Like No Other Lover

A Chance Encounter

No Longer A Gentleman

#1 New York Times bestselling author Stephanie Laurens returns to the Cynsters' next generation with an evocative tale of two people striving to overcome unusual hurdles in order to claim true love. A nobleman wedded to the lady he loves strives to overwrite five years of masterful pretence and open his wife 's eyes to the fact that he loves her as much as she loves him. Lord Devlin Cader, Earl of Alverton, married Therese Cynster five years ago. What he didn 't tell her then and has assiduously hidden ever since—for what seemed excellent reasons at the time—is that he loves her every bit as much as she loves him. For her own misguided reasons, Therese had decided that the adage that Cynsters always marry for love did not necessarily mean said Cynsters were loved in return. She accepted that was usually so, but being universally viewed by gentlemen as too managing, bossy, and opinionated, she believed she would never be loved for herself. Consequently, after falling irrevocably in love with Devlin, when he made it plain he didn' t love her yet wanted her to wife, she accepted the half love-match he offered, and once they were wed, set about organizing to make their marriage the very best it could be. Now, five years later, they are an established couple within the haut ton, have three young children, and Devlin is making a name for himself in business and political circles. There' s only one problem. Having attended numerous Cynster weddings and family gatherings and spent time with Therese' s increasingly married cousins, who with their spouses all embrace the Cynster ideal of marriage based on mutually acknowledged love, Devlin is no longer content with the half love-match he himself engineered. No fool, he sees and comprehends what the craven act of denying his love is costing both him and Therese and feels compelled to rectify his fault. He wants for them what all Therese' s married cousins enjoy—the rich and myriad benefits of marriages based on acknowledged mutual love. Love, he' s discovered, is too powerful a force to deny, leaving him wrestling with the conundrum of finding a way to convincingly reveal to Therese that he loves her without wrecking everything—especially the mutual trust—they' ve built over the past five years. A classic historical romance set amid the glittering world of the London haut ton. A Cynster Next Generation novel—a full-length historical romance of 110,000 words. Praise for The Games Lovers Play “A high-society Regency-era couple explores the genuine affection they share for one another against a sophisticated vintage backdrop. Unwaveringly eloquent, Games Lovers Play is as much a snapshot of a maturing marriage as it is an impassioned, provocative romance.” Libbybet R. G., Proofreader, Red Adept Editing “It isn't fashionable for members of high society in mid-nineteenth-century London to be in love with their spouses, but Lord Devlin Cader, seventh Earl of Alverton, is. After several years of marriage, has he waited so long that she won't accept a declaration even if he makes it?” Kim H., Proofreader, Red Adept Editing “In the power couple of Devlin and Therese, Laurens has conjured a love story that is every bit as enthralling as those of her unmarried lords and ladies.” Angela M., Copy Editor, Red Adept Editing

NEW YORK TIMES BESTSELLER Mary Balogh presents two of her classic Regency-era romances—seductive tales of ladies who are running away from love . . . and rogues who enjoy the chase. Surely, if she happens to announce her betrothal—even a false one—they will be forced to see each other. Devilishly handsome Lord Francis Sutton seems perfect for such deceit, always agreeable to games of passion in which he has nothing to lose. Except that Michael lacks the single most important element of success: a wife. Michael discovers such a paragon but finds a formidable obstacle in his path—the young lady's beautiful, strong-minded aunt—Caroline Sutcliffe. One of London's foremost diplomatic hostesses, Caro has style and status but, having lived through an unhappy political marriage, wants nothing of the sort for her niece, who has already lost her heart to another. But then a series of mysterious, and dangerous, accidents befall Caro—an assailant has stepped in with their own idea for Caro's future—one that could involve murder. Before Caro can become Michael's ideal bride, they must race to uncover the unknown's identity before all hope of what they long for, and wish for, is destroyed.
