Policy, Law and Use

Elements Of Mercantile Law

Principles and Practice of Auditing

A less-expensive grayscale paperback version is available. Search for ISBN 9781680923018. Business Law I Essentials is a brief introductory textbook designed to meet the scope and sequence requirements of courses on Business Law or the Legal Environment of Business. The concepts are presented in a streamlined manner, and cover the key concepts necessary to establish a strong foundation in the subject. The textbook follows a traditional approach to the study of business law. Each chapter contains learning objectives, explanatory narrative and concepts, references for further reading, and end-of-chapter questions. Business Law I Essentials may need to be supplemented with additional content, cases, or related materials, and is offered as a foundational resource that focuses on the baseline concepts, issues, and approaches.

The emergence of the financial sector has brought unprecedented changes in the principles, practices and legal framework of the banking and insurance sectors. This up-to-date and student-friendly text describes, with great clarity and precision, the role of banking and insurance sectors in the current era of globalization, privatization and

liberalization. The book first introduces the readers to the banking business, retail banking, international banking, Internet banking and tele-banking, including the ATMs, credit, debit and smart cards. Then it goes on to give a detailed description of enterprise risk management (ERM), life insurance plans, insurance rating methods and claims settlement in life insurance. The text concludes with a discussion on insurance intermediaries and their functioning, the legal framework, as well as major players in the Indian insurance industry and future trends of the industry. The second edition has been substantially updated and includes a new chapter on Practical Banking, which discusses cheques, drafts, core banking solution and banking ombudsman. The text is interspersed with many examples and illustrations, and other pedagogic features. It is designed primarily as a textbook for the undergraduate students (BA) for their course in banking and insurance. Besides, it will prove to be a handy reference for students of management, commerce and those taking banking and insurance courses. KEY FEATURES 1. Acquaints the students with most recent developments in banking and insurance sectors 2. Provides numerous end-of-chapter review questions 3. Gives important abbreviations and real-life cases

The book has been written for 'Business Laws' Paper of the BCom (Hons), Semester-I, Examination of the University of Delhi in accordance with its syllabus under Choice Based Credit System. Its contents have been largely extracted from the author's reputed title Business Law which has gained tremendous readership over the years. This book presents the subject matter tailor-made as per the revised course structure of the Paper, to enable the students to possess a textbook that caters to their needs in full. The book has been organized into four parts, namely, Law of Contract, Law of Sale of Goods, Law of Limited Liability Partnership, and Law of Information Technology. Key Features • Quotes Indian and English cases at appropriate places with a view to ensure necessary authenticity and clarity on the subject • Includes objective type questions, test questions and practical problems with hints and solutions in each chapter to enable students to evaluate their understanding of the subject • Explains complicated provisions in easily comprehensible language with the help of illustrations and analogies

Elixir Semester 6 - Guide

Business Legislation for Management, 4th Edition

A Review of Current Banking Theory and Practice

Business Laws (For B.Com. (Hons), Sem-I, University of Delhi) - 5th Edition

Business Regulatory Framework (Latest Edition - 2020)

1. Information Revolution and Information Technology (IT), 2. Fundamentals of Computers, 3. Computer-Based Business Applications, 4. Electronic Data Interchange (EDI), 5. The Internet and its Basic Concepts, 6. Information System Audit. Introduction to E-commerce discusses the foundations and key aspects of E-commerce while focusing on the latest developments in the E-commerce industry. Practical case studies offer a useful reference for dealing with various issues

in E-commerce such as latest applications, management techniques, or psychological methods. Dr. Zheng Qin is currently Director of the E-Commerce Institute of Xi'an Jiaotong University.

The developments during the period since the publication of the last edition have been such that this thirteenth edition has involved the most substantial revisions. Among statutory changes, those with the most significant and immediate impact, flow from the Companies (Amendment) Act, 1988 and various Notifications issued by the Central Government from time to time, and some of the labour laws, more particularly, Factories Act, Workmen's Compensation Act, Industrial Disputes Act and Payment of Wages Act. These amendments and case law developments have necessitated thorough and extensive re-writing and updating. Case law has been updated to January, 1991.

Business Torts

Who can buy? Students of BBA, B.Com, and law must buy this book as it is in their syllabus. General students interested in running a business should know the acts given in this book, so it is helpful for them as well. Business Regulatory Framework is specially designed to serve as an undergraduate textbook for B.Com. (Honors & General) students of the different universities across India. This book is designed especially to cater to the needs of commerce students, equipping them with a strong foundation for an understanding of the current business law situation. The book seeks to provide comprehensive coverage of the various topics relating to business law. It offers content that is simple to understand but does not compromise on necessary technical detail.

This is a general reference work on all aspects of intellectual property, including international treaties and conventions, analyses of all fields of intellectual property, its administration, enforcement and teaching, technological and legal developments, and WIPO's work in its Member States. It covers issues including electronic commerce, biotechnology, traditional knowledge and management of copyright and related rights and WIPO's vision and approaches to meet new challenges with a widening circle of partners. Can be used as a key reference work by creators, innovators, intellectual property lawyers, government officials, university teachers and students.

Business Legislation for Management is meant for students of business management, who need to be familiar with business laws and company law in their future role as managers. The book explains these laws in a simple and succinct manner, making the students sufficiently aware of the scope of these laws so that they are able to operate their businesses within their legal confines. The book approaches the subject in a logical way, so that even a student with no legal background is able to understand it. The book is the outcome of the authors' long experience of teaching business law and company law to students pursuing undergraduate and postgraduate courses at the University of Delhi. This, in fact, has made it possible for them to write on law without the use of legal jargon; thus ensuring that even the most complicated provisions of various legislations are explained in an easily comprehensible manner. This new edition of the book has been

thoroughly updated, revised and expanded keeping in mind the requirements of diverse syllabuses of various universities. New in this Edition

- Laws of Intellectual Property Rights that include Patents Act, 1970, Copyright Act, 1957, Trade Marks Act, 1999, and Designs Act, 2000
- Foreign Exchange Management Act, 1999
- Competition Act, 2002

Salient Features

- Unfolds intricate points of law to solve intriguing questions
- Elucidates practical implications of law through a large number of illustrations

India

Introduction to Auditing (University of Mumbai)

Studies in the Contract Laws of Asia provides an authoritative account of the contract law regimes of selected Asian jurisdictions, including the major centres of commerce where until now, limited critical commentaries have been available in the English language. In this new six part series of scholarly essays from leading scholars and commentators, each volume will offer an insider's perspective into specific areas of contract law, including: remedies, formation, parties, contents, vitiating factors, change of circumstances, illegality, and public policy, and will explore how these diverse jurisdictions address common problems encountered in contractual disputes. Concluding each volume will be a closing discussion of the convergences and divergences throughout each across the jurisdictions, and comparisons with European jurisdictions from which Asians well as an overview of the common themes found throughout each jurisdiction. contract law derive. Volume I of this series examines the remedies for breach of contract in the laws of China, India, Japan, Korea, Taiwan, Singapore, Malaysia, Hong Kong, Korea, and Thailand. Specifically, it addresses the readiness of each legal system in their action to insist that parties perform their obligations; the methods of enforcing the parties' agreed remedies for breach; and the ways in which monetary compensation are awarded. Each jurisdiction is discussed over two chapters; the first chapter will examine the performance remedies and agreed remedies, while the second explores the monetary remedies. A concluding chapter offers a comparative overview.

* Arbitration and Conciliation Act, 1996 * Co-operative Societies Act, 1912 * Indian Contract Act, 1872 * Indian Partnership Act, 1932 * Indian Stamp Act, 1899 * Indian Trust Act, 1882 * Information Technology Act, 2000 * Limitation Act, 1963 * Multi-State Co-operative Societies Act, 2002 * Negotiable instrument Act, 1881 * Registration Act, 1908 * Sale of Goods Act, 1930 * Societies Registration Act, 1860 * Specific Relief Act, 1963 * Transfer of Property Act, 1882

Contract in Commercial Law is a collection of essays based on the papers presented at the Contracts in Commercial Law Conference 2015. This work brings together the views of leading commentators in the area - Judges, Academics and Legal Practitioners- in this key area of the law. This publication is the fourth title in the prestigious "Commercial Law Library" series, accompanying Equity in Commercial Law, Unjust Enrichment in Commercial Law and Torts in Commercial Law. Together these works comprise an unparalleled collection of essays examining deeper controversies and issues of principle in commercial law. Contract in Commercial Law guides practitioners through a complex, difficult and

controversial area of the law, offering a unique resource illuminating the many particular and difficult issues of contract law.

The price quoted for the work covers one year's worth of service. The upkeep price for the work is \$384.00.
