

Viking Patterns For Knitting Inspiration And Projects For Today S Knitter

With more than 900 knitting patterns--including 100 that are brand new--covering everything from knit and purl to colorwork, this is the most comprehensive knitting stitch dictionary ever published. A companion volume to Vogue Knitting: The Ultimate Knitting Book, this ultimate stitch dictionary compiles the best of the Vogue Knitting Stitchionary series into a single huge and comprehensive volume. More than 900 stitches, including 100 entirely new examples, encompass knit and purl textures, cables, lace, colorwork, edgings, and other original combinations. Pulled from actual patterns that appeared in Vogue Knitting magazine, these stitches come from a range of top designers and are as unique as their creators. Use the patterns as written or tweak them, combine stitches for beautiful effects, and find inspiration to design your own stitches, garments, and accessories. The patterns feature both text and chart instructions whenever possible to accommodate every learning style. Featuring enhanced photography, hundreds of additional charts, and an index, Vogue Knitting: The Ultimate Stitch Dictionary is beautiful, user-friendly, and an endless source of creativity.

"A book about wool and sheep, the making of Scotland, England and farming, textile manufacture, folklore and, crucially, the essential craft of knitting." —Janice Galloway, author of Jellyfish Over the course of a year, Esther Rutter—who grew up on a sheep farm in Suffolk, and learned to spin, weave and knit as a child—travels the length of the British Isles, to tell the story of wool's long history here. She unearths fascinating histories of communities whose lives were shaped by wool, from the mill workers of the Border countries, to the English market towns built on profits of the wool trade, and the Highland communities cleared for sheep farming; and finds tradition and innovation intermingling in today's knitwear industries. Along the way, she explores wool's rich culture by knitting and crafting culturally significant garments from our history—among them gloves, a scarf, a baby blanket, socks and a fisherman's jumper—reminding us of the value of craft and our intimate relationship with wool. This Golden Fleece is at once a meditation on the craft and history of knitting, and a fascinating exploration of wool's influence on our landscape, history and culture. "Wondrous." —BBC Countryfile "A yarn well told." —The Irish Times "A compelling literary journey through the social history of wool in the British Isles." —Karen Lloyd, author of The Gathering Tide "[Rutter's] stops on her journey around Britain also knit together the past and the present, the social, historical and the personal, in an altogether engaging way." —Books from Scotland

Traditional knot and interlace patterns, combined to form uniquely striking contemporary designs. Ever since her ground-breaking book Viking Patterns for Knitting was published, Elsebeth Lavold has been recognized as one of the world's leading experts on cabling. It was within the pages of her international bestseller—described as "an indispensable milestone in 20th century knitting literature"—that Lavold first introduced the world to her own innovation: using lifted increases to create interlace patterns, and bringing new life to the ornamental heritage of the Vikings as adornment on modern knitwear. In the years since, Lavold has sought new ideas and "design cousins" to Viking patterns to explore with her needles, and has undertaken a fascinating journey through archives, museums, libraries, and the internet. In more than a decade of continued research, she has studied cultures from all over the globe in search of similar types of ornamental expression, creating the foundation for this exciting new book: a glorious collection rich in imagery, history, patterns, and designs. Dozens of different sources of inspiration, catalogued and placed within their cultural and historical context, from all around the world. Complete, step-by-step instructions for an abundance of fresh and stunningly beautiful knit designs, presented in the book with full-color photographs. Lavold's own painstaking analysis of a huge number of interlace motif types, displayed in both swatch and chart form, to allow you to compose your own patterns based on her research.

"Also includes patterns from Fantastic Beasts"--Cover.

An Official Harry Potter Knitting Book (Harry Potter Craft Books, Knitting Books)

This Thing of Paper

More Than 25 Favourite Caps, Vamps, and Mittens to Knit

Using her stunning eye for design and her in-depth knowledge of traditional forms, Alice Starmore presents 18 original needlepoint projects inspired by Celtic culture. She takes readers on a journey through the history of this ancient art famous for its nature-based motifs and mesmerizing geometric designs. Crafters will find inspiration and instruction in such gorgeous designs as key, spiral, knotwork, bird, tree, and animal patterns worked in beautiful yarns on a variety of canvases. Now featuring new instructions, new illustrations, and new information, The Principles of Knitting—beloved by knitters everywhere and one of the most requested out-of-print books for years—finally gets the revision that fans have been clamoring for! A treasured guide beloved by knitters everywhere, the classic book The Principles of Knitting is finally available again in a fully revised and updated edition. This is the definitive book on knitting techniques, with valuable information for everyone from beginners to experienced knitters. June Hiatt presents not only a thorough, thoughtful approach to the craft, but also a passion for carrying on the art of knitting to

future generations. She has repeatedly tested the various techniques and presents them with clear, easy-to-follow instructions—as well as an explanation of what each one can contribute to your knitting. Informed by decades of experience and thousands of hours of practice, this comprehensive resource offers a variety of ways to approach every skill and technique and offers solutions that can help solve the most challenging aspects of any knitting project. The Principles of Knitting has been totally rewritten—new instructions, new illustrations, and new information. While the basics of knitting have not changed much, June's understanding of the material has deepened over the last twenty-five years, and she's eager to share what she has learned with the knitting world. In addition, the book has been reorganized to make it easier to use and has a gorgeous new design. Reading The Principles of Knitting is like having a knitting mentor by your side who can answer any knitting question you have in an honest, intelligent, informed manner.

A collection of 30 knitting patterns inspired by popular science fiction and fantasy culture includes designs in the style of such iconic articles as Lieutenant Uhura's minidress, Hobbit slippers, and Hermione Granger's secret beaded bag.

Mathematical craftwork has become extremely popular, and mathematicians and crafters alike are fascinated by the relationship between their crafts. The focus of this book, written for mathematicians, needleworkers, and teachers of mathematics, is on the relationship between mathematics and the fiber arts (including knitting, crocheting, cross-stitch, and quilting). Each chapter starts with an overview of the mathematics and the needlework at a level understandable to both mathematicians and needleworkers, followed by more technical sections discussing the mathematics, how to introduce the mathematics in the classroom through needlework, and how to make the needlework project, including patterns and instructions.

Knitter's who love to read the history behind the patterns will enjoy this book. Vivian Hoxbro studied the old star sweaters from 1700-1900 in numerous Danish museums, there isn't another book published at this time on the Danish solid one color sweaters.

Scandinavian Knitwear encourages the knitter to take inspiration from the brightly coloured and textured designs of the traditional knits and the invigorating landscape of the Nordic region to design your own 'Scandi knits' and create unique designs using traditional techniques. The author takes you through the process of formulating ideas, learning about colour, absorbing the local history and finally creating a piece of knitting that has all the flavours of this fascinating region. With full chapters on Norway, Sweden, Denmark and the Faroe Islands, coverage includes: the history of knitting and its development in Scandinavia; explanation of various techniques, such as accurate measuring, stranded colourwork and grafting; a full explanation of colour theory; exploration of the development of knitting and the characteristic styles of each country in the region; A 'Stitch Dictionary' of patterns and motifs, with charts that can be modified to suit the skill and style of the knitter; Nineteen complete, original patterns for garments, accessories, and homeware; a chapter of schematics with advice on design development and sizing options.

Viking Wire Weaving - a complete how-to and project guide - Learn the techniques of Trichinopoly chainwork. - Convert simple wire into complex chains - Master multiple weaves and techniques - Employ the same steps to create gorgeous nets and gem encasements - Learn how to incorporate new materials into your work Bring a Viking era craft to life and create stunning works in the process. This book will guide you through every step of the process, from the tools you'll need to the techniques

From the top of your head to the tips of your toes, Saltwater Classics will keep you toasty warm with beautiful hand-knitted hats, mitts, gloves, socks and vamps. As their follow-up to the best-selling Saltwater Mittens, Christine LeGrow and Shirley A. Scott have collected and expertly recreated some of Newfoundland's best loved knitwear. Along the way, they've sprinkled in a hefty dose of their own creative flair in presenting stunning patterns you'll never see anywhere else. The dozens of colour photographs will inspire you to make your own bold colour choices. The nuggets of history, and tales of mittens and their knitters, make Saltwater Mittens a book knitters and non-knitters alike can enjoy.

Nalbinding - An Age-Old Technique Nalbinding was and is found around the world, but in most industrialized countries it is virtually unknown today. This was not always so. Only when knitting began to spread in the European Middle Ages, did nalbinding sink into oblivion there. Today, creative people are re-discovering nalbinding. If you are interested in how nalbinding developed, this book provides you with a historical overview based on the most important archaeological finds. If you are a textile artisan or scholar, you will find fascinating structures and diverse variations described and explained. And finally, if you have the courage to learn and

revive an ancient handicraft, there are instructions for various stitches and practical projects.

A result of years of research by a Swedish knitwear designer who explored patterns of ornamentation found on Viking artifacts, an adventure in Nordic forms features 14 knitting projects, in which richly intricate knots and braids are adapted. 3,000 first printing. "A most valuable book." —Christian Science Monitor For readers of The Monuments Men and The Hare with Amber Eyes, the story of the Nazis' systematic pillaging of Europe's libraries, and the small team of heroic librarians now working to return the stolen books to their rightful owners. While the Nazi party was being condemned by much of the world for burning books, they were already hard at work perpetrating an even greater literary crime. Through extensive new research that included records saved by the Monuments Men themselves—Anders Rydell tells the untold story of Nazi book theft, as he himself joins the effort to return the stolen books. When the Nazi soldiers ransacked Europe's libraries and bookshops, large and small, the books they stole were not burned. Instead, the Nazis began to compile a library of their own that they could use to wage an intellectual war on literature and history. In this secret war, the libraries of Jews, Communists, Liberal politicians, LGBT activists, Catholics, Freemasons, and many other opposition groups were appropriated for Nazi research, and used as an intellectual weapon against their owners. But when the war was over, most of the books were never returned. Instead many found their way into the public library system, where they remain to this day. Now, Rydell finds himself entrusted with one of these stolen volumes, setting out to return it to its rightful owner. It was passed to him by the small team of heroic librarians who have begun the monumental task of combing through Berlin's public libraries to identify the looted books and reunite them with the families of their original owners. For those who lost relatives in the Holocaust, these books are often the only remaining possession of their relatives they have ever held. And as Rydell travels to return the volume he was given, he shows just how much a single book can mean to those who own it.

A fully illustrated guide to knitting scarves, hats, and more, inspired by rich Scandinavian folklore, tradition, and history Pulling inspiration from the Scandinavian, Nordic, and Celtic regions, this book contains 20 charming and modern projects, based on traditional knitting styles and techniques. Whether you're drawn to the iconic colorwork of Fair Isle or Scandinavia, or the chunky cables of Aran knitting, the intricacies of Shetland lace knitting or the coziness of a Guernsey style pillowcase, you'll soon be reaching for your needles. Jenny shares the inspiration and history behind each thoughtful project, as well as easy-to-follow patterns, colorwork charts, and atmospheric photography. Whether you're a relative beginner or already an experienced knitter, with her guidance, you'll soon be creating truly special and one-of-a-kind pieces that can be cherished for generations.

Nalbinding - What in the World Is That?

The Nazi Looting of Europe's Libraries and the Race to Return a Literary Inheritance

Shawls are currently making a huge comeback in the fashion world, but many people do not realize that the shawl has been worn for many centuries and in many cultures. This collection of patterns and traditions features shawls from around the world. From the Himalayas to Spain, from Iceland to Japan, and from Mexico to Norway, many of the shawls featured here have been taken from examples of historic knitted shawls. Other designs have been translated into knitwear from patterns for woven or lace shawls. Included are 25 patterns as well as historical and cultural information about shawls that have been used for prayer and mourning, as bridal veils, and as christening garments. Each design is presented with a full-page color photo, written instructions, and charts.

The Faroes have a deeply rooted knitting culture and are perhaps at the top of the world when it comes to the number of knitting clubs. It is the authors desire with this book to awaken an interest in Faroese knitting motifs, to increase appreciation of wool as a natural material, and to spread our cultural heritage. Most of all, to keep the Nordic knitting patterns alive to honor all the work of previous generations.

Viking Patterns for Knitting Inspiration and Projects for Today's Knitter Trafalgar Square Pub

When most people think of their grandmother's knitting, they might not immediately see the connection to a modern knitter's life. But in *My Grandmother's Knitting*, Larissa Brown shows us that nothing could be further from the truth.

Many of today's hippest and most popular knitters found their passion for knitting under the tutelage of their grandmother or another revered family member, and in this book, they share stories and patterns inspired by their memories and their gratitude. Among the 26 contributors to *My Grandmother's Knitting* are STC Craft authors Wendy Bernard (Custom Knits series), Teva Durham (Loop-d-Loop series), Norah Gaughan (Knitting Nature), Joan McGowan-Michael (Knitting Lingerie Style), and Leigh Radford (AlterKnits series and One More Skein) as well as many other popular designers such as Jared Flood, Cookie A., Ysolda Teague, Anne Hanson, Kay Gardiner, and Meg Swansen.

Praise for *My Grandmother's Knitting*: "This is a pattern book with a twist. . . . Full of useful information and easy-to-knit garments, *Custom Knits 2* is a good choice for knitters looking to adapt designs and venture into designing their own garments." —*Creative Knitting Magazine* "In [*My Grandmother's Knitting*], Brown weaves family stories and early knitting memories of her interview subjects into poignant evidence that today's knitters have a strong connection to the knitters who came before them." —*CraftSanity* "This is a thoroughly charming book . . . A heartfelt celebration of shared creativity." —*Knitty.com* "Wonderful family stories are shared by those such as Meg Swansen, Norah Gaughan, Kirsten Kapur and Kay Gardiner. The projects in this book, as you can imagine, with the star-studded lineup of designers, are a beautiful assortment of accessories and women's garments. The look and feel of this book is so inviting and beautiful, with lovely photography by Michael Crouser. In all ways, this book is a true work of art and heart." —*Petite Purls*

Knitting & Wire Combine to Create 25 Gloriously Original Pieces! Distinguished by their fine gauge and delicate beauty, the 25 projects in this book take jewelry-making to fresh and unexpected places. Using knitting to transform cold, hard wire into a moldable, organic fabric, Samantha Lopez creates sophisticated, one-of-a-kind pieces that defy definition. Despite the complex appearance of some of the designs inside, every piece is born from the unconventional and artful combination of very basic techniques, all of which are illustrated in easy-to-follow sequences. So whether you have experience in knitting, jewelry-making or neither, you can create these projects with great success and minimal tools and materials. You'll find a thrilling range of styles inside: delicate and ultra-feminine, rugged and industrial, vintage-inspired, classic and modern. Create each project as-is, or factor in your own original interpretations, for results sure to WOW! Everything you need to create wearable sculptures! Step-by-step demonstrations of all the basic techniques needed to complete the projects: knitting, stitches, simple increases and decreases, stringing beads and more. 25 projects -rings, earrings, bracelets, necklaces - in a breathtaking range of styles. Striking ways to incorporate other materials, including sheet metal, gemstones, silk, velvet and patinas for additional texture opportunities. A simple wire-wrapping process for stronger, more wearable pieces.

Introducing the first official Harry Potter knitting book—a deluxe guide to creating over 25 authentic Harry Potter knits based on the iconic films. Channel the magic of the Harry Potter films from the screen to your needles with the ultimate knitter's guide to the Wizarding World. Featuring over 25 magical knits pictured in gorgeous full-color photography, this book includes patterns for clothing, home projects, and keepsakes pulled straight from the movies—and even includes a few iconic costume pieces as seen on-screen. With yarn suggestions based on the true colors used in the films, projects range from simple patterns like the Hogwarts house scarves to more complex projects like Mrs. Weasley's Christmas sweaters. A true fan must-have, this book also includes fun facts, original costume sketches, film stills, and other behind-the-scenes treasures. *Harry Potter: Knitting Magic* is sure to have fans everywhere summoning needles, conjuring yarn, and practicing their best knitting wizardry.

Beginning to advanced Viking Knit wire weaving techniques using the Lazee Daizee Viking Knit tool. Tool basics, materials guide, multiple wire patterns, finishing techniques, tips & tricks, design gallery, projects and "Steps by Steph" instructions.

Fiber and yarn enthusiasts nationwide will celebrate Ann Budd's latest addition to *The Knitter's Handy Book* series. Answering to a growing interest in knitting sweaters from the top down and knitting seamless sweaters that require little finishing, this handy book offers instructions for knitting five basic sweater types: circular yoke, raglan, modified-drop shoulder, set-in sleeve, and saddle shoulder. Patterns are offered in multiple sizes and yarn gauges and for a broad age group. Following the basics for each of the five sweater types are three diverse patterns from top designers that illustrate some of the many ways that instructions can be used as springboards for creative expression, including color, texture, and shaping variations. Also included for intermediate to advanced knitters are personal design touches, detailed charts, clear instruction, and quick tips to expand knitting possibilities and maintain creative originality. A key reference for knitters of all skill levels, this is the new essential knitting resource on your bookshelf.
