*This two-volume encyclopedia is the first to focus on the material life of slaves. • 178 A–Z entries on almost all aspects of the material culture of enslaved African Americans from the 17th century until 1865 • Contributions from a plethora of scholars, curators, artisans, and archaeologists in the field • Sidebars including quotations from former slaves in which they describe the use and meaning of material objects • Period paintings, watercolors, photographs, and drawings that illustrate the material world of enslaved blacks • Photos of buildings, archaeological assemblages, and modern-day reproductions to illustrate specific entries • A thematic guide that helps users easily find related topics • Includes a substantial selected bibliography, including vetted websites*

*Slavery in the United States lasted more than two centuries. The adoption of the Thirteenth Amendment to the U.S. Constitution in December 1865 abolished slavery after the American Civil War. The first slaves were forcibly removed from Africa by British slave traders beginning in the early 1600s. Redoshi, later renamed Sally Smith, was the last surviving female slave brought to the U.S. from Africa. A Benoise war captive, she was illegally transported to the US (importing slaves having been outlawed 50 years prior). The last surviving male slave, Oluale Kossula (aka Cudjo Lewis), had been transported on the sale ship and was most likely part of the Yoruba people in Benin. The quality of a slave's life depended completely on their master's will. It was considered normal, for example, for masters to rape their slaves, who were considered their property. Slaves who escaped were branded, killed, or punished severely in other ways. Solomon Northup Twelve Years a Slave Booker T. Washington Up From Slavery Frederick Douglass From Slavery to Freedom Olaudah Equiano The Interesting Narrative of the Life of Olaudah Equiano, Or Gustavus Vassa, The African Harriet Ann Jacobs Incidents in the Life of a Slave Girl Mary Prince The History of Mary Prince, A West Indian Slave Charles Ball Fifty Years in Chains Or, the Life of an American Slave Thomas H. *The untold story of the slaying of a Southern town's ex-slaves and a white lawyer's historic battle to bring the perpretators to justice Following the Civil War, Colfax, Louisiana, was a town, like many, where African Americans and whites mingled uneasily. But on April 13, 1873, a small army of white ex-Confederate soldiers, enraged after attempts by freedmen to assert their new rights, killed more than sixty African Americans who had occupied a courthouse. With skill and tenacity, The Washington Post's Charles Lane transforms this nearly forgotten incident into a riveting historical saga. Seeking justice for the slain, one brave U.S. attorney, James Beckwith, risked his life and career to investigate and punish the perpetrators—but they all went free. What followed was a series of courtroom dramas that culminated at the Supreme Court, where the justices' verdict compromised the victories of the Civil War and left Southern blacks at the mercy of violent whites for generations. The Day Freedom Died is an electrifying piece of historical detective work that captures a gallery of characters from presidents to townspeople, and re-creates the bloody days of Reconstruction, when the often brutal struggle for equality moved from the battlefield into communities across the nation.*

*When twenty-seven-year-old Margaret Walker's first collection of poems, For My People, won the Yale Poets Award in 1942, she was just beginning her long and distinguished career as a poet, novelist, biographer, and teacher. When her novel Jubilee was published to great acclaim in 1966, the New York Review of Books said, "[It] chronicles the triumph of a free spirit over many kinds of bondages." Jubilee is noteworthy for being one of the first novels to present African American history from both a black and female perspective. It is a historical and fictional account of Walker's great-grandmother's life, from slavery through Reconstruction, as told to Walker by her maternal grandmother. In Trumpeting a Fiery Sound, Jacqueline Miller Carmichael examines the novel's genesis and composition, the process of revision and publication, the work's structure and narrative strategies, its use of history and folklore, and its critical reception in the three decades since its first publication.*

*Much that is commonly accepted about slavery and religion in the Old South is challenged in this significant book. The eight essays included here show that throughout the antebellum period, southern whites and blacks worshipped together, heard the same sermons, took communion and were baptized together, were subject to the same church discipline, and were buried in the same cemeteries. What was the black perception of white-controlled religious ceremonies? How did whites reconcile their faith with their racism? Why did freedmen, as soon as possible after the Civil War, withdraw from the biracial churches and establish black denominations? This book is essential reading for historians of religion, the South, and the Afro-American experience.*

Winner of the 2015 Avery O. Craven Prize from the Organization of American Historians Winner of the 2015 Sidney Hillman Prize A groundbreaking history demonstrating that America's economic supremacy was built on the backs of slaves Americans tend to cast slavery as a pre-modern institution -- the nation's original sin, perhaps, but isolated in time and divorced from America's later success. But to do so robs the millions who suffered in bondage of their full legacy. As historian Edward E. Baptist reveals in The Half Has Never Been Told, the expansion of slavery in the first eight decades after American independence drove the evolution and modernization of the United States. In the span of a single lifetime, the South grew from a narrow coastal strip of worn-out tobacco plantations to a continental cotton empire, and the United States grew into a modern, industrial, and capitalist economy. Told through intimate slave narratives, plantation records, newspapers, and the words of politicians, entrepreneurs, and escaped slaves, The Half Has Never Been Told offers a radical new interpretation of American history.

How did enslaved African Americans in the Old South really experience Christmas? Did Christmastime provide slaves with a lengthy and jubilant respite from labor and the whip, as is generally assumed, or is the story far more complex and troubling? In this provocative, revisionist, and sometimes chilling account, Robert E. May chides the conventional wisdom for simplifying black perspectives, uncritically accepting southern white literary tropes about the holiday, and overlooking evidence not only that countless southern whites passed Christmases fearful that their slaves would revolt but also that slavery’s most punitive features persisted at holiday time. In Yuletide in Dixie, May uncovers a dark reality that not only alters our understanding of that history but also sheds new light on the breakdown of slavery in the Civil War and how false assumptions about slave Christmases afterward became harnessed to myths undergirding white supremacy in the United States. By exposing the underside of slave Christmases, May helps us better understand the problematic stereotypes of modern southern historical tourism and why disputes over Confederate memory retain such staying power today. A major reinterpretation of human bondage, Yuletide in Dixie challenges disturbing myths embedded deeply in our culture.

The slave narrative has become a crucial genre within African American literary studies and an invaluable record of the experience and history of slavery in the United States. This Companion examines the slave narrative's relation to British and American abolitionism, Anglo-American literary traditions such as autobiography and sentimental literature, and the larger African American literary tradition. Special attention is paid to leading exponents of the genre such as Olaudah Equiano, Frederick Douglass and Harriet Jacobs, as well as many other, less well known examples. Further essays explore the rediscovery of the slave narrative and its subsequent critical reception, as well as the uses to which the genre is put by modern authors such as Toni Morrison. With its chronology and guide to further reading, the Companion provides both an easy entry point for students new to the subject and comprehensive coverage and original insights for scholars in the field.

Twelve Years a Slave, Up From Slavery, From Slavery to Freedom and others

This timely collection examines representations of medicine and medical practices in international period drama television. A preoccupation with medical plots and settings can be found across a range of important historical series, including Outlander, Poldark, The Knick, Call the Midwife, La Peste and A Place to Call Home. Such shows offer a critique of medical history while demonstrating how contemporary viewers access and understand the past. Topics covered in this collection include the innovations and horrors of surgery; the intersection of gender, class, race and medicine on the American frontier; psychiatry and the trauma of war; and the connections between past and present pandemics. Featuring original chapters on period television from the UK, the US, Spain and Australia, Diagnosing history offers an accessible, global and multidisciplinary contribution to both televisual and medical history.

When Black Culture and Black Consciousness first appeared thirty years ago, it marked a revolution in our understanding of African American history. Contrary to prevailing ideas at the time, which held that African culture disappeared quickly under slavery and that black Americans had little group pride, history, or cohesiveness, Levine uncovered a cultural treasure trove, illuminating a rich and complex African American oral tradition, including songs, proverbs, jokes, folktales, and long narrative poems called toasts--work that dated from before and after emancipation. The fact that these ideas and sources seem so commonplace now is in large part due this book and the scholarship that followed in its wake. A landmark work that was part of the "cultural turn" in American history, Black Culture and Black Consciousness profoundly influenced an entire generation of historians and continues to be read and taught. For this anniversary reissue, Levine wrote a new preface reflecting on the writing of the book and its place within intellectual trends in African American and American cultural history.

This edition brings to you the finest collection of personal memoirs from the true champions of liberty. With their powerful narratives, they have changed people's convictions about slavery and shook the very foundation of this social evil: Narrative of the Life of Frederick Douglass 12 Years a Slave by Solomon Northup The Underground Railroad The Willie Lynch Letter: The Making of Slave! Incidents in the Life of a Slave Girl (EasyRead Super Large 20pt Edition)

Originally published in 1853, Twelve Years a Slave is a haunting portrayal of stolen freedom and brutal life on the sugar and cotton plantations of the Deep South. Landowner, carpenter, and skilled violinist Solomon Northup is living comfortably with his wife and children in Saratoga, New York, when two circus promoters offer him work as a traveling musician. They then drug and kidnap him, and Northup is sold into slavery and transported to Louisiana, spending twelve grueling years in captivity, at the whim of several ruthless slave owners. With its gripping and horrendous accounts of slave life in the Deep South, Solomon Northup ' s seminal memoir is now available as an elegantly designed clothbound edition with an elastic closure and a new introduction. The Knickerbocker

Classics bring together the works of classic authors from around the world in stunning gift editions to be collected and enjoyed. Complete and unabridged, these elegantly designed cloth-bound hardcovers feature a slipcase and ribbon marker, as well as a comprehensive introduction providing the reader with enlightening information on the author's life and works.

Explores the life and times of John Drake Sloat, the US Navy Pacific Squadron commander who occupied Monterey and declared the annexation of California at the beginning of the war with Mexico. Knickerbocker Commodore chronicles the life of Rear Admiral John Drake Sloat, an important but understudied naval figure in US history. Born and raised by a slave-owning gentry family in New York s Hudson Valley, Sloat moved to New York City at age nineteen. Bruce A. Castleman explores Sloat s forty-five-year career in the Navy, from his initial appointment as midshipman in the conflicts with revolutionary France to his service as commodore during the country s war with Mexico. As the commodore in command of the naval forces in the Pacific, Sloat occupied Monterey and declared the annexation of California in July 1846, controversial actions criticized by some and defended by others. More than a biography of one man, this book illustrates the evolution of the peacetime Navy as an institution and its conversion from sail to steam. Using shipping news and Customs Service records from Sloat s merchant voyages, Castleman offers a rare and insightful perspective on American maritime history. Knickerbocker Commodore is a first-rate scholarly biography of John Drake Sloat. In his study, Castleman presents a persuasive assessment of this important naval officer and his role in the controversial early days of the Mexican War in California. John H. Schroeder, author of Matthew Calbraith Perry: Antebellum Sailor and Diplomat Written by a scholar and a former naval officer, Bruce Castleman has given us not only a well-balanced biography of John Drake Sloat but also a history of the US Navy from the time of the War of 1812 to the Civil War. In addition, his well-researched book provides an important contribution to the war with Mexico and the American conquest of Alta California through the actions and decision making of this Knickerbocker Commodore. Gary F. Kurutz, Curator Emeritus of Special Collections, California State Library The Mexican-American War of 1846 47 was a war of foundational importance to the United States. Bruce Castleman s biography of an important but little-known participant deftly captures the critical moment when America defeated its major continental rival. Even better, by thoughtfully tracing the entirety of Sloat s life, the book winningly tells the story of the early American Navy from its tremulous beginnings in the Revolution to its steam-powered modernity in the Civil War. Castleman s biography is of more than just a man; it is of an entire time in American history, and all the more useful for it. David J. Silbey, author of A War of Frontier and Empire: The Philippine-American War, 1899 1902

" Stories of Slavery and Freedom " is collection of narratives of slaves and works of famous writers on the struggle for liberation from slavery. Undoubtedly, the " narrative of slaves " is a documentary source that reveals from the inside through the eyes of slaves all aspects of their life, often hidden from slave owners. In antebellum New Orleans, whites and Blacks died in droves from yellow fever. But the fortunes of survivors were less equal. Kathryn Olivarius explores the resulting framework of "immunocapital." For whites, immunity signaled creditworthiness. For enslaved Blacks, immunity enhanced their exploitability, relegating them to the harshest labor.

BREAKING THE CHAINS The Essential & Powerful Narratives that Shook the Roots of Slavery (17 Books in One Volume)

The Encyclopedia of New York State is one of the most complete works on the Empire State to be published in a half-century. In nearly 2,000 pages and 4,000 signed entries, this single volume captures the impressive complexity of New York State as a historic crossroads of people and ideas, as a cradle of abolitionism and feminism, and as an apex of modern urban, suburban, and rural life. The Encyclopedia is packed with fascinating details from fields ranging from sociology and geography to history. Did you know that Manhattan's Lower East Side was once the most populated neighborhood in the world, but Hamilton County in the Adirondacks is the least densely populated county east of the Mississippi; New York is the only state to border both the Great Lakes and the Atlantic Ocean; the Erie Canal opened New York City to rich farmland upstate . . . and to the west. Entries by experts chronicle New York's varied areas, politics, and persuasions with a cornucopia of subjects from environmentalism to higher education to railroads, weaving the state's diverse regions and peoples into one idea of New York State. Lavishly illustrated with 500 photographs and figures, 120 maps, and 140 tables, the Encyclopedia is key to understanding the state's past, present, and future. It is a crucial reference for students, teachers, historians, and business people, for New Yorkers of all persuasions, and for anyone interested in finding out more about New York State. TWELVE YEARS A SLAVE Plus 4 complete American slave narrators and 1 Music note and lyric of Roaring River The amazing and suffer story of Solomon Northup in "Twelve Years a Slave" which you may watched in the movie that has got a lot of award such as Golden Globes, Screen Actors Guild Awards and AFI Awards. we have published in e-book more over, it includes: - Narrative of the Life of Frederick Douglass - Incidents in theLife of a Slave Girl.Written - Up from Slavery - Uncle Tom's Cabin - Roring River Music Note We have included an active Table of Contents that allow you to easy skip or jump to any book or chapter in the collection.
