The new novel by Natalie Babbitt, author of Tuck Everlasting Joe Casimir needed help with the choice he had to make. But how do you choose the person who will help you choose? Mr. Boulderwall, the millionaire, knew exactly what he wanted Joe to choose. And millionaires are experts at making choices. Well, aren't they? But Vinnie, the number-two man down at Sope Electric, didn't much approve of millionaires. He said to Joe, "Listen, kid, all of 'em act like they're the only ones with a ticket to the show!" But he didn't have any real advice to offer. Joe's Gran didn't either, as it turned out, and neither did Aunt Myra. The good advice was there, though. Right across the street. Just waiting right across the street. There are a lot of good things just waiting. You'll see.

Terry Fox become a national hero and icon, he was just a regular kid. But even then, his characteristic strength, determination and loyalty were apparent and were the foundation for his friendship with Doug. The two first met at basketball tryouts in grammar school. Terry was the smallest - and worst - basketball player on the court. But that didn't stop him. With Doug's help, Terry practiced and practiced until he earned a spot on the team. As they grew up, the best friends supported each other, challenged each other, helped each other become better athletes and better people. Doug was by Terry's side every step of the way: when Terry received a diagnosis of cancer in his leg, when he was learning to walk - then

masterwork of honor and injustice in the deep South—and the heroism of one man in the face of blind and violent hatred One of the most cherished stories of all time, *To Kill a Mockingbird* has been translated into more than forty languages, sold more than forty million copies worldwide, served as the basis for an enormously popular motion picture, and was voted one of the best novels of the twentieth century by librarians across the country. A gripping, heart-wrenching, and wholly remarkable tale of coming-of-age in a South poisoned by virulent prejudice, it views a world of great beauty and savage inequities through the eyes of a young girl, as her father—a crusading local lawyer—risks everything to defend a black man unjustly accused of a terrible crime.
