

## Tuesday

"From the award-winning author of *Bellweather Rhapsody*, a delightfully clever novel following one woman and a supporting cast of misfits, dreamers and foes as they race to win a treasure hunt inspired by Edgar Allan Poe, left behind by a dying billionaire" -- Second title in Garth Nix's gripping new fantasy adventure series. There is always a time to weep. But there is also a time to deal with the things we cannot change and stumble forward in the direction of hope. Rediscover the God of grace and the God of glory in these comforting, yet insightful, words of hope for difficult days. When Tuesday Storm's mother plunges headfirst down a flight of stairs, it's the second-worst thing that ever happens in Tuesday's life. The first? Mama survives the accident. Suddenly she's furious with Tuesday for some mysterious "bad thing" she's done. The doctor says the aggression is due to a brain injury and only temporary. So the Storms do what any proud, Southern family would. They hide the problem, hoping it will go away. Meanwhile little Tuesday becomes the target of unrelenting hostility and twisted "punishments." In this based-on-a-true-story novel, a now-grown Tuesday recounts, with raw emotion, her sudden "loss" of a nurturing mother, and the tragic years to follow living with the monster in her mother's clothes--a monster she can't stop loving.

Small-Moment Living in a Fast-Moving World

Growing a Strong Faith for Everyday Living

*Although Grace intends to become the first female in baseball's big leagues, Grace's mother insists she take ballet lessons on the very days her little league team practices and plays.*

*An irreverent look behind the scenes of American politics from one of the most sought-after operatives in the Democratic Party Lis Smith isn't your average political strategist and Any Given Tuesday isn't your typical political memoir. At once a revealing look at human nature at the highest levels of power and an intimate portrayal of a sometimes rocky personal journey, it breaks all the rules. Smith doesn't pretend to be perfect—she owns the controversial choices that landed her in the tabloids, as well as the unorthodox ones that have paid off and defined her successful career. Any Given Tuesday follows Smith from her earliest experiences as a college-aged intern to her days as a trusted adviser and confidante to some of the most high-profile politicians in the country—including her star turn as senior adviser on Pete Buttigieg's 2020 presidential campaign. Animated by Smith's love for the hand-to-hand combat of politics and sustained by her deeply-held belief that it's still possible to effect positive change, it's an odyssey full of highs and lows and larger-than-life characters. Throughout, Smith shows what it's really like behind the curtain: what happens when the lights go down and the cameras turn*

*off, how it feels to be in the eye of the political media storm, and how the people responsible for heady, life and death decisions are as flawed as the rest of us. While the journey hasn't always been smooth, Lis Smith has seen and learned a lot—and she shares it all in this eye-opening, entertaining memoir.*

*Eight stories from the fresh voices of the Tuesday Writing Critique Group meant to bewitch, titillate, educate, and amuse readers.*

*Genesis 1:9–13 speaks of God's creation of the third day. In these verses, God uses the word good two times. The only day in which he used that word more than once. The third day would be Tuesday on the Western (Gregorian) calendar. According to Jewish tradition, that is a double blessing day. In fact, many traditional Jewish weddings are held on Tuesday because of the double blessing. Years ago, a women's bible study taught by Patricia had to be held on Tuesdays because it was the only day available. The class was immediately a blessed class. When learning of the double blessing of Tuesday, it soon became the logo for the class. Such a blessing that God gave to the small group of believers—Double Blessing Tuesday.*

**Experience a heart-pumping and thrilling tale of suspense! Originally published in THRILLER (2006), edited by #1 New York Times bestselling author James Patterson.**

In this historical Thriller Short, New York Times bestselling writer Katherine Neville deals with a little known fact about Benjamin Franklin. Franklin had an obsessive penchant for creating and joining private clubs, none of which was more enigmatic than the Lodge of the Nine Sisters and its founder, Mme Helvetius, one of the wealthiest and most beautiful women in France. When an encoded message from Scotland arrives at her home, Helvetius sets out in disguise to deliver it to Benjamin Franklin, who she knows will be able to decipher its hidden meaning. As luck would have it, John Adams and Thomas Jefferson are in France at the time. What transpires is a lesson in the cryptography of the time and a warning of an impending chaos that may threaten the fledgling United States of America. **How to move beyond global warfare and gang and street violence is explored through the unlikely medium of RAP in THUGUN AND NATASHA, a drama with rap, for family audiences. The play is rooted in the real life Los Angeles killing of a young black girl by a Korean storekeeper who was a woman. In THUGUN AND NATASHA, the gun is personified and becomes THUGUN a master rapper and manipulator of people's hearts and minds. RAP replaces the Greek Chorus, as Thugun the time-honored gun with all his attendant hubris, raps his way through life, exploring every angle of temptation for young men in an ethnically divided community as well as those living in fear while trying to keep their lives and their businesses intact. Sookee the storekeeper becomes a tragic perpetrator as well as deceived victim when she unwittingly kills the promising Natasha, an A student, a brilliant, precocious teenager while Thugun, the man-made oddity' gloats in his achievement. Sookee and Thugun are finally put on trial, as is Article II, the second amendment of the U.S. Constitution,**

humanity itself and the will of human beings to transcend their differences and reach the ultimate intuition of reverence for life.

**THUGUN AND NATASHA** is a play for all ages.

Easy to solve . . . hard to resist! Tuesday puzzles are fun and easy and now they're even easier to solve in this series with big, spiral-bound covers - Fifty of the Times's Tuesday crosswords, their easiest of the week - Puzzles that are not only fun but completely solvable by all puzzlers, from beginner to expert - Covered spiral binding for easy spine-out shelving.

Michael Nesmith's eclectic, electric life spans his star-making role on The Monkees, his invention of the music video, and his critical contributions to movies, comedy, and the world of virtual reality. Above all, his is a seeker's story, a pilgrimage in search of a set of principles to live by. That search took Nesmith from a childhood in Dallas, where his single mother Bette invented Liquid Paper, to the set of The Monkees in Los Angeles; to the heart of swinging London with John Lennon and Jimi Hendrix; and to an unexpected oasis of brilliance in the Santa Fe desert, where his friendships with Douglas Adams and Los Alamos scientists would point him toward the power of the infinite and the endless possibilities of human connection. This funny, thoughtful, self-aware book is a window onto an unexpected life, inflected at every turn by the surprising candor and absurdist humor of an American original. Opening Infinite Tuesday is like stepping into the world of Michael Nesmith, where something curious is always unfolding, and where riffs on everything from bands to dogs to the nature of reality make for an endlessly engaging journey.

For Kai, nothing will ever be normal again. Sixteen-year-old Kai's life is shattered forever by a letter from her sister, Jen, which begins, "If you are reading this, I am already gone." Jen has committed suicide. Heartbroken and furious, Kai gets caught in a downward spiral, self-medicating and lashing out. When her parents decide to send her to a summer camp for grieving teens, she resists. But eventually, sharing her feelings with kids who understand helps her move forward and even fall in love. This stunning novel offers a roadmap for anyone touched by loss or looking for hope in a broken world.

When Sunday Looks Like Tuesday seeks to gather readers as they move along a continuum of faith-building to deal with whatever trials they may

face. The pandemic of 2020 has alerted us to prepare, to be overcomers, to be resilient. For the Christian, those skills come together under the umbrella of faith-building. Step-by-step, the follower of Jesus' teaching adds another treasure to the stockpile of faith. The follower moves through the speed bumps as well as the catastrophes along the way and helps others do the same. The author shows the simplistic touchstones she used early in life, and then shows through her life's timeline how her faith was strengthened bit by bit. She invites the reader to be encouraged and to see how that reader's own faith can grow as well. Why would you ever want to eat a taco when you could have...something else? Follow along with a happy little taco as they try to convince you that something else is for dinner. Just don't tell them what day it is! On Tuesdays, when the Crystal Bridges Museum of American Art is closed to the public, the museum's founder Alice Walton brings her dog, Friday, who spends time with several characters from works in the museum's collection that come to life.

Based on the tragedy of the Twin Towers ... two powerful novels of heroism, loss, and redemption by New York Times bestselling author Karen Kingsbury

**ONE TUESDAY MORNING** The last thing Jake Bryan knew was the sound of the World Trade Center collapsing on top of him and his fellow firefighters. The man in the hospital bed remembers nothing. Not rushing with his teammates up the stairway of the south tower to help trapped victims. Not being blasted from the building. And not the woman sitting by his bedside who says she is his wife. Jamie Bryan will do anything to help her beloved husband regain his memory. But that means helping Jake rediscover the one thing Jamie has never shared with him: his deep faith in God.

**BEYOND TUESDAY MORNING** Determined to find meaning in her grief three years after the terrorist attacks on New York City, FDNY widow Jamie Bryan pours her life into volunteer work at a small memorial chapel across from where the Twin Towers once stood. There, unsure and feeling somehow guilty, Jamie opens herself to the possibility of love again. But, in the face of a staggering revelation, only the persistence of a tenacious man, questions from Jamie's curious daughter, and words from her dead husband's journal can move Jamie beyond one Tuesday morning ... toward life.

Tuesday Morning has always been a little different. She's kept a diary since 1989 and while researching for her English Lit thesis in 2003 on Emily Dickinson's transcendental tendencies, finds a poem that will change her life. Haunted by a past that she considers

less than desirable, Tuesday recreates her history with the stroke of a pen. Page by page, year by year, she rewrites her painful memories as she has always fantasized. Bullied and discontented with her body before, she now becomes popular, thin and desired. Throughout this cleansing process, she consciously decides what to keep and what to toss. She scans her old diary entries for words that trigger painful and unpleasant thoughts: Fat Tuesday (her nickname in high school), Katie (her childhood neighbor turned bully), Writer (her dream of becoming) and Monday (her identical twin sister). Tuesday finds herself in an odd place six years later, unknowingly spending each day of her life as someone that she was never meant to become. With each breath of her new life, Tuesday obliviously loses more of herself. When a special person of her past returns to her present, Tuesday is forced to choose between the life that she had once desired and her true self. We all have deep secrets and skeletons in our closets. Imagine having the ability to not only change the past, but also completely alter the present and future. How far will Tuesday go to erase her past? And how much of herself will she lose in the process?

#1 NEW YORK TIMES BESTSELLER • A special 25th anniversary edition of the beloved book that changed millions of lives—with a new afterword by the author “A wonderful book, a story of the heart told by a writer with soul.”—Los Angeles Times Maybe it was a grandparent, or a teacher, or a colleague. Someone older, patient and wise, who understood you when you were young and searching, helped you see the world as a more profound place, gave you sound advice to help you make your way through it. For Mitch Albom, that person was Morrie Schwartz, his college professor from nearly twenty years ago. Maybe, like Mitch, you lost track of this mentor as you made your way, and the insights faded, and the world seemed colder. Wouldn't you like to see that person again, ask the bigger questions that still haunt you, receive wisdom for your busy life today the way you once did when you were younger? Mitch Albom had that second chance. He rediscovered Morrie in the last months of the older man's life. Knowing he was dying, Morrie visited with Mitch in his study every Tuesday, just as they used to back in college. Their rekindled relationship turned into one final “class”: lessons in how to live. Tuesdays with Morrie is a magical chronicle of their time together, through which Mitch shares Morrie's lasting gift with the world.

“A Nigerian bildungsroman featuring Dantala, a street kid thrust calamitously into the arms of a gentle sheikh, who thereafter faces Islamic extremism.” —O, The Oprah Magazine, “10 Titles to Pick Up Now” Winner of the 2017 Betty Trask Prize A Finalist for the Nigeria Prize for Literature Nominated for 2017 Hurston/Wright Legacy Award An Indies Introduce Selection An Amazon Best Book of the Month in Literature & Fiction Longlisted for the 2016 Etisalat Prize for Literature In far northwestern Nigeria, Dantala lives among a gang of street boys who sleep under a kuka tree. During the election, the boys are paid by the Small Party to cause trouble. When their attempt to burn down the opposition's local headquarters ends in disaster, Dantala must run for his life, leaving his best friend behind. He makes his way to a mosque that provides him with food, shelter, and guidance. With his quick aptitude and modest nature, Dantala becomes a favored apprentice to the mosque's sheikh. Before long, he is faced with a terrible conflict of loyalties, as one of the sheikh's closest advisors begins to raise his own radical movement. When bloodshed erupts in the city around him, Dantala must decide what kind of Muslim—and what kind of man—he wants to be. “An ambitious book that tackles modern Nigeria's extremely complex religious landscape with great insight, passion, and humor by taking us deep into the mental and emotional space of the country's most neglected.” —Uzodinma Iweala, author of *Beasts of No Nation*

*Our obsession with bigger and faster is spinning us out of control. We move through the week breathless and bustling, just trying to keep up while longing to slow down. But real life happens in the small moments, the kind we find on Tuesday, the most ordinary day of the week. Tuesday carries moments we want to hold onto--as well as ones we'd rather leave behind. It holds secrets we can't see in a hurry--secrets not just for our schedules but for our souls. It offers us a simple bench on which to sit, observe, and share our stories. For those being pulled under by the strong current of expectation, comparison, and hurry, relief is found more in our small moments than in our fast movements. In *Simply Tuesday*, Emily P. Freeman helps readers · stop dreading small beginnings and embrace today's work · find contentment in the now--even when the now is frustrating or discouraging · replace competition with compassion · learn to breathe in a breathless world Jesus lived small moments well, slow moments fully, and all moments free. He lives with us still, on all our ordinary days, creating and redeeming the world both in us and through us, one small moment at a time. It's time to take back Tuesday, to release our obsession with building a life, and believe in the life Christ is building in us--every day.*

*When Sunday Looks Like Tuesday:*

Super Tuesday 1988 was the first successful attempt to get several states in one region to hold presidential primaries on the same day. Its success -- or lack thereof -- will affect the way presidents are elected for many years to come. Reaching beyond Super Tuesday and the nominations of George W. Bush and Michael Dukakis, Barbara Norrander's book presents the nation's first regional primary as the latest chapter in the ever-changing system through which U.S. political parties choose their presidential candidates. Norrander's research details how changes in technology, candidate an

media strategies, and historical circumstances have influenced recent presidential nominations how they set the stage for the South's primary in 1988. *Super Tuesday: Regional Politics and Presidential Primaries* emerges as an authoritative source not only on Super Tuesday but on many other aspects of presidential nominations. This book demonstrates that much of current conventional wisdom about presidential nominations is wrong. Norrander traces candidate strategies from 1988 and calculates turnout rates from 1960 to 1988. She also examines the composition of the Tuesday electorate with respect both to preconceived notions of who participates in presidential primaries and to deliberate attempts by the Democratic and Republican parties to manipulate turnout in the South's regional primary. Her analysis of the timing and process of nomination and victories from 1976 to 1988 emphasizes the importance of the overlooked role of candidate appeal over candidate momentum. Of special interest to political scientists -- and to political observers concerned with parties, elections, and voting behavior, Norrander's book will reshape the examination of presidential contests in 1992 and beyond.

*A heartwarming dog story like no other: Tuesday*, a lovable golden retriever, changes a former soldier's life forever. A highly decorated captain in the U.S. Army, Luis Montalván never backed down from a challenge during his two tours of duty in Iraq. After returning home from combat however, his physical wounds and crippling post-traumatic stress disorder began to take their toll. He wondered if he would ever recover. Then Luis met Tuesday, a sensitive golden retriever trained to assist the disabled. Tuesday had lived among prisoners and at a home for troubled boys, and he found it difficult to trust in or connect with a human being--until Luis. *Until Tuesday* is the story of how wounded warriors, who had given so much and suffered the consequences, found salvation in one another. It is a story about war and peace, injury and recovery, psychological wounds and spiritual restoration. But more than that, it is a story about the love between a man and dog, and how they healed each other's souls.

Lucille Ball, Hollywood's first true media mogul, stars in this "bold" (The Boston Globe), "boisterous novel" (The New Yorker) with a thrilling love story at its heart—from the award-winning, best-selling author of *Chang & Eng* and *Half a Life* A WASHINGTON POST BEST BOOK OF THE YEAR • "A gorgeous, Technicolor take on America in the middle of the twentieth century."—Colson Whitehead Pulitzer Prize-winning author of *The Nickel Boys* This indelible romance begins with a daring conceit—that the author's grandfather may have had an affair with Lucille Ball. Strauss offers a new view of a celebrity America loved more than any other. Lucille Ball—the most powerful woman in the history of Hollywood—was part of America's first high-profile interracial marriage. She owned more movie sets than did any movie studio. She more or less single-handedly created the modern TV business. And yet Lucille's off-camera life was in disarray. While acting out a happy marriage for millions, she suffered in private. Her partner couldn't stay faithful. She struggled to balance her fame with the demands of being a mother, a creative genius, an entrepreneur, and, most of all, a symbol. *The Queen of Tuesday*—Strauss's follow-up to *Half a Life*, winner of the National Book Critics Circle Award—mixes fact and fiction, memoir and novel, to imagine the provocative story of the woman we thought we knew.

In this ingenious and imaginative - nearly wordless - picture book, frogs in a pond lift off on their lily pads and fly to a nearby town where they zoom through a woman's living room, encounter a child playing in his yard, and distract a bathrobe-clad citizen from his midnight snack. What if you could save a life, even in death? What if a part of you could live on and give a new life a new heartbeat to another person in need? Organ donation is this ultimate gift of life, and for one man and his family, waiting for this miracle gift would be a lesson in life, faith, and hope. In *Wait until Tuesday*, author John M. Garrett shares his compelling story of waiting for a heart transplant while trying not to die. After a series of close calls, John is finally told he needs a heart transplant, but he is made aware of the fate of many awaiting transplantation that there is a serious shortage of organs, and many die before their gift can arrive. But also a story of never giving up, *Wait until Tuesday* offers a window into the mind of a man fighting to stay present and strong for both himself and his family. His perseverance and his eventual gift of life would not only give him a second chance, but it would also give the world an advocate for the miracle of organ donation and transplantation. Even though a great majority of adults are in favor of organ donation and transplantation, only 2 percent of those who die become organ donors due to a fear, health factors, age, and other unknowns. Explore this personal chronicle of one man's gift of life and all the courage, faith, and support it takes to make the miracle of transplantation possible.
