

Ukulele In The Classroom

This fingerstyle ukulele method and workbook uses theory and composition exercises, party games, folk songs and classical arrangements to teach basic music literacy skills to K-3 students. The engaging lessons offer a creative approach to musical learning. This resource may be used in both the classroom as well as 1:1 music lessons.

Affordable, versatile, portable, and popular once again, the ukulele is an ideal instrument for lifelong music making that can also be an engaging component of school music programs. At the elementary or secondary level, students can use the ukulele to explore everything from music theory, improvisation, composition, and ear training, to repertoire that includes contemporary popular music. At a lesser expense than any other instrument which can do as much, the ukulele is perfect for breathing fresh air into any music program. Uke Can Do It provides everything music educators need to develop a ukulele program in their school, including: * A guide for first-time ukulele buyers * Beginner instruction in how to play the ukulele * Playlists of ukulele music by top performers * Strategies for proposing and outfitting a ukulele program * Classroom management tips * Support for use with special learners * Learning sequences in ukulele technique * Ideas for classroom use and performance * Scales and chord charts with fingering (Essential Elements Ukulele). Essential Elements Ukulele Book 2 is a great next step for players who are ready to expand their knowledge of music and further develop their skills on the ukulele. This comprehensive method book uses familiar and popular songs to introduce more advanced strumming options and fingerpicking techniques. A combination of traditional notation and tablature are used to illustrate new ideas. As in Book 1, the ukulele is used to explore concepts that apply to any instrument and can provide a basis for future musical experiences. The accompanying online audio provides demonstrations of songs and play-along accompaniments, making this method a nice framework for individual practice or group instruction. This book also includes many well-known songs, including: "Amazing Grace," "Rock Around the Clock," "This Little Light of Mine," the Beatles' "Eight Days a Week" and "Yellow Submarine," Bruno Mars' "Count on Me," Jack Johnson's "Upside Down," and "Somewhere Over the Rainbow" as made popular by Israel Kamkawiwo'ole.

Learn how to play chords and fun, simple tunes - no previous music knowledge required! Accompany yourself or your friends. Ideal for group or individual teaching.

Finally, a ukulele book with appeal to kids that focuses on fundamentals taught through songs that young people love to play. Larry Newman's book is an easy, learn how to play ukulele method for beginner students and children of all ages. It includes essential chords, songs, lyrics, illustrations, tab, sheet music, online videos/mp3s, coloring pages and more. This is the perfect ukulele book for private or classroom instruction. The lessons demonstrated in this report are focused on using ukuleles in the music classroom using virtual instruction. Ukuleles are a growing tool that are being used in music rooms and that are popular instruments to give students an opportunity to grow in a variety of musical ways. These lessons incorporate a Kodály inspired approach using solfege, identifying the parts of the ukulele, playing a melody using the open strings, and then creating a composition with a variety of rhythms with the open strings on the ukulele. Over the course of the past three years to complete my Masters' degree, some major developments I have made were expanding my knowledge and understanding of different methodologies used in the elementary music classroom and incorporating new technologies into my teaching instruction. When creating the ukulele lessons for this Graduate Report, I explored and used some technology tools that I have used in my classes over the summers. For example, during the Introduction to Graduate Studies class, we learned more about Garage Band and Soundtrap. These programs could be used for teachers to create background tracks to encourage student learning and practice and also allow for students to create musical compositions. For my lessons, I used it as a warm-up to reviewing the open strings of the ukulele. Another way that I incorporated technology was the use of Zoom. In our classes, Zoom was used a lot for class meetings. Upon further research into the program, I learned you could record and share on your screen. I used this resource

then to virtually teach my lessons when we had no contact with students this spring. These resources have provided another way to connect and create with my students in my music classroom.

Stanford University music professor, Steve Sano, and six-time GRAMMY(R) Award-winner Daniel Ho, draw upon decades of experience as performers and instructors to bring you 'Ukulele at School, a unique and empowering method that makes learning fun and easy! First impressions last a lifetime, and this introductory program is designed to instill a love of music in students, provide a solid musical foundation, and invigorate schools with the ideal classroom instrument . . . the 'ukulele! Visit UkulelePlay.com to download audio demo files for all 73 songs in the book. 123 Ukulele Play! offers a step-by-step learning program for ukulele using developmental principles one might find in a Kodaly-based program, only with ukulele as a springboard for student enthusiasm. 73 songs are included in the student manual along with 48 lesson plans to help guide you through the process of teaching them. Also included are individual MP3 files for each of the songs, chord charts for the students as well as large chord charts to print and hang up on the walls. After the basics and Christmas units (secular alternates are included for any religious songs), classical masterworks are interspersed with units on New Years Goals, Americana (for President's Day), Irish Dance and finally a trip around the world to various island nations (Japan, Tonga, Australia), ending with Hawaiian songs as a nod to the instrument's birthplace. About the author: M. Ryan Taylor is the author of a number of ukulele books aimed at beginning players, including Two Chord Camp Songs for Ukulele, The Two Chord Companion, Two Chord Christmas Songs, Christmas on 34th Street and more that you can find on UkulelePlay.com. He is a Kodaly-certified developmental education specialist and has worked with elementary-age children as the director of the American Fork Children's Choir since 2010. He also directs the Happy Valley Ukes, an adult community ukulele orchestra, and organizes The Original Utah Uke Fest, a full day of free concerts, open mics, workshops and more that promotes the guitar's tiny cousin. Taylor also travels to teach Ukulele Bootcamps wherever the wind might blow him. Catch him singing at <https://www.facebook.com/uke.n.me/> or <http://ukuleleplay.com/uke-and-me/> or even https://www.youtube.com/watch?v=FI-yslLxG-k&list=PLr6L7Q-AOghUzk4-VnmQku_-UISAgSfXO

A must-have resource for any music classroom equipped with ukuleles! The creative pair of authors (one a general music teacher, the other a

private ukulele instructor) has assembled an amazing journey to quickly get your kids playing a host of popular hits. Each of ten units includes tuning instruction, chord drill, strum pattern practice, and a skill-building exercise, culminating with an engaging performance piece followed by an interactive assessment activity. Songs include "Roar," "Best Day of My Life," "Over the Rainbow," "Riptide," and more! Embedded with fret diagrams, hand position photos, rhythmic chants for every new pattern, helpful "getting started" screens, plus appealing demo and play-along tracks, the adventure is only a few clicks away on your computer or interactive whiteboard (PC and Mac compatible). Recommended for grade four and up.

(Ukulele). 25 jazz standards are presented in arrangements for the ukulele, including: As Time Goes By * Fly Me to the Moon (In Other Words) * How High the Moon * Isn't It Romantic? * The Lady Is a Tramp * My Foolish Heart * A Nightingale Sang in Berkeley Square * On the Sunny Side of the Street * Summertime * Tangerine * What'll I Do? * and more. Includes a bonus mouth trumpet lesson because playing uke is even more fun when you add the melody on trumpet, using only your voice!

(Essential Elements Ukulele). Playing the ukulele is an enjoyable, easy, and inexpensive way to get involved in music. It provides a way to learn musical concepts and skills that can apply to any instrument you decide to study. Moreover, it will give you a great opportunity to share the joy of making music with other people. This book will help to provide you with the basic skills and musical background you need to get started. The audio features demonstrations of all the songs and examples. This carefully crafted method emphasizes chord strumming skills; teaching students HOW to practice; note reading exercises; "chord challenges" to learn how to figure out chord progressions; tab reading; and more. It also includes nearly 30 familiar songs that students can play while still learning, including: All My Loving * Home on the Range * Hound Dog * Jambalaya (On the Bayou) * La Bamba * The Lion Sleeps Tonight * The Rainbow Connection * Take Me Out to the Ballgame * and more! Practice, experiment, and have fun playing the ukulele!

Rainbow Ukulele

A History

(Ukulele). This collection features 15 classic songs arranged by ukulele master, James Hill. In these remarkable arrangements, two distinct ukulele parts chord accompaniment and melody can be played in counterpoint at the same time by one player. The arrangements cater to both advanced beginner and experienced players and there is a warm-up section that introduces the player to the "Duets for One" concept. The book includes access to audio tracks online of all the arrangements performed by James Hill, for download or streaming, using the unique code inside the book. Songs are arranged for GCEA-tuned ukes and include: Georgia On My Mind * Summertime * Don't Get Around Much Anymore * The Glory of Love * Here Comes the Rain Again * L-O-V-E * Cheek to Cheek * Viva La Vida * and 7 more.

A clever classical dog, a cool jazz cat, and a friendly alligator help teach children to play songs on the ukulele.

At the elementary or secondary level, students can use the ukulele to explore everything from music theory, improvisation,

composition, and ear training, to repertoire that includes contemporary popular music. At a lesser expense than any other instrument which can do as much, the ukulele is perfect for breathing fresh air into any music program.

The easiest ukulele method ever for kids ages 5 and up. This fun method teaches you to play songs on the ukulele right away. The accompanying online audio always lets you hear how the music should sound on any computer or handheld device. Three irresistible ukulele experts guide students along---a clever, classical dog, one cool jazz cat, and a friendly alligator who loves the blues. They focus attention by pointing out what's important on each page and make learning music fun! Parents can be effective guides through this course, even if they've never had any musical training. This course is also perfect for the classroom. Songs include "Aloha Oe," "Over the Rainbow," "When the Saints Go Marching In," and many more.

This book teaches you how to play the D-tuned ukulele with an easy-to-follow approach that will have you playing instantly. Different strumming techniques help you play in any style including folk, blues, and country. Great songs like "This Land Is Your Land," "When the Saints Go Marching In," "St. Louis Blues," and many others are included with lyrics. A special section on playing by ear teaches how to figure out your own favorite songs, and a handy chart shows how to transpose any song to the key of your choice. Upon completion of this book, you will be able to play your favorite songs on the ukulele in any key.

Elemental 'Ukulele contains fifteen lessons for elementary and middle school classrooms rooted in Orff and Kodály philosophies that teach ukulele performance skills. Each lesson includes literacy work, Orff accompaniments, and solid 'ukulele pedagogy. Electronic visuals are included to support the teaching and learning.

Ukuleles are a beautiful addition to elementary music classrooms. By playing ukuleles, students learn about chord progressions, develop vocabulary, and accompany vocal and instrumental melodies. The ukulele's timbre supports the child's voice, often allowing students to hear and sing harmony more accurately with ukulele accompaniment. Such experiences promote independent musicianship; many students purchase their own ukulele and enjoy playing at home, even beyond their elementary years. As with recorder instruction, we believe ukuleles should be integrated with other classroom instruments, and in this book, you find orchestrations with barred instruments, unpitched percussion, and recorder. Some lessons include creative movement and improvisation. Keep in mind these lessons may span several class sessions. As music teachers, we strive to be

lifelong learners. We encourage you to branch out, pick up a uke, and STRUM IT UP!

Strum, Strike, Sing and Play is an ensemble-based ukulele book. This publication introduces students to the exciting and unique timbre of the ukulele. In recent years, the ukulele has reemerged as a versatile instrument capable of spanning multiple musical genres. This publication is not a typical ukulele teaching method or a technique book; rather it is a compilation of orchestrations featuring the ukulele. The arrangements in this book provide students with the opportunity to practice ukulele skills within the context of a larger ensemble. Teachers with only a limited number of ukuleles will find this publication particularly useful because the lessons feature multiple ways for students to participate in music making. The orchestrations are adjustable to fit the needs each classroom, allowing the teacher to leave out parts or change the instrumentation. Each lesson outlines a suggested teaching process based on the Orff-Schulwerk model. Students learn through the process of imitation, exploration, and improvisation--the foundational elements of the Orff approach. In each lesson, students are encouraged to sing, say, dance, or play. The active approach of this resource will help students develop a thorough understanding of musical concepts. The ensembles in this book are appropriate for day to day teaching as well as performances. The lessons represent a "seed" of an idea with the intention that educators will cultivate the repertoire to fit their environment. We encourage you to adapt, change, or mold each lesson to fit your students' needs. Songs & Lessons: Hill n' Gully Rider Four White Horses Mary Ann Pay Me My Money Down Tingalayo Linstead Market Shake the Papaya Down Bassez Down Scrapin' Up Sand Sweet Guava Jelly Uke Can't Scare Me Create a Musical Loop Digital Files: Included in the purchase of this book are digital files that contain PDF's of song lyrics and enlarged chord charts to aid in student learning. The authors grant permission to those who purchase the book to print and project these visuals in their classroom(s) as needed. An index of the PDF files included is available at the end of this book.

Learn Ukulele the Easy Way

Combining Orff Schulwerk and Music Learning Theory

Artfully Adding Ukulele in the General Music Classroom

This groundbreaking work, specially designed for the music classroom, combines traditional and popular literature in a method that both teaches the ukulele and develops music literacy. Assuming no prior knowledge, the leveled content

allows students to track their progress and teachers to reward benchmark achievements. Many popular pieces are written in the same key as their common recordings, allowing students to play along if they wish, and no singing parts use notation symbols that have not already been formally introduced. The book teaches students both how to read and write music on the treble staff but also offers opportunities to follow chord charts, improvise, and play by ear. By encouraging the development of these transferrable skills, Uke Can Do It 2 provides a solid foundation for lifelong music-making!

The Hal Leonard Ukulele Method is designed for anyone just learning to play ukulele. This comprehensive and easy-to-use beginner's guide by acclaimed performer and uke master Lil' Rev includes many fun songs of different styles to learn and play.

(Ukulele). Strum your favorite hits from Jason Mraz, Disney, U2 and more! This collection can be used on its own, as a supplement to the Ukulele for Kids method book or with any other beginning ukulele method. The songs are presented in order of difficulty using simple strumming notation no music reading required. Demo tracks for each song are available for download online. Songs: Don't Worry, Be Happy * I'm Yours * The Lion Sleeps Tonight * Riptide * The Siamese Cat Song * and more.

Since its introduction to Hawai'i in 1879, the 'ukulele has been many things: a symbol of an island paradise; a tool of political protest; an instrument central to a rich musical culture; a musical joke; a highly sought-after collectible; a cheap airport souvenir; a lucrative industry; and the product of a remarkable synthesis of western and Pacific cultures. The 'Ukulele: A History explores all of these facets, placing the instrument for the first time in a broad historical, cultural, and musical context. Drawing on a wealth of previously untapped sources, Jim Tranquada and John King tell the surprising story of how an obscure four-string folk guitar from Portugal became the national instrument of Hawai'i, of its subsequent rise and fall from international cultural phenomenon to "the Dangerfield of instruments," and of the resurgence in popularity (and respect) it is currently enjoying among musicians from Thailand to Finland. The book shows how the technologies of successive generations (recorded music, radio, television, the Internet) have played critical roles in popularizing the 'ukulele. Famous composers and entertainers (Queen Liliuokalani, Irving Berlin, Arthur Godfrey, Paul McCartney, SpongeBob SquarePants) and writers (Rudyard Kipling, Jack London, P. G. Wodehouse, Agatha Christie) wind their way through its history—as well as a host of outstanding Hawaiian musicians (Ernest Kaai, George Kia Nahaolelua, Samuel K. Kamakaia, Henry A. Peelua Bishaw). In telling the story of the 'ukulele, Tranquada and King also present a sweeping history of modern Hawaiian music that spans more than two centuries, beginning with the introduction of western melody and harmony by missionaries to the Hawaiian music renaissance of the 1970s and 1980s.

Written by well-known Kodály educator Joy Nelson, The Music Effect is an engaging, ready-to-use resource for teachers who want to lead children to music literacy and lifelong music enjoyment and participation. Designed for the kindergarten classroom. Includes a wealth of energizing and imaginative multi-sensory activities, focusing on increasing students' musical knowledge, skill, and conceptual development. The comb binding creates a lay-flat book that is perfect for study and performance. The accompanying CD contains recordings of all chants, songs, and orchestral pieces included in the lessons and activities.

Looking for a way to incorporate Ukulele into your elementary or early middle school music classroom? Looking for a great motivation system for students and a wonderful curriculum for ukulele? Look no further! Rainbow Ukulele is for you! Rainbow Ukulele is a system for teaching Ukulele in the elementary general music classroom. In this system, students are systematically taught the history of the ukulele, the parts of the ukulele, how to tune, reading music (TAB and traditional notation), fingerstyle, and chords. Students are systematically taken through playing over 50 songs using C7, C, F, and G7. When you get your kids started on ukulele, you will not believe the joy that comes in to your classroom! This is the student method book. Students can purchase this book for individual practice at home. A teachers guide and reproducible materials can be found at www.RainbowUkulele.com. Note: This book is NOT reproducible. Songs covered by Rainbow Ukulele TAB/Fingerstyle

Based on his best-selling Uken Play Ukulele, Mike Jackson has now designed a program for young children to learn to play the ukulele with just a little help from an older person. With only 3 simple chords to master, 25 fun songs can be played in no time at all! The play-a-long CD helps give the child confidence while they learn the song, feel the beat and refine their playing technique. A self-taught musician who plays 16 different instruments including ukulele, Mike Jackson is perhaps best know in Australia for his hit version of Bananas in Pyjamas. Mike has sold over 250,000 albums, published many songs and dance resources and has performed extensively across Australia and internationally, Mikes inspirational concerts and workshops attest to his belief that learning to play music is an attainable goal for everyone and that its never, ever, too late or too early to begin!
