The classic story about the power of words. Donovan Allen doesn't collect coins, comics, or trading cards like most kids. He collects words—big words, little words, soft words, and silly words. Whenever Donovan finds a new word, he writes it on a slip of paper and puts it in his word jar. But one day, Donovan discovers that his word jar is full. He can't put any new words in without taking some of the old words out—and he wants to keep all his words. Donovan doesn't know what to do, until a visit to his grandma provides him with the perfect solution.

Ten Strategies of a World-Class Cybersecurity Operations Center

Drug overdose, driven largely by overdose related to the use of opioids, is now the leading cause of unintentional injury death in the United States. The ongoing opioid crisis lies at the intersection of two public health challenges: reducing the burden of suffering from pain and containing the rising toll of the harms that can arise from the use of opioid medications. Chronic pain and opioid use disorder both represent complex human conditions affecting millions of Americans and causing untold disability and loss of function. In the context of the growing opioid problem, the U.S. Food and Drug Administration (FDA) launched an Opioids Action Plan in early 2016. As part of this plan, the FDA asked the National Academies of Sciences, Engineering, and Medicine to convene

This classic and heartwarming picture book was written and illustrated by the celebrated Vera B. Williams and was named a Caldecott Honor Book by the American Library Association. "A tender knockout. It's rare to find much vitality,

spontaneity, and depth of feeling in such a simple, young book."—Kirkus Reviews Vera Williams tells of a young girl who, along with her waitress mother, saves coins in a big jar in hopes that they can someday buy a new chair for their apartment, the kind of chair her mother deserves after being on her feet all day in the Blue Tile Diner. Into the jar also goes the money Grandma saves whenever she gets a bargain at the market. There hasn't been a comfortable place to sit in the apartment since a fire in their previous apartment burned everything to "charcoal and ashes." Friends and neighbors brought furniture to their new apartment downstairs, but no one brought anything big or soft or comfortable. Finally the jar is full, the coins are rolled, and in the book's crowning moment, mother, daughter, and Grandma search four different furniture stores, and after carefully trying several chairs, like Goldilocks, they find the chair they've been dreaming of at last. Vera Williams enhances this story about family, community, and the power of working together toward a common goal with her signature folk art-inspired paintings. *A Chair for My Mother* has sold more than a million copies and is an ideal choice for reading and sharing at home and in the classroom. "A superbly conceived picture book expressing the joyful spirit of a loving family."—*The Horn Book* Vera B. Williams's beloved picture book favorites include: "More More More," *Said the Baby* *Amber Was Brave*, *Essie Was Smart* *A Chair for Always* *A Chair for My Mother* *Cherries and Cherry Pits* *Music, Music for Everyone* *Something Special for Me* *Stringbean's Trip to the Shining Sea* *Three Days on a River in a Red Canoe*
