**Learn How To Make Tunisian-Style Crochet Pieces With This Beginner Guide** Tunisian crochet (also known as Afghan) is a special type of crochet that blends some crochet methods with knitting techniques. The key difference is that you work with a longer hook and more loops on the hook at the same time. This enables you to construct stitches that aren't available in traditional crochet. As a beginner, you should learn some basic Tunisian crochet stitches in order to master the technique. The Tunisian Simple Stitch and Tunisian Knit Stitch are among the basic stitches covered in this book. Tunisian crochet produces a dense, spongy fabric with a lovely feel. It's simple to learn and a lot of fun to hook up, making it a perfect choice for making pieces such as cowls, dishcloths, potholders, beanies, ear warmers, and lots more. This book is written to provide you with the much-needed guidance to make your first Tunisian crochet project. However, it is essential that you have prior knowledge of crocheting to get the best out of this book. Below are a couple of things you will learn in this book; 1. Tunisian crochet tips and tricks to help you get the best out of your work 2. Tools of the trade to get you started, which include the different categories of Tunisian crochet hooks 3. Tunisian Crochet Chart, Symbols, and Abbreviations 4. Basic Tunisian crochet stitches and how to make them 5. Switching up your Tunisian crochet yarn color 6. 7 Tunisian crochet project patterns (such as cowls, dishcloths, potholders, beanies, ear warmers, etc.) with pictorial illustrations to help you on your journey to making beautiful Tunisian crochet pieces 7. Fixing common Tunisian crochet mistakes you will encounter on your journey ...and much more! What else are you waiting for? Get a copy of this book RIGHT NOW to get started.

Create a suave high-flying rhino, a lovesick elephant who knows her way around a kitchen, and a seriously chivalrous tiger . . . With just two weeks to go before her baby Edward's due date, yarn enthusiast Kerry Lord picked up a crochet hook for the first time, and a new obsession began. Over the next twelve months, the collection of crochet animals expanded week by week until Edward's Menagerie was complete—with forty unique patterns. These cute animals with larger-than-life personalities are made using simple crochet techniques, and the step-by-step instructions enable a complete beginner to get hooking straight away. Each animal also has a universal pattern, allowing crocheters to change their hooks and yarns to create four different sizes, making for 160 different possibilities. Be warned—these unlikely characters, made using a super-soft yarn in a sumptuous natural color palette, will become your new best friends as you hook your way through the whole menagerie!

Crochet is the perfect book for people interested in shifting away from mass-produced items, who want to create unique, crocheted pieces. There are more than 80 crochet projects to choose from, and the book helps you get to grips with the basic stitches before leading you to the best projects to try next. Why is it special? \* It's the go-to crochet compendium that combines a step-by-step technique section with 101 projects for crocheters of all levels of ability. \* This comprehensive book takes you through the basics, with useful practice projects to build confidence, before embarking on more adventurous crochet patterns. \* Close-up step-by-step photography and detailed text give you crystal-clear instructions for every crochet stitch. \* A huge variety of projects spans things to wear, items for the home, decorative pieces, and cute gifts. Whether you're looking to crochet oh-so sweet baby booties, amigurumi animals, a granny square bedspread, a one-size-fits-all shopping bag, or a fabulously slouchy hat--you're sure to find something to fit the bill.

Now available in paperback, this best-selling title is THE essential guide to crochet. Ultimate Crochet Bible is a definitive reference for all aspects of crochet – from the first chain to the care and maintenance of your projects. The first two chapters are packed with useful information such as choosing and using a hook, how to read a pattern, holding the yarn and basic stitches. Once you are armed with the basics, you can go on to learn about a wide range of techniques. Traditional, lace-weight crochet is covered in the Thread Crochet section. The yarn used tends to be fine and the hooks are small, but this allows you to put more detail into a piece of work. Filet and Irish crochet are covered here. The section on Tunisian and Entrelac Crochet shows how elements of crochet and knitting can be combined. Entrelac is a method of creating square shapes in order to make a textured fabric that resembles basket weave. In Working with Colour, the two main techniques of adding colour to a piece of crochet – Intarsia and Jacquard – are explained. And to create some really exciting effects, you can add beads and sequins to your crochet. It's a relatively easy technique. In addition, there are techniques for edgings, braids, fringes and tassels. Professional Finishing Techniques provides all the know-how you need to take your crochet to a whole new level. But whatever your level of experience, this book will be an invaluable treasure trove of crochet techniques that you will turn to time and time again. Over 35,000 copies sold worldwide.
