Out in the wasteland, strange lights and mysterious objects in the sky herald the arrival of new factions that seek to control the region. Even in the once quiet streets of their own city, malevolent forces are beginning to unfurl that threaten the sanctity of everything they hold dear, jeopardising the future that is within their grasp. **A provocative new take on the women behind a perennially fascinating subject--Prohibition--by bestselling author and historian Hugh Ambrose. The passage of the 18th Amendment (banning the sale of alcohol) and the 19th (women's suffrage) in the same year is no coincidence. These two Constitutional Amendments enabled women to redefine themselves and their place in society in a way historians have neglected to explore. Liberated Spirits describes how the fight both to pass and later to repeal Prohibition was driven by women, as exemplified by two remarkable women in particular. With fierce drive and acumen, Mabel Willebrandt transcended the tremendous hurdles facing women lawyers and was appointed Assistant Attorney General. Though never a Prohibition campaigner, once in office she zealously pursued enforcement despite a corrupt and ineffectual agency. Wealthy Pauline Sabin had no formal education in law or government but she too fought entrenched discrimination to rise in the ranks of the Republican Party. While Prohibition meant little to her personally--aristocrats never lost access to booze--she seized the fight to repeal it as a platform to bring newly enfranchised women into the political process and compete on an equal footing with men. Along with a colorful cast of supporting characters, from rumrunners and Prohibition agents on the take to senators and feuding society matrons, Liberated Spirits brings the Roaring Twenties to life in a brand new way.**

**Secrets & Deceptions** tells a rich and emotional story of three generations of women and the men in their lives. Following in the style of writers such as Anais Nin and Erica Jong, the book explores sexuality and the mores of each generation.This entertaining and compelling book also recounts the horrors of Nazi Germany and its impact on survivors and their families. Secrets & Deceptions personalizes survivor guilt through the poignant story of Leo, Sophie's husband and Madeleine's father.

Two Women

This extraordinary novel, winner of a 1990 American Book Award, recounts the story of two women--Mulberry and Peach--who are really one. Mulberry is a young woman who has fled the turmoil of postwar China

to settle in the United States. Unable to forget the terrors she has witnessed or resolve the conflicts between her new life and her old, she develops a second personality: fearless, tough-talking, sexually uninhibited, Peach. While Mulberry clings to her cultural and ethical roots, Peach renounces her past to embrace the American way of life with a vengeance. Brilliantly innovative in style, Mulberry and Peach offers a rare women's perspective on the upheavals of modern China, and presents an unforgettable portrait of the pain of cultural dislocation and the anguish of psychological disintegration.

The names Elizabeth Eckford and Hazel Bryan Massery may not be well known, but the image of them from September 1957 surely is: a black high school girl, dressed in white, walking stoically in front of Little Rock Central High School, and a white girl standing directly behind her, face twisted in hate, screaming racial epithets. This famous photograph captures the full anguish of desegregation--in Little Rock and throughout the South--and an epic moment in the civil rights movement.In this gripping book, David Margolick tells the remarkable story of two separate lives unexpectedly braided together. He explores how the haunting picture of Elizabeth and Hazel came to be taken, its significance in the wider world, and why, for the next half-century, neither woman has ever escaped from its long shadow. He recounts Elizabeth's struggle to overcome the trauma of her hate-filled school experience, and Hazel's long efforts to atone for a fateful, horrible mistake. The book follows the painful journey of the two as they progress from apology to forgiveness to reconciliation and, amazingly, to friendship. This friendship foundered, then collapsed--perhaps inevitably--over the same fissures and misunderstandings that continue to permeate American race relations more than half a century after the unforgettable photograph at Little Rock. And yet, as Margolick explains, a bond between Elizabeth and Hazel, silent but complex, endures.

Married for 33 years and the mother of three grown children, Patricia led a comfortable life until she fell in love with a woman. Then she meets Carol, a 69 year-old woman who knew from the time she was a child that she was a lesbian. As Carol tells the story of her closeted life during the 50s and 60s, Patricia navigates the consequences of her impulsiveness. Braiding Carol's and Patricia's stories, *Between Two Women* illuminates fundamental questions about the nature of love and relationships.

Bahiah Shaheen, an eighteen-year-old medical student and the daughter of a prominent Egyptian public official, finds the male students in her class coarse and alien. Her father, too, seems to belong to a race apart. Frustrated by her hard-working, well-behaved, middle-class public persona, her meeting with a stranger at a gallery one day sparks her journey of self-discovery and of the realisation that fulfilment in life is indeed possible.

Sizzling Threesome Sex: Two Women, One Man is a selection of short stories involving three sexual partners; two females and one male. Many people fantasize about having a threesome. These stories bring those fantasies to life. Adults only 18+

A story of fertility, feminism, and family Jenn Berney was one of those people who knew she was destined for motherhood--it wasn't a question of if, but when. So when she and her wife Kelly decided to start building their family, they took the next logical step: they went to a fertility clinic. But they soon found themselves entrenched in a medical establishment that didn't know what to do with people like them. With no man factoring into their relationship, doctors were at best embarrassed and at worst disparaging of the couple. Soon Jenn found herself stepping outside of the system determined to disregard her. Looking into the history of fertility and the LGBTQ+ community, she saw echoes of her own struggle. For decades queer people have defied the patriarchy and redefined the nuclear family--and Jenn was walking in their footsteps. Through the ups-and-downs of her own journey, Jenn reflects on a turbulent past that has led her to this point and a bright future worth fighting for. With clarity, determination, and hope, *The Other Mothers* gives us a wonderful glimpse into the many ways we can become family.

A marriage gone horribly wrong; a secret female friendship and affair; a murder plot. This precursor to the true crime genre is told by Alfred Döblin, one of the giants of 20th century German literature and author of Berlin Alexanderplatz, which was named as one of the Guardian Top 100 Books of All Time.

**Edging into forty--something, Karen and Pam found themselves in a state of stuck. They had checked off many of their major life goals--career, husband, children, friends--but they'd lost momentum. After griping over drinks one night, they came up with a plan to face their fears, rediscover their interests, try new things, and renew their relationships. They challenged themselves to try one new thing every week for a year--from test-driving a Maserati to target practice at a shooting range to ballroom dance lessons--and to blog about their journeys. They quickly realized it was harder than they ever imagined but came through it with a sense of clarity and purpose that has them itching to share the possibilities with the millions of middle-aged women out there who feel the same way about one or many areas of their lives. Getting "unstuck" doesn't have to mean running a marathon, traveling the world, or ending a relationship with your partner. Through their experiences and a good dose of no-nonsense advice, Karen and Pam show readers how achieving small goals can give you a renewed sense of accomplishment and how you can keep growing, learning, and moving forward at any age. Interspersed with personal stories is expert advice from doctors, psychiatrists, artists, and even a poker diva (who also happens to be a Fortune 500 executive).**

**Based on an Athabaskan Indian legend passed along for many generations from mothers to daughters of the upper Yukon River Valley in Alaska, this is the suspenseful, shocking, ultimately inspirational tale of two old women abandoned by their tribe during a brutal winter famine. Though these women have been known to complain more than contribute, they now must either survive on their own or die trying. In simple but vivid detail, Velma Wallis depicts a landscape and way of life that are at once merciless and starkly beautiful. In her old women, she has created two heroines of steely determination whose story of betrayal, friendship, community and forgiveness "speaks straight to the heart with clarity, sweetness and wisdom" (Ursula K. Le Guin).**

*Can you have a strong personality and still be a godly wife? YES! Do you ever get the idea that being a godly wife means you need to be a mousy doormat? Be as unnoticeable as a doorknob? Or have a personality transplant? Fierce Women: The Power of a Soft Warrior smashes that idea. No matter whether you're an extrovert or more introverted, Kimberly Wagner believes women are created to be a compelling force. You may not see yourself as beautifully fierce or even slightly strong, but what if God has placed a powerful fierceness within you, within every woman? Kim admits her fierceness became a source of conflict in her marriage, but the relationship dynamic totally changed when she discovered her fierce strengths could be used to encourage and inspire her husband. She invites you to come alongside as she takes an honest look at a destructive relationship dynamic and casts a vision for the transformation God can bring to troubled marriages. TO EVERY GOOD LOVE STORY, THERE IS A TWIST. Times Two is about two women meeting, falling madly in love, and realizing that they are so crazy about each other that they want to have a family together. The fact that they both get pregnant at the exact same time is where things start to get interesting. Sarah Kate Ellis, a high-powered magazine executive, and Kristen Henderson, a laid-back rock star, decide it's time to start their family. After determining that Sarah should get pregnant first while Kristen works on her band's new CD, they head to a fertility doctor to start the process. But after months of drug treatments, miscarriages, and heartbreak, Kristen decides to start trying, too. That's when the utterly improbable happens: Sarah and Kristen find out that they are both pregnant!and are due three days apart. Overjoyed by the news that they are both expecting, Sarah and Kristen are also overwhelmed by all that lies ahead. Both have successful, demanding careers. Both have large, close-knit families nearby, including two strongly opinionated mothers who immediately want to be involved with everything. And both are completely clueless about the challenges they're about to face. They soon realize that none of their previous accomplishments has prepared them for the highs and lows of impending motherhood: not Kristen's stint touring with The Rolling Stones, nor Sarah's march up the corporate ladder in the world of women's magazines. They go through everything first-time parents-to-be experience!but twice over. They're producing double the hormones, double the morning sickness, double the cravings, and have double the ups and downs. From the start, Sarah and Kristen think of their babies as twins, each woman carrying half of a set. But for two women who've always finished each other's sentences, they suddenly find themselves on opposite ends of the mothers-to-be spectrum, with different opinions on almost everything. One wants a drug-free birth, while the other wants an epidural at the first sign of a contraction. One is dying to know the baby's gender, but the other refuses to find out until she hears the baby's first cry in the delivery room. The difficulties of having two pregnant women under the same roof are multiplied by the legal and social obstacles of being a gay couple. Told from Kristen and Sarah's insightful and hilarious she said/she said perspective, this touching, modern family adventure will entertain, enlighten, and resonate with readers of all stripes.

She's put a lot of distance between herself and Samuel, filling her life with work and family, lavishing her attention on her lovely nieces and a garden that's the pride of Higgins, South Carolina. So why does his voice still have the power to make her heart skip? Why can't she stop thinking about this man she'd forgotten so long ago? Emma has always been the dependable daughter, the mediator of the controlled chaos always surrounding her high-strung sisters and her widowed mother, Higgins's own senior citizen seductress. But with the annual Gilford family reunion just around the corner, at least two of her sisters approaching meltdown, and her favorite teenage niece taking sanctuary in her home, Emma's concrete wall of self-denial is showing cracks. And on the other side is a life she can't put off living a moment longer.

But after the inevitable happens and you sob your last good-bye, will you see your pet again? In Heaven? Does your pet have a soul? Will your pet go to Heaven? This fun and light-hearted look at a seriously sad subject reveals many perspectives about Spot's stairway to Heaven, Fluffy's final resting place, and birds of Paradise. Will your pet rabbit rest in peace, or will your fish float forever in the septic tank? In addition to their own blend of passionate and compassionate diva dialogue, the four writers quote devoted pet owners, clergy, friends, family, and even those who just aren't pet people. From the variety of perspectives and opinions, this is a heart-warming, tail-wagging conversation sure to keep you smiling from now until then!

Seeking to restore health to her lungs, Joanna, wife to Herod's chief steward, approaches her cousin Mary, mother of the healer Jesus. Though their families were estranged when Joanna's parents adopted Roman ways, Mary welcomes her graciously. Jesus indeed heals Joanna's body...and her soul blossoms through her friendship with Mary and with her work as one of his disciples. But as word of Jesus' miracles reaches King Herod's court, intrigue, treachery and murder cast shadows onto Joanna's new path, changing her life forever.

Driven to action by the dreariness of their lives in London, two not-quite friends, in the hopes of finding renewal, plan to rent a medieval Italian castle for a month. They are joined by two other women, a socialite and a dowager, each also seeking a remedy for their dissatisfactions. As the quartet eventually (though not necessarily gracefully) settles in together, they share the beauty and joy of their springtime palace, and each becomes reacquainted with the self they had forgotten. Whether or not the enchantment can carry into their lives and loves in the "real" world is the question. The basis for the film, of the same name, this is a classic to cherish.

A collaboration between the National Book Award–winning journalist and the prize-winning photographer on the queer-resistance theater troupe In the fall of 2017, the internationally acclaimed underground theater troupe Belarus Free Theatre took New York by storm for a production of their harrowing anti-torture, anti-Putin play, Burning Doors. They were joined by Maria Alyokhina, a member of Russian punk group Pussy Riot, who made international headlines when they were imprisoned for staging an anti-Putin performance in a Moscow cathedral. The play met with enthusiastic acclaim from critics, with New York magazine praising it as a "smart, smoldering, physically brutal piece of theater." In Two Women in Their Time, award-winning documentary photographer Misha Friedman and New Yorker reporter Masha Gessen take us backstage, giving us an intimate look at this fiercely creative drama troupe that cannot officially perform in its homeland, which remains a dictatorship in all but name. The result is an astonishing series of photos documenting the group's productions in New York and Gessen and Friedman's visit to Minsk to meet Svetlana Sugako and Nadezhda Brodskaya, the young lesbian couple who keep the Belarus Free Theatre running. They live a life in the borderlands—between underground and public, between the closet and being out, in a country where same-sex sexual activity is legal yet remains taboo. Their work proves that queerness will always be dangerous to autocracy. Two Women in Their Time was designed by Emerson, Wajdowicz Studios (EWS).

**The joint ages of friends Joy Lennick and Jean Wilson may add up to one hundred and seventy one years, but there's nothing "old lace" about these two women writers; while the "arsenic" connection is questionable... Both adept at delving into the messy, murky world of murder, it is enlightening, and sometimes, a relief... to discover their added light, humorous touch. This makes for a diverse selection of highly entertaining short stories to tickle the fancy of readers of a variety of genres. Jean Wilson worked as a Queen's Nurse in the 1950s, and soon earned the affectionate nickname 'The Angel of Aldgate' for her cheerful, hard work among the sick of the East End of London; and Joy Lennick wore a few hats before becoming an author in 1984; adding many writing projects to her long list, including five books.**

**Inside and outside marriage, what happens to the woman betrayed? How do abandoned wives or lovers feel? What happens when the battle between the sexes becomes a triangle? The plots in this collection of eighteen stories written between the 1840s and 1980s are infinitely variable, and the outcomes will enrage, shock, amuse, and sometimes hearten. In some stories, women forge links with other women in solidarity. In others, women fight for their men and win. In many stories, the betrayal ultimately enriches the central character, who learns through the loss of her man the value of her own life.**

**Imagine falling in love with someone who is the person of your dreams, only to meet a second person who also is the person of your dreams. Do you break off one of the relationships? Or do you continue both? Jack continued both relationships at the insistence of both women, neither of whom wanted to risk rejection. Lori, who was Jack's age, was a political power, a representative in the Tennessee General Assembly, someone who shared his passion for politics and public service. Faith, who was a decade and a half younger, had a more mundane career, but she was incredibly beautiful and she forged a powerful bond with Jack after he helped her come to terms with her childhood abuse. The story takes many exciting turns as the love triangle undergoes major changes, as each person struggles to come to terms with the unusual relationship and the tribulations that accompany it and ultimately result in tragedy. REVIEWS "There's more than one magnificent guy in the world. "Two Women, One Man" is a romance from James L. Dickerson, who tells the story of Jack, a man who thought he found the one with Lori. But when Faith enters his life as well, he struggles to find what's the right path for his heart and for all three of them, where the wrong choice will leave all of them unhappy. "Two Women, One Man" is a strong pick for those seeking a work of romance, highly recommended."-Midwest Book Review, September 2012**
