

Uddhav Thackeray Contact Address Phone Number Email

On 28 November 2019, Uddhav Thackeray, the Shiv Sena chief, was sworn in as the eighteenth chief minister of Maharashtra. This event marked the culmination of a high-voltage political drama that had the entire nation glued to their television sets for days on end. With no party being able to claim a majority in the assembly, President's Rule was imposed in the state. This book takes its readers through the twists and turns of the dramatic political crisis that unfolded as Maharashtra waited for its chief minister. What really went on behind the scenes? With access to inside sources and private conversations, this book reveals the hitherto untold story of this political drama, with a comprehensive overview of the state's politics in the last few decades.

How did a quiet, unassuming cartoonist at one of India's leading newspapers transform into the fire-breathing chief of a militant political outfit? How did his essentially sons-of-the-soil movement take Mumbai by storm in the 1960s with its demands for the Marathi people's employment rights and attacks on South Indians and the Communists? How did he make the shift from an aggressive Maharashtrianism to strident Hindutva to become one of the major players in Indian politics? What explains his control over India's financial capital, his capture of power in India's industrial powerhouse, Maharashtra, and his ability to win over the minds of millions and to strike fear in so many hearts? How did he and his Shiv Sena establish sway over the multi-crore film industry and, with its longstanding alliance with the BJP, become a subject of intense curiosity all over India and even in Pakistan? This book tells the complete story of Bal

Thackeray and the rise, fall and split of the Shiv Sena. It examines Thackeray the person and his intriguing political personality, his party's militaristic methods of operation, its controversial role at major junctures, the fight between Thackeray's nephew Raj and son Uddhav, the end of an era in Maharashtra politics after his death in November 2012 and the future of the Shiv Sena without his imposing presence. A must-read for an understanding of contemporary Indian politics and the rise of the Hindu nationalist phenomenon.

India Tax Guide Volume 1 Strategic Information and Basic Regulations

The volume attempts to gauge and analyse the level of denial and deprivation faced by Indian Muslims by evaluating their status after a gap of several years of Sachar Committee (2006) and Rangnath Mishra Commission (2007) Reports. It presents and discusses the current conditions with respect to outcome indicators such as population, education, economy, poverty, unemployment, consumption level, availability of bank loans, infrastructure and civic facilities and representation in government employment. By placing facts in perspective, it also discusses community-specific issues such as use of Urdu, madrasa education and Waqf. In the post-Sachar era, governments started many schemes to improve the condition of Muslims whose reach and impact is assessed with the help of latest data. It presents the social structure of Muslims, presence of OBCs and Dalits and suggests a practical pattern for reservation. It follows up the process of implementation of recommendations of these reports and highlights how the governments adopted tokenism, attempted to implement minor recommendations and shied away from major ones. The volume highlights the lopsided attitude of the previous UPA governments, hostile attitude

IN OCTOBER 2019, THE ASSEMBLY elections held in Maharashtra saw a decisive mandate in favour of the pre-poll Mahayuti alliance of the Bharatiya Janata Party and the Shiv Sena, against the Maha Aghadi alliance of the Nationalist Congress Party and the Indian National Congress. But what followed shook the very foundations of democracy. With the Shiv Sena unexpectedly staking claim to the chief minister's post, and the BJP unwilling to give in to their demand, the battle for the coveted top spot began in earnest and President's Rule was imposed in the state. Featuring swiftly shifting alliances, the abandonment of long-held party ideologies, dynastic bombast and overnight reversals, the high-octane drama culminated in Uddhav Thackeray of the Shiv Sena taking oath as chief minister of Maharashtra on 28 November 2019. The BJP – the single-largest party in the legislature, with almost double the seats of the second-in-line Shiv Sena – found itself side-lined and left without power. Recounting in dramatic detail the high-stakes battle for political control of a crucial state, Trading Power throws into sharp focus the manipulations and narrow motivations that rule politics

The ultimate, comprehensive guide to country-by-country statistics around the world. From Afghanistan to Zimbabwe, The CIA World Factbook 2019-2020 offers complete and up-to-date information on the world's nations. This comprehensive guide is packed with data on the politics, populations, military expenditures, and economics of 2019. For each country, The CIA World Factbook 2019-2020 includes: Detailed maps with new geopolitical data Statistics on the population of each country, with details on literacy rates, HIV prevalence, and age structure New data on military expenditures and capabilities Information on each country's climate and natural hazards Details on prominent political parties and contact information for diplomatic consultation Facts on transportation and communication infrastructure Also included are appendixes with useful abbreviations, international environmental agreements, international organizations and groups, weight and measure conversions, and more. Originally intended for use by government officials, this is a must-have resource for students, travelers, journalists, and business people with a desire to know more about their world.

Using the influential and field-changing *Writing Culture* as a point of departure, the thirteen essays in *Writing Culture and the Life of Anthropology* address anthropology's past, present, and future. The contributors, all leading figures in anthropology today, reflect back on the "writing culture" movement of the 1980s, consider its influences on ethnographic research

Download Ebook Uddhav Thackeray Contact Address Phone Number Email

and writing, and debate what counts as ethnography in a post-Writing Culture era. They address questions of ethnographic method, new forms the presentation of research might take, and the anthropologist's role.

Exploring themes such as late industrialism, precarity, violence, science and technology, globalization, and the non-human world, this book is essential reading for those looking to understand the current state of anthropology and its possibilities going forward. Contributors. Anne Allison, James Clifford, Michael M.J. Fischer, Kim Fortun, Richard Handler, John L. Jackson, Jr., George E. Marcus, Charles Piot, Hugh Raffles, Danilyn Rutherford, Orin Starn, Kathleen Stewart, Michael Taussig, Kamala Visweswaran

Columnist, author and political commentator, Aakar Patel has long been a close observer of the political scenario. In *Price of the Modi Years*, he seeks to explain the data and facts on India's performance under Narendra Modi. Modi's predecessor, Manmohan Singh, had once said that Modi would be a disaster as prime minister. This book shows how. It concedes Modi's popularity; this is an accounting of the damage he has wrought. It is the history of India since 2014, assessing the damage across the polity from the economy, national security, federalism, foreign relations, legislations and the judiciary to media and civil society. Our memories are not long, news cycles are transient and incidents are forgotten or misclassified as being only episodic, unless documented, unified and placed together as a record. And, therefore, this book-a history of these present times.

They are first cousins twice over, but have had widely divergent political trajectories. One, an abrasive, fire-breathing demagogue, was seen as his uncle's political heir whose behavioural traits he cultivated. The other, an introvert, is at his best when plotting strategies on the drawing board rather than the rough-and-tumble of street-corner politics that his party is known for in India's financial capital. Starting out as brothers-in-arms, they had a bitter falling out over inheriting the party mantle. The younger cousin branched out on his own, hijacked the populist, ethno-centric plank of his parent party, putting his cousin-turned-political foe on the defensive. A series of miscalculations later, the boot seems to be on the other foot. The elder cousin has managed to keep his flock together and cemented his

Download Ebook Uddhav Thackeray Contact Address Phone Number Email

position as his late father Bal Thackeray's political heir, while the other, one of the most popular crowd-pullers in Maharashtra, is itching for an electoral comeback. The Cousins Thackeray evaluates the political careers of Shiv Sena president Uddhav Thackeray and Maharashtra Navnirman Sena (MNS) chief Raj Thackeray. It also examines questions about identity politics, and the social, cultural and economic matrix that catalysed the formation of the Shiv Sena and the MNS from it. Above all, it is a look at what makes the Thackeray cousins so integral to the politics of India, Maharashtra and Mumbai.

2011 Updated Reprint. Updated Annually. India Energy Policy, Laws and Regulation Handbook

On Bal a T hakare, politician from Maharashtra, and his family.

Explores the activities and political personas of women activists in Shiv Sena, a militant Indian political party.

Rich in detail, this book tells the stories of women of Shiv Sena (Shivaji ' s Army), a militant political party in Western India. It provides insight into the political networks powered by lower-level women politicians in postcolonial, globalizing cities and on their margins. Based on more than ten years of in-depth ethnographic fieldwork with the women of Shiv Sena, the work shows how women political activists in urbanizing India conjure political authority through the inventive, dangerous, and transgressive political personas known as “dashing ladies.” Tarini Bedi develops a feminist theory of brokerage politics, arguing that political grids where women employ political, symbolic, and material resources through the political system may be seen as channels of what can be termed “political matronage.”

Proceedings of Trends in Electronics and Health Informatics

The Inside Story of How the People ' s Mandate was Betrayed in the 2019 Maharashtra Election

The real-life answers to Italo Calvino ' s Invisible Cities, Unruly Places explores the most extraordinary, off-grid, offbeat places on the planet. Alastair Bonnett ' s tour of the planet ' s most unlikely micro-nations, moving villages, secret cities, and no man ' s lands shows us the modern world from surprising new vantage points, bound to inspire urban explorers, off-the-beaten-trail wanderers, and armchair travelers. He connects what we see on maps to what ' s happening in the world by looking at the places that are hardest to pin down: inaccessible zones, improvised settlements, multiple cities sharing the same space.

Consider Sealand, an abandoned gun platform off the English coast that a British citizen claimed as his own sovereign nation, issuing passports and making his wife a princess. Or Baarle, a patchwork city of Dutch and Flemish enclaves where crossing the street can involve traversing national borders. Or Sandy Island, which appeared on maps well into 2012 despite the fact it never existed. Illustrated with original maps and drawings, Unruly Places gives readers a new way of understanding the places we occupy.

India A "Spy" Guide - Strategic Information and Developments

This book is written to give an overall idea of dynastic politics in India, keeping in mind that a citizen of India should know more about the politicians who are in the government and form policies and so on to take the country in the proper direction. Even if there are two related members, it is considered as dynasty and is included in this book. Wherever possible, family trees, as well as the assets of our politicians, are shown. It was natural to start with the Nehru Gandhi family, being one of the largest and longest-

Download Ebook Uddhav Thackeray Contact Address Phone Number Email

ruling families at the helm of all affairs. Then state wise, the families are chosen and the account is presented. As the content is extensive, the book is published in two volumes. States are chosen alphabetically. So even if Nehru Gandhi family is in Volume 1, Tamilnadu, Telangana, Uttar Pradesh are in Volume 2. Early rulers in Indian history used to hand over the throne to their sons and then to the next generations for generations till some significant event upset the process, mostly conspiracies by persons like very close aides of the king or a revolt. Similar lines were followed even during our democracy, passing on the rule to the next generation, which gave rise to dynastic rule. Indian politics has witnessed a large spectrum of politicians from various fields. Initially, it consisted mainly of leaders from the field of law. Now, we find that we have eminent personalities from sports fields, actors, actresses, superstars from the silver screen. The literary field is no exception; we have writers, poets, and so on. Economists find a special place in the political arena. Politics does not shun even criminals or a few dacoits who then turned to politics after surrendering. Businessmen, kings or princes from princely states, as the British decided to call them, are also found here. We have learned people in politics as also the illiterate people (angutha chhaap) who learned to sign only after assuming the office on being elected. People are interested in knowing the assets of politicians. This point is covered by using the asset declaration given by the politicians at the time of the election.

Through personal interviews, constituency visits, and interactions with their environment, Aashti Bhartia weaves a picture of India's young Members of Parliament – their beliefs in the Indian democracy as well as their hopes and aspirations for the future. From Meenakshi Natarajan's fiery days in student politics to Sachin Pilot's quiet confidence at his colourful rallies. These are the stories of the much-written about, as well as the rarely-spoken about leaders of the new generation. The young politicians profiled in the book are: Sachin Pilot, Ghanshyam Anuragi, Jyotiraditya Scindia, Meenakshi Natarajan, Ajoy Kumar, Ashok Tanwar, Manick Tagore, Janardhana Swamy, Jitin Prasada, Jayant Chaudhary, Nilesh Rane, Milind Deora, Sidhant Mohapatra, Kalikesh Deo, Deepender Hooda, and Anurag Thakur.

In 2019, the BJP came into power once again on the back of one of the most significant electoral mandates in recent years. Since then, the Narendra Modi-led government has seen a tumultuous few years as they have implemented far-reaching legislative changes including the Jammu and Kashmir Reorganisation Act, triple talaq, the Citizenship (Amendment) Act as well as farming laws. These laws, when implemented, caused widespread protests and upheaval across the country. While the country grappled with internal strife, it also faced challenges from its neighbours in the form of one of the most intense military stand-offs in decades after

an unprovoked attack by China's People's Liberation Army at Galwan as well as a global pandemic. While the Modi government took swift steps to limit the spread of the pandemic in 2020, the second wave of COVID-19 in early 2021 hit the country hard, claiming thousands of lives. Bringing a well-researched and nuanced understanding to Modi's second term, The Midway Battle sheds light on the sociopolitical issues facing India as it continues its struggle against enemies both known and unknown, and puts into in perspective what lies ahead for the world's biggest democracy.

Trail of the Tiger tracks the personal and political journey of Uddhav Balasaheb Thackeray against the backdrop of the changing narrative of Hindutva, and new connotations to Hindutva's subnational plot, with the rise of Prime Minister Narendra Modi as a new Hindu Hriday Samrat. The trail of Uddhav Thackeray from a professional advertising photographer to Maharashtra's Chief Minister is not just his story. It is the story of saffron 'tiger' Balasaheb Thackeray's own family Mahabharata for political power and legacy that left the patriarch helpless during his sunset years. It is the story of one of the biggest upheavals in Indian politics where breaking a 30-year-old alliance with the Bharatiya Janata Party (BJP), the Shiv Sena joined Sonia Gandhi's camp, holding Sharad Pawar's finger. It is also the story of the Rashtriya Swayamsevak Sangh's (RSS) dilemma to deal with the tug of war in the Hindutva camp. Based on news analysis, Trail of the Tiger unpacks media content

and explores intertextuality to bring readers the authentic account of the Shiv Sena's saffron to secular trajectory under the leadership of Uddhav Balasaheb Thackeray. In 2019, a high-voltage political drama unfolded over thirty-five days between the declaration of the Maharashtra assembly election results and the formation of the Shiv Sena-NCP-Congress government in the state. The startling events that had the entire country glued to television screens culminated in the swearing in of Uddhav Thackeray as chief minister on 28 November 2019. This book is a blow-by-blow account of the ups and downs that took place during those thirty-five days that baffled even hardcore political pundits. The goings-on unmasked almost all parties and politicians of the state and changed Maharashtra's politics forever. With exclusive reportage and interviews from close observers of the whole drama, 35 Days goes behind the scenes to reconstruct what took place during the Maharashtra elections 2019.

1.Current Affairs Refresher 2020 is a important events from January 2020 to August 2020. 2.Hot Shots: covers all the latest events occurred in the country 3.Current Affairs: provides the latest information about the National and International happenings, Economy, Banking, Science & Technology, Space etc 4.More than 500 Current Shooters are given for quick coverage of the events 5. What is it like to travel with others for adventure, lust and god? This delightful travelogue, in which Srinath Perur embarks upon ten conducted tours, is full of rich experiences: hanging on to a camel in the Thar Desert, joining thousands on a pilgrimage in Maharashtra, crossing living root bridges near Cherrapunji, rediscovering music while on the trail of Kabir, and a lot more. As much about people as it is about places, the book is also a reflection of the nature of popular travel today, which is marked by the packaging of experiences, the formation of tourist economies and compulsive picture-taking. How this influences tourists comes across vividly: in their creation of a mini India on a bus as they race through treasured sights in Europe; in their perfunctory devotion as they hop from temple to temple in Tamil Nadu; and in their 'enjoying' with sex workers far away from home. Ironic, and often comic, *If It's Monday It Must Be Madurai* is an idiosyncratic portrait of India and her people.

This volume is the sixth in the series of essential readings in Indian government and politics focusing on political parties in India. It introduces the reader to the extensive and varied landscape of parties by bringing together seminal articles, new studies on national and regional parties and specific commentaries on important aspects of parties and the party system in India. The book covers an exceptionally wide terrain ranging from a discussion of individual parties, to their location in the context of nationalism and communalism, to more topical issues such as state funding of elections, party nominations, women's representation and defections.
