

Trigger Point The Gabriel Wolfe Thrillers Book 1

A selection of Sigurd F. Olsson's finest writing on the splendor of the great outdoors, hand-picked by the master himself

When you want to take power, call the SAS A right-wing billionaire is standing for Parliament. To help him, he enlists the help of former SAS soldier, Gabriel Wolfe. Gabriel left the Army after a covert mission went disastrously wrong and has sworn never to cause another man's death. It quickly becomes clear that Sir Toby Maitland's ambitions extend far beyond a seat as an MP. When an ex-combat in Swedish Special Forces, now working for MI5, contacts Gabriel, he realises he has little choice but to try to stop his employer's juggernaut in its tracks. Drugs, guns and plastique Gabriel finds himself embroiled in deals with Hells Angels and a South African arms dealer in the US before the true nature of Sir Toby's plan is revealed. This is a fast-paced thriller in the same vein as early James Bond, through Robert Ludlum's Bourne books to Lee Child's Jack Reacher series. Expect fast cars, gunplay, nailbiting suspense and enough hardware to start a small war. Watch out, there's a new gun in town! If you like your action hot and heavy and your heroes cool under fire, you'll love Gabriel Wolfe. But be warned, beneath the calm surface deep currents are flowing. Currents that take him under every single day of his life. "Action, double-crosses, villains galore... a rattling good thriller! Early Bond meets Jack Reacher - a thrilling debut outing for a new action hero." Damien Seaman, author of Betinr Burning and The Killing of Emma Gross.

Trigger Point>CreateSpace

Despite creating vast inequalities and propping up reactionary world regimes, capitalism has many passionate defenders—but not because of what it witholds from some and gives to others. Capitalism dominates, Todd McGowan argues, because it mimics the structure of our desire while hiding the trauma that the system inflicts upon it. People from all backgrounds enjoy what capitalism provides, but at the same time are told more and better is yet to come. Capitalism traps us through an incomplete satisfaction that compels us after the new, the better, and the more. Capitalism's parasitic relationship to our desires gives it the illusion of corresponding to our natural impulses, which is how capitalism's defenders characterize it. By understanding this psychic strategy, McGowan hopes to divest us of our addiction to capitalist enrichment and help us rediscover enjoyment as we actually experienced it. By locating it in the present, McGowan frees us from our attachment to a better future and the belief that capitalism is an essential outgrowth of human nature. From this perspective, our economic, social, and political worlds open up to real political change. Eloquent and enlivened by examples from film, television, consumer culture, and everyday life, Capitalism and Desire brings a new, psychoanalytically grounded approach to political and social theory.

Facts, Fictions, and Fantasies

Bonnie and Clyde

Hell of a Book

Resurrection Road

Die Zero

Wolf Boys

In a world of modern, involved, caring parents, why are so many kids aggressive and cruel? Where is intelligence hidden in the brain, and why does that matter? Why do cross-racial friendships decrease in schools that are more integrated? If 98% of kids think lying is morally wrong, then why do 98% of kids lie? What's the single most important thing that helps infants learn language? Nurtureshock is a groundbreaking collaboration between award-winning science journalists Po Bronson and Ashley Merryman. They argue that when it comes to children, we've mistaken good intentions for good ideas. With impeccable storytelling and razor-sharp analysis, they demonstrate that many of modern society's strategies for nurturing children are in fact backfiring—because key twists in the science have been overlooked. Nothing like a parenting manual, the authors' work is an insightful exploration of themes and issues that transcend children's (and adults') lives.

Pain is the most common symptom in bringing a patient to a physician's attention. Physicians training in pain medicine may originate from different disciplines and approach the field with varying backgrounds and experience. This book captures the theory and evidence-based practice of behavioral, psychotherapeutic and psychopharmacological management in modern pain medicine. The book's contributors span the fields of psychiatry, psychology, anesthesiology, neurology, physical medicine and rehabilitation, and nursing. Thus the structure and content of the book convey the interdisciplinary approach that is the current standard for the successful practice of pain management. The book is designed to be used as a text for training fellowships in pain medicine, as well as graduate courses in psychology, nursing, and other health professions.

From the author of Bellefleur: "A "psychologically incisive" glimpse into the mind of a deranged predator and the boy he abducts to be his son (Booklist). Robbie Whitcomb is five years old when he's taken from his mother in a mall parking lot. In her attempt to chase the kidnapper, she's left badly injured and permanently disfigured.

Such are the methods of the man who calls himself Daddy Love—a man known to the rest of the world as charismatic preacher Chester Cash. For the next six years, Robbie is to be Daddy's son. That means doing whatever Daddy says—and giving him whatever he wants. Soon Robbie learns to accept his new name, Gideon. He also learns that he is not the first of Daddy Love's sons. And that each of the others, after reaching a certain age, was never seen again. As Robbie's mother recovers from her wounds, her life and marriage are a daily struggle. But as years go by, she maintains a flicker of hope that her son is still alive. Meanwhile, Robbie approaches the "bittersweet age" with no illusions about his fate. But somewhere within this tortured child lies a spark of rebellion. And he knows all too well what survival requires. "After all these years, Joyce Carol Oates can still give me the creeps." —Marilyn Stasio, The New York Times Book Review "A lean and disturbing tale that reverberates after its ending."

Colombus Dispatch "Oates makes us squirm as she forces us to see some of the action through Love's twisted and warped perspective." —Kirkus Reviews "This unsettling tale showcases Oates's masterful storytelling." —Publishers Weekly

American Military History provides the United States Army-in particular, its young officers, NCOs, and cadets—with a comprehensive but brief account of its past. The Center of Military History first published this work in 1956 as a textbook for senior ROTC courses. Since then it has gone through a number of updates and revisions, but the primary intent has remained the same. Support for military history education has always been a principal mission of the Center, and this new edition of an invaluable history furthers that purpose. The history of an active organization tends to expand rapidly as the organization grows larger and more complex. The period since the Vietnam War, at which point the most recent edition ended, has been a significant one for the Army, a busy period of expanding roles and missions and of fundamental organizational changes. In particular, the explosion of missions and deployments since 11 September 2001 has necessitated the creation of additional, open-ended chapters in the story of the U.S. Army in action. This first volume covers the Army's history from its birth in 1775 to the eve of World War I. By 1917, the United States was already a world power. The Army had sent large expeditionary forces beyond the American hemisphere, and at the beginning of the new century Secretary of War Elihu Root had proposed changes and reforms that within a generation would shape the Army of the future. But world war-global war-was still to come. The second volume of this new edition will take up that story and extend it into the twenty-first century and the early years of the war on terrorism and includes an analysis of the wars in

Afghanistan and Iraq up to January 2009.

Ryan Kaine: on the Run

Fury

Hill and Run

THIS SWEEP FIREFIGHTER ROMANCE WILL MELT YOUR HEART ... Becca Trevor never intended to come back to pretty little St. Caroline, Maryland—where, growing up, she was the wild child/black sheep/girl who couldn't "I get anything right. And she definitely never intended to see Jack Wolfe again, with whom she shared an unforgettable fifteen minutes seven years ago. Jack Wolfe was the golden boy of St. Caroline. Smart, Ivy League-educated, law school-bound. He has a nice, steady job as an attorney with a hotshot tech company in California ... well, no. Carole that. That 's just what everyone—including his dying mother—believes. He has to keep his real life secret until summer ' s end. But Becca has an even bigger secret of her own ... one that will change hers and Jack ' s lives forever. This sweet small town firefighter romance will melt your heart! Come to the shores of the Chesapeake Bay in Julia Gabriel ' s new series about love, family, and second chances ... The 300-year-old town of St. Caroline, Maryland, is part fishing village and part summer playground for the wealthy and powerful. Meet the Trevor women—Michelle, Becca, Charlotte, Natalie, Cassidy and Lauren—and their popular quilt shop, Quilt Therapy. Across town, the men of the Wolfe family have been the backbone of the St. Caroline fire department for generations—Tom, Jack, Matt and Oliver are continuing the tradition. Read the entire series: Book 1: Hearts on Fire Book 2 Two of Hearts Book 3: This Reminds Me of Us Book 4: Stormy Hearts Book 5: The Wedding Planner (coming 2022) Book 6: Secret Beach (coming 2022) """" Read what others are saying about Hearts on Fire ... " Julia Gabriel does an amazing job with this devastatingly, heart-breaking love story. -- RT Book Reviews, Top Pick "Hearts on Fire is a heart-wrenching and emotional read, with a sweet payoff that will leave readers smiling." --Ind Tale Magazine " This book was so good, that I went back and ordered the rest of this series. This may have been my first book by this author, but it won't be my last. ... Grab the tissues - this second-chance romance is going to tug at all your heartstrings." "Hearts on Fire & I read this book way way past my bedtime." " Holy Cow!!! This story was so riveting, that I just couldn't let it go." " Justices and I am blown away at this beautiful love story! This should be made into a movie! Seriously, right from the very beginning you are hooked on the next chapter. I've always been a Mary Higgins Clark reader ... This book is gets my five star review! "This book was so beautiful written, I couldn't put it down!" " Julia Gabriel touches the heart!" " I loved this book from beginning to the end! I read a lot of books, sometime in a single day! This was a riveting tale that I could not put down. I wept, laughed, and was charmed by this full cast of delightful characters. Ms. Gabriel created a unique ploline that builds this novel with so much warmth that all you just want to hug all of the characters to let them know everything will be all right." " I HIGHLY recommend this novel to anyone wanting a uniquely written contemporary sweet romance." " If you are looking for a clean romance that takes you through so much emotion, this is a great choice for you. Be ready for the tears, because they are coming, but know that the ending will make you smile!" " OMG!! I found a new "author" I adored Hearts on Fire & I read this book way way past my bedtime." " The advance copy I read of this book is my first by this author, and this lady has some mad writing skills. Not only did she create a quaint, sweet, small town setting that anyone would love to visit, all of the characters are dynamic, complex, realistic people that I felt like I knew personally. There are some tough topics that she masterfully addresses with compassion, tenderness and stark reality so much so that I felt the emotions right along with the characters. I laughed, I cried, I felt frustrated, uncertain and hopeless, and then relieved, joyful and at peace." "This is the first book I've read by this author. I am just blown away." "Heartbreakingly Beautiful. This is the first book that I have read by Julia Gabriel and I can honestly say that it will stay with me for a while. I couldn't help but love Becca (how can you not!). She sees herself as a walking, talking, disaster. I also really liked Jack, the golden boy meant for greatness, who couldn't truly be himself." "This book is truly what a great love story should be and I shed a few tears reading it. The emotions that come out from these characters are what makes it so amazing." Perfect for fans of Debbie Macomber, Susan Wiggs, Elin Hilderbrand, RaeAnne Thayne, Pamela Kelley, Dennis Groves Swank, Layla Hagen, Nancy Thayer, Susan Malley, Mary Alice Monroe, Mary Kay Andrews, Robyn Carr, Barbara Delinsky, Jill Shalvis, Kristin Hannah, and LuAnne Rice. Topics: second chance romance, small towns, firefighters, motherhood, parenthood, adoption, families, family life, sweet romance, clean and wholesome, sisters, sisterhood, mothers and daughters, secret baby, free read, free romance book, summer romance, contemporary romance.

Civil war is drawing closer: A fierce political battle engulfs a one-in-a-lifetime referendum. Is a new era about to begin? Israel, 2048. The Ultra-Orthodox now form the majority among Israeli Jews. The country has changed rapidly in recent years to reflect their religious values and the new status quo. On the 100th anniversary of the establishment of the state a referendum is called to decide whether to separate into two independent nations: one religious, the other secular. The fate of Israel will be determined by its own people, but foreign powers have their own reasons for seeking to influence the outcome of the vote. Against the backdrop of a no-holds-barred political campaign and with the clock ticking fast towards the day of reckoning, a man's body found in the Jerusalem hills seems initially of little consequence—until his identity is revealed.

Could this discovery impact the fate of the entire country?

Seven years the dead Justine Wolfe life SAS veteran Gabriel Wolfe a decent hand, his best friend is murdered. And Gabriel's in the frame for the crime. Struggling to come to terms with her death, he finds his world collapsing around him. The woman calling herself Erin Ayers is rich, powerful, and very, very deadly. And she's out for blood. Gabriel's, mainly. But first she wants to destroy everything - and everyone - he loves. She's hired an assassin Gabriel last met in Hong Kong to help her. Nobody is safe from Erin Ayers and her fury. But who is she? Why does she hate Gabriel Wolfe so much? And how can he discover her true identity? The clock is ticking... A high-octane thriller that never lets up! This break-neck action thriller is the fifth novel in Andy Maslen's Gabriel Wolfe series. The story moves from Gabriel's home in the English countryside to London, Kazakhstan, Zurich, Venice, Manhattan, upstate New York and Hong Kong. With a rising body count, and enough military and improvised hardware to start a small war, this book is not for the faint-hearted. Alongside his fight to defeat his latest enemy, Gabriel must battle his PTSD, which invades his mind at the very possible moments. Praise for Andy Maslen's other novels Fans of Lee Child, Daniel Silva, Brad Thor, Vince Flynn, Andy McNab and Chris Ryan love the Gabriel Wolfe thrillers. - First Casualty "I regularly read books of this action/adventure genre and I recently discovered Andy Maslen and his character Gabriel Wolfe. The style of writing is very engaging and I always wanted to read more to know what happened next. I enjoyed the writing style and this journey of exploration. Watch out for Andy Maslen as his books are getting better each time. Already waiting for the next one!" Matt Goulding "This book is incredible. Andy Maslen in an amazing author, draws you in, keeps you there. Read his first four books and can't wait for the fifth. Would highly recommend all four of the books." Michael Lock > Condor "Oh! I love this series. Gabriel's latest excursion dealing with terrorism and a religious cult is thrilling from the very first chapter until the last

Andy Maslen has created a gem of a character and I hope it won't be too long before I get the chance to continue reading about him. I love out of nowhere how the plot develops and surprises. No spoilers from me. Just go ahead and read for yourself. You won't regret it!" Paul Smith Verified Purchase "The pace of the narrative is fantastic and draws you right on to the next chapter. I really like the way Andy Maslen creates his locations—before the hero is in Oxford Street or in the jungle or the English countryside, he somehow manages to conjure up all the sights, sounds and smells to convince you it's real. If you love a good action thriller, I can totally recommend Condor." HV Sherborne Verified Purchase > Blind Impact "... continues to develop its rugged here." Kirkus Reviews "There's so much energy in this story, you're hooked from the start and can't help but race through it. I'd love to see this series made into a film franchise!" VR Verified Purchase > Trigger Point "Action, double-crosses, villains galore... a rattling good thriller! Early Bond meets Jack Reacher - a thrilling debut outing for a new action hero." Damien Seaman, author of The Killing of Emma Gross, on Trigger Point. "A pacy and entertaining read, with plenty of action, genuine suspense and good snappy dialogue. Gabriel Wolfe is a great new addition to the world of thriller heroes." bookworm51 Verified Purchase BUY YOUR COPY OF FURY NOW "Addictive, intelligent, edge-of-your-seat writing; as urgent and gripping as it gets."- Oliver Harris, bestselling author of the Nick Belsey thrillers. It takes a cut leader to kill a cult. On the run from past colleagues, cult leader and ex-CIA agent Christopher Wren walks into a white supremacist bar in northern Utah, looking only to get beaten up. What he uncovers instead is repugnant; the beginning throes of a vast human trafficking organization run with ruthless corporate precision, funneling thousands of homeless people from the streets to... Nobody knows. Nobody cares. They should. A civil war is brewing in the wilds of America. One spark in the tinderkeg could ignite the inferno, and now Wren finds himself alone in the dark, watching the spark fall. If you love Jack Reacher, John Milton or Alex Cross you'll love this book. Get it today to plunge into Wren's battle for America's soul.

Returning from Paris to discover a murder victim in her driveway, Boston medical examiner Maara Isles is shocked to discover that the victim looks exactly like her and is a twin sister she never knew. A situation that prompts the doctor to investigate her true identity and come to terms with a convict biological mother. Reprint.

"A skillful mix of Bertie Wooster and James Bond ... a thoroughgoing pleasure from beginning to end" (Booklist). From the multitalented British actor, beloved for his roles on Blackadder, Jeeves and Wooster, and House, this is a spy-on-spy spoof about hapless ex-soldier Tom Branson. Who is drawn unwittingly and unwillingly into the center of a dangerous plot of international terrorists, arms dealing, high-tech weapons, and CIA spooks. "There is mystery, intrigue, sex, and violence, all of which Lang tosses off with sarcastic wit and remarkable poise. Laurie's humor is his home. Although the subject is serious, even plausible, much of this comedy-thriller is laugh-out-loud funny." --Library Journal "Suspenseful, hilarious, witty, surprising, ridiculous, and pretty wonderful. . . . A delightful novel. . . ." --The Washington Post Book World

One of Fortune's 21 Most Anticipated Books Coming Out in the Second Half of 2021 (One of The Root's PageTurners: It's Getting Hot in Here) (One of Real Simple's Best New Books to Read in 2021 An astounding work of fiction from New York Times bestselling author Jason Matt, always deeply honest, at times electrically funny, that goes to the heart of racism, police violence, and the hidden costs exacted upon Black Americans and America as a whole In Jason Matt's Hell of a Book, a Black author sets out on a cross-country public tour to promote his bestselling novel. That storyline drives Hell of a Book and is the scaffolding of something much larger and more urgent: Matt's novel also tells the story of Soot, a young Black boy living in a rural town in the recent past, and The Kid, a possibly imaginary child who appears to the author on his tour. As these characters' stories build and converge, they astonish. For while this heart-breaking and magical book enters into it at once about family, love of parents and children, art and money, it's also about the nation's reckoning with a tragic police shooting playing over and over again on the news. And with what it can mean to be Black in America. Who has been killed? Who is The Kid? Will the author finish his book tour, and what kind of world will he leave behind? Unforgettably told, with characters who burn into your mind

and an electrifying plot ideal for book club discussion, Hell of a Book is the novel Matt has been writing in his head for the last ten years. And in its final twist, it truly becomes its life.

Lost, baffled, and alone in Willesden's mean streets, Detective Constable Dangerous Davies is up against the cream of criminality. Newspaper theft (the work of organized crime?), household robbery (including cheese from the fridge), it's all grist to his mill. When Dangerous is beaten up, yet again, at a European Friendship dinner dance he reluctantly takes some sick leave. Recuperating in Bournemouth he is approached by a member of the local Widows' Luncheon Club. She wants him to find out the truth about her husband's disappearance. Dangerous declines. It's against the rules. Back in Willesden a further beating helps change his mind. So starts a double life of regular casework and moonlighting as Dangerous lurches into a mystery fit to confuse the great Holmes himself...

WHEN OBEDIENCE MEANS DEATHA suicide bomber boards a crowded bus in central London. Ex-SAS captain Gabriel Wolfe, now struggling with PTSD, is having a coffee just yards away. In the ensuing carnage, Gabriel is plunged into a bloody memory of his last, botched mission.Plagued by visions of the dead comrade he left behind, Gabriel now freelances for The Department, a secret British Government hit squad. He wants to take out whoever ordered the attack.Gabriel's desire for vengeance leads him to Eden, the Brazilian rainforest compound of a religious cult called The Children of Heaven. The cult's leader is "Père Christophe", a psychopath with a taste for fine wines, Mozart and extreme violence.But when Gabriel arrives, he is brainwashed, brutalised and fitted for his own suicide vest. Then his real battle begins. To prevent more deaths... including his own."A Cross Between Bond and Reacher""This edge-of-your-seat action thriller is the third full-length outing for Andy Maslen's "hero among us", Gabriel Wolfe. Conдор combines heart-stopping action with nightmarish scenes of psychological breakdown.Gabriel's enemies include a sadistic Colombian cartel boss nicknamed "The Baptists", a vicious biker gang - the Sons of Satan - and, in the heart of the rainforest itself, a psychopathic cult leader with a taste for classical music, fine wine and extreme violence.Fans of Lee Child, James Patterson, Vince Flynn and Daniel Da Silva are already saluting Maslen as an author to watch.If you like your heroes flawed as well as resourceful, you'll love Gabriel Wolfe. He's been called "deadlier than Bond", and "more human than Reacher."Praise for Andy Maslen's Gabriel Wolfe books"> Trigger Point"Action, double-crosses, villains galore... a rattling good thriller! A passenger plane explodes. Eighty-three people die. One man is responsible.When a routine operation ends in tragedy, decorated ex-Royal Marine, Ryan Kaine, becomes the target of a nationwide manhunt. The police want him on terrorism charges. A sinister organisation wants him dead. Kaine is forced to rely on two women he hardly knows: one, a country vet who treats his wounds, the other an IT expert with a secret of her own.Battling overwhelming guilt, life-threatening injuries, and his own moral code, Kaine hunts the people who turned him into a mass-murderer.Can Kaine's combat skills, instincts, and new-found allies lead him to the truth and redemption?

THE WIDOW IS A COP. FORGET THE LAW. SHE WANTS REVENGE Detective Inspector Stella Cole was a rising star in London's Metropolitan Police. Then a hit-and-run driver killed her husband, Richard, a human rights lawyer. Grief drove her to booze and pills. Back at work after a year's compassionate leave, Stella secretly re-investigates his death and begins to suspect a cover-up. Freelance journalist Vicky Riley was working with Richard to expose corruption buried deep inside the legal system. Unaware that powerful people are out to stop her, she contacts Stella. Vicky's research confirms Stella's worst fears. The people who should be upholding the law are turning it on its head. Stella thinks she's closing in on the truth. Then a horrific discovery threatens her very sanity. What began as a search for justice is now a raging thirst for revenge. A disturbing psychological crime thriller... Hit and Run is a disturbing, psychological crime thriller set in the grimy world of legal conspiracy and corruption, from Andy Maslen, author of the hugely popular Gabriel Wolfe novels. Set in the grey area where truth and lies, virtue and villainy collide, it shines a spotlight into some very dark places. The book is the first in a series...for readers who like the dark side Fans of Kathy Reichs, Karin Slaughter, Tess Gerritsen, Jo Nesbo, Jeffery Deaver and Ian Rankin will love Stella Cole. Praise for Andy Maslen's other novels "> Trigger Point "Action, double-crosses, villains galore... a rattling good thriller! It's OK knowing the theory, but when it's 9am and you have just been given until lunchtime to write some copy for a new sales email, landing page, press ad or brochure, what you really need is a shortcut. This book takes the grind out of planning and writing almost any type of copy by providing step-by-step advice on the best layouts, approaches and styles to suit everything from an email subject line to recruitment ad, direct mail letter or website. Prepared by one of the best copywriters in the B2B sector, this book also provides the reader with templates for 13 of the most common copywritng tasks for maximum effectiveness and speed.

The tale of two American teenagers recruited as killers for a Mexican cartel, and the Mexican-American detective who realises the war on Drugs is unstoppable. "A hell of a story...undeniably gripping." (The New York Times) In this astonishing story, journalist Dan Slater recounts the unforgettable odyssey of Gabriel Wolfe, an American teenager athletic, bright, handsome, and charismatic. But the ghettos of Laredo, Texas—his border town—are full of smugglers and gangsters and patrolled by one of the largest law-enforcement complexes in the world. It isn't long before Gabriel abandons his promising future for the allure of juvenile crime, which leads him across the river to Mexico's most dangerous drug cartel. Los Zetas. Friends from his childhood join him and eventually they catch the eye of the cartel's leadership. As the cartel wars spill over the border, Gabriel and his crew are sent to the States to work. But in Texas, the teen hit men encounter a Mexican-born homicide detective determined to keep cartel violence out of his adopted country. Detective Robert Garcia's pursuit of the boys puts him face-to-face with the urgent consequences and new security threats of a drug war he sees as unwinnable. In Wolf Boys, Slater takes readers on a harrowing, often brutal journey into the heart of the Mexican drug trade. Ultimately though, Wolf Boys is the intimate story of the lobos: teens turned into pawns for the cartels. A nonfiction thriller, it reads with the emotional clarity of a great novel, yet offers its revelations through extraordinary reporting.

Looks at the effect of deadly battle on the body and mind and offers new research findings to help prevent lasting adverse effects.

Looks at the effect of a global "free market" has exploited crises and shock for three decades, from the Iraq to Iraq in her groundbreaking reporting. Naomi Klein introduced the term "disaster capitalism." Whether covering Baghdad after the U.S. occupation, Sri Lanka in the wake of the tsunami, or New Orleans post-Katrina, she witnessed something remarkably similar. People still reeling from catastrophe were being hit again, this time with economic "shock treatment," losing their land and homes to rapid-fire corporate makeovers. The Shock Doctrine retells the story of the most dominant ideology of our time, Milton Friedman's free market economic revolution. In contrast to the popular myth of this movement's peaceful global victory, Klein shows how it has exploited moments of shock and extreme violence in order to implement its economic policies in so many parts of the world from Latin America and Eastern Europe to South Africa, Russia, and Iraq. At the core of disaster capitalism is the use of cataclysmic events to advance radical privatization combined with the privatization of the disaster response itself. Klein argues that by capitalizing on crises, created by nature or war, the disaster capitalism complex now exists as a booming new economy, and is the violent culmination of a radical economic project that has been incubating for fifty years.

"Winnie's dead. Remember your promise? " When SAS veteran Gabriel Wolfe receives a five-word text, his self-imposed exile in Hong Kong comes to an abrupt end. Honouring a blood oath he swore with Winnie Calder, Gabriel investigates how the ex-Delta Force sniper ended up dead in the middle of the Texan desert. What he discovers shocks the battle-hardened soldier and the besting agent of his secret, but the globe's CIA team is planning to trial a new biological weapon on Cambodian orphans. Operating alone, Gabriel traces the plot to the heart of the Cambodian jungle. But powerful people want Gabriel silenced, permanently. And they're happy to use any means necessary to protect their asset. Action hotter than a machinegun barrel This non-stop action thriller is the sixth novel in Andy Maslen's Gabriel Wolfe series. The action never lets up, whether Gabriel is silencing Russian "businessmen" in a London hotel room or fighting for his life against a CIA agent in the middle of a killing field. His Special Forces skills are tested to the limit, from surveillance to covert entry, close combat to demolition. Praise for Andy Maslen's other novels Fans of Lee Child, Mark Dawson, Gabriel Silva, Brad Thor, vince Flynn, Andy McNab and Chris Ryan love the Gabriel Wolfe thrillers. Fury "Was really looking forward to the next in the Gabriel Wolfe series and was I disappointed - NO! Once again plot is complicated and challenging and keeps the reader desperate to read more. Gabriel is a killer with a conscience and his relationships and escapades are extremely believable. If you want a book (or even a series) of books that will provide exciting holiday reading, or any other time, then these are the books for you." Mrs K Miles "This fifth instalment will not disappoint Wolfe fans. In Fury, Wolfe finds himself battling with an unknown enemy who clearly has designs on destroying his life, which includes targeting those close to him. As the story unfolds we see Gabriel venturing around the world as he chases down clues to help him identify his attacker whilst protecting those who mean anything to him. A great mistral that will have you on the edge of your seat!" Badabing666 First Casualty "I regularly read books of this action/adventure genre and I recently discovered Andy Maslen and his character Gabriel Wolfe. The style of writing is very engaging and I always wanted to read more to know what happened next. I enjoyed the writing style and this journey of exploration. Watch out for Andy Maslen as his books are getting better each time. Already waiting for the next one!" Matt Goulding "This book is incredible. Andy Maslen in an amazing author, draws you in, keeps you there. Read his first four books and can't wait for the fifth. Would highly recommend all four of the books." Michael Lock > Conдор "Oh! I love this series. Gabriel's latest excursion dealing with terrorism and a religious cult is thrilling from the very first chapter until the last. Andy Maslen has created a gem of a character and I hope it won't be too long before I get the chance to continue reading about him. I love out of nowhere how the plot develops and surprises. No spoilers from me. Just go ahead and read for yourself. You won't regret it!" Paul Smith - Verified Purchase "The pace of the narrative is fantastic and draws you right on to the next chapter. I really like the way Andy Maslen creates his locations. Whether the hero is in Oxford Street or in the jungle or the English countryside, he somehow manages to conjure up all the sights, sounds and smells to convince you it's real. If you love a good action thriller, I can totally recommend Conдор." HV Sherborne - Verified Purchase BUY YOUR COPY OF FUR

In this groundbreaking book, Ilham Khuri-Makdisi establishes the existence of a special radial trajectory spanning four continents and linking Beirut, Cairo, and Alexandria from 1860 and 1914. She shows that socialist and anarchist ideas were regularly discussed, disseminated, and reworked among intellectuals, workers, dramatists, Egyptians, Ottoman Syrians, ethnic Italians, Greeks, and many others in these cities. In situating the Middle East within the context of world history, Khuri-Makdisi challenges nationalist and elite narratives of Mediterranean and Middle Eastern history as well as Eurocentric ideas about global radical movements. The book demonstrates that these radical trajectories played a fundamental role in shaping societies throughout the world and offers a powerful rethinking of Ottoman intellectual and social history.

Myths, stories, and folklore are part of the fabric and life of all organizations, enabling us to understand, identify, and communicate the character of the organization - its ambitions, conflicts, and peculiarities. Drawing on extensive fieldwork of storytelling in five organizations, this book argues that stories open valuable windows into the emotional and symbolic lives of organizations. By collecting stories in different organizations, by listening and comparing different accounts, by investigating how narratives are constructed around specific events, by examining which events in an organization's history generate stories and which ones fail to do so, researchers can gain access to deeper organizational realities, closely linked to their members' experiences. In this way, stories enable researchers to study organizational politics, culture, and change in uniquely illuminating ways, revealing how wider organizational issues are viewed, commented upon, and worked upon by their members. The book's first part develops the theory of storytelling by building on various approaches, including narrative, folkloric, ethnographic, symbolic, social constructionist, and psychoanalytic, while the second offers a set of four studies which make use of stories in exploring particular aspects of organizational life.

Rebecca, a young Englishwoman, is recruited to work as an au pair in Avignon in the South of France. Even though the war later that year did little to disturb her happy life there, until 1940 when Hitler launched an all-out assault on Western Europe. Trying to escape back to Britain, Rosie was only able to flee as far as Paris, where she was eventually rounded up as an 'enemy alien' and sent to a German-run prison camp in Eastern France. Desperate to escape, she eventually did so with an equally industrious friend, Frida. After many months on the run in France, the young women finally reached the unoccupied city of Marseille. From there, they continued to flee through France, Spain and Portugal, at last arriving in Ireland where they were able to catch a plane back to Britain. Moving, enthralling, and inspirational, Rosie's War is a book for all to enjoy.

Welcome aboard the sex-drive wool ship ... Captain Genro commands the giant spaceship Dragon Zephyr - on board are ten thousand passengers in electrocoma, a smaller number of conscious passengers eagerly utilizing the ship's dream chambers - and a Pilot. In the context of space travel, the Pilot is merely a biological component in the machine. Always a woman, her function is to launch the ship into the Jump by means of a cosmic orgasm. She is a pariah, shunned by all. Void Captain Genro should never even have spoken to his Pilot, let alone tried to embark on a relationship with her. When he did so, the result was every space traveller's nightmare. A Blind Jump into the Void ... OVER HALF A MILLION COPIES SOLD! This is the classic guide to astrological history, legend, and practice! Readers will enjoy simple, computer-accurate planetary tables that allow anyone born between 1900 and 2100 to pinpoint quickly their sun and moon signs, discover their ascendants, and map out the exact positions of the planets at the time of their birth. In addition to revealing the planets' influence on romance, health, and career, The Only Astrology Book You'll Ever Need takes a closer look at the inner life of each sign. Celebrated astrologer Joanna Martine Woolfolk offers abundant insights on the personal relationships and emotional needs that motivate an individual, on how others perceive astrological types, and on dealing with the negative aspects of signs. Readers will also welcome the inclusion of new discoveries in astronomy. Lovishly illustrated and with an updated design, this new edition is an indispensable sourcebook for unlocking the mysteries of the cosmos through the twenty-first century and beyond.

Michael Laurence delivers *The Annihilation Protocol*, the follow-up to *The Extinction Agenda*, in a series described as "Jack Reacher falling into a plot written by Dan Brown" (James Rollins, #1 New York Times bestselling author of *Crucible*). For centuries, a mysterious syndicate known as the Thirteen has staged a silent coup, infiltrating governments and manipulating the course of world events. It's more powerful than any nation, deadlier than any army. The time has come for it to emerge from the shadows and claim the entire world as its own. And only FBI Special Agent James Mason and his longtime friends stand in its way. After narrowly preventing a global pandemic, Mason and his team discover an even deadlier threat has already been set into motion. An unknown adversary has produced enough of a lethal nerve gas to wipe every major city off the face of the world, and their only clue to finding it lies in a cryptic message written in the blood of a man found entombed behind a concrete wall. It isn't until another victim appears—right in the heart of Central Park—that Mason realizes the murders are personal in nature, and figuring out the connection between them is the key to averting catastrophe. Eight million lives hang in the balance and their only chance of surviving lies in the hands of Mason, his old friends, and a new partner he's not entirely sure he can trust. Can his team track down a sinister agent codenamed Scarecrow before toxic gas fills the streets of New York City, or will the true power pulling the strings from behind the scenes—the Thirteen—succeed in enacting its genocidal agenda?

2nd Edition: A manual for those going through spiritual journeys and kundalini awakenings. Listing symptoms, practices and health suggestions to reassure the reader that transmutation and the evolutionary process of metamorphosis is both normal and essential to the "deeper" experience of being human. Evolutionary biologists and neurologists may find some clues in this book to aid their research.
