**Tipbooks are handy, accessible,
thorough and convenient reference
guides giving musicians everything they
want to know about their instruments -
and nothing they don't! They are written
in collaboration with and proofread by
musicians, teachers, technicians and**

other experts, and are ideal for beginners, students and advanced players. Features include: the instrument in bird's-eye view * lessons, teachers and practicing * dozens of clear illustrations * selecting and play-testing the instrument * a glossary - and all jargon explained * basic background information * price indications * the history and the family of the instrument * and more. As a bonus, special Tipcodes throughout the books give you access to

much additional information (short movies, soundtracks, photos and more) at www.tipbook.com! The Electric Guitar and Bass Tipbook covers choosing and buying guitars and basses; brands; selecting, cleaning and changing strings; tuning; maintenance; accessories and more. "A wealth of information in a very compact form." (Guitar Digest)

From renowned guitarist and multi-E Emmy-award winning composer, Brian Tarquin, comes a display-quality, full-

color reference guide to guitars. The Guitar Encyclopedia begins with the history of guitars spanning back to the birth of Epiphone by a Greek immigrant and the great inventions of Les Paul, to the boom of the Rock-'n-Roll-shredder days with Ibanez guitars and the futuristic designs of the Gibson Moderne and the Randy Rhodes Polka Dot Flying V. The book also contains interviews from guitar designers such as Fender and Eastwood, as well as boutique

companies such as Gander and Specimen. A far cry from other dry schematic encyclopedias, this book details the connections between different guitars and the monumental recordings that they produced. With introductions by Gary Hoey, Chris Poland (Megadeth), and Eric Shoaf (Vintage Guitar magazine), this book provides a rich and unique account of iconic guitars throughout history. Allworth Press, an imprint of Skyhorse Publishing,

publishes a broad range of books on the visual and performing arts, with emphasis on the business of art. Our titles cover subjects such as graphic design, theater, branding, fine art, photography, interior design, writing, acting, film, how to start careers, business and legal forms, business practices, and more. While we don't aspire to publish a New York Times bestseller or a national bestseller, we are deeply committed to quality books

that help creative professionals succeed and thrive. We often publish in areas overlooked by other publishers and welcome the author whose expertise can help our audience of readers.

This Winter/Spring 1995 Edition is the third OFFICIAL VINTAGE GUITAR MAGAZINE INSTRUMENT PRICE GUIDE published by Vintage Guitar Magazine & presents current market values on a wide range of guitars, amplifiers, basses, & related accessories. Vintage Guitar

Magazine is the largest publication covering the fast-growing hobby of guitar collecting &, as a result, their Price Guide has become the source for determining values on these vintage instruments. This edition of the Price Guide contains thousands of instrument values, over 130 photos, background information on the guitar collecting market, & tips on collecting. A handy index at the back of the book makes finding instrument listings a breeze. The

full color front & back covers sport beautiful photos of rare guitars. The hobby of guitar collecting has mushroomed in the last few years & the closets of America are full of old guitars that may be worth thousands. It is not uncommon to see old guitars offered for sale at over \$10,000! The VG Price Guide is printed in an 8 1/2" x 11" format on glossy stock. For orders, contact Vintage Guitar, Inc., at 701-255-1197; FAX 701-255-0250.

(Book). In Confessions of a Vintage Guitar Dealer , Norman Harris tells how he became the world's leading seller of vintage guitars. As founder and owner of the legendary store Norman's Rare Guitars, he has sold some of the finest fretted string instruments to the biggest stars in the world, including George Harrison, Bob Dylan, Tom Petty, and many others. In 1970 Harris moved to Los Angeles in hopes of hitting the big time in music. His first plan was

performing, but plan B was buying and selling guitars, and he had no idea how much opportunity for this there would be. Many groups came to LA also hoping to hit it big, but those who didn't might have to sell their instruments. This helped make early-1970s Los Angeles a haven for beautiful vintage guitars. At the same time, Hollywood was beginning to realize the value of time-correct instruments in film, and the recording industry recognized the high-quality

sound vintage instruments produced. The value of these instruments has grown dramatically since the '70s, and the vintage guitar market has become an international phenomenon with Norman Harris at the center of it all. Filled with fascinating stories and insights into the entertainment business, Confessions of a Vintage Guitar Dealer is an intriguing memoir from a man who has spent a lifetime getting extraordinary instruments into the hands of

extraordinary artists.

It may be difficult to say anything about Stevie Ray Vaughan

Download File PDF Vintage Guitar Price Guide

that hasn't already been said. The skinny kid from Oak Cliff on the south side of Dallas who followed his older brother Jimmie in and out of local blues clubs and eventually to Austin would go on to establish himself as the finest guitar player of his generation and perhaps the best of all time. Vaughan was truly a conduit for the symphony of the universe. The music that flowed through him endeared him to hordes of fans and won him near-divine status among guitarists. Vaughan continues to inspire and enthrall even decades after his passing. What others have attempted to portray in prose, photographer Tracy Anne Hart has expressed in imagery. From 1983 until just before his death in 1990, Hart captured Vaughan as he summoned magic with his passion, his technique, his intensity, and his love and

Download File PDF Vintage Guitar Price Guide

respect for the music. The result is a deeply felt visual portrait of Stevie Ray Vaughan that tells us almost as much about the photographer behind the camera as it does about the musician in front. Through Hart ' s eyes and mind, readers will experience his genius in an entirely new way. Hart also provides a glimpse at Vaughan ' s legacy, offering evidence of some of the next generation of guitarists who consider Vaughan a principal influence. The sum of her efforts comprises a work that offers a visual feast for guitar enthusiasts and music fans in Texas and beyond. Enjoy the photographs and remember to listen to Stevie ' s music as often and as loudly as possible!

This beautiful book is a comprehensive guide to the new Golden Age of handcrafted acoustic guitars! Illustrated with

The book is organized by categories most sought-after by collectors, including depression glass, dolls, jewelry, furniture, porcelain, and sports memorabilia. Indexes, cross-references, and expert commentary throughout empower readers to collect with confidence and price their own antiques.

(Book). In the mid '50s, Ted McCarty, Gibson's new

Download File PDF Vintage Guitar Price Guide

president, set out to further set Gibson apart from Fender. He wanted to create new designs that did not conform to the basic guitar shape. He wanted something new, something different. Together with a local artist, McCarty worked on guitars that were made up of straight lines, and three new guitars were born the Moderne, the Flying V and the Explorer. This book delves deep into the history of the Explorer through a myriad of color photos of its versions over time.
