A deeply personal and candid remembrance of the late Senator John McCain from one of his closest and most trusted confidants, friends, and political advisors. More so than almost anyone outside of McCain's immediate family, Mark Salter had unparalleled access to and served to influence the Senator's thoughts and actions, cowriting seven books with him and acting as a valued confidant. Now, in The Luckiest Man, Salter draws on the storied facets of McCain's early biography as well as the later-in-life political philosophy for which the nation knew and loved him, delivering an intimate and comprehensive account of McCain's life and philosophy. Salter covers all the major events of McCain's life—his peripatetic childhood, his naval service—but introduces, too, aspects of the man that the public rarely saw and hardly knew. Woven throughout this narrative is also the story of Salter and McCain's close relationship, including how they met, and why their friendship stood the test of time in a political world known for its fickle personalities and frail bonds. Through Salter's revealing portrayal of one of our country's finest public servants, McCain emerges as both the man we knew him to be and also someone entirely new. Glimpses of his restlessness, his curiosity, his courage, and sentimentality are rendered with sensitivity and care—as only Mark Salter could provide. The capstone to Salter's intimate and decades-spanning time with the Senator, The Luckiest Man is the authoritative last word on the stories McCain was too modest to tell himself and an influential life not soon to be forgotten.

Pappy and Buddy were living the life, everything running smooth as cream on the farm. All was in order. Life was good. Plenty of time to sit back and soak in Pappy's hot bathtub out by the horse turnout (Pappy, not Buddy, although Buddy tried his best to climb in with him that one time). Yes, all was good at The Last Resort. That is until one fated night, that unalterable moment when Pappy forgot to pull the laundry room door closed.
