Georgia Odyssey is a lively survey of the state 's history, from its beginnings as a European colony to its current standing as an international business mecca, from the self-imposed isolation of its Jim Crow era to its role as host of the centennial Olympic Games and beyond, from its long reign as the linchpin state of the Democratic Solid South to its current dominance by the Republican Party. This new edition incorporates current trends that have placed Georgia among the country 's most dynamic and attractive states, fueled the growth of its Hispanic and Asian American populations, and otherwise dramatically altered its demographic, economic, social, and cultural appearance and persona. "The constantly shifting cultural landscape of contemporary Georgia," writes James C. Cobb, "presents a jumbled panorama of anachronism, contradiction, contrast, and peculiarity." A Georgia native, Cobb delights in debunking familiar myths about his state as he brings its past to life and makes it relevant to today. Not all of that past is pleasant to recall, Cobb notes. Moreover, not all of today 's Georgians are as unequivocal as the tobacco farmer who informed a visiting journalist in 1938 that "we Georgians are Georgian as hell." That said, a great many Georgians, both natives and new arrivals, care deeply about the state 's identity and consider it integral to their own. Georgia Odyssey is the ideal introduction to our past and a unique and often provocative look at the interaction of that past with our present and future.

Become a Master of History and Earn AP Credit! REA 's latest addition to the innovative Flashcard book series offers students a great way to study for the AP U.S. History exam. Unlike most flashcards that come in a box, our flashcards are bound in an easy-to-use, organized book format. With no loose cards to lose or misplace, studying is a breeze! Packed with 1,000 question and answer flashcards covering all aspects of U.S. History from Pre-Columbian societies to the present day, these flashcards let students write their answer to a question on the front of the card, and then compare it to the answer on the back of the card. The handy index allows you to quickly find a particular era in U.S. History and test your subject knowledge. Our Premium Edition with CD-ROM includes four test-readiness quizzes, timelines of all chronological periods covered on the actual AP test, and a concise U.S. History review. Perfect for self-study, for reference, or for a quick review, these flashcards will help you score higher on test day!
