Trust Me is book two in Adam and Mila's duet and book six in the Hawthorn Hills Duet Series. A two-part, angst-filled, secret past love story. Tempt Me must be read before Trust Me in order to enjoy the full story. Life at its hardest requires trust. Adam Cooper ran without explanation, right when she needed him most. But she doesn't know the true depth of his scars. Mila Collins is everything to him, but she can't understand the past that still haunts him. And he has no idea about the secrets she's hiding. Consumed by their own secrets and fears, they're about to discover just how much they need each other. But in order to do that, they're going to need to learn how to trust. The Hawthorn Hills Duet Series follows eight couples. Each two-book duet must be read in order to enjoy the couple's full story, but the series can be read in any order. You'll find angst-filled, slow-burn, epic love stories along with topical storylines and some amazingly real and raw characters.

Books 2-3 Omega Chronicles Nevaeh & Crux Ansata Part I and II Book 2 of the Omega Chronicles, Part I "If you were to destroy the belief in immortality in mankind, not only love but every living force on which the continuation of all life in the world depends, would dry up at once." - Fyodor Dostoevsky Many people believe that being immortal is a bliss, something that is priceless… something that one would do next to anything for. Would it be a bliss to live long enough to see all your loved ones perish? To wander around the world in loneliness, for every friend you ever made have run out of time to spend with you? Personally, I think not! It's not a bliss. If anything, it's a downright curse. This story about the lost city of Nemea is a subgenre of the fantasy or science fiction genres that involves the discovery of an unknown world out of time and place. The second novel in the Omega Chronicles series is also a subgenre of the late Victorian adventure romance. This story has a similar theme to other mythical kingdoms, The Lost City of Altinova in Book 1 and others, such as Atlantis and El Dorado. Lucas Petersen, a professor at the University of Texas, is resting quietly in his apartment on Guadalupe Street near the main campus. There's a knock at his door that surprised him. He is visited by Tommy Hansen, a good friend. With him, he brought a steel box, set it down at his friend's table, and explained his unusual request, including the fact that he was soon to die. Part of the request was that the contents of the box couldn't be disclosed for twenty years. ***** Book 3 of Omega Chronicles: Part II, a Sequel to Nevaeh, Part I "True love is not necessary the number of kisses, or how frequently one gets them, TRUE LOVE is the feeling that still remains long after the kiss is over." Crux Ansata - The Lost City of Ankara is a gothic-fantasy novel that follows as a sequel to Nevaeh - The Lost City of Nemea from the Caves of Chivateros in Peru. It is Book Three in the Omega Chronicles. Freja Jensen, contemplating retiring from BeeBop Publishing Group in Austin, Texas, received a brown paper parcel in the mail. She opened the package and saw that it was from Lucas Hansen, or his pen name, Lucas Pedersen. With the letter was a manuscript. Another letter received was from a doctor who asked to remain anonymous. Included in a small teakwood box was an ancient sistrum, an Egyptian musical instrument with magical powers, and had the etching of an ankh on top. In this sequel to Nevaeh - The Lost City of Nemea, a twenty-year search begins by Lucas and Oliver Hansen to try and find Oliver's lost True Love. You might ask, "What is true love? No one can really define what it is. Thousands upon thousands of people will have an answer. Many answers will point to a feeling they experience, but never has the Truth been more known until one reads the dramatic conclusion in this sequel, CRUX ANSATA. In the case of Oliver Hansen, also known as the Golden One, his love, unlike feelings, doesn't come and go. It stays with him for over twenty years as he searches for that one true love, the Goddess Nevaeh. He explores through the good and the bad… and when we say bad, we mean
