The relationship between these two aspects of being is absolutely influenced by early attachment trauma, what Ruppert has termed 'symbiotic trauma': the trauma of an infant attempting to connect with a mother who is herself already traumatised. Additionally Ruppert gives a detailed account of the 'Constellation of the Intention', the process he has devised for working with the psychological splits induced by trauma. This*

endured fear and physical pain from the miscarriage of their first child. Four years later, Patricia heard a child call to her. Thinking it was her young daughter awakening from her nap, she turned around. But Meghan was not there; she was sound asleep upstairs. The communication continued, and Patricia, seeking guidance from intermediaries, became convinced she was communicating with her miscarried child from beyond. Exploring this connection to her lost son, she was able to communicate with her deceased parents as well. It was a journey that changed Patricia's life as she never could have imagined. With

Angel Babies, Patricia explores spirit communication with miscarried and other early-loss babies, a phenomenon that's quite universal. Patricia recounts her journey to bridging with her child and how the experiences lead her to become a certified hypnotist. In the course of her research, she met many others who have also communicated with their lost children. Through their inspiring stories, Angel Babies offers awareness, hope, and comfort to anyone facing the agony of the loss of a child.

*The Whole Elephant Revealed offers clear insights into the existence and operation of universal laws and the golden ratio. It is a synthesis based on common insights found in all wisdom traditions into the operation of universal laws on the one hand and on cutting-edge scientific discoveries that are in line with those insights on the other hand. These principles are called universal because they work on all levels of existence, apply to everything that exist and create order and harmony in the universe. Insights into the operation of the universal laws reveals a whole new worldview. It helps us to*

*understand how everything works in the universe, who we really are and how we can make conscious choices that are more in line with these universal laws. Above all it helps us to understand what works and what doesn't work in the long term. Everything that operates in line with the universal laws, follows the path of least resistance and is in harmony with the greater whole. It makes us realize that while everything in the universe works in harmony with these principles, many aspects of our personal life and our Western culture are not in line with the operation of these underlying principles.*

*If we choose to act in line with the operation of the universal laws, it will go easier, will be more in tune with who we really are and more in harmony with the greater whole. This choice is hard to make though, if we don't know those principles. For that reason the rediscovery of the working of these principles seems to be of extreme importance. In this time of great changes and global unbalance a growing number of people begin to feel the need for a clear and well-founded insight into the universal laws, because this gives an understanding of what is needed to restore*
