Seventy per cent of newly qualified secondary teachers say that they are well-prepared for certain aspects of teaching their specialist subject - such as planning, selecting resources and assessing their own teaching - and yet feel very much less prepared in other professional areas. This second edition tackles all the issues that new teachers find difficult. It builds on the skills and knowledge they will have learned on their initial teacher education or PGCE course and offers a planned process of

professional development and includes chapters on: managing yourself and your workload working as part of a team developing teaching and learning strategies challenging behaviour in the classroom assessing, recording and reporting values and Citizenship Education the school sixth form and the growth of vocational qualifications continuing professional development. The book can be used either as a stand alone companion for newly qualified teachers, or as a follow-on from the editors' successful text book, Learning to Teach in the Secondary School, also published by Routledge.

The book has been designed topic and subtopic-wise, keeping the students' needs in mind. The current edition has certain unique features:

## Read Online Unit 1 The Business Environment

This book is strictly as per the latest CBSE syllabus and covers complete matter as per the NCERT book. After every topic, objective type questions and case studies are given based on the latest CBSE Sample Paper (2020). (Hints of their answers are given at the end of each chapter.) At the end of each chapter, 40 objective type questions (20 MCQs + 10 Fill in the blanks + 10 True/False) are given along with answers at the end. Keywords of each topic are given at the end of each topic, to help students to solve case studies. A flow chart of each chapter is given at the end to recap the topics covered in that chapter. Quick revision is given to revise all the topics in short time. At the end of each chapter, questions asked in last 7 years' board exam are given, so that the student may get an
