Independent checkpointing allows maximum process autonomy but suffers from potential domino effects. Coordinated checkpointing eliminates the domino effect by sacrificing a certain degree of process autonomy. In this paper, we propose the technique of lazy checkpoint coordination which preserves process autonomy while employing communication-induced checkpoint coordination for bounding rollback propagation. The introduction of the notion of laziness allows a flexible trade-off between the cost for checkpoint coordination and the average rollback distance. Worst-case overhead analysis provides a means for estimating the extra checkpoint overhead. Communication trace-driven simulation for several parallel programs is used to evaluate the benefits of the proposed scheme for real applications. Wang, Yi-Min and Fuchs, W. A sci-fi drama of a high school aged girl who belongs in a different time, a boy possessed by emptiness as deep as space, an alien artifact, mysterious murder, and a love that crosses light years. To Amy, everyone has a flavor, and when that flavor begins to disappear, it spells trouble. After the crushing confrontation with Oliver, Amy is on the hunt for answers. This leads her to an old, moldy water containment facility, and leaves her with more questions than answers. At the same time, some of Amy's closest friends may be drifting apart.

Describes what women seek in a man and the steps a man needs to take to win women over.

Lucas Storey's life is all about college, studying, and finishing his medical degree. That's until he moves in with his older brother and meets his motorcycle club friends. Only, new people make Lucas nervous, almost to the extent of peeing himself, but he soon realizes they're great people and will accept him as he is. Now, if only he can stop thinking of a certain grumpy biker, things will be good. Never before has

Wade "Wreck" Williams noticed the same sex, or at least not until Lucas crashes into their lives. And notice Lucas he does. But that's not all. He wants to get to know the man, and he kind of likes looking at Lucas too. None of it makes sense, and Wreck will fight it for that reason alone. When Lucas thinks he can go out with a someone who's not Wreck-and jealously rears its ugly head to a point Wreck just has to step in-it's clear that he may just be wrecked forever.

Welcome to the new gold standard in critical care transport training. Published in conjunction with the American Academy of Orthopaedic Surgeons (AAOS) and the American College of Emergency Physicians (ACEP), Critical Care Transport offers cutting edge content relevant to any healthcare provider training in critical care transport. Like no other textbook in this market, Critical Care Transport thoroughly prepares medical professionals to function as competent members of a critical care team by covering the material that everyone—paramedics, nurses, physicians, and specialty crew—needs to know to operate effectively in the prehospital critical care environment. This book meets the curricula of major critical care training programs, including University of Maryland, Baltimore County (UMBC). It covers both ground and flight transport, and meets the objectives of critical care transport certification exams such as the Certified Flight Paramedic (FP-C) exam administered by the Board for Critical Care Transport Paramedic Certification. Content includes information specific to prehospital critical care transport, such as flight physiology, lab analysis, hemodynamic monitoring, and specialized devices such as the intra-aortic balloon pump. Standard topics such as airway management, trauma, and pharmacology are covered in the context of critical care. Chapters have been authored by leading critical care professionals across the country and represent the most current, state-of-the-art information on management of critical care patients.

This book presents a holistic approach to women's midlife and menopause transitions. It provides a balanced approach giving the expected benefits and side effects of western medical and complementary therapies for the entire range of menopausal concerns. Comprehensive information provided in a user-friendly way, including a matrix for finding western and alternative therapies for each symptom. Contained are graphs, illustrations, charts and worksheets to enhance learning and allow women to individualize the material. Special focus is placed on art that represents expansive, powerful, and symbolic aspects of women's beings; including a wide array of goddess and mythic images. The path of women's spiritual unfolding is described, with its unique features as they connect with the feminine divine. Women are brought in touch with their long heritage of archetypes in history and myth, and given guidance in drawing from the energies of archetypes to bring deeper aspects of the self into expression. (key words: midlife, menopause, holistic, middle aged)

Joyful Mending shows you how to fix old items of clothing, linens and household objects by turning tears and flaws into beautiful features. Simply by applying a few easy sewing, darning, felting, or crocheting techniques, as well as some sashiko and other favorite embroidery stitches, you can repair your favorite pieces in a transformative way. These techniques don't just save you money, but make your life more joyful, fulfilling and sustainable in an age of disposable "fast fashion." Author Noriko Misumi teaches you her philosophy of mending and reusing items based on the age-old Japanese concepts of mindfulness and Wabi Sabi (an appreciation of old and imperfect things). In her book, she shows you how to: Repair any kind of fabric that is torn, ripped or stained—whether knitted or woven Work with damaged flat or curved surfaces to make them aesthetically pleasing again Create repairs that blend in, as well as bold or whimsical visible repairs Darn your handmade or expensive gloves, sweaters and socks to make them look great again The joy to be found in working with your hands and the personal artistry you discover within yourself lie at the heart of this book. While nothing lasts forever, there's pleasure, as well as purpose, in appreciating age and imperfection. Joyful Mending allows you to surround yourself with the things that truly give you joy, whether they were given to you by a loved one, picked up in your travels or simply have a special place in your heart.

A Holistic Approach to the Three Phases of Menopause

"From Karaoke to the Platters" is the inspirational tale of how Paul B Allen III went from singing in karaoke establishments, to become the lead singer of one of the greatest vocal groups of all time, The Platters (Only You; Smoke Gets In Your Eyes; The Great Pretender, etc.). Paul was not allowed entry into his elementary school chorus because of his "tin ear," so the trip from "reject" to lead vocalist was an incredible journey. Paul shares that journey, as well as all the things he did, step by step, that led him to performing at venues like the world-famous Kennedy Center, backed by the National Symphony Orchestra, and his singing for the rich and famous all around the world, including performing for the Royal Family in London, Prince Albert in Monaco, and being invited to the White House to perform for the President of the United States of America. This book is made up of two parts that are linked together by Paul's real-life experiences in the music industry, as an internationally published songwriter and as the lead vocalist of The Platters. Part One tells step by step how he did it (and how you can too), and Part Two tells what happened once he "arrived." It is a truly fascinating account that can only be told by someone who has lived the life. And as you read, you'll feel like you're living it right alongside of him.

Stephen McCranie's Space Boy Volume 5

Raised with limited peer interaction, Ernestine St Bennett has difficulty interpreting social cues. At twenty-five she's become a loner; a shy nerd immersed in her scientific studies, whose best friend is Waldo. Then Ernestine meets Simon Prime, who's obviously a nerd, too! Sympathizing with his social dysfunction, Ernie decides to help poor Simon increase his self-esteem and thus enhance his social skills. Using principles learned in her fish studies, she'll simply turn Simon from meek to macho. What Ernestine doesn't know (but Waldo suspects) is that Simon Prime is really ex-cop, private investigator in disguise. A man who definitely doesn't need his masculinity enhanced!

First published in 1951, Cherokee Cooklore introduces us to traditional Cherokee cooking. It starts with a photographic essay as Aggie Lossiah demonstrates how she makes bean bread. This is followed by recipes gathered from the North Carolina Cherokee community (including yellowjacket soup, blood pudding, hominy corn drink, baked squirrel, and hickory nut soup). A description of Cherokee food customs is a fascinating booklet that provides valuable food lore for the adventuresome gourmet or the student of Native American history.
