

Unspoken 2

A Wall Street Journal Bestseller "...this guide provides readers with much more than just early careers advice; it can help everyone from interns to CEOs." — a Financial Times top title You've landed a job. Now what? No one tells you how to navigate your first day in a new role. No one tells you how to take ownership, manage expectations, or handle workplace politics. No one tells you how to get promoted. The answers to these professional unknowns lie in the unspoken rules—the certain ways of doing things that managers expect but don't explain and that top performers do but don't realize. The problem is, these rules aren't taught in school. Instead, they get passed down over dinner or from mentor to mentee, making for an unlevel playing field, with the insiders getting ahead and the outsiders stumbling along through trial and error. Until now. In this practical guide, Gorick Ng, a first-generation college student and Harvard career adviser, demystifies the unspoken rules of work. Ng distills the wisdom he has gathered from over five hundred interviews with professionals across industries and job types about the biggest mistakes people make at work. Loaded with frameworks, checklists, and talking points, the book provides concrete strategies you can apply immediately to your own situation and will help you navigate inevitable questions, such as: How do I manage my time in the face of conflicting priorities? How do I build relationships when I'm working remotely? How do I ask for help without looking incompetent or lazy? The Unspoken Rules is the only book you need to perform your best, stand out from your peers, and set yourself up for a fulfilling career.

Not sure? Take the quiz on Marilyn-Grey.com to find out if the Unspoken Series is right for you! Books 1 - 5 of the Unspoken Series are also available as a discounted box set! A guilt-stained heart finds the meaning of forgiveness alongside his true love.... The Unspoken Series is a 10 book series. Books 1-5 are available now. Best when read in order. What Readers Are Saying "This series is like Downton Abbey meets today's world. I love the old-century ideals mixed with the culture we have now. Refreshing!" "I love that this book is different from the first book. The idealism in the first book is sweet, but this book brings us down from the clouds and back to reality as Gavin discovers that his future depends on the choices he makes now." "The relationship between these two characters is incredible, their bond is so strong it feels like they're real people, and what is even more surreal is that I feel like I know them." "This book was so beautiful. I love Marilyn Grey's writing both in 'Where Love Finds You,' and now even more so in 'Down from the Clouds.'" THIS IS BOOK 2 OF THE

UNSPOKEN SERIES Gavin Kessler is one of the most sensitive and emotional people you'd ever know, except you'd never know it. Trying to find out how he feels is like pulling a one-hundred pound bucket of water out of a seventy foot well. But when he finally falls in love and meets the woman of his dreams, who is set on getting to know every part of him, for better or worse, his walls crumble as he is forced to stand face-to-face with the past he's been avoiding. A mysterious letter from Gavin's grandfather sends him and his beloved on a reluctant journey through his childhood and beyond, all the while planning their ideal wedding. Dreams are shattered and new paths are forged as two hearts mold into one. A beautifully romantic continuation of *Where Love Finds You*.

THE NEW YORK TIMES BESTSELLER From the Civil War to our combustible present, *White Rage* reframes the continuing conversation about race in America, chronicling the history of the powerful forces opposed to black progress. Since the abolishment of slavery in 1865, every time African Americans have made advances towards full democratic participation, white reaction has fuelled a rollback of any gains. Carefully linking historical flashpoints - from the post-Civil War Black Codes and Jim Crow to expressions of white rage after the election of America's first black president - Carol Anderson renders visible the long lineage of white rage and the different names under which it hides. Compelling and dramatic in the history it relates, *White Rage* adds a vital new dimension to the conversation about race in America. 'Beautifully written and exhaustively researched' CHIMAMANDA NGOZI ADICHIE 'An extraordinarily timely and urgent call to confront the legacy of structural racism' NEW YORK TIMES BOOK REVIEW 'Brilliant' ROBIN DIANGELO, AUTHOR OF *WHITE FRAGILITY*

With *Unspoken* Lorena Ross reveals the stories of a group of adult men and women, all survivors of childhood sexual abuse perpetrated by people who were close to them. Their ages range, as do their backgrounds - they hail from different countries: Spain, France, the United States and Mexico. Sexual abuse is prevalent and wide spread - in Western countries a quarter of women and more than ten percent of men have been sexually abused by adults before they reach the age of seventeen. Regardless of the high number of instances, speaking out about child sexual abuse remains taboo in Western societies. The shame surrounding child sexual abuse renders victims silent and revives their trauma. While the disturbing nature of abuse has been exposed in the media, the stories tend to either sensationalize the details or simply present cold and hard statistics--and both approaches have been detrimental to efforts in breaking the silence. In *Unspoken*,

the photographer has taken a different approach to telling the survivor's stories, an approach guided by her own experience of surviving abuse, as well as the process itself. She aims to use these stories to help bring an end to the violence and the shame. They were victims as children but now they see themselves as survivors, no longer trapped in the trauma. They shared their stories with me to encourage others to speak out and help break the taboo--a taboo that only perpetuates the original abuse. During her six year project, she became close to the people whose stories she helped to tell. With portraits and interviews, she recorded their testimonies. They shared their private world and recalled trauma from years prior. In some cases they took her to places associated with their abuse, and showed her triggers related to the traumatic event--and with a camera she captured their memories.

Secrets to Starting Your Career Off Right

The Krewe of Hunters must find an ancient shipwreck and save divers from the demons aboard, in book 7 of the fan favorite series from New York Times bestselling author Heather Graham. It is 1898. Bound for Chicago, the freighter Jerry McGuen goes down in Lake Michigan, taking with it every man aboard. But what other fate could befall a vessel carrying the ill-gotten sarcophagus of an Egyptian sorcerer? Now: A veteran diver and "ghost ship" expert is exploring the legendary wreck for a documentary. He dies inexplicably inside the freighter's main saloon. Then another diver is killed, and panicked rumors rise like bubbles from the lake: ancient demons have awakened below! The expedition's beleaguered financier calls paranormal investigator Katya Sokolov to Chicago to save the film - and perhaps some innocent lives. Along with media forensics guru Will Chan, Kat plumbs the depths of an evil that may date back to the time of the Pharaohs. But some secrets are best drowned in the seas of the past....

Not every queen needs a crown. After escaping Stormwall, Izzy and Fray have finally crossed through the Archway and into The Old Kingdom in search of allies. But finding a place within Fray's former pack is harder than they imagined. When Izzy's father warred with the Gwylis, it made a lifelong enemy of the Rowan name. Fray's betrayal of siding with Aquarius in the war makes him no less an enemy to the pack. Izzy struggles to understand her newfound magic and build a relationship with her new family, but when the new king's soldiers arrive in The Old Kingdom, Izzy must fight to secure the protection of her new home. With war looming once again, Izzy is thrust back into the life she tried to leave behind. As danger mounts, past, present, and future collide between kingdoms, and the lines of allegiances are drawn. Izzy must decide who she is willing to fight for, and where her loyalties truly lie. UNCAGED is the stunning sequel to Celia McMahon's debut UNSPOKEN, the first in her fantasy trilogy set in a world of curses, wolves, and war.

Elena seeks to avenge her true love Stefan's death by destroying Jack and his scientifically created vampires, but she struggles to accept her feelings for Damon,

who is helping her, for fear of betraying Stefan's memory.

Two lives...as close to perfect as they can be. Camryn Townsend has everything she's always dreamed of...an amazing family, supportive friends, and the perfect job.

Everything a girl could want. Or is it? A trip back to her childhood home threatens to unravel her web of perfection. Her problem...she's in love with her best friend and she's too scared to sacrifice their friendship for a love she's always wanted. Jamie Banks' life is the epitome of perfection. His company is thriving, his band is on the cusp of stardom, and the girl he loves is returning home. His problem...the girl he loves has been his best friend for as long as he can remember and he's not sure he's ready to sacrifice his best friend for a lover. Pursuing a relationship with the possibility of losing her has him second-guessing everything he knows. Unspoken words are the only thing standing in their way.

The Secrets to a Lifetime of Love (2 Powerful Books In 1)

The Standard Intermediate-school Dictionary of the English Language

Unspoken Feelings of a Man explores the deepest parts of a male as he evolves into a man. These are the words behind the silence that many deal with. Thoughts, emotions, and real life struggles are unleashed within these pages. The person speaking isn't fictional but very real and opens himself up wide for the world to salvage pieces they too can relate to. This literary piece speaks volumes on love, pain, mistakes, and personal growth. When you are able to peer into the soul of another person, you realize that you are human too. Words left unsaid halt the opportunity for another to grow from your experiences. On every page are words from the depths of a man's core that has broken others and been broken, priceless words no longer left unspoken.

Our children, spouses, parents, and friends may know we love them, but how often do they hear it from us? Through letters to his daughters that feel personal to all of us, John Sowers encourages us to release these unspoken words of love so there are no doubts in our relationships nor regrets in our lives. "Many of us go through life with words and feelings stranded in our hearts. Words we deeply feel but never say. Sometimes we never have the chance. We don't always get to say goodbye. We don't always know when it will be our last hug, high five, smile, laugh, or 'I love you.' All we have is today, now, and what we do in this one, shining moment." So many of us rarely share our hearts or speak those deep, hidden sentiments—but why? John Sowers began writing letters to his three daughters to show how much he loved them and to encourage them in their daily lives. These moving and eloquent letters remind all of us how important it is to share the contents of our heart now. Say All the Unspoken Things: Covers the topics of bravery, wonder, beauty, kindness, romance, and God's patient love Helps us find our stranded words to speak more freely to those whom we love Moves us from a shallow life to one with deeper meaning and fulfilling relationships While John wrote these letters to his daughters, this beautiful book often feels as though he is speaking directly to readers. These love letters will echo in your own heart, reminding you of your Father in heaven, who loves you and is for you. A treasure for anyone seeking to create a legacy of love in their relationships, you can seize every precious moment you have to say all the unspoken things.

In graduate school, psychology students learn the formal, explicit knowledge of the field, but often not the tacit knowledge upon which academic careers are built -- how to organise oneself and one's resources to succeed in a challenging, competitive field. In this second edition of his popular Psychology 101, eminent psychologist Robert J. Sternberg updates and extends a trove of wisdom gleaned from decades of experience in various academic settings and leadership positions. In his signature straightforward, intellectually honest, and pragmatic style, he imparts life lessons for building a successful and gratifying career. This revision features lessons in five basic categories: identity and integrity, interpersonal relationships, institutions and academia, problems and tasks, and job and career.

Recent developments in the field are covered, and new questions at the end of each lesson prompt readers to explore their understanding of the lesson and to apply it to their own circumstances. Valuable to academic psychologists at any level, this book will be especially prized by graduate students, post-doctorates, and early-career professors.

"Don't talk back, don't get in his way, and whatever you do, never, ever look him in the eyes." When Winter Kingston has to move to America to live with her aunt and cousins, she has no idea that her life is about to become a whole lot more... complicated. Her plan is simple: get good grades, stay out of trouble, and somehow find a way to get through her senior year. Finding out that her cousin takes part in illegal street fights at night is not part of the plan. Nor is getting thrown into a world of crime and danger. Enter Haze Adams-notorious player, street fighter, and Winter's cousin's enemy. He has rules. When Winter breaks them without a second thought, Haze finds himself drawn to the only girl who doesn't fear or want him. He makes a deal. Whoever wins the next fight gets the girl. And Winter is not having it. One thing is certain: Haze Adams always gets what he wants. And this time... He wants her. Let the internet sensation with over 23,600,000 readers take you on a heartwrenching adventure of forbidden love and suspense.

Crimes Unspoken

Songs Unspoken

The Rape of German Women at the End of the Second World War

What is left unsaid can often be more detrimental to any relationship than most believe. Unspoken words seem to alter what has actually been spoken, more than most people realize. This book is the continuation of the story of a man who was bound by pain, imprisoned by guilt, and faced many obstacles while rising above it all. Through every page of this unofficial man's guide to emotions and relationships, you will find yourself walking through the mind of a man as he journeys into love and out of the grip of the burdens life lays out on a human's path, along with the false ideologies society implanted in us. This book is intended to help men dive into the uncharted territory of their innermost feelings, helping the scales fall off of their eyes while allowing women to get a glimpse inside the thoughts of some of their lovers.

In this universal and inspirational, non-fiction book titled, SONGS UNSPOKEN (vol.2) the reader will conclude the author, Frank Alexander Wray, has a rare talent giving testimony for those who are unable to speak for themselves. This motivational read will give strength to those hurting and the wisdom needed to overcome all odds in a troubled world.

The soldiers who occupied Germany after the Second World War were not only liberators: they also brought with them a new threat, as women throughout the country became victims of sexual violence. In this disturbing and carefully researched book, the historian Miriam Gebhardt reveals for the first time the scale of this human tragedy, which continued long after the hostilities had ended. Discussion in recent years of the rape of German women committed at the end of the war has focused almost exclusively on the crimes committed by Soviet soldiers, but Gebhardt shows that this picture is misleading. Crimes were committed as much by the Western Allies - American, French and British - as by the members of the Red Army, and they occurred not

only in Berlin but throughout Germany. Nor was the suffering limited to the immediate aftermath of the war. Gebhardt powerfully recounts how raped women continued to be the victims of doctors, who arbitrarily granted or refused abortions, welfare workers, who put pregnant women in homes, and wider society, which even today prefers to ignore these crimes. *Crimes Unspoken* is the first historical account to expose the true extent of sexual violence in Germany at the end of the war, offering valuable new insight into a key period of 20th century history.

This valuable reference tool is perfect for use in the home, at school, or in the office. Webster's II New Riverside Desk Dictionary contains more than 55,000 definitions and hundreds of illustrations. Up-to-date terms in fields ranging from medicine to the arts are included. The Desk Dictionary also includes synonyms, biographical and geographical entries, word histories, and a style and diction guide.

The Unspoken Rules for Success in Academia

A Book of Letters

When eleven-year-old Eric Stellin's life is put on the line, he has to act quickly. His whole family, his friends, and everyone around him are at risk, and only he can stop it. Eric grows up in Long Island, New York, where his whole life has been regular for him. Unlike his athletic and popular brother, K, Eric isn't the most athletic or outgoing. His intelligence and compassion for people are put to the test, as he has to think quickly and navigate through a world of problems that no eleven-year-old should ever encounter. At every age, there are challenges and new things to conquer and solve. Does Eric get to the bottom of this story? Does he have what it takes? In this illuminating, surprising novel, Eric has to do things he would never think of doing, but are his actions too late? Julius Josephson gives us insight into the relationship between two very different brothers, and the bond that they form throughout the challenges that they have to face, together.

"Whore. Slut. Typhoid Mary. " I've been called all these at Central College. One drunken night, one act of irresponsible behavior, and my reputation was ruined. Guys labeled me as easy and girls shied away. To cope, I stayed away from Central social life and away from Central men, so why is it that my new biology lab partner is so irresistible to me? He's everything I shouldn't want. A former Marine involved in illegal fighting with a quick trigger temper and an easy smile for all the women. His fists aren't the danger to me, though, it's his charm. He's sliding his way into my heart and I'm afraid that he's going to be the one to break me. "Impulsive. Unthinking. Hot tempered." I allow instinct to rule my behavior. If it feels good, do it, has been my motto because if I spend too much time thinking, I'll begin to remember exactly where I came from. At Central College, I've got fighting and I've got women and I thought I

was satisfied until I met "her." She's everything I didn't realize I wanted and the more time I spend with her, the more I want her. But she's been hurt too much in the past and I don't want to be the one to break her. I know I should walk away, but I just can't. This is a New Adult novel featuring mature situations and sexually explicit scenes.

#1 Amazon Bestselling Author Revised and Updated edition 2020! From the author of more than 20 stunning books comes a refreshing self-improvement guide that offers an authentic, no-nonsense, tough-love approach to help you move past self-imposed limitations. Whether you are married for 20 years or recently got engaged, this book is a must-read for any couple, at any stage in their marriage. Every married person experiences this fact: Marriage is vastly different than what they initially expected it to be. And the complexity of marriage increases with time, leaving so many couples worried and confused. But while the marriage may take an effort to sustain, it is worth it. Because along with experiencing hard times, you get the opportunity to experience some of the best moments of your life. This is a combination of two blockbuster books, *Peaceful Communication in Marriage* and *Positive Thinking*. It contains 30+ breakthrough habits, behaviors, and mindsets that will turn your marriage from hard to great. Every chapter is filled with incredible insights and real-life stories of singles & married couples, revealing intimate secrets to improve love, empathy, communication, connection, and attraction. Drawing experience from his own marriage and breakthrough behavioral studies conducted all over the globe, the author believes that true connection between couples occurs when they shift their focus from "I am not getting what I want" to "how can I make my partner feel loved?" Building up from this foundation, discover practical steps you can take on the complex-but-amazing journey of marriage. If you are married, this book is for you!

Sometimes it's what you don't say that can change everything... Isabel Winton had planned to spend the last few days of her marriage at her vacation home, intending to reflect, regroup...or maybe just do some solitary sulking. Instead, she collides with her almost ex, Paul, who has the same idea. Too stubborn to leave, Isabel figures this is a chance for them to get some closure. But she's astonished to see that months apart have transformed her emotionally aloof husband into "Paul 2.0," more open than ever before. Paul was blindsided when Isabel left him. He had no idea she felt he was more committed to his career than to their marriage. With his new, hard-won self-awareness, he blames himself for letting her walk away. But winning her back will take more than simple words. It'll mean finding the courage to grow, to trust, and grab a second chance at life by each other's sides.

Drew & Skylar, Book One of Two (Unfinished Love series, 3)

In this second book in the Lynburn Legacy, the sorcerous roots of Sorry-in-the-Vale have been exposed. Now no one in the town is safe, and everyone has to choose sides. Will the townspeople (magical and not) become "owned" by the sorcerers who believe it is their right to rule? Or will it continue in a more modern vein, with the presence of the sorcerers playing a quieter--and much less violent--role. If Kami Glass has anything to say about it, evil will not win. Despite having given up her own piece of magic, she is determined to do everything she can to make a difference. And whether they want to or not, her circle of friends (and potential boyfriends) will not be able to help but follow her and go along with her unusual schemes and battle tactics.

Set in a kingdom of warring lands, demon curses, and hidden magic, UNSPOKEN is a fantasy for fans of Maggie Stiefvater's Mercy Falls Series and Sarah J Maas' Throne of Glass. "You are unbroken." Princess Isabelle of The New Kingdom has lived her entire life in the confines of her palace. She spends her time hunting for the poverty-stricken Voiceless-people of the Old Kingdom who warred with her kingdom and ultimately lost--and dreaming of a world beyond the walls of her home. As the only remaining child of the king and queen, she is to be married off by her eighteenth birthday. "My father said that magic died long ago. It was evil, cursed, and wicked. My father is a liar." When Izzy witnesses the use of forbidden magic in the woods outside the palace, she is attacked, and saved by an unknown man. Soon after she discovers her rescuer is a Voiceless servant in the castle named Fray, she befriends him to seek out the magic users who tried to kill her. Fray agrees to help, but not before Isabelle discovers the servant boy harbors a secret the king has tried to bury--that he is a Gwylis, people of the old Kingdom who made a pact with the demons of the underworld for the power to transform into giant ferocious wolves. But

to shift into a beast, Fray must be able to speak the words to do so. If he is to thwart the attackers from killing her entire family, Izzy needs to cure the ailment that took away his voice. "Sometimes one action—one death—can spur a movement, sway the cosmos, and move the stars." But curing Fray holds more danger than she ever thought possible. The lies of her parents and the risk of putting her own life on the line deems as destructive as falling for the servant boy. If Isabelle is to save herself and Fray, she'll need to face enemy Gwylis, cross paths with usurper kings and princes, and decide what side she is on—human or wolf—or lose her kingdom forever. "I am fearless. "Are you fearless? Read Unspoken now!

The unspoken confessions of a man, on behalf of men, for men and those who love us, have loved us, or will one day love us. This is an attempt at honesty. This is an attempt at hope. This is an attempt to find light in the darkness. She awoke with no memory of who she was, but one clue will lead her to him... Abigail Adams had it all, she's a gorgeous supermodel, has a wealthy fiance, and a career on the rise. But that quickly changes when she wakes up in the hospital not remembering anything. The only memories she does have are not her own, but of a total stranger. When Abigail discovers that her fiance has been cheating on her, she leaves him and runs to the arms of the one man she is hoping will give her the answers she seeks. Matt Garcia is used to playing the field, keeping his heart guarded, but then Abigail Adams unexpectedly shows up at his door hoping he will be the answer she is looking for. Will he finally learn to take a break from his no strings attached lifestyle and show her that she doesn't need her past, but the future he is willing to offer her? With every unspoken memory she regains, will she learn to open up her heart to a total stranger, or will she keep it guarded like he does? New Adult Contemporary Romance: Due to strong language and sexual content, not intended for readers under the age of 18.

Unspoken 2 After Life

"I have never concealed the fact that I regarded [George MacDonald] as my master; indeed I fancy I have never written a book in which I did not quote from him." - C. S. Lewis - A Complete and Unabridged collection of all three of George MacDonald's inspiring "Sermons Unspoken". Comes with an Index made for this edition.

A. K. Larkwood's *The Unspoken Name* is a stunning debut fantasy about a young priestess sentenced to die, who at the last minute escapes her fate; only to become an assassin for the wizard who saved her. What if you knew how and when you will die? Csorwe does—she will climb the mountain, enter the Shrine of the Unspoken, and gain the most honored title: sacrifice. But on the day of her foretold death, a powerful mage offers her a new fate. Leave with him, and live. Turn away from her destiny and her god to become a thief, a spy, an assassin—the wizard's loyal sword. Topple an empire, and help him reclaim his seat of power. But Csorwe will soon learn—gods remember, and if you live long enough, all debts come due. "In the vein of Le Guin's magnificent *Tombs of Atuan*—if Arha the Eaten One got to grow up to be a swordswoman mercenary in thrall to her dubious wizard mentor. I love this book so much."—Arkady Martine, author of *A Memory Called Empire* "I cannot recommend it enough." -- Tamsyn Muir, author of *Gideon the Ninth* At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Unspoken Confessions

A modern, magical twist on the Gothic Romance and Girl Detective genres, this book will appeal to fans of both *Beautiful Creatures* and the *Mortal Instruments* series. Reviewers have praised the take-charge

heroine and the spellbinding romance. Bound together. Worlds apart. Kami Glass is in love with someone she's never met—a boy she's talked to in her head since she was born. This has made her an outsider in the sleepy English town of Sorry-in-the-Vale, but she has learned ways to turn that to her advantage. Her life seems to be in order, until disturbing events begin to occur. There has been screaming in the woods and the manor overlooking the town has lit up for the first time in 10 years. . . . The Lynburn family, who ruled the town a generation ago and who all left without warning, have returned. Now Kami can see that the town she has known and loved all her life is hiding a multitude of secrets—and a murderer. The key to it all just might be the boy in her head. The boy she thought was imaginary is real, and definitely and deliciously dangerous. "A sparkling fantasy that will make you laugh and break your heart." --Cassandra Clare, New York Times bestselling author "A darkly funny, deliciously thrilling Gothic." --Kelley Armstrong, New York Times bestselling author "Readers will laugh, shiver, and maybe even swoon over this modern Gothic novel." --Melissa Marr, New York Times bestselling author "Breathtaking--a compulsive, rocketing read."--Tamora Pierce, New York Times bestselling author "Captures the reader with true magic."--Esther Friesner, author of Nobody's Princess "A laugh-out-loud delight." --Publishers Weekly

Charlotte Graham is at the center of the most famous kidnapping in Chicago history. The task force of FBI and local cops found her two abductors, killed them, rescued her, but it took four very long years. The fact she was found less than three miles from her home, had been there the entire time, haunts them. She's changed her identity, found a profession she loves, and rebuilt her life. She's never said a word--to the cops, to her doctors, to family--about those four years. A family legacy has brought her back to Chicago where a reporter is writing a book about the kidnapping. The cops who worked the case are cooperating with him. Her options are limited: Hope the reporter doesn't find the full truth, or break her silence about what happened. And her silence is what has protected her family for years. Bryce Bishop doesn't know her past, he only knows she has coins to sell from her grandfather's estate--and that the FBI director for the Chicago office made the introduction. The more he gets to know Charlotte, the more interested he becomes, an interest encouraged by those closest to her. But nothing else is working in his favor--she's decided she is single for life, she struggles with her faith, and she's willing to forego a huge inheritance to keep her privacy. She's not giving him much of an opening to work with. Charlotte wants to trust him. She needs to tell him what happened. Because a crime cops thought was solved, has only opened another chapter...

Unfinished Love #3 Book1 of 2 of Drew & Skylar's duet

Matthew Lachlan once told Elizabeth Gagnon, "It is the autumn," and now, she has caught up to him in physical age, the autumn of her own life, almost half of it spent without Matt by her side. She still adores and loves him. She visualizes him in her mind. The medium she consulted assured her he still loves her, too. When she finally makes

sense of the torrent of memories Matt brings back into her life, she accepts the truth of their love as she has always known it and makes love to him in her dreams and fantasies. She loves and wants only him. Fantasies had been pointless before he passed. Back then, Matt was her fantasy. Matt has settled into the astral plane of existence. He visits with friends and family who have passed before him and even meets loved ones who arrive after him. Mostly, he visits his beloved Elizabeth. He responds to her arousal and wants more with each experience. He now knows she has loved and desired no man but him. Elizabeth yearns to be reunited with her lover, and he wants nothing less. Will Matt find a way to make use of his astral abilities and create a new reality for himself and Elizabeth? Is it even possible for the two of them, astral body and physical body, to reunite? The Greek Testament: The Acts of the apostles. The epistles to the Romans and Corinthians. 4th ed. 1861
