help to students in understanding the practical aspects of music both at the primary and secondary school levels. These days, compositions have become a difficult task amidst the choir such that having their own copyright to musical compositions have become rare, rather songs from unknown sources are embraced. For this reason, church music has become less spiritual (1Cor.14:15b). However, this book will enhance the composing and singing abilities of choir in our various churches. It will also help them to sight sing lots of great gospel songs and hymns with tonic sol-fa. Churches are

advised to recommend this book for their choir. In conclusion, this book contains lots of practical works that are playable with any other musical instrument, like saxophone, trumpet, piano, guitar, clarinet, flute, violin e.t.c. Therefore, parents are requested to encourage their children by buying them the book (The Recorder's Book for Easy Learning with great gospel songs & hymns' tonic sol-fa) and any musical instrument of their choice, apart from the recorder which the book centers on.
