Popular music is a growing presence in education, formal and otherwise, from primary school to postgraduate study. Programmes, courses and modules in popular music studies, popular music performance, songwriting and areas of music technology are becoming commonplace across higher education. Additionally, specialist pop/rock/jazz graded exam syllabi, such as RockSchool and Trinity Rock and Pop, have emerged in recent years, meaning that it is now possible for school leavers in some countries to meet university entry requirements having studied only popular music. In the context of teacher education, classroom teachers and music-specialists alike are becoming increasingly empowered to introduce popular music into their classrooms. At present, research in Popular Music Education lies at the fringes of the fields of music education, ethnomusicology, community music, cultural studies and popular music studies. The Ashgate Research Companion to Popular Music Education is the first book-length publication that brings together a diverse range of scholarship in this emerging field. Perspectives include the historical, sociological, pedagogical, musicological, axiological, reflexive, critical, philosophical and ideological.

In 1987, a budget classical record label was started in Hong Kong by Klaus Heymann, a German businessman who loved classical music. Swiftly, it gained a world wide reputation for reliable new digital recordings of the classics at a remarkably low price. Despite opposition from the classical record establishment, it grew at a remarkable pace, and soon expanded into opera, early music, contemporary music and specialist repertoire so that it became appreciated by specialist collectors as well as the general music lover. It is now the leading provider of classical music and as an innovator in digital delivery. At the heart of Naxos is one man: Klaus Heymann. The combination of his broad knowledge of classical music and his acute business acumen has enabled him to build the most varied classical music label in the world, but also the most effective distribution network to ensure that his recordings are available everywhere. This fascinating story explains how it happened, how a one-time tennis coach in Frankfurt became a classical recording mogul in Hong Kong and how, at the age of 75, he still holds the reins as firmly as ever.

The directory of the classical music industry.

Improvisation for Classical, Fingerstyle, and Jazz Guitar - Creative Strategies, Technique and Theory: Is the product of over twenty five years experience as a professional musician and guitar tutor. Contains more than sixty exercises, in both standard notation and guitar tablature, ranging from simple, clear examples of the topics under discussion, to longer more complex sections of music that illustrate how these ideas can be developed. Suggests new techniques, and strategies, offering guitarists practical ideas for solo or group performance, recording, music exams, and expanding musical horizons. Demonstrates how to use improvisation as a universal way of making music, enabling Classical, Fingerstyle, and Jazz players to learn the essential skills to create sophisticated and rewarding improvised pieces. Places theory and practice in a much broader context, by including discussions on the historical development of improvisation, along with supplementary information on a wide range of inter-related literature and listening. Contains an extensive appendix showing how to adapt and apply the CAGED system, demonstrating how its five basic patterns can be transformed into hundreds of interlocking modes, scales, arpeggios and chords.

Theory of Music Workbook Grade 3

This volume contains valuable practice material for candidates preparing for the ABRSM Guitar exams, Grades 18. The book is written in attractive and approachable styles and representative of the technical level expected in the exams.

This collection of classic guitar studies is intended for the intermediate guitarist. As a whole, these etudes emulate the content of Carcassi's famed 25 Etudes, yet in a more contemporary harmonic and rhythmic idiom. These pieces are also distinguished in that they are not only valuable as left and right-hand technical exercises- but also as valid, pleasurable concert repertoire. the first ten etudes 11-20 focus on the use of the a finger in combination with i and m. Etudes 4,7,11,13,15, and 17 also concentrate on left-hand slurs. the final five etudes were composed as - and intended to be performed- as a set with each piece dedicated to a particular Latin American composer.

GUITAR EXAM EXERCISE BOOK INTRODUCTION For guitarists looking to further their playing technique and/or who are preparing for ABRSM, Trinity, Guildhall or indeed any classical/fingerstyle guitar exam, this book is for you. Created by virtuoso guitarist and conservatoire lecturer James Akers, this guitar manual has been created to help players develop their technique to help ensure performing success, not least in the preparation for grade exams. The exercises and studies in this book are graded to correspond to the technical demands required of each grade from 1 to 5, in both classical and acoustic guitar syllabuses. A section with more advanced techniques is included towards the end of the book. Instructions, including fingerings and tips for success are included. All examples are given in both staff notation and TAB. Although largely corresponding to the various grading systems available, this book can be used by anyone as a means of improving their guitar technique. **BOOK CONTENT 85 exercises & 16 studies** grade 1 to grade 5 and beyond covering: **GRADE 1** - The exercises for grade 1 are intended to help the guitarist in the early stages of their development build up their finger strength, improve their coordination, tone production, speed, and accuracy. **GRADE 2** - The exercises for Grade 2 extend and consolidate the ideas introduced in Grade 1, providing more material to allow the evolving guitarist to improve their technique in a systematic way. **GRADE 3** - New techniques are introduced, including slurs, (or hammer-ons and pull-offs) and natural harmonics. In addition, as well as exercises, there are several specially composed study pieces, in a variety of styles, to allow the techniques learned so far to be practised in a more musical context. **GRADE 4** - Common descending arpeggio pattern across three strings, 4 note chords using all right-hand fingers, multiple slurs, or hammer-ons and pull-offs, in various finger combinations including open strings and multiple fretted notes, the half-barre technique for the left hand. **GRADE 5** - Ascending arpeggio patterns, speed & rhythmic pattern exercises, left hand workouts with repeated patterns, mixed ascending/descending slur patterns, full barre technique **BEYOND GRADE 5** - Tremelo technique, natural harmonics in exercise and within a study. **STUDIES** Sixteen original studies are provided for grades 3 onwards: **GRADE 3** - Six studies individually demonstrating various left hand finger combinations, two part chordal textures, three part chords, ascending slur and hammer on techniques, **GRADE 4** - Four studies individually demonstrating arpeggio playing, three and four part chordal performance, half barre in a musical context, ascending and descending slurs, playing in complex time signatures, introducing natural harmonics. **GRADE 5 AND BEYOND** - Six studies individually demonstrating arpeggio playing, slur exploration, speed study, thick textured chordal playing, tremelo study, artificial harmonics in melodic scenario. **DOWNLOAD** All exercises and studies have been recorded by James Akers and are included as a free download to accompany this book. Details of how to access the free download are detailed within the publication.

Theory of Music Workbook Grade 1

Focus: Popular Music in Contemporary India examines India's musical soundscape beyond the classical and folk traditions of old to consider the culturally, socially, and politically rich contemporary music that is defining and energizing an Indian youth culture on the precipice of a major identity shift. From

Bollywood film songs and Indo-jazz to bhangra hip-hop and Indian death metal, the book situates Indian popular music within critical and historical frameworks, highlighting the unprecedented changes the region's music has undergone in recent decades. This critical approach provides readers with a foundation for understanding an Indian musical culture that is as diverse and complex as the region itself. Included are case studies featuring song notations, first-person narratives, and interviews of well-known artists and emerging musicians alike. Illuminated are issues of great import in India today—as reflected through its music—addressing questions of a “national” aesthetic, the effects of Western music, and identity politics as they relate to class, caste, LGBTQ perspectives, and other marginalized voices. Presented through a global lens, Focus: Popular Music in Contemporary India contextualizes the dynamic popular music of India and its vast cultural impact.

(Book). We proudly present the fifth edition of Maurice J. Summerfield's highly acclaimed ultimate reference book on the classical guitar. This brand new book features all the original biographical entries updated with new photographs where applicable, plus 100 new biographical entries in the players, composers and makers section for a total of over 485. This new edition gives the reader a full and clear picture of the classical guitar's development since the beginning of the nineteenth century. Also included are informative sections on composers, scholars, flamenco guitarists and guitar makers. The book's collection of several hundred photographs is the most complete to be published in one volume. There are extensive listings of the most important classical guitar recordings. The final section, Sources of Supply, guides readers to where they can obtain the books, recordings, music and magazines listed in the book. Without a doubt, this new edition will be the essential work of reference on the subject of classical guitar for years to come! "My sincere congratulations to Maurice Summerfield." Andres Segovia
