

Unraveled Mastered 3

“Rania Abouzeid has produced a work of stunning reportage from the very heart of the conflict, daring to go to the most dangerous places in order to get the story.” –Dexter Filkins, Pulitzer Prize-winning author of The Forever War Award-winning journalist Rania Abouzeid dissects the tangle of ideologies and allegiances that make up the Syrian conflict through the dramatic stories of four young people seeking safety and freedom in a shattered country. Hailed by critics, No Turning Back masterfully “[weaves] together the lives of protestors, victims, and remorseless killers at the center of this century’s most appalling human tragedy” (Robert F. Worth). Based on more than five years of fearless, clandestine reporting, No Turning Back brings readers deep inside Bashar al-Assad’s prisons, to covert meetings where foreign states and organizations manipulated the rebels, and to the highest levels of Islamic militancy and the formation of the Islamic State. An utterly engrossing human drama full of vivid, indelible characters, No Turning Back shows how hope can flourish even amid one of the twenty-first century’s greatest humanitarian disasters. Winner of the Overseas Press Club of America’s Cornelius Ryan Award for the best non-fiction book on international affairs and a finalist for the Lionel Gelber Prize.

In the searing fourth novel in the Mastered Series, following Unraveled, only one woman can set a hardened fighter free from his past... In order to survive a life of tragedy, Deacon McConnell embraced his roughest edges and learned to fight on the streets. Then a life-changing jujitsu seminar led by Sensei Ronin Black led Deacon to become a professional fighter. With his muscular physique and his body covered in tattoos and scars, the MMA fighter defines mean, both on and off the mat. But everything changes when innocent Molly Calloway signs up for his kickboxing class. Molly is Deacon’s opposite in every way: She’s kind, sweet, thoughtful, and educated. After a heated argument between them turns into a passionate encounter, Deacon realizes Molly is eager to experience more, and she looks to him to take her to the darker edge of lust... The last thing either of them expects is how deeply their lives will be thrown upside down by the passion they find together.

The brilliant, controversial, bestselling critique of American culture that “hits with the approximate force and effect of electroshock therapy” (The New York Times)—now featuring a new afterword by Andrew Ferguson in a twenty-fifth anniversary edition. In 1987, eminent political philosopher Allan Bloom published The Closing of the American Mind, an appraisal of contemporary America that “hits with the approximate force and effect of electroshock therapy” (The New York Times) and has not only been vindicated, but has also become more urgent today. In clear, spirited prose, Bloom argues that the social and political crises of contemporary America are part of a larger intellectual crisis: the result of a dangerous narrowing of curiosity and exploration by the university elites. Now, in this twenty-fifth anniversary edition, acclaimed author and journalist Andrew Ferguson contributes a new essay that describes why Bloom’s argument caused such a furor at publication and why our culture so deeply resists its truths today.

The second sexy novel in the Need You series, from the New York Times bestselling author of the Mastered Series and the Blacktop Cowboys® Series. Trinity Carlson might be having the worst day ever. And that was before she started drinking in a dive bar, right across from her ex and his new girlfriend. So when she finally decides enough is enough, she grabs hold of a hot, blond stranger and gives him the kiss of his life. Walker Lund never expected that a chance at love would hit him right on the mouth. Since the moment his brother decided to settle down, Walker has been dodging his family’s hopes that he’ll do the same. He’s never been interested in following in anyone’s footsteps. But when he discovers his sexy assailant has given him a fake name and number he suddenly finds himself in the mood for a little hot pursuit...

All You Need

James’s works “Mistress Christmas” and “Miss Firecracker” create heat within the covers of this two-in-one anthology.

Martial arts master Ronin Black’s need for control is tested by the one woman he’d risk everything for. Original.

Technology and increasing levels of education have exposed people to more information than ever before. These societal gains, however, have also helped fuel a surge in narcissistic and misguided intellectual egalitarianism that has crippled informed debates on any number of issues. Today, everyone knows everything: with only a quick trip through WebMD or Wikipedia, average citizens believe themselves to be on an equal intellectual footing with doctors and diplomats. All voices, even the most ridiculous, demand to be taken with equal seriousness, and any claim to the contrary is dismissed as undemocratic elitism. Tom Nichols’ The Death of Expertise shows how this rejection of experts has occurred: the openness of the internet, the emergence of a customer satisfaction model in higher education, and the transformation of the news industry into a 24-hour entertainment machine, among other reasons. Paradoxically, the increasingly democratic dissemination of information, rather than producing an educated public, has instead created an army of ill-informed and angry citizens who denounce intellectual achievement. When ordinary citizens believe that no one knows more than anyone else, democratic institutions themselves are in danger of falling either to populism or to technocracy or, in the worst case, a combination of both. An update to the 2017breakout hit, the paperback edition of The Death of Expertise provides a new foreword to cover the alarming exacerbation of these trends in the aftermath of Donald Trump’s election. Judging from events on the ground since it first published, The Death of Expertise issues a warning about the stability and survival of modern democracy in the Information Age that is even more important today.

In the bestselling style of Fifty Shades of Grey, New York Times bestselling author Lisa Renee Jones delivers sexy thrills and heart-pounding sensuality—in a tantalizing page-turner in which the eyes of a high school English teacher are opened to a world she never knew existed, and a passionate craving within that she never knew she possessed. The journal comes to Sara McMillan by chance, and she unexpectedly inherits the key to an abandoned storage locker belonging to a woman named Rebecca. Sara can’t resist peeking at the entries inside...and finds a scintillating account of Rebecca’s affair with an unnamed lover, a relationship drenched in ecstasy and wrapped in dark secrets. Obsessed with discovering Rebecca’s destiny after the entries come to an abrupt end, Sara does more than observe the players in the woman’s life: she immerses herself in the high-stakes art gallery world Rebecca inhabited—and is magnetically drawn to two men. Which one will seduce Rebecca with his masterful and commanding touch and bring her fantasies to exquisite life? On a daringly erotic escapade, Sara follows Rebecca’s path to fulfill her own hidden longings. But after she tastes the forbidden pleasures Rebecca savored, will Sara be helpless to escape the same submissive fate?

Alcoholics Anonymous

FIRST IN A NEW SERIES In the new Mastered series by New York Times bestselling author Lorelei James, a woman’s desire to shatter her inhibitions leaves her unprepared for where that erotic journey will take her.... Former small-town girl Amery Hardwick is living her dream as a graphic designer in Denver, Colorado. She’s focused on building her business, which leaves little time for dating—not that she needs a romantic entanglement to fulfill her. When her friend signs up for a self-defense class as part of her recovery after an attack, Amery joins her for support. That’s where she meets him. Ronin Black, owner of the dojo, is so drawn to Amery that he takes over her training—in public and in private. The enigmatic Ronin pushes Amery’s boundaries from the start, and with each new tryst, Amery becomes addicted to the pleasure and to him. But when Amery senses Ronin is hiding something, she questions her total trust in him, despite the undeniable thrill of his possession....

The basic text for Alcoholics Anonymous.

This follow-up to New York Times bestseller The Food Babe Way exposes the lies we’ve been told about our food—and takes readers on a journey to find healthy options. There’s so much confusion about what to eat. Are you jumping from diet to diet and nothing seems to work? Are you sick of seeing contradictory health advice from experts? Just like the tobacco industry lied to us about the dangers of cigarettes, the same untruths, cover-ups, and deceptive practices are occurring in the food industry. Vani Hari, aka The Food Babe, blows the lid off the lies we’ve been fed about the food we eat—lies about its nutrient value, effects on our health, label information, and even the very science we base our food choices on. You’ll discover:
• How nutrition research is manipulated by food company funded experts
• How to spot fake news generated by Big Food
• The tricks food companies use to make their food addictive
• Why labels like “all natural” and “non-GMO” aren’t what they seem and how to identify the healthiest food
• Food marketing hoaxes that persuade us into buying junk food disguised as health food
Vani guides you through a 48-hour Toxin Takedown to rid your pantry, and your body, of harmful chemicals—a quick and easy plan that anyone can do. A blueprint for living your life without preservatives, artificial sweeteners, additives, food dyes, or fillers, eating foods that truly nourish you and support your health, Feeding You Lies is the first step on a new path of truth in eating—and a journey to your best health ever.

John Dewey’s Democracy and Education addresses the challenge of providing quality public education in a democratic society. In this classic work Dewey calls for the complete renewal of public education, arguing for the fusion of vocational and contemplative studies in education and for the necessity of universal education for the advancement of self and society.

First published in 1916, Democracy and Education is regarded as the seminal work on public education by one of the most important scholars of the century.

7 Simple Steps to Financial Freedom

Includes excerpt from Hillbilly rockstar.

#1 Wall Street Journal Bestseller The Obstacle is the Way has become a cult classic, beloved by men and women around the world who apply its wisdom to become more successful at whatever they do. Its many fans include a former governor and movie star (Arnold Schwarzenegger), a hip hop icon (LL Cool J), an Irish tennis pro (James McGee), an NBC sportscaster (Michele Tafoya), and the coaches and players of winning teams like the New England Patriots, Seattle Seahawks, Chicago Cubs, and University of Texas men ’ s basketball team. The book draws its inspiration from stoicism, the ancient Greek philosophy of enduring pain or adversity with perseverance and resilience. Stoics focus on the things they can control, let go of everything else, and turn every new obstacle into an opportunity to get better, stronger, tougher. As Marcus Aurelius put it nearly 2000 years ago: “ The impediment to action advances action. What stands in the way becomes the way.” Ryan Holiday shows us how some of the most successful people in history—from John D. Rockefeller to Amelia Earhart to Ulysses S. Grant to Steve Jobs—have applied stoicism to overcome difficult or even impossible situations. Their embrace of these principles ultimately mattered more than their natural intelligence, talents, or luck. If you ’ re feeling frustrated, demoralized, or stuck in a rut, this book can help you turn your problems into your biggest advantages. And along the way it will inspire you with dozens of true stories of the greats from every age and era.

Master your game from the inside out! With more than 800,000 copies sold since it was first published thirty years ago, this phenomenally successful guide has become a touchstone for hundreds of thousands of people. Not just for tennis players, or even just for athletes in general, this handbook works for anybody who wants to improve his or her performance in any activity, from playing music to getting ahead at work. W. Timothy Gallwey, a leading innovator in sports psychology, reveals how to
• focus your mind to overcome nervousness, self-doubt, and distractions
• find the state of “ relaxed concentration ” that allows you to play at your best
• build skills by smart practice, then put it all together in match play
Whether you’re a beginner or a pro, Gallwey’s engaging voice, clear examples, and illuminating anecdotes will give you the tools you need to succeed. “ Introduced to The Inner Game of Tennis as a graduate student years ago, I recognized the obvious benefits of [W. Timothy] Gallwey’s teachings. . . . Whether we are preparing for an inter-squad scrimmage or the National Championship Game, these principles lie at the foundation of our program.” —from the Foreword by Pete Carroll

Violent Python shows you how to move from a theoretical understanding of offensive computing concepts to a practical implementation. Instead of relying on another attacker ’ s tools, this book will teach you to forge your own weapons using the Python programming language. This book demonstrates how to write Python scripts to automate large-scale network attacks, extract metadata, and investigate forensic artifacts. It also shows how to write code to intercept and analyze network traffic using Python, craft and spoof wireless frames to attack wireless and Bluetooth devices, and how to data-mine popular social media websites and evade modern anti-virus. Biblical Poetry and the Art of Close Reading

UnraveledPenguin

This volume explores the aesthetic dimensions of biblical poetry, offering close readings of poems across the Hebrew Bible/Old Testament. Composed of essays by fifteen leading scholars of biblical poetry, it offers creative and insightful close readings of poems from across the canon of the Hebrew Bible/Old Testament (Psalms, wisdom poetry, Song of Songs, prophecy, and poetry in biblical narrative). The essays build on recent advances in our understanding of biblical poetry and engage a variety of theoretical perspectives and current trends in the study of literature. They demonstrate the rewards of careful attention to textual detail, and they provide models of the practice of close reading for students, scholars, and general readers. They also highlight the rich aesthetic value of the biblical poetic corpus and offer reflection on the nature of poetry itself as a meaningful and enduring form of art.

From the New York Times bestselling “master of erotic romance” and author of Unraveled, Bound and Unwound comes the all-new novella in the Mastered series. When Amery Hardwick first met martial arts master Ronin Black, she wasn't ready for the primal urges his sensual rope artistry released in her. As it turned out Amery and Ronin were made for each other. But when they head to Japan for a delayed honeymoon and Ronin's annual training with his sensei, Amery struggles to adapt to the foreign customs as well as running her burgeoning business from afar. But culture shock is the least of her worries when faced with the changes in Ronin—it feels as if she’s married a stranger. Caught between his sensei’s demands and pleasing his wife, Ronin is at war with himself over choosing advancement in his jujitsu training, or staying at home with the woman who owns his heart and soul. As the limits of their relationship are tested once again, Ronin and Amery discover that they both have a lot to learn about each other...and what it takes to build a love that’ll pass all life’s little tests. Includes a preview of the new Mastered series novel, Unraveled. Praise for Lorelei James “A must read for anyone craving more kink in their romance.”—“Tara Sue Me, New York Times bestselling author “No one writes contemporary erotic romance better than Lorelei James.”—# 1 New York Times Bestselling Author Maya Banks “Sweet, seductive, and romantic.”—New York Times bestselling author Jaci Burton Lorelei James is the New York Times and USA Today bestselling author of the Mastered Series novels, Unraveled, Unwound, and Bound, as well as the Blacktop Cowboys novels which include Wrangled and Tangled, Hillbilly Rockstar, and Corralled. Her books have won the Romantic Times Reviewers’ Choice Award, as well as the CAPA Award. Lorelei lives in western South Dakota with her family...and a whole closetful of cowgirl boots.

In the new Blacktop Cowboys® novel from the New York Times bestselling author of Wrapped and Strapped, one woman learns that when it comes to cowboys, looks can be deceiving... When Tobin Hale stepped in to stop Garnet Evans’s son from railroading her out of her own home, he knew moving in with his favorite Mud Lily could be seen as strange. But nothing prepared him for the arrival of Garnet’s fiery, beautiful granddaughter, Jade—or her assumption that he’s up to no good... While Tobin might be the hottest man Jade Evans has ever seen, his physical attributes won’t distract her from protecting her grandma from his sweet-talking ways. But the stubborn cowboy digs in his boot heels and refuses to leave. Stuck in close quarters together, Jade learns Tobin is the real deal—a hardworking, fiercely loyal man and she’s the one in danger of losing her heart. And just when he was prepared to leave Muddy Gap behind, Tobin may have found the kind of woman worth sticking around for...

John Stilton peers down at a lifeless body after his murderer dragged it to its final resting place. His spirit cannot rest until it determines who committed this heinous act. Meanwhile his wife, Heather, types away at his uncompleted novel. John had no known enemies. The only person present when he was hit by a snow shovel and a fatal sledgehammer blow was his being a staunch liberal and he a conservative. The ebbing of their sex life? Something he discovered from her past and sister's suicide in 1991? John cannot rest in peace until he can piece this together and exact revenge. John had just reached out to the Highland Falls City Clerk, Ardil Chin, to seek an answer to a clue from Heather's past. Ardil, an aspiring writer, had just committed a murder. As a result, she will publish under the pseudonym Linda Rich the novel TWISTED that detailed what really occurred in the Ft. Montgomery hamlet. Upon fixing a rattling A/C vent in Ardil's recently purchased home of the Stiltons, the real truth is uncovered. This sequel to TWISTED takes the reader on a journey through Heather's earlier life shortly after her sister's death. The events that molded her persona are revealed. The psychological murder mystery keeps the reader on their toes as the book twists, turns and unravels what really caused the trail of dead bodies left in her wake.

The experience of modernization -- the dizzying social changes that swept millions of people into the capitalist world -- and modernism in art, literature and architecture are brilliantly integrated in this account.

An authorised reissue of the long out of print classic textbook, Advanced Calculus by the late Dr Lynn Loomis and Dr Shlomo Sternberg both of Harvard University has been a revered but hard to find textbook for the advanced calculus course for decades. This book is based on an honors course in advanced calculus that the authors gave in the 1960's. The foundation through 11, was normally covered, but different applications of this basic material were stressed from year to year, and the book therefore contains more material than was covered in any one year. It can accordingly be used (with omissions) as a text for a year's course in advanced calculus, or as a text for a three-semester introduction to analysis. The prerequisite is a mathematically rigorous point of view, together with some acquaintance with linear algebra. The reader should be familiar with limit and continuity type arguments and have a certain amount of mathematical sophistication. As possible introductory texts, we mention Differential and Integral Calculus by R Courant, Calculus by T Apostol, Calculus by M Spivak, and Purcell's Calculus. Some experience with partial derivatives. In overall plan the book divides roughly into a first half which develops the calculus (principally the differential calculus) in the setting of normed vector spaces, and a second half which deals with the calculus of differentiable manifolds.

For fans of E. L. James, Sylvia Day, J. Kenner and Meredith Wild. Mastered is the first in a sizzling hot erotic romance series, The Enforcers: these men don't play by the rules - they make them. She stood out in his club like a gem, unspoiled and untouched - she clearly didn't belong. Drawn to her innocence he watched as she was surrounded by men who saw what he wanted, he sensed her fear. He also recognised the desire in her eyes. And he knew she wouldn't leave before he possessed her. She had no need to know his secrets. Not until he had her under his complete and utter control. The moment he told her what he wanted, she couldn't resist. Instinct told her to run, but her heart said stay and walk to her she could ever completely surrender, the primal part of her wanted to try, even knowing this man could break her in ways she never imagined. Because once he possessed her, he owned her and it would be too late to turn back. She can only pray that he doesn't destroy her in the end. For more exciting and steamy romance, read the whole series: Mastered, Dominant, Surrender trilogy: Letting Go, Giving In, Taking It All.

A pro hockey player and a PR powerhouse burn up the ice in the third sexy Need You novel from the New York Times bestselling author of the Mastered Series and the Blacktop Cowboys(R) Series. PR agent Annika Lund can spin any disaster into a win. But revamping the reputation of a notorious Swedish hockey player will take every trick in her arsenal, especially if everyone he's no longer a playboy is top priority. And that it requires a sham relationship--with Annika playing the part of the loving girlfriend. On fire in the rink and in the bedroom, Axl Hammerquist couldn't care less about being anyone's golden boy. So when his agent forces him to play nice with a new publicist, he takes satisfaction in being as much of a pain as possible to know Annika, the more Axl starts to think that being Mr. Nice Guy might be worth it if it gets him the girl...

The astonishing, uplifting story of a real-life Indiana Jones and his humanitarian campaign to use education to combat terrorism in the Taliban's backyard Anyone who despairs of the individual's power to change lives has to read the story of Greg Mortenson, a homeless mountaineer who, following a 1993 climb of Pakistan's treacherous K2, was inspired by a chance meeting with villagers and promised to build them a school. Over the next decade he built fifty-five schools—especially for girls—that offer a balanced education in one of the most isolated and dangerous regions on earth. As it chronicles Mortenson's quest, which has brought him into conflict with both enraged Islamists and uncomprehending Americans, Three Cups of Tea combines a gripping narrative with a humanitarian spirit.

...One woman's past and present collide in the ultimate temptation. Eden LaCroix loved Billy Buchanan ten years ago, but he ran out on her the night of prom. Now he's back temporarily and Eden believes a hot fling will help her move on from their tangled past. She wasn't expecting Billy's naughty side—or the return of her sometime lover Jon White Feather—to tempt her. Although college took Billy away from Eden, it's a mistake he can rectify now that he's in town to determine the fate of the community center Eden manages. Except reignited sparks keep getting in the way of his objectivity and the flames only leap higher when Eden's rock star lover comes home, determined to show Eden—and Billy—the meaning of down and dirty. In the arms of Billy and Jon she feels truly beautiful for the first time in her life. But does the sexual healing go far enough to prevent her from falling in love again?

World of Warcraft Chronicle Volume 3

The Giver Quartet

A "smoking hot"* erotic romance novel that will have you up all night... Erin Coffey has been a nurse for years, but nothing's prepared her for the physical and emotional demands of her new position. Needing to move closer to her dysfunctional family, she takes a dangerous job at Larkhaven Psychiatric Hospital, where she quickly learns that she needs protection—and she meets the strong, over-confident coworker who's more than willing to provide it. Kelly Robak is the type of guy that Erin has sworn she'd never get involved with. She's seen firsthand, via her mess of a sister, what chaos guys like him can bring into a woman's life. But she finds herself drawn to him anyway, even when he shows up at her door, not eager to take no for an answer. What Erin finds even more shocking than Kelly's indecent proposal is how much she enjoys submitting to his every command. But he can't play the tough guy indefinitely. If they want to have more than just an affair, both will have to open up and reveal what they truly need. "The sweet, smoking hot, standout erotic romance you've been craving."—*New York Times bestselling author Beth Kery
"Sexy, pulse-pounding adventure."—Jaci Burton New York Times bestselling author on The Best Kind of Trouble The sharpest ache comes from wanting what you think you can't have... Maybe Dolan has lived independent, free-spirited and unattached since leaving home at sixteen. Whiskey Sharp, Seattle's sexy vintage-styled barbershop and whiskey bar, gave her a job—and a reason to put down roots. Cutting hair by day, losing herself drumming in a punk rock band by night, she's got it good. But a longtime crush that turns into a hot, edgy night with brooding and bearded Alexsei Petrov makes it a hell of a lot better. Maybe's blunt attitude and carnal smile hooked Alexsei from the start. Protecting people is part of his nature and Maybe is meant to be his...even if she doesn't know it. Yet. He can't help himself from wanting to protect and care for her. But Maybe's fiery independent spirit means pushing back when Alexsei goes too far. Still, he's not afraid to do a little pushing of his own to get what he wants—her in his life, and his bed, for good. Maybe's more intoxicating than all the liquor on his shelf...and he's not afraid to ride the blade's edge to bind her to him.

Blizzard Entertainment and Dark Horse Books are proud to present the third installment of their bestselling World of Warcraft Chronicle series! Like its predecessors, Volume III features beautiful full-color artwork by Peter Lee, Emily Chen, Stanton Feng, and other fan-favorite artists, as well as intricately detailed maps and spot art by Joseph Lacroix. Bolster your knowledge of Warcraft lore with this striking third volume!

The girl who has spent her life running is about to be caught . . . by love After a shaky past, Kelsey LeBreck's future is looking good. She's been saving money for culinary school with her earnings from The Ranch, a private BDSM resort. Even better, she's landed a day job where she can practice baking and flirt with her favorite customer. However, having secret fantasies about Wyatt Austin is where it has to end. If there's one thing Kelsey knows can derail her, it's a relationship. But when a danger from her past threatens to steal her fresh start, the intense executive may be the only one who can help her. Wyatt doesn't have room on his agenda for dating, but something about the pretty young waitress stirs desires he thought were long buried. So when he needs someone to pose as his girlfriend at an important business retreat and finds out Kelsey needs to go off the grid for a while, he can't resist making her an offer. Soon, Kelsey learns that Wyatt's power in the boardroom is no match for his power in the bedroom, and she wonders if her heart will survive. Because Wyatt Austin is a man who gets what he wants, and now he wants her.

How to Unravel the Food Industry's Playbook and Reclaim Your Health

This book presents counterexamples for both Special Relativity and General Relativity Theory. It supports these examples by examining the fallacies and contradictions in Einstein's arguments. It then goes on to derive a new formula for the Doppler effect for light, showing the symmetry of the effect without resorting to Special Relativity. The consequences for cosmology, and for our vision of the universe, are discussed. The meaning of recent data for type 1A supernovae must be reinterpreted. The result is a younger, more compact universe than currently envisioned.

When Shiori and Knox are left to run the martial arts school while their boss travels, the pair discovers that butting heads in business can lead to a different sort of tension in the bedroom in the sequel to Unwound. Original.

Immanuel Gabriel encounters his deceased grandfather as he attempts to investigate the end of the world, predicted by Mayan prophecy to occur in 2012, and learns dark secrets about human history.

This book examines the changing meanings Americans and Israelis invested in the relationship between their countries from the late 1950s to the 1980s. Bringing to light previously unexamined sources, this study is the first to investigate the intricate mechanisms that defined and redefined Israel's place in American imagination through the war-strewn 1960s and 1970s. Departing from traditional diplomatic histories that focus on the political elites alone, Shaul Mitelpunkt places the relationship deep in the cultural, social, intellectual, and ideological landscapes of both societies. Examining Israeli propaganda operations in America, Mitelpunkt also pays close attention to the way Israelis manipulated and responded to American perceptions of their country, and reveals the reservations some expressed towards their country's relationship with the United States. By contextualizing the relationship within the changing domestic concerns in both countries, this book provides a truly transnational history of US-Israeli relations.

This book presents an emerging new vision of the brain, which is essentially expressed in computational terms, for non-experts. As such, it presents the fundamental concepts of neuroscience in simple language, without overwhelming non-biologists with excessive biological jargon. In addition, the book presents a novel computational perspective on the brain for biologists, without resorting to complex mathematical equations. It addresses a comprehensive range of topics, starting with the history of neuroscience, the function of the individual neuron, the various kinds of neural network models that can explain diverse neural phenomena, sensory-motor function, language, emotions, and concluding with the latest theories on consciousness. The book offers readers a panoramic introduction to the "new brain" and a valuable resource for interdisciplinary researchers looking to gatecrash the world of neuroscience.
