From USA Today bestselling author, Karpov Kinrade, comes the next adventure of Eve Oliver and the brothers of The Night Firm. When I got offered a job at The Night Firm, I had no idea how much my life was about to change. I didn't know vampires exist. That dragons rule a world full of beings most think are fairytales. And I didn't know how much I would come to care for the Night brothers. But now it's all about to fall apart. Liam's been arrested and accused of a crime he didn't commit. I'm lying to the men I'm falling in love with. Secrets from the past are threatening to destroy us. And in the middle of everything comes a truth too painful to face. And a lie too deadly to ignore. All I know is this: I'm going to lose a man I love by the end. I just don't know which one. The Night Firm series: I Am the Wild (book 1) I Am the Storm (book 2) I Am the Night (book 3) Those inside are special, gifted with unique abilities, abilities that make them dangerous to the outside world. Since childhood, they're trained to control their powers, to show restraint, and to defend themselves. For years they practice, honing their gifts for one purpose: to be rented out to the highest bidder as a spy, to be used as a weapon against others. Sam never questions her role at the secret organization dubbed Rent-A-Kid. Until she meets Drake. She reads minds. He controls minds. Together, they might get out alive. THIS SPECIAL EDITION INCLUDES: \*Award-Winning Book #1 - Forbidden Mind \*Book #2 - Forbidden Fire \*Book #3 - Forbidden Life \*In-Depth Q&A with Author Karpov Kinrade \*Extensive Bonus Content (Available ONLY in this Special Edition)

Set in Karpov Kinrade's USA Today bestselling Vampire Girl universe, comes a standalone story that will leave you wanting more.\*\*\*A thirst like I've never before experienced wakes me from a deep sleep full of vaguely haunting dreams. When I peel my eyes open enough to take stock of where I am, I realize three things at once: I'm in a bed not my own, there is a stranger's arm draped around me, and... we are both naked. Oh, and there's a brand new wedding ring on my left index finger. This is how my day starts. In a Las Vegas hotel room, married to a stranger I don't remember meeting. So cliché, right? What's worse is that I'm a highly respected librarian in Las Vegas, not some drunken tourist. That would all be bad enough... until I find out the worst part. I've been turned into a vampire, and some other really evil vampires want me dead. I guess the honeymoon will have to wait. If we even stay married. First, though, we have to stay alive.\*\*\*Read all the books in the Vampire Girl Universe

A Court of Thorns and Roses

I lived a pretty ordinary life—a kid raised in my family's bar who went off to college to escape the small-town life. But when my grandfather died and I returned to take over the family business, I discovered a much more extraordinary world waiting for me. Vampires, werewolves and fae are real. And they want my baby. My daughter is meant to fulfill some crazy prophecy related to the end of all magical creatures, but I'm having none of that. Now, since I can't get rid of them, the three Sexies who walked into my bar that fateful, stormy night, work for me. They can change diapers and serve drinks while I get a handle on not only being a new single mom, but also the center of a race war between creatures I previously believed were myths. I didn't expect any of this. Not the Sexies. Not the single motherhood. And certainly not the chemistry I feel with each of them. But we don't have time for raging postpartum hormones. Because they aren't the only ones after my child, and keeping her safe is proving a more dangerous job than the What to Expect Books ever prepared me for.

It's the one time a year I actually get to see my family, and usually it's fine. This time? Well, let's just say navigating the normal crazy will be extra special with a vampire husband that

none of my family got to see me marry, a fresh blood craving of my very own, and a more than slight aversion to the sun. Add to that an ex-boyfriend of mine is in town and causing trouble, and my best friend's husband has a big secret, and you have a cocktail for trouble not even my husband's very expensive cognac can ease the strain of. Tis the season. Hopefully, we'll make it to the New Year alive. Well... as alive as we vampires get.

Enter the dark, magical world of the House of Night series by bestselling authors P.C. Cast and Kristin Cast, a world very much like our own, except here vampyres have always existed. One minute, sixteen-year-old Zoey Redbird is a normal teenager dealing with everyday high school stress: her cute boyfriend Heath, the school's star quarterback who suddenly seems more interested in partying than playing ball; her nosy frenemy Kayla, who's way too concerned with how things are going with Heath; her uber-tough geometry test tomorrow. The next, she's Marked as a fledgling vampyre, forcing her to leave her ordinary life behind and join the House of Night, a boarding school where she will train to become an adult vampyre. That is, if she makes it through the Change—and not all of those who are Marked do. It sucks to begin a new life, especially away from her friends, and on top of that, Zoey is no average fledgling. She has been chosen as special by the vampyre Goddess, Nyx. Zoey discovers

The Nevermoor series meets Hotel Transylvania in this "delightful and spooky" (Booklist) debut middle grade adventure set in a world of talking spiders, living forests, and haunted castles about a vampire girl who wants to fit in but first must defeat an evil ghost. After one hundred years of being a vampire, it's time for Eleonora to have her Birthnight. Since Leo's last rite of passage, her Grimwalk, ended with her losing her right leg and a good deal of her confidence, she's hoping to redeem herself in the eyes of her mother, the fearsome Lady Sieglinde. All Leo has to do is hunt down and kill her first prey, and she already has the perfect plan. After all, who will miss an orphan from the bleak St. Frieda's Home for Unfortunate Children? But an accidental fire causes more death and destruction than Leo bargained for. Instead of killing one carefully selected victim, she's created several ghosts from the orphanage residents. And one sinister specter, the Orphanmaster, is poised to terrorize the living residents in a nearby town. To stop him and try to undo some of the mess she's made, Leo must team up with the orphan ghost Minna. Will Leo have the chance to prove herself as a vampire before her Birthnight is over, or will she discover that there are no winners in the battle of undead versus undead?

Sarah J. Maas's sexy, richly imagined series continues with the journey of Feyre's fiery sister, Nesta. Nesta Archeron has always been prickly-proud, swift to anger, and slow to forgive. And ever since being forced into the Cauldron and becoming High Fae against her will, she's struggled to find a place for herself within the strange, deadly world she inhabits. Worse, she can't seem to move past the horrors of the war with Hybern and all she lost in it. The one person who ignites her temper more than any other is Cassian, the battle-scarred warrior whose position in Rhysand and Feyre's Night Court keeps him constantly in Nesta's orbit. But her temper isn't the only thing Cassian ignites. The fire between them is undeniable, and only burns hotter as they are forced into close quarters with each other. Meanwhile, the treacherous human queens who returned to the Continent during the last war have forged a dangerous new alliance, threatening the fragile peace that has settled over the realms. And the key to halting them might very well rely on Cassian and Nesta facing their haunting pasts. Against the sweeping backdrop of a world seared by war and plagued with uncertainty, Nesta and Cassian battle monsters from within and without as they search for acceptance-and healing-in each other's arms.

My name is Lilly Lemon and my life has always come in threes. My first week of college, I am? Broken. Betrayed. Killed. But this isn't the afterlife I expected. I end up in a magic world quite unlike our own. A world where legends are real and monsters stalk the night. A world where I am strong, mighty, powerful. A queen. A reincarnated Greek Goddess. But the ancient dungeons have been breached, and monsters are wreaking havoc. To stop them, I must ally with the three. A thief. A wolf. A fae. Their eyes draw me in. Their words make my heart quiver. But I'm not the foolish girl I once was. It's time for a new Queen to rise. And save us all.

The first novel in a YA fantasy romance series featuring ♀vampires with bite and girls who bite back. A witty, exhilarating and fresh take on an old tale (Kelley Armstrong). On her sixteenth birthday, Solange Drake is going to die . . . But that's okay. As the only daughter ever born to an ancient vampire dynasty, Solange's sweet sixteen just means she will fully come into her own as an immortal. Unfortunately, it also means a lot of people both dead and undead are now watching her. Especially Kieran Black—a vengeful agent with an anti-vampire league who blames Solange's family for his father's death. Luckily, Solange has her human best friend, Lucy, who tries to help her have as normal a life as possible, despite her overprotective brothers and the politics of the undead realm. But when Solange is abducted by a power-hungry vampire queen, it will take all her friends—as well as the daring and dangerous Kieran—to rescue her before she loses her eternal life . . . In this "action-packed" (School Library Journal) story of love, loyalty, and blood ties, Alyxandra Harvey kicks off a saga of thrills with a nail-biter—and a neck-biter—that will have readers eager to devour the rest of the series. *Hearts at Stake* is the 1st book in the *Drake Chronicles*, which also includes *Blood Feud* and *Out for Blood*.
