

Una Scelta Importante Missione Cuccioli Ediz Illustrata

An electrifying, internationally bestselling investigation of the global cocaine trade now a series on Prime Video starring Andrea Riseborough, Dane DeHaan, and Gabriel Byrne, from the author of the #1 international bestseller Gomorrah “Zero zero zero” flour is the finest, whitest available. It is also the nickname among narcotraffickers for the purest cocaine on the market. And it is the title of Roberto Saviano ’ s unforgettable exploration of the inner workings of the global cocaine trade—its rules and armies, and the true depth of its reach into the world economy. Saviano ’ s Gomorrah, his explosive account of the Neapolitan mob, the Camorra, was a worldwide sensation. It struck such a nerve with the Camorra that Saviano has lived with twenty-four-hour police protection for more than eight years. During this time he has come to know law enforcement agencies and officials around the world. With their cooperation, Savaiano has broadened his perspective to take in the entire global “corporate” entity that is the drug trade and the complex money-laundering operations that allow it to function, often with the help of the world ’ s biggest banks. The result is a harrowing and groundbreaking synthesis of literary narrative and geopolitical analysis exploring one of the most powerful dark forces in our economy. Saviano tracks the shift in the cocaine trade ’ s axis of power, from Colombia to Mexico, and relates how the Latin American cartels and gangs have forged alliances with crime syndicates across the globe. He charts the increasing sophistication of these criminal entities as they diversify into other products and markets. He also reveals the astonishing increase in the severity of violence as they have fought to protect and extend their power. Saviano is a writer and journalist of rare courage and a thinker of impressive intellectual depth, able to see connections between far-flung phenomena and bind them into a single epic story. Most drug-war narratives feel safely removed from our own lives; Saviano offers no such comfort. Both heart-racing and eye-opening, ZeroZeroZero is an investigative story like none other. Praise for ZerZeroZero: “[Saviano] has developed a literary style that switches from vivid descriptions of human depravity to a philosophical consideration of the meaning of violence in the modern world. . . . Most important of all is the hope Saviano gives to countless victims of criminal violence by standing up to its perpetrators.” —Financial Times

Fall in love with the addictive, suspenseful love story between a teenage girl and a vampire with the book that sparked a “literary phenomenon” and redefined romance for a generation (New York Times). Isabella Swan's move to Forks, a small, perpetually rainy town in Washington, could have been the most boring move she ever made. But once she meets the mysterious and alluring Edward Cullen, Isabella's life takes a thrilling and terrifying turn. Up until now, Edward has managed to keep his vampire identity a secret in the small community he lives in, but now nobody is safe, especially Isabella, the person Edward holds most dear. The lovers find themselves balanced precariously on the point of a knife -- between desire and danger. Deeply romantic and extraordinarily suspenseful, Twilight captures the struggle between defying our instincts and satisfying our desires. This is a love story with bite. It's here! #1 bestselling author Stephenie Meyer makes a triumphant return to the world of Twilight with the highly anticipated companion, Midnight Sun: the iconic love story of Bella and Edward told from the vampire's point of view. "People do not want to just read Meyer's books; they want to climb inside them and live there." -- Time "A literary phenomenon." -- The New York Times

Set in the Blue Ridge Mountains, A Dog's Way Home is an unforgettable tale of the many miles, months, and mountains that divide two loyal friends—but that can't possibly keep them apart. Abby knows that Tam, her Shetland sheepdog, is her north star, and she’s pretty certain she’s his, too. But when an accident separates Abby and Tam, it feels as though all the stars have fallen out of the sky and nothing will ever be right again. As the days between them turn to weeks, then months, dangers and changes fill up Abby’s and Tam’s lives. Will they ever find their way home to each other? Daddy says, "Most folks got a north star in their life—something that gives their life extra meaning. Mine is music." Without even thinking, I say, "Mine is Tam."

The book presents for the first time the restoration of Amundsen ’ s glass slides, one of the most beautiful collections of slides in the world. The 248 slides are the photographic testimony of three great explorations: the Northwest Passage (1903-1906), the conquest of the South Pole (1910-1912) and the Maud expedition (1918-1925). Discovered by chance in 1986, the slides were restored in 2009 by Pietro Librici at the National Library of Norway, in a continuous cooperation with the institute team. The restoration is presented analytically in its methodological, technical, scientific and operational aspects, constituting an updated model of intervention. Critical historical studies that accompanied the restoration and the expressive features of the slides have also led the author to identify Amundsen ’ s own style which lies between documentary photography and photographic documentation and make the book a particular opportunity to immerse in the charm of polar expeditions, in the first years of the 20th century when the poles were the only areas of terra incognita left on the world map. A Puppy Tale

The Grammar of Fantasy

In the explosive finale to the epic romantic saga, Bella has one final choice to make. Should she stay mortal and strengthen her connection to the werewolves, or leave it all behind to become a vampire? When you loved the one who was killing you, it left you no options. How could you run, how could you fight, when doing so would hurt that beloved one? If your life was all you had to give, how could you not give it? If it was someone you truly loved? To be irrevocably in love with a vampire is both fantasy and nightmare woven into a dangerously heightened reality for Bella Swan.

Pulled in one direction by her intense passion for Edward Cullen, and in another by her profound connection to werewolf Jacob Black, a tumultuous year of temptation, loss, and strife have led her to the ultimate turning point. Her imminent choice to either join the dark but seductive world of immortals or to pursue a fully human life has become the thread from which the fates of two tribes hangs. This astonishing, breathlessly anticipated conclusion to the Twilight Saga illuminates the secrets and mysteries of this spellbinding romantic epic. It's here! #1 bestselling author Stephenie Meyer makes a triumphant return to the world of Twilight with the highly anticipated companion, Midnight Sun: the iconic love story of Bella and Edward told from the vampire's point of view. "People do not want to just read Meyer's books; they want to climb inside them and live there." -- Time "A literary phenomenon." -- The New York Times

Con il termine generico di cuccioli, ci si riferisce ai piccoli di ogni specie animale, inclusa quella umana. Rivolgere lo sguardo verso questo grande universo di senso apre la via al riconoscimento di inaspettate affinità fra uomini e animali. Da una tale consapevolezza nasce l ’ idea di questo libro: presentare un ’ indagine sui cartoni animati, testi dove promiscuamente convivono piccoli di ogni specie. A prescindere da ogni appartenenza, i cuccioli rappresentati nei cartoni emergono come soggetti lievi e delicati, ingenui e coccolosi, carini al punto giusto. Essi si rivolgono al pubblico anche in nome della loro novità, della loro fresca cittadinanza nel mondo comune. Una nuova critica dei cartoni animati non può, allora, che dirigere lo sguardo verso il futuro, mettendo in questione le forme della società di domani. È proprio nell ’ interazione fra i personaggi delle loro storie che essa viene immaginata e prende, primariamente, forma. I cuccioli si presentano per ciò che sono: portatori sani di futuro e specchio del nostro presente.

They ’ re reusable! The sticker book series that kids love has a new addition: EyeLike Stickers: Baby Animals. Each book contains 400 full-color stickers that are amazingly detailed and lifelike in quality and are designed to be stuck on, peeled off, and stuck on again without tearing or losing their “ stick. ” The books ’ inside covers are glossy illustrated backgrounds on which kids can create lively and original sticker scenes—and then change them whenever they like. Packed with roly-poly pandas, round little bunnies, sweet puppies, fuzzy owlets, and pink piglets, Baby Animals is pure, unadulterated cuteness on every page.

This book, first published in 2000, is a comprehensive survey of research and theory in personality psychology.

The Life of the Buddha

*In the second edition of **The Idea of Nature in Disney Animation**, David Whitley updates his 2008 book to reflect recent developments in Disney and Disney-Pixar animation such as the apocalyptic tale of earth's failed ecosystem, WALL-E. As Whitley has shown, and Disney's newest films continue to demonstrate, the messages animated films convey about the natural world are of crucial importance to their child viewers. Beginning with **Snow White**, Whitley examines a wide range of Disney's feature animations, in which images of wild nature are central to the narrative. He challenges the notion that the sentimentality of the Disney aesthetic, an oft-criticized aspect of such films as **Bambi**, **The Jungle Book**, **Pocahontas**, **Beauty and the Beast**, and **Finding Nemo**, necessarily prevents audiences from developing a critical awareness of contested environmental issues. On the contrary, even as the films communicate the central ideologies of the times in which they were produced, they also express the ambiguities and tensions that underlie these dominant values. In distinguishing among the effects produced by each film and revealing the diverse ways in which images of nature are mediated, Whitley urges us towards a more complex interpretation of the classic Disney canon and makes an important contribution to our understanding of the role popular art plays in shaping the emotions and ideas that are central to contemporary experience.*

Siamo in un futuro lontano uscito da poco da una guerra mondiale nel quale sono state usate armi biologiche di distruzioni di massa. Unico passatempo è pc condivision, creato apposta visto che non si può uscire dalle città, poiché al di fuori di esse sono presentigas venefici. Robert e i suoi amici dovranno affrontare avventure in un mondo virtuale dove faranno una scoperta. E dopo che la verità verrà rivelata, Robert dovrà contribuire alla sconfitta di un antio nemico. Fra fantasia e realtà questa storia vi porterà alla scoperta delle risposte che avete sempre cercato.

Il racconto, di carattere autobiografico, nasce con l'intento di descrivere l'esperienza familiare dell'affido di un cucciolo, destinato a diventare un cane guida per ciechi. I primi capitoli soddisfano la curiosità attorno a questa avventura - la scelta di prendere un cane “a termine”; l'iter cui deve sottoporsi un potenziale affidatario; la trepidazione che precede l'arrivo del cucciolo; l'ingresso del piccolo ospite in famiglia e nel contesto sociale -, e lasciano gradualmente spazio a spaccati di vita familiare e momenti di solitudine che alimentano dubbi e riflessioni, sempre con un tocco di sana ironia. Chi è il vero cieco: chi è privo della vista o chi non guarda oltre il proprio ego? Aspiriamo a volare alto, guardando il tutto, oppure, timorosi, rimaniamo con i piedi per terra e gli sguardi fissi sul particolare? In un continuo susseguirsi di vicende, spesso comiche, talvolta commoventi, si giunge all'epilogo: il cane non è ritenuto idoneo per motivi di carattere. Che fare, dunque? Tenerlo oppure lasciarlo a una famiglia disposta ad adottarlo? Saranno proprio gli occhi di un cieco, quelli di un futuro cane guida, a indicare la strada da seguire.

*“Fun for Hobbit-addicts and Potter-philes of all ages.” —Publishers Weekly **Dark forces are brewing in Hagwood The werlings of Hagwood live peacefully in the trees of the forest—overlooked and unbothered while they leisurely perfect the art of wergling (shape-changing). But unlike his fellow werlings, the bumbling Gamaliel Tumpin can't manage to wergle into even the simplest of forms—a mouse—like his peers. He's tormented by his sister, Kernella, and teased by his classmates. And he envies star student Finnen Lufkin, who can transform into almost any creature. But wergling will soon be the least of Gamaliel's troubles. The evil elf queen Rhiannon, the High Lady of the Hollow Hill, is desperately seeking a precious possession that was stolen long ago. Her evil knows no bounds, and with her army of monstrous thorn ogres, she will not stop until it's found. The werlings' peaceful existence is threatened by death and danger—and clumsy, awkward Gamaliel will need to call on the strength within him to fight for his family and his home. This ebook features an illustrated biography of Robin Jarvis including rare photos from the author's personal collection.***

My Dog Pulls. What Do I Do?

A Dog's Journey

The Story of Walt Disney Records

Cornelia and the Audacious Escapades of the Somerset Sisters

Calming Signals

A Guide to the Thoughts, Emotions, and Inner Lives of Our Canine Companions

A revised edition of the best-selling reference on canine psychology incorporates the latest scientific findings and interviews with top breeders and trainers to enable dog lovers to evaluate a pet's intelligence, read dog body language, and adapt a training program suited to an animal's specific needs. By the author of How Dogs Think. Original. 10,000 first printing.

Sitting at his desk, Bernardo Soares imagined himself free forever of Rua dos Douradores, of his boss Vasques, of Moreira the book-keeper, of all the other employees, the errand boy, the post boy, even the cat. But if he left them all tomorrow and discarded the suit of clothes he wears, what else would he do? Because he would have to do something. And what suit would he wear? Because he would have to wear another suit. A self-deprecating reflection on the sheer distance between the loftiness of his feelings and the humdrum reality of his life, The Book of Disquiet is a classic of existentialist literature.

Eleven-year-old Cornelia is the daughter of two world-famous pianists—a legacy that should feel fabulous, but instead feels just plain lonely. She surrounds herself with dictionaries and other books to isolate herself from the outside world. But when a glamorous neighbor named Virginia Somerset moves next door with her servant Patel and a mischievous French bulldog named Mister Kinyatta, Cornelia discovers that the world is a much more exciting place than she had originally thought. An unforgettable story of friendship and adventure that takes readers around the world and back again, *Cornelia and the Audacious Escapades of the Somerset Sisters* is a dazzling first novel by Lesley M. M. Blume.

To place animals within the realm of nature, means inserting them among the articulations of culture and the social. Semiotics has never avoided this chiasmus, choosing to deal from the outset with the problem of the languages of animals following the old admonition of Montaigne: it is not that animals do not talk, it is us who do not understand them. Recent research in the field of the anthropology of nature and sociology of sciences and techniques allow to think about the Zoosemiotic issue in a different way. Instead of transplanting the language structures – gestures, LIS, etc. – for a semiotic study of the forms of the human and social meaning, it seems more apt to look at their discourse, and as such, the actual interactions, communicative and scientific as well as practical and functional, between humans and non-humans. This book aims to investigate precisely this hypothesis, known here as Zoosemiotics 2.0, working on several fronts and levels: · Anthropology · Languages of the image and visual representations, from art history to cinema · Old and new media. From literature to comics, from cartoons to TV documentaries but also advertising, music, Web and social networks. All those cultural products that talk about the role of human and non-human in society implicitly proposing (and in some way imposing) a form of articulation of such a relationship. · Food and feeding rites · Animalist, vegetarian and vegan movements · Philosophy: metaphysics, ethics, aesthetics

Con gli occhi di un cieco

The Missing Diary

A Holiday Lift

Thorn Ogres of Hagwood

Floriterapia australiana per i nostri animali

It is the year 1327. Franciscans in an Italian abbey are suspected of heresy, but Brother William of Baskerville ’ s investigation is suddenly overshadowed by seven bizarre deaths. Translated by William Weaver. A Helen and Kurt Wolff Book

A bestselling modern classic—both poignant and funny—narrated by a fifteen year old autistic savant obsessed with Sherlock Holmes, this dazzling novel weaves together an old-fashioned mystery, a contemporary coming-of-age story, and a fascinating excursion into a mind incapable of processing emotions. Christopher John Francis Boone knows all the countries of the world and their capitals and every prime number up to 7,057. Although gifted with a superbly logical brain, Christopher is autistic. Everyday interactions and admonishments have little meaning for him. At fifteen, Christopher ’ s carefully constructed world falls apart when he finds his neighbour ’ s dog Wellington impaled on a garden fork, and he is initially blamed for the killing. Christopher decides that he will track down the real killer, and turns to his favourite fictional character, the impeccably logical Sherlock Holmes, for inspiration. But the investigation leads him down some unexpected paths and ultimately brings him face to face with the dissolution of his parents ’ marriage. As Christopher tries to deal with the crisis within his own family, the narrative draws readers into the workings of Christopher ’ s mind. And herein lies the key to the brilliance of Mark Haddon ’ s choice of narrator: The most wrenching of emotional moments are chronicled by a boy who cannot fathom emotions. The effect is dazzling, making for one of the freshest debuts in years: a comedy, a tearjerker, a mystery story, a novel of exceptional literary merit that is great fun to read.

NOW A MAJOR FILM, STARRING DENNIS QU Aid. From W. Bruce Cameron, the author of A Dog's Purpose, the phenomenal New York Times Number One bestseller about the unbreakable bond between a dog and their human. Buddy is a good dog. He thought he had found and fulfilled his purpose, over the course of several lives, in helping his beloved boy Ethan. On the farm, Buddy watches over Ethan ’ s granddaughter, curious baby Clarity, trying to keep her out of mischief. He begins to realize that this is a little girl very much in need of a dog of her own. Buddy realizes that he has a new destiny. Reborn once more, he's overjoyed when he is adopted by Clarity, now a vibrant but troubled teenager. When they are suddenly separated, Buddy despairs — who will take care of his girl? With her selfish mother determined to keep them apart, and an unpredictable, obsessive boyfriend, Clarity's life threatens to spiral out of control — she needs help more than ever, but can Buddy find his way back to her in time? A charming and heartwarming story of hope, love, and unending devotion, A Dog's Journey asks the question: Do we really take care of our pets, or do they take care of us? This is a moving story of unwavering loyalty and a love that crosses all barriers.

Tells the story of six unemployed, out-of-shape steel-mill workers from Buffalo, NY, who pick up some extra cash by putting on their own male strip show.

A collection of essays from the visionary storyteller Gianni Rodari about fairy tales and folk tales and their great advantages in teaching creative storytelling. "Rodari grasped children's need to play with life's rules by using the grammar of their own imaginations. They must be encouraged to question, challenge, destroy, mock, eliminate, generate, and reproduce their own language and meanings through stories that will enable them to narrate their own lives." --Jack Zipes "I hope this small book," writes renowned children's author Gianni Rodari, "can be useful for all those people who believe it is necessary for the imagination to have a place in education; for all those who trust in the creativity of children; and for all those who know the liberating value of the word." Full of ideas, glosses on fairytales, stories, and wide-ranging activities, including the fantastic binomial, this book changed how creative arts were taught in Italian schools. Translated into English by acclaimed children's historian Jack Zipes and illustrated for the first time ever by Matthew Forsythe, this edition of The Grammar of Fantasy is one to live with and return to for its humor, intelligence, and truly deep understanding of children. A groundbreaking pedagogical work that is also a handbook for writers of all ages and kinds, The Grammar of Fantasy gives each of us a playful, practical path to finding our own voice through the power of storytelling. Gianni Rodari (1920-1980) grew up in Northern Italy and wrote hundreds of stories, poems, and songs for children. In 1960, he collaborated with the Education Cooperation Movement to develop exercises to encourage children's creative and critical thinking abilities. Jack Zipes is a renowned children's historian and folklorist who has written, translated, and edited dozens of books on fairytales. He is a professor at the University of Minnesota. Matthew Forsythe lives in Montreal where he draws and paints for picture books, comics, and animations.

One of our all time best selling books is now in its second edition with three additional chapters, color photos and descriptive captions. Turid Rugaas is a noted expert on canine body language, notably "calming signals" which are signals dogs give to other dogs and humans to denote stress and to attempt defuse situations that otherwise might result in fights or aggression. Written in practical, down-to-earth, logical language. Companion DVD, 'Calming Signals: What Your Dog Tells You

Barking

The Curious Incident of the Dog in the Night-Time

Adottare un cane può essere un momento esaltante, ma per affrontarlo nel migliore dei modi bisogna avere le idee chiare, disporre delle giuste informazioni e soprattutto essere consapevoli di quello che si sta facendo. Solo così si possono porre le basi di una lunga e felice convivenza. Con questo suo nuovo libro, Simone Dalla Valle ha voluto metterci nelle migliori condizioni perché la scelta di un cane sia davvero un'esperienza gioiosa. Grazie alla sua esperienza di dog-trainer e di consulente in centinaia di adozioni, ha potuto raccogliere in un volume agile e accessibile tutto quello che c'è da sapere prima ◻ motivazioni di razza, salute, tipi ed età dei cani ◻, durante ◻ canili, allevamenti, percorsi di adozione, situazioni critiche e da evitare ◻ e subito dopo l'adozione ◻ come preparare la casa (e se stessi), cosa procurarsi, i primi passi. Un volume che risponde a tutti i dubbi e ci prepara al meglio a una delle esperienze più belle che si possano fare.

The Thea Sisters and some friends want to start a school newspaper. Then Colette's diary is missing and sports reporter Nicky, witnesses something suspicious at the Iron Mouse Games. The Sisters' try to solve both mysteries and still get the paper out on time.

Barking is natural and almost all dogs bark. It is one of the many ways dogs communicate with each other as well as with humans. In this book, author Turid Rugaas, well known for her work on identifying and utilizing canine "calming signals," turns her attention to understanding and managing barking behavior.

The wonderfully festive sequel to Melissa Daley's uplifting tale, Molly and the Cat Cafe. "An engaging, pleasant read full of colorful characters with enough mentions of the cat cafe's cat's whiskers cookies and feline fancies to satisfy any appetite for a gentle, heartwarming story." ◻

BiblioManiac on Molly and the Cat Cafe "Hopeful and joyous." ◻Screen Wipe on Molly and the Cat Cafe The town of Stourton-on-the-Hill has its very own cat café. Resident cat Molly, and her kittens, live here in feline paradise, while owner Debbie serves the locals home-made goodies. But even in the most idyllic surroundings, things don't always go according to plan . . .

When Debbie's heartbroken sister Linda arrives at the café, Debbie insists she move in. But Linda is not alone, and the cats are devastated with the arrival of Linda's dog, Beau. Sadly,

Beau's arrival is not the only bombshell - now Molly's home is also under threat when a rival cat moves in on her turf. With Christmas approaching, Molly is unsettled, barely roused by the promise of tinsel to play with. Fearing for her feline family she hopelessly stares out of the café window searching for an answer. Only a Christmas miracle could bring everyone together . . .

From the internationally bestselling author of The Iron Fey series comes the final novel in the fiery and unforgettable Talon Saga. Get ready to burn... TODAY, WE STRIKE BACK. WE SHOW TALON THAT WE WILL NEVER

ACCEPT THEIR NEW WORLD. Ember Hill has learned a shocking truth about herself: she is the blood of the Elder Wyrm, the ancient dragon who leads Talon and who is on the verge of world domination. With the Order of St.

George destroyed, Ember, Riley and Garret journey to the Amazon jungle in search of one who might hold the key to take down the Elder Wyrm and Talon. If they can survive the encounter. Meanwhile, Ember ' s brother, Dante, will

travel to China with a message for the last Eastern dragons: join Talon or die. With the stakes rising and the Elder Wyrm declaring war, time is running out for the rogues and any dragon not allied with Talon. The final battle

approaches. And if Talon is victorious, the world will burn.

Quanti di noi sanno allevare, crescere, amare e rispettare i cagnolini con i quali vivono?Marco Baracchi ci regala un testo che, senza essere un manuale scientifico è una raccolta di consigli e informazioni necessarie per dialogare con i nostri amici a quattro zampe.L'autore affronta i principali step da percorrere con il cucciolo, per regalargli una vita serena e un futuro felice accanto al suo padrone.Educare un cane rispettando le sue esigenze e i suoi spazi pu ò diventare semplice e veloce oltre che piacevole e divertente dall'alimentazione al gioco, dall'educazione alle passeggiate, alla convivenza in casa Marco Baracchi ci guida con leggerezza nel meraviglioso mondo dei cagnolini, fatto di dialoghi silenziosi ma autentici e ricchi di amore.

All dogs go to heaven ... unless they have unfinished business here on earth ... Surprised to find himself reborn as a rambunctious golden-haired puppy after a tragically short life as a stray mutt, Bailey's search for his new life's meaning leads him into the loving arms of 8-year-old Ethan. During their countless adventures Bailey joyously discovers how to be a good dog. But this new life as a beloved family pet is not the end of Bailey's journey. Reborn as a puppy yet again, Bailey wonders - will he ever find his purpose? Touching, insightful, and often laugh-out-loud funny, A Dog's Purpose is not only the story of a dog's many lives, but also a dog's-eye commentary on human relationships and the unbreakable bonds that hold us all together, man and man's best friend alike. The story teaches us that love never dies, that our true friends are always with us, and that every creature on Earth is born with a purpose.

Among the numerous lives of the Buddha, this volume may well claim a place of its own. Composed entirely from texts of the Pali Canon, the oldest authentic record, it portrays an image of the Buddha which is vivid, warm, and moving. Chapters on the Buddha's personality and doctrine are especially illuminating, and the translation is marked by lucidity and dignity throughout.

An Introduction to the Art of Inventing Stories

Mouse Tracks

From W. Bruce Cameron, the author of the New York Times and USA Today bestselling novel A Dog's Purpose, which is now a major motion picture! Bailey's Story is a heartwarming illustrated novel adapted for young readers from the beloved and New York Times bestselling A Dog's Purpose by W. Bruce Cameron. Every dog has work to do. Every dog has a purpose. When Bailey meets eight-year-old Ethan, he quickly figures out his purpose: to play with the boy, to explore the Farm during summers with the boy, and to tidy the boy's dishes by licking them clean (only when Mom isn't watching). But Bailey soon learns that life isn't always so simple--that sometimes bad things happen--and that there can be no greater purpose than to protect the boy he loves. Bailey's Story is a moving tale about a dog and his boy for young animal lovers by W. Bruce Cameron, bestselling author of the acclaimed novel A Dog's Purpose. Adorable black-and-white illustrations by Richard Cowdrey bring Bailey and his world to life. A discussion and activity guide at the end of the book will help promote family and classroom discussions about Bailey's Story and the insights it provides about humankind's best friends. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

When I first met Lola I was living in the countryside with my parents and brothers and sisters. Lola was lonely and ill then, but it was love at first sight, and I knew that I wanted to take care of her. A beautifully told, heart-warming story about friendship and survival, with a very surprising and satisfying ending.

New York Times Bestseller Corinne Michaels brings a fun, sweet holiday short story. All I want for Christmas... is to pretend the holidays do not exist. That should be my tagline for life. Another year with no one to kiss under the mistletoe. Of course, it doesn't help that after my last epic breakup, I hopped into the sack with the one man I should've avoided. My arch-rival, Dean Pritchard. Despite the fact that he didn't bother calling after our night together, I can't get him out of my head. I am so on the naughty list. But when a snowstorm traps us in an elevator, I can't avoid my work crush any longer. Will Dean be the lift I've needed for the holidays, or will Santa skip me yet again?
