

## Until I Met You Jaimie Roberts

*"A poignant and moving novel about two people recovering from traumatic injuries in the same hospital ward ... and who begin falling in love without ever seeing each other"--*

*From the author of the breathtaking bestsellers Outlander and Dragonfly in Amber, the extraordinary saga continues. Their passionate encounter happened long ago by whatever measurement Claire Randall took. Two decades before, she had traveled back in time and into the arms of a gallant eighteenth-century Scot named Jamie Fraser. Then she returned to her own century to bear his child, believing him dead in the tragic battle of Culloden. Yet his memory has never lessened its hold on her... and her body still cries out for him in her dreams. Then Claire discovers that Jamie survived. Torn between returning to him and staying with their daughter in her own era, Claire must choose her destiny. And as time and space come full circle, she must find the courage to face the passion and pain awaiting her...the deadly intrigues raging in a divided Scotland... and the daring voyage into the dark unknown that can reunite—or forever doom—her timeless love.*

*Ricki Schultz's charming and hilarious new novel, SWITCH AND BAIT, is now available for preorder! A Tale of #LeftSwipes, #NotMyTypes, and #Vodka Rae Wallace would rather drown in a vat of pinot greezh and be eaten by her own beagle than make another trip down the aisle—even if it is her best friend's wedding. She's too busy molding the minds of first graders and polishing that ol' novel in the drawer to waste time on any man. But when her best friends stage an intervention, Rae is forced to give in. After all, they've hatched a plan to help her find love the 21st century way: online. She's skeptical of this electronic chlamydia catcher, but she's out to prove she hasn't been too picky with men. However, when a familiar fella's profile pops up—the dangerously hot substitute teacher from work—Rae swipes herself right into a new problem... Sarcastic, irreverent, and uproariously funny—the painfully-true, so-insightful-it-hurts kind of funny--Ricki Schultz's wry debut will speak to fans of Bridesmaids or Trainwreck, and to anyone who's ever been on a bad date. "This book gave me my absolute favorite feeling: laughing out loud alone in a room, chased immediately by the swoons. Nick is my new book boyfriend. But even better? Rae is my new best friend. MR. RIGHT SWIPE is exactly the book I needed." --CHRISTINA LAUREN, New York Times bestselling author of the BEAUTIFUL BASTARD series "Highly recommended." -- RT Book Reviews (FOUR STARS)*

*After the devastating loss of her parents and subsequent depression, Olivia Brown decided a move from her parent's family home in Cambridge to a house in London would give her the fresh start she so desperately needed. Living off her inheritance, Olivia didn't need to work, but she knew she needed something to make her feel like life was worth living. Painting was her one true love, but that wasn't enough. So she started a part-time job in a bar, and the rest of the time she spent at a local soup kitchen, feeding the homeless. In the mornings, she bought hot beverages for her homeless friends, but there was one who never asked. This man, having the most facial hair she'd ever seen, the most captivating eyes she'd ever stared at, remained aloof. He never said a word to anyone, and never once looked her way. However, all this did was make Olivia want to find out more about this mysterious man hiding behind a face full of hair. One perilous evening, her wish came true. On the way back from working at the bar, Olivia was attacked. She screamed for help, relieved when her cries are answered...but surprised when she saw who her rescuer was. It was the eyes. It was the hair. It was none other than the mysterious homeless man. That night, Olivia learned two things. One, his name was Kit, and two, Kit had skills... skills which didn't fit a man living on the streets. Day after day, Olivia slowly pushed the boundaries, coaxing out the man hiding behind the hair. Kit Chain wasn't only trained like men she watched in movies, he was also the most beautiful. Bit by bit, Olivia managed to break down his walls, revealing secrets that would change her life. Secrets that would put both of them in terrible danger. However, there was one thing about secrets... Everyone had them. WARNING: This is NOT a traditional love story. It contains disturbing subject matter, including themes of questionable consent for both male and female, as well as graphic sexual content. This is a work of fiction intended for a mature, 18+ audience only. The author neither endorses nor condones this type of behaviour.*

If These Ovaries Could Talk: The Things We've Learned About Making An LGBTQ Family by JAIMIE KELTON and NOBEN HOPKINS is equal parts funny, serious, happy, sad, celebratory, cautionary, and powerful. You'll learn a lot and laugh even more along the way! Who knew making a baby could be this much fun?

**#1 NEW YORK TIMES BESTSELLER** • Diana Gabaldon returns with the “vast and sweeping” (The Washington Post) new novel in the epic Outlander series. War leaves nobody alone. Neither the past, the present, nor the future offers true safety, and the only refuge is what you can protect: your family, your friends, your home. Jamie Fraser and Claire Randall were torn apart by the Jacobite Rising in 1746, and it took them twenty years of loss and heartbreak to find each other again. Now it's 1779, and Claire and Jamie are finally reunited with their daughter, Brianna, her husband, Roger, and their children, and are rebuilding their home on Fraser's Ridge—a fortress that was built to protect them against the winds of war as well as weather. But tensions in the Colonies are great: Battles rage from New York to Georgia and, even in the mountains of the backcountry, feelings run hot enough to boil Hell's tackettle. Jamie knows that loyalties among his tenants are split and it won't be long before the war is on his doorstep. Brianna and Roger have their own worry: that the dangers that provoked their escape from the twentieth century might catch up to them. Sometimes they question whether risking the perils of the 1700s—among them disease, starvation, and an impending war—was indeed the safer choice for their family. Not so far away, young William Ransom is coming to terms with the mysteries of his identity, his future, and the family he's never known. His erstwhile father, Lord John Grey, has reconciliations to make and dangers to meet on his son's behalf and on his own, and far to the north, Young Ian Murray fights his own battle between past and future, and the two women he's loved. Meanwhile, the Revolutionary War creeps ever closer to Fraser's Ridge. Jamie sharpens his sword, while Claire whets her surgeon's blade: It is a time for steel.

Jonas Uhrig, a crime reporter with a knack for stumbling onto murder scenes, The plot that has many twists and turns.

Have you ever wondered what it would be like to be held hostage by an Italian stallion? My name is Clara, and I am part-owner of a brothel called "The Castle." My empire is my home which I've worked hard to build a life from. A future. But one day, the infamous Luca Belatoni stepped into my office and demanded that I pay him protection money. Of course, I refused. Of course, he wouldn't take no for an answer. Now he is in my castle-holding me hostage. Trying to control my mind in business and my body in bed. Neither of which I will allow. No matter how much his caramel eyes and Italian words of love puncture my hardened heart. So, being the hostage of an Italian stallion pretty much sucks. Because this man is a force to be reckoned with. And while I am not frightened for my life, I am definitely frightened for my heart.

I just didn't want it to end' - Rachel's Random Reads 'I experienced every emotion you feel in a relationship and became so emotionally invested in the characters. I absolutely loved this' - Kelly 'A beautifully written story - incredibly moving and emotional' - Jeanne

On my fourteenth birthday, I was promised to a very wealthy man... A domineering man. A powerful man. On that day, the first of two transactions were made with my very loving parents. I became his possession. Something to own. Something to keep. An object intended only for his desire, his pleasure, and his... indulgence. Although promised to this man, I at least remained safe ... untouched ... pure. I was to be his and his alone. On my eighteenth birthday, the second transaction took place. I escaped... But he came for me. Now, I'm his. He owns my body and my soul. And, as if all of that wasn't enough, he wants to own my heart too. I'm trying to resist him-trying to fight that irresistible monster inside of him. But, as with everything else in my life, nothing is ever that easy.

I'm obsessed with a man I can't have. For over a year, I have not only worked with Jake, but I have lived with him too. Why can't I have him? He's getting married to my mother. When she suddenly decides to move out of the house, the tension between Jake and I reaches a fever pitch. Feelings which had been bottled up for so long are now bursting to get out. I can no longer hide the overwhelming emotions that flow through me. Unfortunately, neither can a serial killer on the loose dubbed "The Blonde Killer." I am his obsession. And Jake, the senior detective in charge of the Major Investigations Unit, is responsible for catching the murderer. I'm scared, but I know Jake will do everything in his power to protect me. I feel things can't get any worse. Until they do.

He can read her like a book. But will he give her a happy ending? Dawn: I'd do anything to keep my bookstore. It's a safe place for all women, somewhere to let their freak flags fly. I call it sex-positive. The menfolk call it smut. That's how I met Rory Parker, the local billionaire trying to shut me down on behalf of the [moral majority.ⓘ He walked in with an offer I couldn't refuse... except I did. Now Rory wants to play dirty. Well, he picked the wrong bookseller. Let's see how much support he still has after people get a load of the little movie I recorded of the two of us going at it like wild animals in my shop. Rory: I couldn't care less how Dawn Nolan makes her money. The only thing I care about is how much she's making. Her bookstore isn't the kind of upscale attraction my investors want in this sleepy little tourist trap, so it's got to go. But when Dawn personally finds out how I treat bad girls who misbehave, she seems to enjoy it as much as I do. Now I just need to destroy the copies of that video she's threatening to post!as soon as I stop watching it. The trouble is, when Jim with her, all I want to do is get started on the sequel. Don't miss any of Jamie K. Schmidt's seductive novels: LIFE'S A BEACH | STUD | HARD COVER The Sentinels of Babylon series: NECESSARY EVIL | SENTINEL'S KISS The Club Inferno series: HEAT | LONGING | FEVER Praise for Hard Cover !iSexy banter and smoldering bedroom scenes. I adore the chemistry between Rory and Dawn!!!Mia Hopkins, author of Thirsty !iFor those who love when opposites attract, this is the book for you!!iHarlequin Junkie !iSuch a decadent read! i've read this a number of times because it's just one of those books that you wouldn't be able to help yourself from visiting and revisiting!!iJoyous Reads (five stars) !iJamie K. Schmidt told a nice love story with a twist. I always enjoy reading a story that has a moral to it and not just steamy, hot sex. . . . By the way, Hard Cover has both!!iGuilty Pleasures !iThis is my first read by Jamie K. The Day We Met

I'm a CREEP

A Read Like Jenna Today Show Book Club Pick! The New York Times bestselling author of the “mesmerizing and evocative” (Sara Green, author of Water for Elephants) Hotel on the Corner of Bitter and Sweet returns with a powerful exploration of the love that binds one family across the generations. Dorothy Moy breaks her own heart for a living. As Washington’s former poet laureate, that’s how she describes channeling her dissociative episodes and mental health struggles into her art. But when her five-year-old daughter exhibits similar behavior and begins remembering things from the lives of their ancestors, Dorothy believes the past has truly come to haunt her. Fearing that her child is predestined to endure the same debilitating depression that has marked her own life, Dorothy seeks radical help. Through an experimental treatment designed to mitigate inherited trauma, Dorothy intimately connects with past generations of women in her family: Faye Moy, a nurse in China serving with the Flying Tigers; Zoe Moy, a student in England at a famous school with no rules; Lai King Moy, a girl quarantined in San Francisco during a plague epidemic; Greta Moy, a tech executive with a unique dating app; and Afong Moy, the first Chinese woman to set foot in America. As painful recollections affect her present life, Dorothy discovers that trauma isn’t the only thing she’s inherited. A stranger is searching for her in each time period. A stranger who’s loved her through all of her genetic memories. Dorothy endeavors to break the cycle of pain and abandonment, to finally find peace for her daughter, and gain the love that has long been waiting, knowing she may pay the ultimate price.

\*\*\*Warning: Contains scenes of an adult nature, and a hero so mouth-watering, he will put you off chocolate!\*\*\* What happens when the worlds of two tortured souls collide? Angelina Bradshaw has always believed that she does not need a man in her life. That's what she has been telling herself her entire adult life. She feels worlds apart from her family's dreams for her to meet a man, settle down, and have babies. She certainly can't be doing that because love just gets in the way. She has a 'go to' guy and that's enough for her. Living in rural Cornwall, she is bored and in desperate need of adventure, so when a family friend offers her a job in London, there's no hesitation. She expected adventure, she expected a new start, but what she didn't expect was to meet a man who would turn her life upside-down. Seth Jacobs is hot, sexy, and can't understand why Angelina doesn't want him. No one has ever said no to Seth Jacobs-in fact they all fall for his one. Seth pursues her relentlessly and Angelina fights him at every corner. He is the only man who has ever affected her, and the need to run from him is immense. However, Seth is not one to give up so easily. He soon finds himself on a mission, determined to win her heart. Unfortunately for Angelina, all is not well when her past and present collide after receiving some unwelcoming and frightening news from home. She feels desperate and alone, but most of all, she feels she has to push Seth away before it's too late. To make matters worse, a catastrophic secret from the past is revealed, threatening to destroy the one thing, Angelina finally holds dear to her heart.

'Straight up, parent tested, and funny to boot, Jamie gives all the information you need.'"—Amber Dusick, author of Parenting: Illustrated with Crappy Pictures A proven six-step plan to help you toilet train your preschooler quickly and successfully, from potty-training expert, Piped Pier of Poop, and social worker Jamie Glowacki. Worried about potty training? Let Jamie Glowacki, potty-training expert, show you who's it's done. Her 6-step, proven process to get your toddler out of diapers and onto the toilet has already worked for tens of thousands of kids and their parents. Here's the good news: your child is probably ready to be potty trained EARLIER than you think (ideally, between 18-30 months), and it can be done FASTER than you expect (most kids get the basics in a few days—but Jamie's got you covered even if it takes a little longer). If you've ever said to yourself: " \*\* How do I know if my kid is ready? " \*\* Why won't my child poop in the potty? " \*\* How do I avoid "potty power struggles? " \*\* How can I get their daycare provider on board? " \*\* My kid was doing so well—why is he regressing? " \*\* And what about nighttime?! Oh Crap! Potty Training can solve all of these (and other) common issues. This isn't theory, you're not bribing with candy, and there are no gimmicks. This is real-world, from-the-trenches potty training information—all the questions and all the ANSWEYS you need to do it once and be done with diapers for good.

From an early age, I was bullied and abused. Forced in to submission. Forced to be a victim. Until one fateful day just before my sixteenth birthday when I finally cracked. With the snap of a finger, I was a changed girl. No longer timid. No longer frightened. Instead, I armed myself with the knowledge of their secrets. All who had bullied me. All who had abused me. I am no longer their victim. The timid little plaything they can pick up whenever they damn well please. Now I am vengeance. I am the eye of the storm. Nothing and no one can stand in my way. And if anyone dare try ... Be prepared to pay in blood.

The Many Daughters of Afong Moy

Things I Should Have Said

Before I Saw You

It's a Wonderful Night

The Dark Side

Kirian and I were just twelve years old when I pulled him from the icy waters of the creek behind my house. As he looked in my direction with unseeing lavender eyes, I quickly realized our age was just about the only thing we had in common. He spoke with an accent, he had pointy ears, and he was so beautiful it made my heart ache. Oh, and he claimed to be a fae prince cursed by witches who stole his sight.I thought he was crazy from hypothermia. Turns out, he wasn't, and for some reason he keeps coming back. But a day in my world is a year in his. Every time I see him, he's older. Wiser. Hotter.Over the past six years, I've tried not to fall in love with him because the terms of the curse are clear: If he doesn't wait for his fated mate in all ways, including an innocent (or not-so-innocent) kiss, he'll be blind forever.So when Kirian kisses me and pulls me through the portal to his realm, I make it my mission to do some damage control. It'd be a whole lot easier if he wasn't determined to marry me... And if someone wasn't trying to murder me every step of the way.

Now a National Bestseller! In this intimate memoir, actress and musician Jamie Lynn Spears opens up for the first time, telling her unfiltered story on her own terms. You've read the headlines, but you don't know Jamie Lynn Spears. The world first met Jamie Lynn as a child star, when it was her job to perform, both on set and for the press. She spent years escaping into different characters on All That and Zoey 101. But as she grew up, faced a teen pregnancy, raised her daughter on her own, pursued a career, and learned to stand on her own two feet, the real Jamie Lynn started to take center stage—a raw, blemished, and imperfect woman, standing in her own power. Despite growing up in one of America's most tabloid-famous families, Jamie Lynn has never told her story in her own words. In Things I Should Have Said, she talks frankly about the highs and lows, sharing what it was like traveling the world as a kid, how she moved into acting and performing herself, what life as a child star took from her, and the life-changing reality of becoming a teen mom. She talks about how she finally found love and how the mistakes she has made have taught her more than anything else. She also shares vulnerably about how the ATV accident that nearly took her daughter's life brought her back to her faith and caused her to reevaluate and redirect her life. Frank, courageous, and inspiring, Things I Should Have Said is a portrait of a wife, momma, sister, daughter, actress, and musician doing the best she could to show up for herself and teach her daughters to have the courage to love every part of themselves, too.

Now available in a deluxe keepsake edition! A Time Best YA Book of All Time (2021) Run away to the Metropolitan Museum of Art with E. L. Konigsburg's beloved classic and Newbery Medal-winning novel From the Mixed-Up Files of Mrs. Basil E. Frankweiler. When Claudia decided to run away, she planned very carefully. She would be gone just long enough to teach her parents a lesson in Claudia appreciation. And she would go in comfort-she would live at the Metropolitan Museum of Art. She saved her money, and she invited her brother Jamie to go, mostly because he was a miser and would have money. Claudia was a good organizer and Jamie had some ideas, too: so the two took up residence at the museum right on schedule. But once the fun of settling in was over, Claudia had two unexpected problems: She felt just the same, and she wanted to feel different; and she found a statue at the Museum so beautiful she could not go home until she had discovered its maker, a question that baffled the experts, too. The former owner of the statue was Mrs. Basil E. Frankweiler. Without her—well, without her, Claudia might never have found a way to go home.

'Enchanting. I found myself whizzing through the pages!' Rachel's Random Reads (top 500 Amazon reviewer) Escape to beautiful France this summer with this uplifting romantic comedy.

A Novel

A Breath of Snow and Ashes

Oh Crap! Potty Training

Jamie

Beautiful Disaster Signed Limited Edition

From the critically acclaimed author of I Want to Show You More comes an unflinching and profound portrait of Maggie and Thomas, and their disintegrating marriage. Married twenty years to Thomas and living in Nashville with their two children, Maggie is drawn ineluctably into a passionate affair while still fiercely committed to her husband and family. What begins as a platonic intellectual and spiritual exchange between writer Maggie and poet James gradually transforms into an emotional and erotically-charged bond that challenges Maggie's sense of loyalty and morality, drawing her deeper into the darkness of desire. Using an array of narrative techniques and written in spare, elegant prose, Jamie Quatro gives us a compelling account of one woman's emotional, psychological, physical, and spiritual yearnings—unveiling the impulses and contradictions that reside in us all. Fire Sermon is an unflinchingly honest and formally daring debut novel from a writer of enormous talent.

Murderous thoughts. These are what I had once Isabella walked through the door and revealed to me who she was. I needed an escape. An escape from my thoughts, an escape from the hurt, and an escape from... him. I was a broken woman, but I was never going to break my resolve. I grew up being a fighter because I had to. No man could ever bring me down... Not even Luca. But, I had to admit, I never thought my heart would break as much as it did that day. Of course, I fled, but I was a fool to think he would ever let me go. He always told me I was his... no matter what the cost. He was determined to keep me-regardless of the lengths he had to go to reach his goal. He was like a moth to my flame, a toxin carved into my heart. I could never escape his pull. I may have evaded him, but I knew it would just be a matter of time. Once he inevitably caught up with me, there would be no going back. However, no matter what I had expected-or even imagined-absolutely nothing could have prepared either of us for what happened next...

An erotically charged, addictive thriller from the future queen of suspense. Living in Toronto for a year, Elena is leading the normal life she has always dreamed of, including a stable job as a journalist and a nice apartment shared with her boyfriend. As the lone female werewolf in existence, only her secret midnight prowls and her occasional inhuman cravings set her apart. Just one year ago, life was very different. Adopted by the Pack when bitten, Elena had spent years struggling with her resentment at having her life stolen away. Torn between two worlds, and overwhelmed by the new passions coursing through her body, her only option for control was to deny her awakening needs and escape. No matter the Pack has called Elena home to help them fight an alliance of frenzied werewolves who are bent on exposing and annihilating the Pack. And although Elena is obliged to regain her "family," she vows not to be swept up in Pack life again, no matter how natural it might feel. She has made her choice. Trouble is, she's increasingly uncertain if it's the right one. An erotically charged thriller, Bitten will awaken the voracious appetite of every reader, as the age-old battle between man and beast, between human and inhuman forces, comes to a head in one small town and within one woman's body.

One night will change their lives forever... Georgia Bailey is closing up her little charity shop in Oakbarrow when she gets a mysterious late night call from a stranger, threatening to jump off the town's bridge.

The Wishing Tree Beside the Stone

Take a Breath

Forkliden Dreams

The Things We've Learned About Making An LGBTQ Family

Forkliden's Daughter

The hotly anticipated and explosive third book in the New York Times bestselling Charlotte Holmes series. It's been a year since the shocking death of August Moriarty, and Jamie and Charlotte haven't spoken. Jamie is going through the motions at Sherringford, trying to finish his senior year without incident, with a nice girlfriend he can't seem to fall for. Charlotte is on the run, from Lucien Moriarty and from her own mistakes. No one has seen her since that fateful night on the lawn in Sussex—and Charlotte wants it that way. She knows she isn't safe to be around. She knows her Watson can't forgive her. Holmes and Watson may not be looking to reconcile, but when strange things start happening, it's clear that someone wants the team back together. Someone who has been quietly observing them both. Making plans. Biding their time. Someone who wants to see one of them suffer and the other one dead.

'Moving, romantic, and downright funny! A magical read, perfect for anyone who's ever made a wish.' Samantha Tonge, 5 stars What do you do when 'the one that got away' now won't go away? In fact, he's so determined not to go away that he's literally chained himself to a tree.

Daughter, covet not thy mother's husband. Isn't that a saying? I know it isn't, but in my case, it really should be. Because, in my case, I didn't just walk up to the line, I crossed so far over it that I can no longer recall how I got there in the first place.What line did I soar over? The line leading up to him.Owen Montgomery: Rich ... powerful ... fucking amazing in bed.Oh, and he's married to my mother.I didn't seek this out as a way of life, but once I had my first taste of it-and him-handed to me on a glistening silver platter, I felt I owed it to myself to enjoy every delicacy offered to me while I could.I suppose I should have known that my guilty pleasures couldn't possibly last forever, and when our relationship took a decidedly nasty turn, I was left feeling utterly dejected. Guided by my resentment, I threw caution to the wind and allowed myself to fall into the arms of another man. Not just any man. The man in question is none other than Ethan-Owen's absentee son.After Owen left me so bitter, I realized that Ethan represented the ultimate escape ... and I must admit, revenge.Why not? He's gorgeous, charming, and witty to boot.As an added bonus, he's single.But ... Owen has other ideas. He has decided that no other man can have me but him. I am his ... and he will stop at nothing to keep it that way.

From the New York Times bestselling author of The Somerset Girls. "Filled with Foster's trademark wit, humor, and sensuality."—Booklist It's not that the woman in his arms is naked. It's not that he's carrying her up a mountain in a driving storm. What bothers Jamie is that the unconscious redhead is an intruder, someone who could bring him harm. He has his reasons for hiding out in this stark, secluded cabin; for keeping his emotions under wraps; for never, ever getting too close to anyone. But before she passed out in his bed, she said her name was Faith—an appropriate name since he has to take her at her word. Who is she? Why is she here? Who sent her? And what is she doing to him? Jamie's used to feelings of warmth, isolation, of being on guard. What he's not used to is this dangerous, nearly uncontrollable new emotion raging through him like a man on fire. With a bonus chapter included! Praise for Lori Foster "Foster writes smart, sexy, engaging characters."—Christine Feehan "A Lori Foster book is like a glass of good champagne—sexy and sparkling!"—Jayne Ann Krentz "Lori Foster is a funny, steamy, guaranteed good read! Say YES! to Lori Foster."—Elizabeth Lowell "Lori Foster writes about real people you'll fall in love with."—Stella Cameron "When it comes to delivering sexy and sensual romance, author Lori Foster is in a class by herself."—RT Book Reviews

**#1 NEW YORK TIMES BESTSELLER** • Danielle Steel tells a riveting story of the dark side of motherhood. Zoe Morgan's childhood was marked by her younger sister's tragic illness, watching as her parents dedicated themselves completely to her final days and then divorced. As a young woman driven by these painful memories, Zoe sets the bar high for herself, studying hard and pursuing a career in the nonprofit world, where her deep compassion for disadvantaged children finds a focus. When Zoe falls in love and has her own child, she is determined to be a perfect mother as well. But before long, old scars long dormant begin to pull Zoe to the edge of an abyss too terrifying to contemplate. As Zoe is haunted by the ghosts of the past, her story will become a race against time and a tale of psychological suspense that no reader will soon forget.

Eighteen-year-old Dawnis Fontaine has never quite fit in, both in her hometown and on the nearby Ojibwe reservation. She dreams of a fresh start at college, but when family tragedy strikes, Dawnis puts her future on hold to look after her fragile mother. The only bright spot is meeting Jamie, the charming new recruit on her brother Levi's hockey team. Yet even as Dawnis falls for Jamie, she senses the dashing hockey star is hiding something. Everything comes to light when Dawnis witnesses a shocking murder, thrusting her into an FBI investigation of a lethal new drug. Reluctantly, Dawnis agrees to go undercover, drawing on her knowledge of chemistry and Ojibwe traditional medicine to track down the source. But the search for truth is more complicated than Dawnis imagined, exposing secrets and old scars. At the same time, she grows concerned with an investigation that seems more focused on punishing the offenders than protecting the victims. Now, as the deceptions—and deaths—keep growing, Dawnis must learn what it means to be a strong Anishinaabe kwé (Ojibwe woman) and how far she'll go for her community, even if it tears apart the only world she's ever known.

Travis Maddox, Eastern University's playboy, makes a bet with good girl Abby that if he loses, he will remain abstinent for a month, but if he wins, Abby must live in his apartment for the same amount of time. The newest sizzling romance from Audrey Carlan, the #1 New York Times bestselling author of the Calendar Girl series. When I was born, I was beloved by my parents. I felt their warmth from the tips of my toes to the untamable curls in my hair—until tragedy hit and I lost them both. With no extended family, I ended up in Kerrighan House, a home for girls just like me—girls who'd lost everything. Mama Kerri took me in and treated me with nothing but love, as did the rest of my sisters of the soul. In that house, we formed a bond that could never be broken. Now danger seems to follow all of us. But what danger could come to me: a petite, high-school Spanish teacher who'd never hurt a fly? The only one on my tail is Omar Alvarado, the bodyguard hired to protect me from the danger lurking around my sisters. The more I shun his advances though, the harder he tries to earn my favor. Omar seems to like my brand of sass and doesn't hide the fact he wants me for his own. I'm determined to not get caught up in his beautiful smile, the sexy suggestions he whispers in my ear, or that incredible body that would make any woman swoon with desire. Even with the tension rising between us, all seemed to be kept in check—until I found myself in the middle of a high stakes bank robbery. And the only one who could save me, was the one man I tried so desperately to push away.

Blazed

Protected by the dark of night, Jaimie Piper runs. But is anyone safe when Evil is hunting you? She's just a twelve year-old girl, bumped around between foster homes and relegated to school classes for challenged kids, those lagging in their test scores or with behavioral issues. But her real problem is that she can sense something the other kids can't—something dark. Something compelling her to run for her life. All Crockett Grey wants is to mark the anniversary of his daughter's death alone. But when his student Jaimie comes to him, terrified, her need for protection collides with his grief, and a tangled web of bizarre events sends them both spiraling toward destruction. Crockett's one hope of getting his life back is to uncover the mysterious secrets of Jaimie's past and her strange gift. It isn't long before his discoveries lead him to a darker conspiracy, secrets guarded by the highest seat of power in the world—the Vatican.

When his manic-depressive mother is institutionalized after trying to kill herself, fourteen-year-old Jamie and his care taker San Francisco to live with his estranged father, whom Jamie blames for his mother's problems.

'Oh, holy five star, I LOVED THIS BOOK!... Laugh out loud funny, incredibly charming and full to the brim with Christmas magic.' NetGalley Reviewer. [REDACTED]

What if one moment changed everything? A story that will make you believe in love, fate, and maybe even magic. For fans of 'The Fault in Our Stars' meets 'Ready Player One' Mahlorie hates her braces. And who cares what she looks like anyway? Her dad, a travelling magician, and mom, a famous romance author, constantly harp on the importance of appearance, something her best friend Shai sure understands. But when Mal has a near-death experience and can suddenly hear a boy's voice in her head, life takes a turn for the weird. He can hear her too. How did her braces become transmitters? And who is this boy she just might be falling in love with? This magical coming-of-age tale of mystery and self-discovery, and love and friendship, makes the impossible become all too real... "It's cute and funny and a good, clean read for YA."—5 Star Review "Engle tends to make a common literary trope into a page-turner, because she is not afraid of the weird."—5 Star Review "The smooth prose, clever plot twists will snag middle-schoolers. Adult readers will marvel at how Engle so clearly channels teens."—5 Star Review

Go Tell the Bees That I Am Gone

Voyager

Luca (Because You're Mine)

I don't use the term "bully" lightly. However, I have no qualms about using it when it comes to Max Cooper.Arrogant.Aggravating.Annoying.Those are just a few of the names I have for him that start with the letter A. I haven't gotten through the rest of the alphabet ... yet.From the moment I met Max three years ago, he was nothing but an arsehole. The only reason we put up with each other is because we share the same

best friend. Then, everything suddenly changes when Max is involved in a horrific accident that sets him back three years. He remembers his friends, but here's the real kicker: He doesn't remember ... me. At first, I think it must be a cruel joke, but then I see how serious he is. Over time, I get to know the real Max Cooper. The one who can be sweet, funny, and kind. The one who shows me he's not such an arsehole after all. Then, the inevitable happens. I fall for him. Just as things between us begin to balance out, I lose my own equilibrium, and I don't know why. But, despite all of this, no one is prepared for the real terror that's about to unfold.

Eagerly anticipated by her legions of fans, this sixth novel in Diana Gabaldon's bestselling Outlander saga is a masterpiece of historical fiction from one of the most popular authors of our time. Since the initial publication of Outlander fifteen years ago, Diana Gabaldon's New York Times bestselling saga has won the hearts of readers the world over – and sold more than twelve million books. Now, A Breath of Snow and Ashes continues the extraordinary story of 18th-century Scotsman Jamie Fraser and his 20th-century wife, Claire. The year is 1772, and on the eve of the American Revolution, the long fuse of rebellion has already been lit. Men lie dead in the streets of Boston, and in the backwoods of North Carolina, isolated cabins burn in the forest. With chaos brewing, the governor calls upon Jamie Fraser to unite the backcountry and safeguard the colony for King and Crown. But from his wife Jamie knows that three years hence the shot heard round the world will be fired, and the result will be independence – with those loyal to the King either dead or in exile. And there is also the matter of a tiny clipping from The Wilmington Gazette, dated 1776, which reports Jamie's death, along with his kin. For once, he hopes, his time-traveling family may be wrong about the future.
