A Legal Thriller about two lawyers working on opposite sides of the Channel, whose destinies are fatally intertwined. A pharmaceutical patent worth billions, a brutally murdered man and a trial that appears impossible to win. These are the facts at the centre of two young lawyers' lives. The lives of men from two contrasting worlds whose paths criss-cross in a game of shadows and reflections. Where money and revenge mark the boundaries where enemies become allies; where there is no certainty, only doubt and suspicion. A subtle line which separates ordinary lives, from those destroyed by fear; it will be up to the two adversaries on either side of the legal fence to rise above an international plot which could endanger their

careers and, perhaps, their very lives... A gripping legal thriller from the very first page. PUBLISHER: TEKTIME

An unfinished duel, a midnight murder, and the treachery of a beautiful prostitute lead to the imprisonment of Sharpe. Caught in a web of political intrigue for which his military experience has left him fatally unprepared, Sharpe becomes a fugitive--a man hunted by

both ally and enemy alike.

A treasure trove of nine locked room mysteries from USA Today bestselling and Agatha Award-winning author Gigi Pandian, all set in the Jaya Jones world. Appearing here for the first time, novelette The Cambodian Curse: When an ancient and supposedly cursed Cambodian sculpture disappears from an impenetrable museum, and the carving's owner is killed by an invisible assailant while a witness is a few feet away, historian Jaya Jones and her old nemesis Henry North team up to solve the baffling crime. Stories included: "The Cambodian Curse," "The Hindi Houdini," "The Haunted Room," "The Library Ghost of Tanglewood Inn," "The Curse of Cloud Castle," "Tempest in a Teapot," "A Dark and Stormy Light," "The Shadow of the River," plus bonus novella Fool's Gold. With an Introduction from New York Times bestselling author Laurie R. King addressing why we love locked rooms, and a Foreword from impossible crime mystery historian Douglas G. Greene, teasing out the tradition of John Dickson Carr that Pandian is following. This collection is filled with ingenious stories of magic, mystery, and history. - -

Vampire's Cattle

A Knight's Journey Into Shangri La

The world is no longer run by humans. Taken over by vampires a thousand years ago, the planet has been able to rejuvenate, and is now governed as a civilized society by The Collective. Prince Alexander Gronovski and his family are the owners of the world's only all female cattle farm. Their responsibility - to provide vampire kind with

feeders, and carriers for their offspring. The only way vampires can produce pure blood children is to undergo the impregnation ceremony. Alex and his lover Jade must oversee the ceremony and deliver the vampire babies whilst fending off his killer father, a promised bride and hormonal humans.

Collected from LaBossiere's regular column in The Philosopher's Magazine, this fascinating set of philosophical provocations assumes no background in philosophy and focuses on matters that are of popular interest to the general public, yet are also philosophically significant.

Charlene Wilson, First Lady of First Jamaica Ministries, has lived a good life with her beloved Bishop T.K. Wilson and their two beautiful children. But now that the Lord has seen fit to call her home, someone needs to take care of her man. . . That's why Charlene has planned to hang around in spirit--to make sure T.K. ends up with the right woman.

First in line is Marlene, the mother of T.K.'s illegitimate daughter. Then there's Monique Johnson, the unapologetic First Lady of Plastic Surgery and Implants. Next is Savannah Dickens, the church's attractive new choir soloist. And last but not least is Charlene's good friend Sister Lisa Mae Johnson, widow of Pastor Lee Jones. With the help of her friend Alison, Charlene prepares a series of letters addressed to the lucky ladies. No one else knows about the letters, but rest assured, they will shake up a whole lot of people. Charlene may soon be gone, but her presence will be felt. . . "Weber's novels are always sizzlers. . ." --The Cincinnati Enquirer "A front-row pew seat to all the action going down. . ." --Essence®

Putting a Stop to Overthinking with Practical Mindfulness Exercises

Christopher Flynn is trying to get it right. After years of trouble and rebellion that enraged his father and nearly cost him his life, he has a steady job in his father's company, he's seriously dating a woman he respects, and, aside from the distrust that lingers in his father's eyes, his mistakes are firmly in the past. One day on the job, Chris and his partner

come across a temptation almost too big to resist. Chris does the right thing, but old habits and instincts rise to the surface, threatening this new-found stability with sudden treachery and violence. With his father and his most trusted friends, he takes one last chance to blast past the demons trying to pull him back. Like Richard Price or William Kennedy, Pelecanos pushes his characters to the extremes, their redemption that much sweeter because it is so hard fought. Pelecanos has long been celebrated for his unerring ability to portray the conflicts men feel as they search and struggle for power and love in a world that is often harsh and unforgiving but can ultimately be filled with beauty.

Chain Sudoku (also known as "Strimko") consists of a group of circles arranged in a square grid and containing given clues in various places. The object is to fill all empty circles so that the digits appear exactly once in each row, column and chain.

ahead of danger. Until the day she is bitten. Rather than succumbing to the virus, she miraculously recovers from the brink of death. Except Sami is no longer human and must control the hunger inside her. Back on the road searching for other survivors, Sami and her father are repeatedly driven off course and into an area of the country dubbed the Badlands. Soon, they discover the walking dead aren't the only monsters rising. Please be aware "And Hell Followed" includes violence, sexuality, and harsh language. "This introduction to, commentary on, and translation into English of the first book of letters by Quintus Aurelius Symmachus shows the leading orator and statesman of the fourth-century Roman Senate deeply engaged in conversation with the leading men of the empire. The book highlights the influence of the late Roman aristocracy that flourished in the century after Constantine and demonstrates that it did not become powerless in the face of the bishops and the new Christian elite. Shared goals united the late Roman elites far more than religion divided them, helping explain the relatively nonviolent and gradual conversion of the western Roman aristocracy. One hundred and seven letters-crafted to match the recipient's personality, status, and interest-discuss literature, religion, politics, and social life. They provide a unique window into the private lives of Rome's leaders, pagan and Christian, in late antiquity."--Publisher's website.
