In boyhood, Louis Zamperini was an incorrigible delinquent. As a teenager, he channeled his defiance into running, discovering a prodigious talent that had carried him to the Berlin Olympics. But when World War II began, the athlete became an airman, embarking on a journey that led to a doomed flight on a May afternoon in 1943. When his Army Air Forces bomber crashed into the Pacific Ocean, against all odds, Zamperini survived, adrift on a foundering life raft. Ahead of Zamperini lay thousands of miles of open ocean, leaping sharks, thirst and starvation, enemy aircraft, and, beyond, a trial even greater. Driven to the limits of endurance, Zamperini would answer desperation with ingenuity; suffering with hope, resolve, and humor; brutality with rebellion. His fate, whether triumph or tragedy, would be suspended on the fraying wire of his will. An emotionally charged debut novel of a family on the brink--an autistic child, his determined mother, and her distant father--who learn that when your world changes, you find out who you really are. . . . While she was growing up, Piper's father, Lance "the Silver Eagle" Whitman, became a national hero piloting a plane through an emergency landing. But at home, he was a controlling and overbearing presence in her life, raining emotional and verbal abuse upon the entire family. It's no surprise, then, that as an adult, Piper has poured all of her energy into creating a warm and loving home for her own family, while catering to her son Fred's ever-growing idiosyncrasies. Then Lance has a heart attack, leaving him with a brain injury--and dependent upon Piper for his care--just before tests confirm Piper's suspicions that Fred is on the autism spectrum. A powerful and extraordinary novel, Flying at Night gives voice to Fred, trying to find his place in a world that doesn't quite understand him; to Lance, who's lost what made him the man he was, for better and worse; and to Piper, who, while desperately trying to navigate the shifting landscape around her, watches as her son and father start to connect--in the most miraculous ways. . . .

*Learning to resolve a dilemma ethically is a complex skill that recreation leaders and managers must learn in order to be successful, because they face ethical issues every day. They must ask themselves, "What is the right thing to do in this situation?" "Is my decision ethical for everyone involved?" "How will my decision affect each of the stakeholders--and my career?" Teaching applied ethics requires an understanding of how moral dilemmas can be justly resolved as well as techniques and approaches to accomplish these goals. This process helps students develop sound approaches to dealing with contemporary issues in leisure and recreation. In addition, this text contains the following features: -Thematic chapters that address current major issues in recreation management, therapeutic recreation, outdoor recreation, tourism, and culture so that students can comprehend the range of issues in these diverse areas of recreation -Eight case studies based on current dilemmas from a variety of recreation and leisure settings, providing students with valuable practice in applying the three-step method for resolving ethical dilemmas -Learning activities in each chapter that help students apply leisure philosophy to resolve dilemmas Part I explores ethics in leisure services and examines how dilemmas are naturally solved. It covers ethical theory and introduces a three-step method that can be widely applied. Students learn how recreation professionals worked through an actual dilemma and how their problem-solving strategies affect their solutions and their careers. Part II presents real-life dilemmas common to a variety of leisure management areas, ethical issues in therapeutic recreation, and problems in outdoor education. The authors also tackle various issues surrounding tourism, including culture, sex tourism, the natural environment, and virtual tourism. Part III contains a consideration of professionalism in parks and recreation and related fields, a peek into the future, and eight contemporary case studies drawn from leisure services fields. These case studies test students' abilities to apply ethical problem solving by using the three-step method presented earlier in the book. The studies present issues in four major areas of recreation and leisure. Issues in Recreation and Leisure: Ethical Decision Making provides new insights into the recreation and leisure profession. **Why Many Bad Things Happen to Good People... The Problem** Are you one of the many victims of an unbroken curse? Today, countless Christians throughout the world are plagued by unexplained poverty, calamities, and a variety of adverse circumstances. Their lives are tragically filled with heartache and desperation as they continuously struggle against overpowering temptation, physical and mental illness, and a myriad of catastrophic events. Usually, they are unaware that their plight is the result of an unbroken curse that has been placed upon them and perhaps upon their families. Some of the Causes Hatred and jealousy Trespassing on the devil’s territory Handling unholy things Inherited curses Breaking vows to God The Solution The Bible specifically instructs every believer to avoid curses and to recognize and break them. Yet, an astonishing number of Bible-believing Christians have either not read or do not remember these essential spiritual principles. Thus, many believers live under the affliction of unbroken curses. This book will show you the necessary biblical steps to recognize, prevent, and break every type of curse.

You can walk in constant victory and beat the devil every time. How? By developing The Unbeatable Spirit of Faith! In this encouraging book, Gloria Copeland shows you how to develop a spirit of faith that perseveres and brings you out on the other side of every test or trial supernaturally blessed! Life's trials and triumphs can seem accidental. One person may feel that life is a constant struggle in which pitfalls abound and someone seems out to get him. Another may feel that every day is a gift from God with special blessings just for her. That's because forces are at work in our lives: the blessings of a loving God or the curses of our spiritual adversary. This hugely popular classic work of Derek Prince helps readers recognize if there are curses at work in their lives and shows them how to get out from under those curses to live under God's blessings. This third edition of Blessing or Curse includes an extensive new study guide for small group or individual use.

This early work on Martin Luther is both expensive and hard to find in its first edition. It details the life of the monk responsible for translating the Bible from Latin into German and for inspiring the Lutheran movement. This is a fascinating work and is thoroughly recommended for anyone interested in the history of European religion. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

Fiction. LGBTQIA Studies. Women's Studies. If heaven is somewhere, it isn't with us, but somewhere we want to get--a state, a place, a turning to home. Novel- and essayist Rebecca Brown's thirteenth book is narrative cycle that revamps old fairy tales, movies, and myths, as it leads the reader from darkness to light, from harshness to love, from where we are to where we might go. "A strange and wonderful first-person voice emerges from the stories of Rebecca Brown, who strips her language of convention to lay bare the ferocious rituals of love and need."--The New York Times "One of the few truly original modern lesbian writers, one who constantly pushes both her own boundaries and those of her readers."--San Francisco Chronicle "Watch for her books and hunt down her short stories. She is simply one of the best contemporary lesbian writers around."--Dorothy Allison "America's only real rock 'n' roll schoolteacher."--Thurston Moore, Sonic Youth

For seventeen years, Elaine served her master, Satan, with total commitment. Then she met Dr. Rebecca Brown, who served her master, Jesus Christ, with equal commitment. Elaine, one of the top witches in the U.S., clashed with Dr. Brown, who stood against her alone. In the titanic life-and-death struggle that followed, Dr. Brown nearly lost her life. Elaine, finding a power and love greater than anything Satan could give her, left Satan and totally committed her life to Jesus Christ. This is an honest, in-depth account of Satan's activities today. You'll see how to: Recognize and combat the many satanists who regularly infiltrate and destroy Christian churches. Recognize and combat satanic attacks. Recognize those serving Satan, and bring them to Jesus Christ.

A gripping supernatural mystery and romance set in post-Katrina New Orleans. Rebecca couldn't feel more out of place in New Orleans. She's staying in a creepy house with her aunt, who reads tarot cards. And at the snooty prep school, a pack of filthy-rich girls treat Rebecca like she's invisible. Only gorgeous, unavailable Anton Grey gives Rebecca the time of day, but she wonders if he's got a hidden agenda. Then one night, among the oak trees in Lafayette Cemetery, Rebecca makes a friend. Sweet, mysterious Lisette is eager to show Rebecca the nooks and crannies of New Orleans. There's just one catch. Lisette is a ghost.

The girls on the prowl in The Terrible Girls are indeed terrible--relentless in love, ruthless in betrayal. These thematically linked stories depict a contemporary Gothic world in which body parts are traded for love, wounds never heal, and self-sacrifice is often the only way out.

*Excerpts from a Family Medical Dictionary is an intimate, exquisite, and true account of what it is to help a parent die. After her mother was diagnosed with terminal cancer, former home care worker and award-winning writer Rebecca Brown cared for her mother during the last six months of her life. This spare, un sentimental book comes out of that experience. In short chapters headed by definitions of medical terms, she confronts anemia, chemotherapy, metastasis, cremation. Brown's is a poignant and unflinching story of how one family coped with loss and learned about the longevity of love. The Wisconsin edition is for sale only in North America.*

*The End of Youth is a collection of 13 linked stories, essays and rants, about carrying on after youth's hope is gone. In "Afraid of the Dark," a child learns that there is good reason to be afraid. The adolescent narrator of "Description of a Struggle" finds that love can be brutal. "The Smokers" examines an adult's realization that longevity means seeing loved ones die. Written with the same spare and vivid beauty as her earlier award-winning works, The End of Youth is certain to win even wider acclaim. "Throughout her writing career, Brown has exhibited a rare sensitivity in delving into difficult, uncomfortable material—death, disease, imperfect bodies and minds . . . in this slim book . . . there's also humor and sensuality so intense it's visionary . . ."*—*San Francisco Chronicle* "A strange and wonderful first-person voice emerges from the stories of Rebecca Brown, who strips her language of convention to lay bare the ferocious rituals of love and need."—*The New York Times Book Review* "Rarer than the newness, the wit, the vivid readability, is the deep caring understanding, the wholeness, the truth with which this astonishing, haunting writer creates her people."—*Tillie Olsen* "In

The Feasts of Israel and Their Significance to Christians Today Throughout the Old Testament, God commanded the people of Israel to observe feasts and holy days (holidays) to remember the mighty things that He had done in the lives of Israel’s ancestors. Feasts of the Bible is a full-color booklet that celebrates and explains the meaning behind the biblical feasts and why they are important today. Feasts of the Bible contains an easy-to-read charts that covers each holiday and its details: Name and pronunciation Simple summary and date of observance Symbolic meaning pointing to Jesus as the promised Messiah

"For the word of God is living, and active, and sharper than any two-edged sword, and piercing even to the dividing of soul and spirit, of both joints and marrow, and quick to discover the thoughts and intents of the heart" (Heb. 4:12). The peril of the believer is to confuse the spirit for the soul and the soul for the spirit, and so be deceived into accepting the counterfeit of evil spirits to the unsettling of God's work. The greatest advantage in knowing the difference between spirit and soul is perceiving the latent power of the soul and in understanding its falsification of the power of the Holy Spirit. Such knowledge is not theoretical but practical in helping people to walk in God's way. In this book, Watchman Nee shares his insight on The Latent Power of The Soul, The Christian and Psychic Force, and Spirit Force vs Psychic Force. Nowadays the atmosphere is so charged with the commotion of all kinds of counterfeit that the Lord seems to be calling the Church to come to a higher ground. Today's situation is perilous. May we "prove all things; hold fast that which is good" (1Thes. 5:21)

In this spiritual warfare manual, Dr. Rebecca Brown writes from seven years’ experience helping deliver many, many people out of hard-core satanism. A sequel to Dr. Brown’s best seller He Came to Set the Captives Free, this book will show you how to: Stand victoriously against Satan Deal with the dangerous New Age teachings Recognize and deal with satanic ritualistic abuse of children Minister in the area of deliverance Handle the rarely discussed problems people face after deliverance It’s shocking! It’s graphic! But this is war! Do you know how Satan can use “doorways,” including yoga, role-playing games, and meditation, to bring demonic destruction into your home? Satan hates you and wants to destroy you. To be victorious, you must Prepare for War.

How to Wage Spiritual Warfare in the Last Days An important spiritual law was revealed by Jesus in Luke 11:21-22 and Matthew 12:29, “How can one enter into a strongman’s house, and spoil his goods, except he first bind the strongman? And then he will spoil his house.” Now, instead of “binding” symptoms, we can attack the sixteen strongmen or demonic spirits mentioned by name in the Bible! If God names them, they are real, and He has given us dominion over them through the Name of Jesus! In easy to understand language this book... Teaches how to zero in on and quickly identify the strongman in every situation Illustrates each strongman by a tree showing the fruits or symptoms for quick identification Instructs how to bind the enemy and loose the power of God according to Matthew 18:18 Provides instant recognition when and where Satan is attacking our lives and the lives of those around us Shows that God wants us to be free from Satan’s hassles so that we can reach this world for Christ. Strongman's His Name...What's His Game offers a scriptural, balanced, and uplifting approach to present-day spiritual warfare.
