—[A] double bildungsroman— of two British women —set against a background of political and cultural upheavals— in the direct aftermath of WWII (The New Yorker). It begins on May 8, 1945. The streets of London are alive with VE-Day celebrations. In the crowd, twenty-year-old Freya Wyley meets eighteen-year-old Nancy Holdaway. Freya—s acerbic wit and free-wheeling politics complement Nancy—s gentle, cautious nature, and what begins on that eventful day in history is the story of a transformative friendship that spans two decades. As Freya chooses journalism and Nancy realizes her ambitions as a novelist, their friendship takes on the nuances of sexual, emotional, and professional rivalries. Beneath the relentless thrum of changing times are the eternal battles fought by women in pursuit of independence and the search for love. Stretching from the war haunted halls of Oxford and Nuremburg to the cultural shifts of the early 1960s, Freya brings to life two extraordinary women facing down an era of political and personal tumult. —With this three-dimensional portrait of his headstrong heroine, whose hard-gloss shell conceals a hard-fought vulnerability, Quinn achieves a distinct and unusual creation.— —The New York Times

An essential reference for all game designers, this 1938 classic is —a fascinating account of —man the player— and the contribution of play to civilization— (Harper—s) In this classic evaluation of play that has become a —must-read— for those in game design, Dutch philosopher Johan Huizinga defines play as the central activity in flourishing societies. Like civilization, play requires structure and participants willing to create within limits. Starting with Plato, Huizinga traces the contribution of Homo Ludens, or —man the player— through Medieval Times, the Renaissance, and into our modern civilization. Huizinga defines play against a rich theoretical background, using cross-cultural examples from the humanities, business, and politics. Homo Ludens defines play for generations to come.

Filled with historic details of the time, Fire Bell in the Night explores the explosive tension between North and South, black and white, that gripped Charleston, South Carolina, in the summer of 1850. Geoffrey S. Edwards's first novel tells the story of New York Tribune reporter John Sharp, sent to cover the capital trial of Darcy Calhoun, a farmer who stands accused of harboring a fugitive slave. As the trial begins, John quickly realizes that not everything is as it appears in the genteel city of Charleston. A series of mysterious fires in white establishments brings the state militia, a curfew for the black population, and rising tension at the courthouse. To unravel the city's secrets, Sharp must enter Charleston's plantation society, where he is befriended by Tyler Breckenridge, owner of the Willowby plantation, and his beautiful sister Clio. Set against the backdrop of a nation headed toward civil war, Fire Bell in the Night is a page-turning account of a trial and one young reporter's efforts to discover the truth.

Masalah mulai muncul ketika Fay jatuh cinta pada Kent, pemuda asal Inggris yang juga keponakan si penculik. A number-one bestseller from one of Britain’s most popular novelists, Sheer Abandon is an all-consuming story revolving around the consequences of a desperate act . . . Martha, Clio, and Jocasta meet by chance at Heathrow airport in 1985 as they are starting off on separate backpacking adventures, and they decide to spend the first few days of their trips together in Thailand. When they go their separate ways, they vow to get together in London the following year. But many years pass before the three cross paths again, and the once-capricious, carefree girls now all have thriving careers. One of them, however, harbors a terrible secret: On her return from her pre-college excursion, she abandoned her just-born daughter at Heathrow. Clio has fulfilled her ambition of becoming a doctor, only to find herself trapped in a marriage to an arrogant surgeon who belittles her and her professional achievements. Martha is a highly paid corporate lawyer, just embarking on a political career. Dedicated to her job, she has had little time for personal relationships and lives a busy, but lonely life. Jocasta, a tabloid newspaper reporter with an infallible instinct for the big story, is in love with a charming colleague who can’t make the permanent commitment she longs for. The infant abandoned at Heathrow has grown up under the loving care of her adoptive family. In 1988, a retired schoolteacher named Pius Fernandes receives an old diary found in the back room of an East African shop. Mark Helprin’s powerful, rapturous new novel is set in a present-day Paris caught between violent unrest and its well-known, inescapable glories. Seventy-four-year-old Jules Lacour—a maître at Paris-Sorbonne, cellist, widower, veteran of the war in Algeria, and child of the Holocaust—must find a balance between his strong obligations to the past and the attractions and beauties of life and love in the present. He risks fraud to save his terminally ill infant grandson, matches wits with a renegade insurance investigator, is drawn into an act of savage violence, and falls deeply, excitingly in love with a young cellist a third his age. Against the backdrop of an exquisite and knowing vision of Paris and the way it can uniquely shape a life, he forges a denouement that is staggering in its humanity, elegance, and truth.In the intoxicating beauty of its prose and emotional amplitude of its storytelling, Mark Helprin’s Paris in the Present Tense is a soaring achievement, a deep, dizzying look at a life through the purifying lenses of art and memory.

Wiccan Spell a Day

Paris on Repeat

Those who are interested in watching the mental development of a child must have noted that when the baby has learned to speak even a little, it begins to show its growing intelligence by asking questions. "What is this?" it would seem at first to ask with regard to simple things that to it are still mysteries. Soon it arrives at the more far-reaching inquiries-"Why is this so?" "How did this happen?" And as the child's mental growth continues, the painstaking and conscientious parent or guardian is many times faced by questions which lack of knowledge, or a sensitive honesty, prevents him from answering either with assurance or with ingenuity. As with the child, so it has ever been with the human race. Man has always come into the world asking "How?" "Why?" "What?" and so the Hebrew, the Greek, the Maori, the Australian blackfellow, the Norseman-in a word, each race of mankind-has formed for itself an explanation of existence, an answer to the questions of the groping child-mind-"Who made the world?" "What is God?" "What made a God think of fire and air and water?" "Why am I, I?" Into the explanation of creation and existence given by the Greeks come the stories of Prometheus and of Pandora.

From the author of the National Book Award finalist Black Leopard, Red Wolf and the WINNER of the 2015 Man Booker Prize for A Brief History of Seven Killings "An undeniable success." — The New York Times Book Review A true triumph of voice and storytelling, The Book of Night Women rings with both profound authenticity and a distinctly contemporary energy. It is the story of Lilith, born into slavery on a Jamaican sugar plantation at the end of the eighteenth century. Even at her birth, the slave women around her recognize a dark power that they- and she-will come to both revere and fear. The Night Women, as they call themselves, have long been plotting a slave revolt, and as Lilith comes of age they see her as the key to their plans. But when she begins to understand her own feelings, desires, and identity, Lilith starts to push at the edges of what is imaginable for the life of a slave woman, and risks becoming the conspiracy's weak link. But the real revelation of the book-the secret to the stirring imagery and insistent prose-is Marlon James himself, a young writer at once breathtakingly daring and wholly in command of his craft.

Stuck in a time loop in Paris, fourteen-year-old Eve Hollis has to take big risks to discover what trapped her there, or she’ll have to live the most awkwardly painful day of her life over and over again, forever.

These ardent, even obsessed, poems about erotic passion are among the brightest jewels in the crown of Latin literature. Written by Propertius, Rome's greatest poet of love, who was born around 50 b.c., a contemporary of Ovid, these elegies tell of Propertius' tormented relationship with a woman he calls "Cynthia." Their connection was sometimes blissful, more often agonizing, but as the poet came to recognize, it went beyond pride or shame to become the defining event of his life. Whether or not it was Propertius' explicit intention, these elegies extend our ideas of desire, and of the human condition itself.

Miss Katherine Spicer started her first day at Coldfield Comprehensive School, confident, enthusiastic and very well qualified; that was until she met the eyes of the student hidden in the corner of her classroom. Kat's final weekend of freedom was about to turn her life upside down and threaten everything she had been working for. How was she to know those mesmerising green eyes would reappear here? Great lesbian chick lit. A cross between Notes on a Scandal by Zoe Heller and Sugar Rush by Julie Burchill. The novel deals with the many issues of sexuality in a gripping, yet funny manner, pulling the reader back into a world of teenage nostalgia and school day memories.
