is harder and harder to find-until now. Sorority sisters Kristina "Morgan" Rose and Deandra "Brooksie" Brooks are here with step-by-step party plans, including themes and concepts, decoration designs, menus and recipes, signature cocktails, and tips to make your event the party that everyone's talking about. With "A Word About" specific issues such as how much alcohol to buy per guest, and humorous quizzes, rants, and Top Ten lists, the only thing more fun than this book is the party you'll be inspired to throw because of it.

The Bo-Kaap contains a wealth of stories; of slavery and emancipation, far away exotic lands, food and spices, music and culture, and most of all everyday life.

When Lacy wakes up dead in Westminster Cemetery, final resting place of Edgar Allan Poe, she's confused. It's the job of Sam, a young soldier who died in 1865, to teach her the rules of the afterlife and to warn her about Suppression—a punishment worse than death. Lacy desperately wants to leave the cemetery and find out how she died, but every soul is obligated to perform a job. Given the task of providing entertainment, Lacy proposes an open mic, which becomes a chance for the cemetery's residents to express themselves. But Lacy is in for another shock when surprising and long-buried truths begin to emerge.

Chanoyu Quarterly

2012 Mythopoeic Award Winner In this long-awaited new novel from American Book Award winner Lisa Goldstein, an ages-old family secret breaches the boundaries between reality the places between them. When Berkeley student Will Taylor is introduced by his best friend, Ben, to the mysterious Feierabend sisters, Will quickly falls for enigmatic Livvy, a chemist and accomplished chef. But Livvy's family—vivacious actress Maddie, family historian Rose, and their mother, absent-minded Sylvia—are behaving strangely. The Feierabend women believe in handmaidens, and so it is, almost as though they are living in a fairy tale. But the price for such gifts is extremely high. Will and Ben will unravel the riddle of a supernatural bargain, and from what appears to be an inescapable fate.

A possible serial killer on the loose sends tea maven Theodosia Browning into a whirlwind of investigation in this latest installment of the New York Times bestselling series. It was a

but that was the least of Theodosia Browning's troubles. As she approaches St. Philips Graveyard, Theodosia sees two figures locked in a strange embrace. Wiping rain from her eyes, she has just witnessed a brutal murder and sees a dark-hooded figure slip away into the fog. In the throes of alerting police, Theodosia recognizes the victim—it is the daughter of her neighbor's Antiquarian Bookshop next door to her own Indigo Tea Shop. Even though this appears to be the work of a serial killer who is stalking the back alleys of Charleston, Lois begs Theodosia for the advice of her boyfriend, Detective Pete Riley, and the sage words of Drayton, her tea sommelier, amateur-sleuth Theodosia launches her own shadow investigation. And quickly she is surrounded by the dead girl's boyfriend, nefarious real estate developer, private-security man, bumbling reporter, and her own neighbor who is writing a true-crime book and searching for the killer. INCLUDES DELICIOUS RECIPES AND TEA TIME TIPS!
