

Under The Ice Blades Dragon Blood Book 5 5

Colonel Ridge Zirkander isn't the model of military professionalism—he has a tendency to say exactly what's on his mind, and his record has enough demerits to wallpaper the hull of an airship—but as the best fighter pilot in the Iskandian army, he's used to a little leniency from his superiors. Until he punches the wrong diplomat in the nose and finds himself issued new orders: take command of a remote prison mine in the inhospitable Ice Blades Mountains. Ridge has never been in charge of anything larger than a flier squadron—what's he supposed to do with a frozen fortress full of murderers and rapists? Not to mention the strange woman who shows up right before he arrives... Sardelle Terushan wakes from three hundred years in a mage stasis shelter, only to realize that she is the last of the Referatu, the sorcerers who once helped protect Iskandia from conquerors. Their subterranean mountain community was blown up in a treacherous sneak attack by soldiers who feared their power. Everyone Sardelle ever knew is dead, and the sentient soulblade she has been bonded to since her youth is buried in the core of the mountain. Further, what remains of her home has been infested by bloodthirsty miners commanded by the descendants of the very soldiers who destroyed her people. Sardelle needs help to reach her soulblade—her only link to her past and her last friend in the world. Her only hope is to pretend she's one of the prisoners while trying to gain the commander's trust. But lying isn't her specialty, especially when the world has changed so much in the intervening centuries, and if Colonel Zirkander figures out who she truly is, he'll be duty-bound to sentence her to the only acceptable punishment for sorcerers: death.

Other Realms: Volume One is the first book in a new series that collects original short stories by fantasy and sci-fi author Shaun Kilgore. In this volume, you'll be taken to far off fantasy worlds filled with magic, adventure, and the games of noble houses and the plights of brave warriors. This book contains ten stories, including "A Reckoning," "Death To The Messenger," "Midwinter Night," "Oathsworn," "The Beast Of Mern," "The Prophet's Return," "The Risen Queen," "The Ruling," "The Traitor," and "Winds Of Fate."

Daegonlot: a floating island separated from the mainland of Darkenfel, and home to the last of the dragonriders. They have settled in the city of Goldspine and allowed the rest of the world to forget them.

Two souls. One Body. Sharing is not an option...Terrible news has turned Anaea Salis's life upside down. There's nothing she can do to make it right and the stranger who stops to talk to her can't help. But when that stranger, Hunter, an ancient dragon spirit, is viciously attacked and forced to transfer his spirit into her body, Anaea's life takes a new terrifying twist. Hunter should have known by now not to get involved with human affairs, but there was something about the woman that drew him to her and he just couldn't help himself. Trapped in her body all he wants is to get out, except whoever is trying to kill him is now after her. Their only hope of survival... plunge into the deadly world of dragons.

Conquering the Dragons That Keep You from Success

The Secret of the Dragon: The Revelation of the Sacred Papyruses, by Carl Cupper, is gentle enough for a child's bedtime story, yet poignant enough to captivate the adult reader's imagination, as well. This partly-fiction-partly-real and entertaining moralistic thriller will captivate the reader's attention and draw them into the midst of the action adventure that brews in the in the mixture of history, religion, philosophy and sociology in the cauldron of life.

Poems about animals we live around, nature and its affects on us, also other things to pause and think about. Contains color pictures. this is a paperback with thirty-six pages, twenty-eight poems.

Structophis is a heartwarming YA adventure from the author of The Book of Deacon, Bypass Gemini, and Free-Wrench. It is based upon a concept and artwork by ProjectENDO. In a small town in Colorado, Markus Spiros was just getting his life on track. By day he worked as a veterinary tech, by night he took classes. His steady little routine was rolling along nicely when his impulsive Uncle Dimitrios threw a wrench in the works. Thanks to an unannounced trip, Markus had to swing by his uncle's bistro to tend to the 'special oven.' When he arrived, he discovered it wasn't the oven that was special, it was the rare and exotic egg that had been incubating inside it. And now it had hatched. Suddenly, Markus found his life had become a good deal more complicated. The creature was a Structophis Gastrignae—a strange creature that was equal parts dragon and oven—and she'd become quite a big girl. Large as a refrigerator and curious as a toddler, the creature he'd dubbed Blodgette would have been a handful in any situation. Markus had bigger problems than figuring out how to take care of her, though. Owning such a rare and special beast was illegal, so should the cops learn of it, Markus would be destined for jail. Worse, there were certain unscrupulous people who would do anything to acquire Blodgette. Now, with the help of his old classmate Gale, Markus must scramble to stay two steps ahead of the authorities and a corrupt CEO, all while being the best 'mommy' he can be to his brand-new pizza dragon.

Maybe you're a recent college graduate, looking for a successful start to your career. Or an experienced professional, feeling the need to try something new. Either way, a whole host of opportunities await you-but if you really hope to ace that interview and get the job you want, you'll need the right skills to get ahead. So when you're navigating the complex twists and turns of today's changing job market, let I'll Get That Job! serve as your road map and guide. Featuring advice from real HR professionals, headhunters, and team managers, this essential job-hunting companion will let you know exactly what you need to do to increase your chances, from social media presence to writing a great CV. While shedding light on the many myths and outdated "rules" that may actually bog you down in today's job-seeking experience, I'll Get That Job! serves as a source of motivation and encouragement for modern job hunters. After all, with hard work and the right mind-set, it really is possible for you to get that job you've always wanted-and become the most successful version of yourself along the way!

Return of Dragons

Dragon Blood 5.5

Under the Ice Blades (Dragon Blood, Book 5. 5)

Far in the distant reaches of the universe is a world called Azmantium. A planet with lilac skies, jade green seas and fiery red suns. A planet where everything, from the tides of the sea to life itself, is rooted in magic. Children are assessed at an early age and trained according to their unique magical talents. Lara, an orphan who has no memory of her true origins, is unaware that she has a vital role to play in the ancient prophesies that are about to begin coming true. Older than most who are just beginning their magical training, Lara will soon find out that destiny waits for no one, especially when the fate of the world rests on their shoulders. With the help of her new friends, Lara will learn that in order to save the future, she must journey into the past - to a time when Dragons ruled the world! This is the first book in the upcoming Dragon Born series!

Cristian Vega has a talent very few people know about: he's a musician. And he's quite good. The problem he faces is that he has no confidence in himself and is overly concerned about what others think of him, and this fear of rejection has turned Cristian into an introvert. The day after his nineteenth birthday, Cristian receives a call from his girlfriend who tells him that she's met someone else. Confining himself to his bedroom, Cristian has become an emotional wreck and vows to never allow himself to fall in love again. After calling his cousin in an attempt to get his mind off of his ex-girlfriend, Cristian sets in motion a chain of events that will change his life forever. And it all begins with the meeting of a girl... Emma Turner is quite sick of dating the same kind of man-tall, clean-cut and handsome-and every guy she meets seems more interested in trying to impress her than they are in learning anything about her. When Cristian Vega begins attending the same church as her, she finds herself inexplicably drawn to him. None of her friends understands her attraction to Cristian and they are sure to tell her that every chance they get. Emma's problem isn't in getting her friends to accept Cristian, her bigger issue is in getting Cristian to admit his feelings to her before the successes of being a musician tears them apart. THE PATH tells the story of overcoming one's fear of rejection in order to pursue one's dream regardless of what may come.

Gentry was a simple baker who knew there was more to life but did not know what it was or how to get there. One day, a traveler came to town and told Gentry that he is seeking The Destination. However, the traveler provides a warning. The path to The Destination is guarded by dragons that only seek to take travelers off of the path. Armed with a scroll, a shield and a sword, Gentry sets out on his quest. As Gentry heads towards The Destination, he is expecting to face fierce dragons that he heard so many stories about growing up. He pictured himself doing battle with a large scaly beast. But what he found surprised him. The dragons were not the fire breathing animal he expected but much more deceiving. Gentry had to face each dragon before he can travel on towards The Destination or be sent back to the town as a failure. Each dragon, however, has a different name and affect on Gentry. He must use the wisdom he finds in the scroll in order to defeat each of the dragons. As we each travel the journey to success, we are often times side tracked by dragons of our own. Through this book and as you travel with Gentry, you will learn the secrets to defeating many of the common dragons that only seek to hold us back from reaching our destination.

For decades, traditional medicine had very little to offer for individuals suffering from multiple sclerosis and other autoimmune diseases. Today, medical science has brought us wave upon wave of immunomodulatory medications to try to slow disease progression. Unfortunately, these medications come with their own health- and life-threatening side effects. And sometimes, they just stop working. "Fighting the Dragon: How I Beat Multiple Sclerosis" is the story of one woman's thirty year battle with multiple sclerosis and what she did to reclaim her life when she realized she would need an assisted living facility within a few years. The book contains detailed descriptions of what worked and what did not, where she got the help she needed (and how the reader can locate these resources within his/her own community), and the logic behind the non-conventional therapies. "Fighting the Dragon" is a narrative of courage—courage driven by desperation, a story written by a patient who decided, when her neurologist told her, "You will never walk normally again," that she would dance. "Fighting the Dragon" is also a book the MS patient can take to his/her physician . . . it contains well-researched, easy-to-follow guidelines for what to do and how. The information is also applicable to a wide range of other autoimmune conditions, cancers, and AIDS. * * * * * Excerpt: . . . if your car kept breaking down and the mechanic you took it to kept doing the same thing to fix it—but it did not stay fixed, you would question the mechanic's competence. Maybe the mechanic pulled out a technical manual. "See. I fixed it exactly as the manual said. This is the industry-approved way to solve this problem." When the car broke down again a week later, would you be satisfied? Probably not. You might decide it is time to replace the car. But that might be too expensive. So, what to do? If you were smart, you would probably try to find a new mechanic. You might ask your friends who they would recommend. You might search on the Internet to see if other people had the same experience with their cars . . . and what caused the problem. You might telephone some repair shops to get some idea of what they thought the problem might be. If you found a new mechanic and that mechanic looked over the car and said, "I have a solution that is not in any industry-approved repair manuals, but it is safe and it works,"—would you walk away and go back to the first mechanic who never got it right? Why is your health worth any less than your car?

"He Walks with Dragons" takes place when what was, what is, and what shall be were one in the same. Draig, a boy on the verge of his manhood, is summoned to the majestic mountain by the Great Ones. There he finds out he is about to transcend the ages and risk his life to prevent the destruction of mankind. Born into the naïve innocence of ancient man, Draig lives a simple pastoral existence in a quiet, small village. But one day he is flung on a magical journey into a forbidden new world. There, Draconos, a dragon, befriends the boy, training him in the art of warfare. From this day forward, the young boy finds himself in awe at the wonders the world holds for him. Not only has Draig become a man, but he is living like a dragon and learning their mystical powers. "From the time Man first crawled upon this earth...we found him worthy to take his rightful place among the creatures that walk upon the earth. While hiding in the shadows, we have protected him. We have nurtured him all these many ages. But now man grows in great numbers and makes war on everything he sees." And when the time comes, will Draig be willing to lay down his life for the sake of saving the dragons? And when the dragons are gone, where will he go? He is no longer just a man.

Imagine what it would be like to go back in time to the 15th century Venice. And imagine what it would be like to meet your lifelong hero, Michelangelo. And imagine what it would be like if, on first meeting, you spill a tray of pasta and wine on that very same hero. Well, that's what happens to serious young artist Mark Breen. As the result of a drunken bet, Mark knocks out a painting of a toilet bowl. Much to his amazement, he sells it. In short order he's hailed as the new Andy Warhol and becomes an overnight sensation—and a very wealthy man. Soon, images of his toilet bowls are on more t-shirts, mugs, and calendars than Edvard Munch's *The Scream*. His friend and mentor, Hugh Connelly, afraid that Mark is in danger of losing his "artistic soul," advises him to go back to Italy and acquaint himself with the "old masters." In Venice, Mark falls in love with Alexandra, a beautiful art restorer, but it's a one-sided affair. One night, hoping to win her over, he climbs up on a roof to find out who painted her favorite fresco. He falls off the roof and wakes up in 15th century Venice where he meets an innkeeper named Francesca, who looks exactly like Alexandra. And it gets curiously and curiously from there. During his stay—which is sometimes zany and sometimes frightening—he meets his hero, Michelangelo, who teaches him the true meaning of art.

Responsible for her friend's death, Lieutenant Caslin Ahn wants nothing more than to be left alone. She no longer deserves the company of comrades or the fulfillment she felt as a Wolf Squadron fighter pilot. But a summons from the king leaves her with no choice but to rejoin her teammates. An ancient evil has been unleashed, bringing death and destruction to the nation, and they are the only ones with a chance of stopping it. *Dragon Blood 6* brings back Cas, Tolemek, Ridge, Sardelle, Kaika, and Tylie, as well as her dragon, for a new epic fantasy adventure.

There are arch angels, and there are fallen ones. One managed to have human-like children that served special purposes. The book is a thriller for me, and a crime novel to others. The effects of this book depends on the reader's level and maturity. Nevertheless, events of those days are accurate.

The Path
Dragon Blood, Book 1

Ridge, Sardelle, and their comrades may have rescued Tolemek's sister and freed the dragon, but trouble awaits at home. The king is missing, a secret organization is hunting sorcerers, and the capital is more vulnerable than ever to enemy attack. Worst of all, at least from Ridge's point of view, someone put that jackass Colonel Therrik in charge of the flier battalion. Ridge and his allies have a lot of problems to fix, but they can't show their faces in the capital without being arrested or shot. This time, it's going to take a lot more than magic to save the country. *The Blade's Memory* is the fifth installment in the *Dragon Blood* series.

Destiny Allen, a Web designer for software giant Scenaria Security Systems, finds herself involved in a deadly puzzle that blurs the boundaries between the virtual and the real. At stake: the infrastructure of modern America. Her resources: Dina Gustafson, a college friend, and Karl Lustig, an Israeli technology journalist with friends in dark places. The challenge: sort the good guys from the bad before the lights go out. A fast-paced technology thriller, *Web Games* is about real risks and virtual worlds, about Internet threats as close as tomorrow's nightly news, and about the ever-escalating warfare between black-hat hackers and modern society.

Three college roommates try to live and enjoy their student lives while caught up in the frenzy of casual drug use, recreational sex, lacrosse, rock and roll music, political activism, riots, and race relations during the tumultuous 1969-70 school year in the unique student community of Isla Vista.

Colonel Ridge Zirkander isn't the model of military professionalism—he has a tendency to say exactly what's on his mind, and his record has enough demerits to wallpaper the hull of an airship—but as the best fighter pilot in the Iskandian army, he's used to a little leniency from his superiors. Until he punches the wrong diplomat in the nose and finds himself issued new orders: take command of a remote prison mine in the inhospitable Ice Blades Mountains. Ridge has never been in charge of anything larger than a flier squadron—what's he supposed to do with a frozen fortress full of murderers and rapists? Not to mention the strange woman who shows up right before he arrives... Sardelle Terushan wakes from three hundred years in a mage stasis shelter, only to realize that she is the last of the Referatu, the sorcerers who once helped protect Iskandia from conquerors. Their subterranean mountain community was blown up in a treacherous sneak attack by soldiers who feared their power. Everyone Sardelle ever knew is dead, and the sentient soulblade she has been bonded to since her youth is buried in the core of the mountain. Further, what remains of her home has been infested by bloodthirsty miners commanded by the descendants of the very soldiers who destroyed her people. Sardelle needs help

to reach her soulblade—her only link to her past and her last friend in the world. Her only hope is to pretend she's one of the prisoners while trying to gain the commander's trust. But lying isn't her specialty, especially when the world has changed so much in the intervening centuries, and if Colonel Zirkander figures out who she truly is, he'll be duty-bound to sentence her to the only acceptable punishment for sorcerers: death.

Balanced on the Blade's Edge

An Epic Fantasy Adventure Series

A Real Guide from Real Experts on Getting the Job You Want!

An intervention to prevent dragons from being lured to their deaths in the past is implemented since that method of trickery could also have been the means to kill the new dragon prince, Joyyah. He is born on Mother's Day, but not in the location Woonfred and Kira had planned. It became necessary to create a new world for the dragons (thanks Liponie) to prevent their capture by a relentless tracker. A plot to kill Commander Ashtar results in the deportation of Chu who are not residence of Earth. On the lighter side: Pootie gets a new life; Cardmah, a leprechaun, talks about gold and raspberry pie. The Swizzlers are successful at meditating-on chocolate-and are masters at skateboarding. They are happy to wear suspenders after they learn it is not necessary to expose a certain part of their anatomy.

Whoever said happy endings were easy was a fool or a liar. Cursed nearly a century ago by a demon he was hunting, Quinn Byrnes has waited impatiently to feel the sense of his mate in his head. After watching his brother settle down with a mate, a spark of hope ignites in Quinn when he finally feels the connection to his own woman. Following the instincts of his inner dragon, Quinn lands in London only to discover the woman destined to break his curse is working for his enemies. Lily Delaney would do anything to guarantee her sister's safety-including working as a bounty hunter for a powerful demon. When her latest hunt ends in failure, Lily finds herself face to face with a shifter who dumps equal amounts of desire and anger in her veins. Quinn is tall, tattooed, and his dazzling green eyes challenge her to take him as a mate even as he sets her life on fire. Quinn's presence unleashes unwanted demonic attention in the form of an ancient enemy that's now turned his sights on Lily. But with her target in the wind and her sister on the chopping block as punishment, time is running out for Lily to launch a daring rescue. As their foes circle, Quinn and Lily orbit around a truth neither wants to admit: happy endings come with a price.

Hidden in the forgotten tunnels beneath the castle of Thorilleia lies an ancient book written by a powerful wizard. Two young men set out to find the book, which is said to contain a mysterious secret. Their journey takes them across rugged mountains and through dense forests where they encounter dangerous creatures and strange cultures. When they reach Thorilleia, they find themselves thrust into a pivotal role in a war between great kingdoms. Loaded with action and unexpected twists, Dragon's Dust is not just a quest for riches and power; it's an adventure story where integrity, determination, and courage prevail in dire circumstances.

Sam lives with his Mum, Dad, sister and the family dog, Patch. It's the school holidays, and Sam's Mum buys him a toy bubble making gun and encourages him to try it out in the backyard. Read along as the biggest bubble Sam has ever seen takes him on the ride of his life! Sam and the Biggest Bubble is a 30 page illustrated children's book written by Brendon Blade and illustrated by Christine Gibson.

Blood Charged

It's been a week since the dragon Morishtomaric fell, and Sardelle is not convinced that Ridge is truly gone. With a companion who thinks he's a god and a soldier who would happily kill her, she heads back to the mountains to look for signs that Ridge survived. What they uncover threatens to destroy their country and all they care about. Meanwhile, the Cofah emperor is furious with Iskandia over the loss of its

airships and still has a bounty on Tolemek's head. King Angulus sends Tolemek, Cas, and Kaika on a daring mission that could solve both problems... or leave them all dead.

Dragon—Book One of the Dragon Eye series Ilsa has been afraid of dragons ever since she saw them in the sky the night she was chased from her village as a child. Now, a decade later, she'd love to return to the place she once called home—if only she knew where to find home. Truth is, Ilsa doesn't know who she is. She only knows her father left her in the care of a guy named Ram, who teaches her swordsmanship in a butcher shop until the day when it's safe for her to continue home. But it may never be safe, and their enemies are closing in. Ilsa and Ram are being hunted, and they must flee through the dangers that bar them from their homeland. The journey will require all their skill and strength, but it will also uncover the secrets of who Ilsa is and where she belongs. She's always longed for the truth, but once she learns it, can she accept it? Is she...a dragon? And do those ancient monsters even deserve to live? *The Dragon Eye series books: One: Dragon Two: Hydra Three: Phoenix Four: Vixen Five: Dracul Six: Basilisk*

Enjoy 20 limited-detail illustrations, designed for those who would rather keep it simple. Each page was hand-drawn and edited by K J Kraemer, with you in mind. If you don't want to spend days on a project or just want room to get creative, this adult coloring book is for you!

Everyone knows dragons have been extinct for over a thousand years. Everyone is wrong. At least one dragon remains, and military scientists from the Cofah Empire are experimenting with its blood, using the magical substance to power deadly new weapons that could be used to bring the world to its knees. That's a concern for Zirkander, Cas, and the rest of the Iskandians, but all Tolemek wants is to find his missing sister. The last time he saw her, their father had locked her in an asylum because of a mental illness with no cure. Now the military has taken her. What use the Cofah have for her, Tolemek can only guess, but he is certain she is in danger. He must save her before it's too late. But her fate is inexplicably tied to the dragon's, and he must find it to find her.

The Blade's Memory

An elite forces officer with a dreadful reputation. A bookish paleontologist with a love for mysteries. An ancient stronghold full of secrets that will take both of them to unearth. P she's related to the famous pilot, and no, she can't get him to autograph your undergarments) is looking forward to a summer in the paleontology lab, researching and cataloging r takes an unexpected turn when the king sends her into the Ice Blades to a secret mine where ancient dragon bones have been discovered. Rumor has it that they're cursed and da concerned about dealing with the outpost commander, a fierce officer with the temperament of a crabby badger. As punishment for irking the king, Colonel Vann Therrik is oversee working in the remote Magroth Crystal Mines. He would like a chance to redeem himself—and escape the loathsome duty station—but nothing is going his way. Cursed fossils have trying to escape, and now a scientist has shown up, making demands on his time. Worse, she's the cousin of his nemesis General Zirkander. As if one Zirkander in his world wasn't fossils leads Lilah and Vann into the depths of Magroth Mountain where centuries-old secrets lurk, and a long-forgotten threat stalks the passages. To have any chance at survival and perhaps learn that neither is what the other expected. Shattered Past is a stand-alone novel set in the author's Dragon Blood world.

Sardelle Terushan, sorceress and healer, should be lying low. Magic is forbidden in Iskandia, and magic users are drowned, shot, or otherwise slain. The problem? She's fallen in love national hero, Colonel Ridge Zirkander, a man whom everybody notices, including the king. It's not long before Sardelle has spies dogging her steps and people trying to blow her up jeopardizing Ridge's career. If she can't find a solution to the nation's centuries-old hatred of magic, the only way to protect Ridge-and herself-may be to leave. Ridge Zirkander isn't than shooting down Cofah airships and keeping the officers in his squadron alive, but his world has gotten more complicated since giving his heart to Sardelle. It's difficult to keep mysterious and enigmatic woman, not to mention her chatty sentient sword. He's been passing her off as an archaeologist to his fellow pilots, but when the king calls him in to a secret has been discovered. But the king-and the rest of the country-has a greater problem. Cofah military scientists have acquired something that shouldn't exist in the world any addition to having countless mysterious properties, it's a powerful energy source that can be used to create devastating weapons. Ridge, Sardelle, and their allies must travel to the strike force to steal the dragon blood. If they fail, the Cofah will finally have the power to destroy all of Iskandia.

Greymalkin is not just the Queen's beloved cat, he is also her confidant and staunchest friend. In this story, Greymalkin has an adventure without the Queen and has to deal with a perilous situation including a baby dragon.

General Ridgewalker Zirkander is getting married. Sardelle—the woman who's battled dragons, shamans, and countless enemy soldiers at his side—has accepted his proposal, and it's the perfect time for a wedding. It's been two months since any dragons or sorceresses attacked the city, the Cofah haven't come after their kidnapped emperor, and King Angulus has stopped yelling at Ridge for his inadvertent role in destroying the castle. Yes, it's the perfect time for a wedding. Never mind that the resident dragon who thinks he's a god is pressuring Ridge to build a temple for him, or that the pirate-turned-scientist Tolemek has disappeared. Or that Ridge's mother is on the verge of discovering that magic exists and her future daughter-in-law is a sorceress. These are small hiccups, and the wedding will go smoothly. Ridge is sure of it. Really.

"The sparrow flew onto a branch and turned into a phoenix. This kid is lucky." The King of the Underground World, after returning to the city, he became the laughingstock of the family. They wanted to see how he would conquer the cold and aloof CEO and regain his former glory ...

Captain Astuawilda Kaika is an elite forces soldier, a demolitions expert, and a woman who loves secret missions. She most certainly isn't someone with the patience to teach General Zirkander's raw cadets how to survive encounters with the enemy. Certain she's been given this duty as a punishment, she confronts her superiors, only to find out that King Angulus himself gave her the assignment. When she attempts to reasonably and respectfully—and certainly not presumptuously—explain to him that she's not suited for teaching, she gets swept up in a mission to a secret research facility that has been invaded by enemy agents. Soon, she, King Angulus, and General Zirkander are engrossed in an investigation that could change the world—and destroy all that they know.
