Fall in love with the addictive, suspenseful love story between a teenage girl and a vampire with the book that sparked a "literary phenomenon" and redefined romance for a generation (New York Times). Isabella Swan's move to Forks, a small, perpetually rainy town in Washington, could have been the most boring move she ever made. But once she meets the mysterious and alluring Edward Cullen, Isabella's life takes a thrilling and terrifying turn. Up until now, Edward has managed to keep his vampire identity a secret in the small community he lives in, but now nobody is safe, especially Isabella, the person Edward holds most dear. The lovers find themselves balanced precariously on the point of a knife -- between desire and danger. Deeply romar and extraordinarily suspenseful, Twilight captures the struggle between defying our instincts and satisfying our desires. This is a love story with bite. It's here! #1 bestselling author Stephenie Meyer makes a triumphant return to the world of Twilight with the highly anticipated companion, Midnight Sun: the iconic love story of Bella and Edward told from the vampire's point of view. "People do not want to just read Meyer's books; they want to climb inside them and live there." -- Time "A literary phenomenon." -- The New York Times

This book is the first dedicated volume of academic analysis on the monumental work of Elena Ferrante, Italy's most well-known contemporary writer. The Works of Elena Ferrante: Reconfiguring the Margins brings together the most exciting and innovative research on Ferrante's treatment of the intricacies of women's lives, relationships, struggles, and dilemmas to explore feminist theory in literature; questions of gender in twentieth-century Italy; and the psychological and material elements of marriage, motherhood, and divorce. Including an interview from Ann Goldstein, this volume goes beyond "Ferrante fever" to reveal the complexity and richness of a remarkable oeuvre.

In the jungle, the mighty jungle, the little frog finds an egg. "That's mine!" he says. But the snake wants his egg, and so does the eagle, and so does the lizard... But what does the angry elephant want?

Primo Levi, author of Survival in Auschwitz and The Periodic Table, wrote books that have been called the essential works of humankind. Yet he lived an unremarkable existence, remaining until his death in the house in which he'd been born; managing a paint and varnish factory for thirty years; and tending his invalid mother to the last. Now, in a matchless account, Ian Thomson unravels the strands of a life as improbable as it was influential, the story of the most modest of men who became a universal touchstone of conscience and humanism. Drawing on exclusive access to family members and previously unseen correspondence, Thomson reconstructs the world of Levi's youth--the rhythms of Jewish life in Turin during the Mussolini years--as well as his experience in Auschwitz and difficult reintegration into postwar Italy. Thomson presents Levi in all his facets: his fondness for Louis Armstrong and fast cars, his insomnia and many near-catastrophic work accidents. Finally, he explores the controversy and isolation of Levi's later years, along with the increasing tensions in his life--between his private anguish and gift for friendship; his severe bouts of depression and passion for life and ideas; his pervasive dread and reasoned, pragmatic ethic. Praised in Britain as "the best sort of history" and "a model of its kind," Primo Levi: A Life is certain to take its place as the standard biography and a necessary companion to the works themselves.

An account of an Israeli soldier's experiences in Beirut during the massacres at Sabra and Shatila follows his recovered memories of his participation in the September 1982 atrocities after he had forgotten them for more than twenty years.

Jack Loveless attempts to avert his grandson's questions about his role in World War I by taking him to visit the battlefield graveyards in France. While there he meets a German soldier from the past and vividly remembers the Christmas truce, a miraculous moment when the guns fell silent and horrors of war were temporarily forgotten in a football match. Suggested level: secondary.

Love under trying circumstances One night out of the blue, Ratchet Clark's ill-natured mother tells her that Ratchet will be leaving their Pensacola apartment momentarily to take the train up north. There she will spend the summer with her aged relatives Penpen and Tilly, inseparable twins who couldn't look more different from each other. Staying at their secluded house, Ratchet is treated to a passel of strange family history and local lore, along with heaps of generosity and care that she has never experienced before. Also, Penpen has recently espoused a new philosophy – whatever shows up on your doorstep you have to let in. Through thick wilderness, down forgotten, bear-ridden roads, come a variety of characters, drawn to Penpen and Tilly's open door. It is with vast reservations that the cautious Tilly allows these unwelcome guests in. But it turns out that unwelcome guests may bring the greatest gifts. By turns dark and humorous, Polly Horvath offers adolescent readers enough quirky characters and outrageous situations to leave them reeling! Now a Netflix animated film, starring Ricky Gervais, Maya Rudolph, Terry Crews, Martin Short, Jane Krakowski, Will Forte, Alessia Cara, and Séan Cullen! From the New York Times Bestselling and two-time Newbery Medal-winning author of The Giver and Number the Stars, comes a delightfully tongue-in-cheek story about parents trying to get rid of their four children and the children who are all too happy to lose their beastly parents and be on their own. The Willoughby children—Timothy, twins Barnaby A and Barnaby B, and their sister Jane—are fond all old-fashioned things, but especially old-fashioned adventures. What they aren't fond of, however, are their parents. Truth be told, their parents aren't the fondest of them, either, and they're concocting an evil plan to get rid of their children once and for all! Both parents and children have plenty of dastardly ideas and tricks up their sleeves. The only thing they don't have is any idea of what lies between them and a happily-ever-after. Complete with a cheeky glossary and bibliography, this hilarious and wonderfully old-fashioned parody pays playful homage to classic works of children's literature like Mary Poppins and A Christmas Carol.

A bestselling modern classic—both poignant and funny—narrated by a fifteen year old autistic savant obsessed with Sherlock Holmes, this dazzling novel weaves together an old-fashioned mystery, a contemporary coming-of-age story, and a fascinating excursion into a mind incapable of processing emotions. Christopher John Francis Boone knows all the countries of the world and their capitals and every prime number up to 7,057. Although gifted with a superbly logical brain, Christopher is autistic. Everyday interactions and admonishments have little meaning for him. At fifteen, Christopher's carefully constructed world falls apart when he finds his neighbour's dog Wellington impaled on a garden fork, and he is initially blamed for the killing. Christopher decides that he will track down the real killer, and turns to his favourite fictional character, the impeccably logical Sherlock Holmes, for inspiration. But the investigation leads him down some unexpected paths and ultimately brings him face to face with the dissolution of his parents' marriage. As Christopher tries to deal with the crisis within his own family, the narrative draws readers into the workings of Christopher's mind. And herein lies the key to the brilliance of Mark Haddon's choice of narrator: The most wrenching of emotional moments are chronicled by a boy who cannot fathom emotions. The effect is dazzling, making for one of the freshest debut in years: a comedy, a tearjerker, a mystery story, a novel of exceptional literary merit that is great fun to read.

Le Streghe. Dono del Folletto alle Signore presentato da D. Sacchi

A Lebanon War Story

Volevo nascere vento

Based on the True Story of Enaiatollah Akbari

The Works of Elena Ferrante

A Prequel

When ten-year-old Enaiatollah Akbari's small village in Afghanistan falls prey to Taliban rule in early 2000, his mother shepherds the boy across the border into Pakistan but has to leave him there all alone to fend for himself. Thus begins Enaiat's remarkable and often punishing five-year ordeal, which takes him through Iran, Turkey, and Greece before he seeks political asylum in Italy at the age of fifteen. Along the way, Enaiat endures the crippling physical and emotional agony of dangerous border crossings, trekking across bitterly cold mountain pathways for days on end or being stuffed into the false bottom of a truck. But not everyone is as resourceful, resilient, or lucky as Enaiat, and there are many heart-wrenching casualties along the way. Based on Enaiat's close collaboration with Italian novelist Fabio Geda and expertly rendered in English by an award-winning translator, this novel reconstructs the young boy's memories, perfectly preserving the childlike perspective and rhythms of an intimate oral history. Told with humor and humanity, In the Sea There Are Crocodiles brilliantly captures Enaiat's moving and engaging voice and lends urgency to an epic story of hope and survival.

'Sad, funny, wise and unblinkingly honest, this is truly wonderful.' Daily Mail 'I like the smell of pines and the aroma of freshly washed laundry. A chemist-turned-writer and a construction rigger in a remote factory pass the time swapping tales of their lives and voyages. Primo Levi's most light-hearted novel, The Monkey's Wrench is a tribute to storytelling, human ingenuity, and the importance of finding meaningful work in life. "A lot of stories have happened to me," says Faussone, the mysterious construction rigger at the center of this comic novel by Primo Levi. Far from home on a work assignment, Libertino Faussone befriends the book's narrator, a chemist based loosely off of Levi himself. Although he can't quite explain it, the chemist is immediately entranced by the wandering laborer who has traveled to every corner of the world. The two embark on an unlikely friendship, trading tales filled with curses and spies, scandal and heartbreak. With its easy-going and even whimsical tone, The Monkey's Wrench is a change from Primo Levi's other works. Yet its message is just as vital. The novel reminds us about the importance of connection between strangers, our endless capacity to solve even the most challenging of problems, and finding fulfillment in work. Along with Elie Wiesel and Hannah Arendt, Primo Levi is remembered as one of the most powerful and perceptive writers on the Holocaust and the Jewish experience during World War II. This is an essential book both for students and literary readers. Reading Primo Levi is a lesson in the resiliency of the human spirit.

A collection of essays from the visionary storyteller Gianni Rodari about fairy tales and folk tales and their great advantages in teaching creative storytelling. "Rodari grasped children's need to play with life's rules by using the grammar of their own imaginations. They must be encouraged to question, challenge, destroy, mock, eliminate, generate, and reproduce their own language and meanings through stories that will enable them to narrate their own lives." --Jack Zipes "I hope this small book," writes renowned children's author Gianni Rodari, "can be useful for all those people who believe it is necessary for the imagination to have a place in education; for all those who trust in the creativity of children; and for all those who know the liberating value of the word." Full of ideas, glosses on fairytales, stories, and wide-ranging activities, including the fantastic binomial, this book changed how creative arts were taught in Italian schools. Translated into English by acclaimed children's historian Jack Zipes and illustrated for the first time ever by Matthew Forsythe, this edition of The Grammar of Fantasy is one to live with and return to for its humor, intelligence, and truly deep understanding of children. A groundbreaking pedagogical work that is also a handbook for writers of all ages and kinds, The Grammar of Fantasy gives each of us a playful, practical path to finding our own voice through the power of storytelling. Gianni Rodari (1920–1980) grew up in Northern Italy and wrote hundreds of stories, poems, and songs for children. In 1960, he collaborated with the Education Cooperation Movement to develop exercises to encourage children's creative and critical thinking abilities. Jack Zipes is a renowned children's historian and folklorist who has written, translated, and edited dozens of books on fairytales. He is a professor at the University of Minnesota. Matthew Forsythe lives in Montreal where he draws and paints for picture books, comics, and animations.

Billionaire Max Hamilton thought he was finally starting to find contentment, more than two years after losing his wife Mia in a tragic drowning accident. He'd been reunited with a sister he hadn't realized existed. Finally he had family again, a reprieve from the pain and loneliness that had haunted him since his devastating loss. Yeah...he was as happy as a man could be, considering he had lost the other half of his soul and most of his heart when fate had torn his wife away from him. Or so he believed...until the day he rescued a mysterious woman in the park, a female who somehow had managed to reignite a part of him that he thought was long dead... Suddenly, Max's protective, dominant, possessive male instincts flare to life, leaving him at a loss as to how lightning could possibly strike twice in one lifetime. Is he truly being given another chance at real happiness, or would it be dangled in front of him, only to be taken away once again? Find out by reading The Billionaire's Salvation, Book 3 in The New York Times Bestselling series, The Billionaire's Obsession. This is a complete contemporary erotic romance novel with no cliffhangers!

First published in 1961 under the German title Sadako Will Leben (meaning Sadako Wants to Live), this non-fiction book by renowned Austrian children's writer Karl Bruckner is considered his most famous work. Telling the vivid story about a Japanese girl named Sadako Sasaki, who lived in Hiroshima and died of illnesses caused by radiation exposure following the horrific atomic bombing of the city in August 1945, the book has been translated into most major languages and has been used as material for peace education in schools around the world.

A 17 anni Rita si trasferisce a Roma e lascia per sempre il suo paese in provincia di Trapani: il perché non è facile da raccontare, non è facile guardare in faccia il Mostro che le ha rubato l'infanzia e la famiglia. Ma un giorno l'incontro con il giudice Paolo Borsellino le cambia la vita. Rita con lui si sente al sicuro e, nonostante la verità sia dolorosa da accettare, decide di raccontargli tutto quello che sa.

This exciting adventure story follows a family of slaves in the USA in 1860 as they escape from a cotton plantation via the legendary Underground Railroad. An enthralling story of courage and resilience, centring on 10-year-old Tommy, it will fascinate children who might not know much about this secret escape route into Canada that was used by as many as 100,000 people. Ten-year-old Tommy roams the cotton fields of Alabama owned by the notorious Captain Archer. Intimidating guards with fierce dogs protect the land to prevent any slaves from leaving. That is until a supernatural spirit visits Tommy offering a way out. With his banjo slung over his shoulder, Peg Leg Joe guides Tommy, his family and other slaves out of Southern USA, and into Canada through the legendary Underground Railroads. Stretched for miles across the country's vastness, the network famously facilitated more than 100,000 slaves to a new life. For Tommy and his family, the escape is far from an easy ride. The young boy is forced to mature through this testing period and allow his strong will to guide himself and others to safety under the guidance of Peg Leg Joe. Set in the 19th century, D'Adamo's well-constructed novel tells a story distant in time, remains grounded in a reality that still exists today. Millions of people across the globe continue to be enslaved, including children.
