From Jezebel to Catherine the Great, from Cleopatra to Mae West, from Mata Hari to Bonnie Parker, strong women have been a problem for historians, storytellers, and readers. Strong females smack of the unfeminine. They have been called wicked, wanton, and willful. Sometimes that is a just designation, but just as often it is not. "Well-behaved women seldom make history," is the frequently quoted statement by historian and feminist Laurel Thatcher Ulrich. But what makes these misbehaving women "bad"? Are we idolizing the wicked or salvaging the strong? In BAD GIRLS, readers meet twenty-six of history's most notorious women, each with a rotten reputation. But authors Jane Yolen and Heidi Stemple remind us that there are two sides to every story. Was Delilah a harlot or hero? Was Catherine the Great a great ruler, or just plain ruthless? At the end of each chapter, Yolen and Stemple appear as themselves in comic panels as they debate each girl's badness—Heidi as the prosecution, Jane for context. This unique and sassy examination of famed, female historical figures will engage readers with its unusual presentation of the subject matter. Heidi and Jane's strong arguments for the innocence and guilt of each bad girl promotes the practice of critical thinking as well as the idea that history is subjective. Rebecca Guay's detailed illustrations provide a rich, stylized portrait of each woman, while the inclusion of comic panels will resonate with fans of graphic novels.

They Will Be Tested Their forbidden romance exposed, Sydney and Adrian find themselves facing the wrath of both the Alchemists and the Moroi in this electrifying conclusion to Richelle Mead's bestselling Bloodlines series. When the life of someone they both love is put on the line, Sydney risks everything to hunt down a deadly former nemesis. Meanwhile, she and Adrian become enmeshed in a puzzle that could hold the key to a shocking secret about spirit magic, a secret that could shake the entire Moroi world and alter their lives forever. Don't miss their unforgettable final chapter . . .

The first bite is only the beginning. Twenty of today's favorite writers explore the intersections between the living, dead, and undead. Their vampire tales range from romantic to chilling to gleeful—and touch on nearly every emotion in between. Neil Gaiman's vampire-poet in "Bloody Sunrise" is brooding, remorseful, and lonely. Melissa Marr's vampires make a high-stakes game of possession and seduction in "Transition." And in "Why Light?" Tanith Lee's lovelorn vampires yearn most of all for the one thing they cannot have—daylight. Drawn from folk traditions around the world, popular culture, and original interpretations, the vampires in this collection are enticingly diverse. But reader beware: The one thing they have in common is their desire for blood. . . . Bianca wants to escape. She's been uprooted from her small hometown and enrolled at Evernight Academy, an eerie Gothic boarding school where the students are somehow too perfect: smart, sleek, and almost predatory. Bianca knows she doesn't fit in. Then she meets Lucas. He's not the "Evernight type" either, and he likes it that way. Lucas ignores the rules, stands up to the snobs, and warns Bianca to be careful—even when it comes to caring about him. "I couldn't stand it if they took it out on you," he tells Bianca, "and eventually they would." But the connection between Bianca and Lucas can't be denied. Bianca will risk anything to be with Lucas, but dark secrets are fated to tear them apart. . . . and to make Bianca question everything she's ever believed.

"Will get Buffy fans up in their feels." —Entertainment Weekly A New York Times and Publishers Weekly bestseller From bestselling author Kiersten White comes the first novel in a series set in the world of Buffy the Vampire Slayer that introduces a new Slayer as she grapples with the responsibility of managing her incredible powers that she's just beginning to understand. Into every generation a Slayer is born... Nina and her twin sister, Artemis, are far from normal. It's hard to be when you grow up at the Watcher's Academy, which is a bit different from your average boarding school. Here teens are trained as guides for Slayers—girls gifted with supernatural strength to fight the forces of darkness. But while Nina's mother is a prominent member of the Watcher's Council, Nina has never embraced the violent Watcher lifestyle. Instead she follows her instincts to heal, carving out a place for herself as the school medic. Until the day Nina's life changes forever. Thanks to Buffy, the famous (and infamous) Slayer that Nina's father died protecting, Nina is not only the newest Chosen One—she's the last Slayer, ever. Period. As Nina hones her skills with her Watcher-in-training, Leo, there's plenty to keep her occupied: a monster fighting ring, a demon who eats happiness, a shadowy figure that keeps popping up in Nina's dreams... But it's not until bodies start turning up that Nina's new powers will truly be tested—because someone she loves might be next. One thing is clear: Being Chosen is easy. Making choices is hard.
