*Maharaja Icky is quite the most disgusting King you'll ever have the misfortune to meet. The ruler of the kingdom of Ictapur regales all with his utterly vile table manners. Banned from using spoons or nail cutters, the people of Ictapur are at their wits' end. But their hopes rise when the announcement comes that the Maharani is expecting a little baby... With gleefully gross illustrations by highly acclaimed children's illustrator Anitha Balachandran, Icky, Yucky, Mucky! will have children squirming in their chairs and yelling with delight. And perhaps, learning a lesson or two in table manners! Published by Zubaan.*

This learned scholar knew that the royal princes could not understand complex principles in an ordinary way. So, he devised a method wherein he would impart important knowledge in the form of simple and easy-to-understand folktales.*
