In the informative, entertaining, and generously illustrated Spartak Moscow, a book that will be cheered by soccer fans worldwide, Robert Edelman finds in the stands and on the pitch keys to understanding everyday life under Stalin, Khrushchev, and their successors. Millions attended matches and obsessed about their favorite club, and their rowdiness on game day stood out as a moment of relative freedom in a society that championed conformity. This

was particularly the case for the supporters of Spartak, which emerged from the rough proletarian Presnia district of Moscow and spent much of its history in fierce rivalry with Dinamo, the team of the secret police. To cheer for Spartak, Edelman shows, was a small and safe way of saying "no" to the fears and absurdities of high Stalinism; to understand Spartak is to understand how soccer explains Soviet life. Champions of the Soviet Elite League twelve times and eleven-time winner of the USSR Cup, Spartak was founded and led for seven decades by the four Starostin brothers, the most visible of whom were

Whether because of their own financial wheeling and dealing or Spartak's too frequent success against state-sponsored teams, they were arrested in 1942 and spent twelve years in the gulag. Instead of facing hard labor and likely death, they were spared the harshness of their places of exile when they were asked by local camp commandants to coach the prisoners' football teams. took back the reins of a club whose mystique as the "people's team" was only enhanced by its status as a victim of Stalinist tyranny. Edelman covers the team from its days on the wild fields of prerevolutionary Russia through the post-Soviet period. Given its history, it was hardly surprising that Spartak adjusted quickly to the new, capitalist world of postsocialist Russia, going on to win the championship of the Russian Premier League nine times, the Russian Cup three times, and the CIS Commonwealth of Independent States Cup six times. In addition to providing a fresh and authoritative history of Soviet
