

Vintage Revised Jewelry 35 Step By Step Projects Inspired By Lost Found And Recycled Treasures

Popular Mechanics inspires, instructs and influences readers to help them master the modern world. Whether it's practical DIY home-improvement tips, gadgets and digital technology, information on the newest cars or the latest breakthroughs in science -- PM is the ultimate guide to our high-tech lifestyle.

The first thing you need to consider before you begin the process of learning how to make costume jewelry is what type you wish to make. The best way of determining what style of jewelry you want to make is to look through various magazines and see what's on offer in stores locally. It's also a good idea to gain

inspiration for your costume jewelry designs by visiting museums or art galleries. You may even gain inspiration for your designs when out for a walk.

Presents instructions for creating a variety of beaded jewelry.

Nichole Bush has a passion for creating one-of-a-kind jewelry by combining antique and vintage treasures to make distinctive and unique statements, and in these 35 projects, she shares that passion with you. Old keys become quirky earrings or hang on chains as a pretty necklace. Pieces of watches capture a moment in time âcombined with other trinkets, they're turned into a lapel pin or wrist cuff. Anything can be a charm for a necklace or braceletâfrom beads to brooches and earrings, even door knobs. Metal locker number tags act as intriguing focal points and tintypes (photographs on metal rather than paper, made in the late 19th century) provide an instant echo of the past. Some designs are deeply personal, incorporating things that remind Nichole of family and friends, and she suggests what you might include for your own individual pieces. With clear, step-by-step artworks and instructions, a helpful techniques section, and lots of inspiration throughout, you will soon become skilled in making your own pieces of nostalgic, stunning jewelry.

Let your imagination take over with the 30+ projects in this ultra creative book. Learn how to use fun finds and collectibles in modern jewelry pieces that coordinate with today's fashions and reflect your personality 5/30/08 JSudoma Brenda Schweder will show you how to use fun finds and collectibles in modern jewelry pieces that work with today's fashions and reflect your personality. More than 30 projects featuring a variety of traditional and unusual pieces show you a multitude of design possibilities.

Queens Village was a picture-perfect postcard New York suburb. But in March 1927 the façade of respectability was stripped away to reveal an underside of greed, lust, and crime. Few incidents in crime history have been so notorious as the murder of Albert Snyder by his wife and her lover. Resonant of the footloose Jazz Age, it made persistent headlines and led to a sensational trial. The crime spawned a 1920s Broadway play and inspired the classic noir film of the 1940s, Double Indemnity. This book assesses the entire case, from grisly slaying and shabby cover-up to sharp police work and aftermath. Moreover, it explores sociocultural questions that beg to be answered: what effect does news reportage exert upon high profile cases, and why did such a transparent crime earn such an enduring place in the popular psyche?

Popular Science

Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

A primer for beading novices presents more than forty-five sensational, easy projects for necklaces, earrings, bracelets, and more, introducing the basic techniques required to complete these and other items. Original.

Craft your way to a steampunk look with these 35 stunning metalwork designs for necklaces, rings, bangles, earrings, and more. Linda Peterson shows you how to create gorgeous jewelry using items commonly found in your home, such as nuts and bolts, watch parts, beads, and old keys. Each project has clear step-by-step photography, and there's a comprehensive techniques section and tips to teach you all you need to know about working with metal. You'll learn the basics of metalwork, using brass, copper, and silver, as well as how to add finishes, such as polishing and adding a patina to give an aged effect. You'll never need to buy jewelry again!

Polymer clay is the material of choice and you will learn how to use free-fozm techniques and bead-rolling tools to create several styles. Sculpted effects, simulations of semi-precious stones, photo-image transfers and use of glitter and organic material mean the beads you make will be unique. All the tools you will need are listed, and finishing techniques, such as sanding, buffing and sealing, are described. Detailed instructions on how to use your own work to create stylish and individual pieces of jewellery, including necklaces, bracelets and earrings are also included. Basic techniques, such as stringing and fixing clasps, lead on to assembling all the components in designs and styles ranging from contemporary and elegant to simple and plain fun. Beginners and more advanced practitioners alike will find both practical advice and plenty of inspiration.

There was something very special and beautiful about women in the early- to mid-20th century. The way they dressed was elegant and the way they wore their hair was feminine. This book shows how to create so many of those hairstyles by taking hairstyles from the 1930s, 40s, 50s, and 60s and breaking them down into simple, easy-to-follow instructions. It uses brand new photographs and detailed directions. Not only a manual, it is also fun to read. The Finished Styles chapter of the book contains coffee table book quality images of models with their finished hairstyles. Sprinkled in introductions and throughout the book are interesting facts about the history of hairstyling, origins of styles, and information about starlets and performers who made the styles popular.

The Jewelry Recipe Book takes materials available at large craft stores (as well as specialty shops and artisan shops on Etsy)–beads, shrink plastic, leather, lace, pearls, sequins, polymer clay, yarn, and pinecones, to name a few–and transforms them into one-of-a-kind pieces of jewelry. Each of the 35 mini chapters organized by material consists of three projects and three skill levels, adding up to more than 100 stunning pieces that could easily be found for sale at Urban Outfitters or Anthropologie. Every piece is beautifully photographed, as are the majority of how-to steps, and the information is presented in an easy-to-follow way, like a recipe. The book also includes an overview of simple jewelry-making techniques and tips, with best practices for how to work with various materials; how to wear jewelry; and how to work with design elements that include color, scale, and shape.

Bestselling crafts book author Sherri Haab offers a new take on the classic friendship bracelet with 35 fresh, fashionable, and modern designs! A hugely popular rite of passage for girls all over the world, the friendship bracelet has recently become a fashion staple for women of all ages, incorporating various braiding, knotting, weaving, and embellishment materials and techniques. The techniques and materials of the classic friendship bracelet trace their roots to Central and South America, and the fashion world's renewed interest in all things ethnic have transported it to the runway, inspiring celebrities, models, and fashion mavens like Beyonce, Heidi Klum, Lauren Conrad, Bar Rafaeli, and Rita Ora to sport "stacks" of ultra-chic wrist candy and retailers to sell expensive versions. In Charm Love Friendship Bracelets, bestselling crafts book author Sherri Haab offers a new take on the classic friendship bracelet that shows how to make pretty, chic, and wearable polymer clay charms and beads and combine them with traditional knotting/macrame, braiding, wrapping, and other techniques using inexpensive threads, cording, beads, and findings to create 35 fresh, fashionable, and modern designs. The book covers essential supplies, knotting

techniques (with step-by-step illustrations), and working with polymer clay. The designs take a timeless classic and give it a new twist with fun, fashion-forward projects that let you customize your creations with easy-to-make polymer clay charms and beads as well as other easy-to-find embellishments.

The Double Indemnity Murder

Transforming Ordinary Materials into Stylish and Distinctive Earrings, Bracelets, Necklaces, and Pins

Collects five stories based on classic Disney animated films, including "Fly, Dumbo, Fly!," in which Dumbo discovers he can use his large ears to fly.

Inspired by the best of a century's designs, Vintage-Style Beaded Jewelry shows you how to create 35 delightful designs for your very own modern heirlooms. Deborah Schneebeli-Morrell uses a range of widely available materials to create jewelry for any event, including ideas to wear every day, such as a simple button necklace, and occasion pieces, such as a wedding tiara embellished with beads and paper rosebuds. Despite their glamour, many of Deborah's projects are surprisingly inexpensive; she shows how to make old china into cameo brooches, how to reuse jewels for a glistening two-strand bracelet, and how to revive a beloved but broken necklace as a stunning pearl necklace. Ideal as a gift, many of the bracelets, necklaces, brooches, and earrings can be created in an afternoon. With tips on how to work with found objects, Deborah shows how to transform favorite but damaged costume jewelry and thrift store finds into precious pieces that can be treasured forever. Clear step-by-step artworks and the use of simple techniques such as wiring, beading, and netting mean that even the beginner can produce stunning results. • 35 original projects to create modern heirlooms for yourself or to give as gifts. • Projects include delicate drop earrings, elegant brooches, and classic pendant necklaces. • Ingenious ideas on reusing old junk and thrift buys.

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

35 Beautiful Projects Using New and Old Materials

Provides an introduction to reading through twelve simple stories featuring the Teenage Mutant Ninja Turtles that highlight the sounds of the English language and how they are written.

Resin jewellery first started in the US around 6 years ago and has now become one of the fastest-growing trends in jewellery making. The technique is very simple - you simply mix the two-part resin together and pour into a bezel or pendant. Rings, pendants, brooches, cufflinks, hairpins and bracelets are all easy to make and look incredibly professional when done.In this inspiring book, well-known crafter Sara Naumann shows you just how easy and quick resin jewellery is to make, using minimal equipment and readily available products, and provides over 50 fabulous projects for you to try. You can add numerous items to the resin to achieve different effects. You can place paper in the bezels to act as a background to the resin - such as old book paper, map paper, scrapbook paper and photographs. Paper can also be painted, stencilled, or layered with washi tape before being coated with resin. Try sheet music for a vintage vibe, or origami papers for a fresh, contemporary look.In addition, you can also immerse various items in the resin before it cures, such as dried flowers and leaves, feathers, shells, beads and charms, or try adding glitter, coloured inks, nail polish and virtually anything else you can think of.The versatility of resin jewellery is awe-inspiring, providing papercrafters as well as jewellery-makers with all the skills and inspiration they need to design and make their own stunning pieces.

Wire wrapping is a quick and easy technique that will take your jewelry craft to the next level. A little wire, a few simple tools, and some brightly colored beads are all you need to start creating your own intriguing fashion statements. By adding new wires to basic links, you can alter simple links into complex and fascinating focal designs. Wire-Wrapped Jewelry Techniques teaches 30 expert wire wrapping

methods, such as forming bent-wire links, working a wrapping pattern, wrapping sequential layers, embellishing decorative loops, adding coil elements, and much more. This comprehensive guide to wire wrap jewelry includes 8 step-by-step projects for stunning necklaces, pendants, brooches, hairpins and earrings.
