Anyone with an interest in the problems of highly creative children will find this volume useful in guiding a wide range of creative talent at all age and educational levels. In preparing this material, I have drawn most heavily upon my own research and that of my colleagues concerning the creative thinking of children, adolescents, and adults. Although my emphasis is upon the problems of highly creative children, I believe you will find these materials useful in guiding a wide range of creative talent at all age and educational levels.

observations meaning from my experience as a teacher, counselor, and principal in a high school and as a college teacher and counselor, roles in which I have met many highly creative individuals. I have also drawn upon my research concerning behavior under emergency and extreme conditions, especially situations involving coercion.

A product from "Raise Creative Kidz," the Imagination Drawing Station is a Creative Mindflexors(R) Workbook. Use it to enhance creativity through drawing from your imagination based on The Incomplete Figure Test - one of the most iconic elements of the Torrance Tests of Creative Thinking. This workbook will help your child enhance their creative thought process through fun drawing activities. A parent informational page is included to show you how to help your child explore and expand their creative thinking abilities. Great for use with your children, grandchildren, scout troops, homeschooling, or after-school programs. Created by the author of "Raise Creative Thinkers: A Guide to Developing Children's Creative Intelligence" and the Creative Mindflexors(R) Card Set.
