The Morning & Evening devotional by C.H. Spurgeon is the gold standard by which other devotionals are compared. Morning & Evening gives a glance at exegetical insight from one of the greatest preachers of all time.

One contemporary scholar and authority on Spurgeon says of this work: "Next to Mr. Spurgeon's great literary work, The Treasury of David, we consider (these) Lectures to My Students his greatest single contribution to the Christian world. There is more practical wisdom, common sense and sage advice packed within these pages than with any other book of similar size, or content." This complete and unabridged edition of Spurgeon's great work will make it possible for today's generation to appreciate Spurgeon's combination of discerning wit and refreshingly practical advice. Included in the twenty-eight chapters of this classic volume are lectures such as: - The Call to Ministry - The Preacher's Private Prayer - On the Choice of a Text - On the Voice - The Holy Spirit in Connection with Our Ministry - The Blind Eye and the Deaf Ear - On Conversion as Our Aim - Illustrations in Preaching As were all of Spurgeon's messages to his people, each of these lectures is Scripture-saturated and Christ-honoring. They move swiftly and are fascinating in their content and sage counsel.

IttsiitoirriL f f TTOW shall man be just with God?" is a question of infinite importance -IX to every child of Adam; a question, however, which could never have been answered if Jehovah had not manifested his sovereign grace towards his apostate creatures. Fur from being a merely speculative point, it permeates the whole system of Christianity, and lies at the foundation of personal religion, and of all right views of the character and moral government of God. Whatever else may be considered indifferent or non-essential this cannot be; it is a capital article of that faith which was once for all delivered to the saints, and a mistake here may prove eternally fatal. Well might Luther call it "the article of a standing or falling church," i.e., the article on the reception or rejection of which the stability or subversion of the church depended. This then is the subject to which we invite the attention of our readers in this paper. And first, as to the nature of justification, or that in which it consists. The term justification is forensic, referring to the proceedings in a court of judicature, and signifies the declaring a person righteous according to law. It is not the making n person righteous by the infusion of holy habits, or by an inherent change from sin to holiness, this is sanctification; but the act of a judge pronouncing the party acquitted from all judicial charges. This is the sense in which the words just a.nd justify are used in the Old and New Testament Scriptures. For example it is said, "If there be a controversy between men, and they come unto judgment, that the judges may judge them; then they shall justify the righteous and condemn the wicked." (Deut. xxv. 1.) Here it is evident that to justify the righteous, ...

oppressed, or hungering—and He will bless us. In Charles Spurgeon's revealing exploration of The Beatitudes, you will learn to... Receive God's comfort Develop a gentle, forgiving spirit Inherit the earth Find contentment Obtain mercy Be pure in heart See God more clearly God has an excellent benefits package for His children. The Joy of the Lord

Edited by David Platt, Daniel L. Akin, and Tony Merida, this new commentary series, projected to be 48 volumes, takes a Christ-centered approach to expositing each book of the Bible. Rather than a verse-by-verse approach, the authors have crafted chapters that explain and apply key passages in their assigned Bible books. Readers will learn to see Christ in all aspects of Scripture, and they will be encouraged by the devotional nature of each exposition.

This book is a collection of brief meditations on various themes, useful both as a resource for sermon illustrations and as a guide for thoughtful meditation.

The primary basis of all judgement concerning the deeds done in our bodies is our motives. Our values determine our motives, and our motives are the real reason behind our thoughts, words, and deeds. Only God can see the true motives of every man's heart. Almost all human beings have something to hide. Nearly everyone twists words, events, and situations to their own advantage, to place themselves in the best possible light. Men often have ulterior motives and hidden agendas. This is sin and a form of hiding. Adam and Eve first hid from the presence of the Lord in the garden after they had fallen. But there will be no hiding from the presence of the Lord on that solemn Day of Judgement. Purity of Heart will prepare you for that day and spare you loss at the judgement seat of Christ, so that you may receive your full reward. What is done in pure love, by the leading of the Spirit, and for the glory and honor of God shall reap the fullest rewards.

The Victory of Faith

Volume 57 Sermons 3231-3282 Charles Spurgeon (19 June 1834 – 31 January 1892) is one of the church's most famous preachers and Christianity's foremost prolific writers. Called the "Prince of Preachers," he was one of England's most notable ministers for most of the second half of the nineteenth century, and he still remains highly influential among Christians of different denominations today. His sermons have spread all over the world, and his many printed works have been cherished classics for decades. In his lifetime, Spurgeon preached to more than 10 million people, often up to ten times each week. He was the pastor of the congregation of the New Park Street Chapel (later the Metropolitan Tabernacle) in London for 38 years. He was an inexhaustible author of various kinds of works including sermons, commentaries, an autobiography, as well as books on prayer, devotionals, magazines, poetry, hymns and more. Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration, and his oratory and writing skills held his audiences spellbound. Many Christians have discovered Spurgeon's messages to be among the best in Christian literature. Edward Walford wrote in Old and New London: Volume 6 (1878) quoting an article from the Times regarding one of Spurgeon's meetings at Surrey: "Fancy a congregation consisting of 10,000 souls, streaming into the hall, mounting the galleries, humming, buzzing, and swarming—a mighty hive of bees—eager to secure at first the best places, and, at last, any place at all. After waiting more than half an hour—for if you wish to have a seat you must be there at least that space of time in advance—Mr. Spurgeon ascended his tribune. To the hum, and rush, and trampling of men, succeeded a low, concentrated thrill and murmur of devotion, which seemed to run at once, like an electric current, through the breast of every one present, and by this magnetic chain the preacher held us fast bound for about two hours. It is not my purpose to give a summary of his discourse. It is enough to say of his voice, that its power and volume are sufficient to reach every one in that vast assembly; of his language, that it is neither high-flown nor homely; of his style, that it is at times familiar, at times declamatory, but always happy, and often eloquent; of his doctrine, that neither the 'Calvinist' nor the 'Baptist' appears in the forefront of the battle which is waged by Mr. Spurgeon with relentless animosity, and with Gospel weapons, against irreligion, cant, hypocrisy, pride, and those secret bosom-sins which so easily beset a man in daily life; and to sum up all in a word, it is enough to say of the man himself, that he impresses you with a perfect conviction of his sincerity." More than a hundred years after his death, Charles Spurgeon's legacy continues to effectively inspire the church around the world. For this reason, Delmarva Publications has chosen to publish the complete works of Charles Spurgeon. Being a collection of sentences, illustrations, and quaint sayings, from the works of that renowned Puritan, Thomas Brooks.

Spurgeon, the Prince of Preachers, was also a man of prayer. His sermons on prayer contained within this Pure Gold Classic will lead you to the very throne of grace where you will obtain mercy and find grace to help in times of need.

How could the life, let alone the death, of one man 2,000 years ago be the salvation of the human race? Donald Macleod explains the centrality of the atonement in Christian faith and experience, using seven key words to describe what happened on the cross: substitution, expiation, propitiation, reconciliation, satisfaction, redemption and victory.

The sermons in this book focus on C.H. Spurgeon's teaching on Jesus Christ and on His great sacrifice. Through the blood of Jesus Christ, Christians experience the power that results in purification, sanctification and atonement. As you read these sermons on the blood of Jesus, prayerfully presented to us from the Word of God and the Spirit-inspired mind and pen of Charles H. Spurgeon, you will gain knowledge, spiritual understanding and a deeper love for God, Christ Jesus and the Holy Spirit.

Susannah Spurgeon was the wife of the famous Baptist preacher of the second half of the nineteenth-century, Charles Haddon Spurgeon. She was born Susannah Thompson in January, 1832. Her early years were spent in London, where she often accompanied her parents or elderly friends to the New Park Street Chapel. She was converted upon hearing a sermon at the old Poultry Chapel by Rev S. B. Bergne from Romans 10:8 'From that service I date the dawning of the true light in my soul'. But her initial joy was replaced by 'seasons of darkness, despondency, and doubt', and it was not until she was helped by the new, youthful, pastor of New Park Street Spurgeon that she found 'the peace and pardon [her] weary soul was longing for'. Her friendship with Spurgeon grew, and they were married in January 1856. Their twin sons, Charles Jr. and Thomas, were born in September, 1857. Susannah became a true partner in her husband's ministry. Spurgeon would call his 'wifey' to come and help him on Saturday afternoons. Together they would read commentaries and discuss the Scripture for the next day's sermon. If he was discouraged, she would read to him. She counselled women and girls in the church and assisted female candidates at baptismal services. Her activities were restricted at times when she became chronically ill in the late 1860s, and was often confined to her room, or visited Brighton for relief. In 1875, when she had proof-read the first volume of her husband's book Lectures to My Students, she expressed a desire to 'place it in the hands of every minister in England' and so began the ministry of her Book Fund. Within a year, over 3000 volumes of theological books had been distributed by the Fund; by the time of her death, over 200,000 volumes had been sent out. Today, the supplying of theological books free to ministers and missionaries continues through the Book Fund of the Banner of Truth Trust, modelled upon that started by Susannah Spurgeon. Susannah's work expanded to include other ministries, such as the Pastors' Aid Fund and the Westwood Clothing Society. In her remaining years, following Charles' death in 1892, she assisted Joseph Harrald in compiling C.H. Spurgeon's Autobiography and also wrote a number of devotional books, including Free Grace and Dying Love, published by the Trust (which volume contains a Life of Susannah Spurgeon by Charles Ray). She died in October, 1903, after a severe attack of pneumonia from which she never recovered.

In Spurgeon on God, you will learn about the various attributes and characteristics of the Creator. Spurgeon's teachings on the Father's immutability, providence, love, and other facets of His personality will impact readers' lives with revelations and fresh insights that will deepen their understanding of God and His purposes, thereby promoting their spiritual growth. This book was inspired by the Holy Spirit, and it will produce lasting changes in the lives of those who read it. On each page God will speak to the reader's heart and impel the reader to draw near to the One who loves us with an everlasting love. Spurgeon wrote, "Let us fly to our God. He is a consuming fire. He will not consume our spirit, but our sins. Let the goodness of God excite us to a sacred jealousy, and to a holy revenge against those iniquities which are hateful in His sight."

This eBook edition has been formatted to the highest digital standards and adjusted for readability on all devices. All of Grace is a theological study by Charles Spurgeon who is known as the "Prince of Preachers". Grace is the hallmark of Christianity which is often out of the focus of the Christian church. Spurgeon suggests that the grace is the central glue of faith, redemption, and repentance. He argues that through grace, repentance gets a meaning. A gospel centered study tells about the greatness of Jesus and the Lord's redemptive heart towards his own. Spurgeon deals with the sin that entangles us by showing us Jesus. He reminds us that the Lord knows very well that we can't change our heart, but he can, when we submit to him by faith in Jesus. And with faith comes repentance.

The Golden Alphabet is Charles Spurgeon's exposition on Psalm 119, published originally in The Treasury of David. Upon noting that the seven-volume treasury was too large for individuals to purchase, he decided to publish smaller sections that are easier to read. " [Psalm 119], from its great length, helps us to wonder at the immensity of Scripture. From its keeping to the same subject it helps us to adore the unity of Scripture, for it is but one. Yet, from the many turns it gives to its one thought, it helps us to see the variety of Scripture. How manifold are the words and thoughts of God in his Word! Just as in creation, the wonders of his skill are displayed in many ways. " —Spurgeon Each section of this particular psalm begins with a letter in the Hebrew alphabet, earning it the nickname

" The Golden Alphabet. " Readers can now enjoy reading Spurgeon's personal thoughts and learn from his theological insight, breathing new life into this muchbeloved psalm. Key points and features: • A timeless classic, repackaged for a modern audience • Spurgeon's exposition on Psalm 119 from his original The Treasury of David • Spurgeon's commentaries are incredibly popular for their keen theological insights, pastoral care, and devotional nature

God wants His people to be happy and full of joy now as they will be in heaven. Author Charles Spurgeon unlocks the secret of joy by revealing the vital keys for living and growing in Christ.

'I have learned to be content in whatever [state] I am'' (Phil. 4:11) Anyone who lacks true contentment may find it in this book. If not, it will be because that one would not follow the very clear and simple instructions given. The teaching is from the Bible, yet it must be described as unique. Nowhere else will you find such unusual, but Biblically authenticated thoughts: He will teach you that contentment lies in subtraction, not in addition; that the ABC's of Christianity are nothing like what you thought them to be; that there is a mystery of contentment, but that once you have learned the way from Christ's word, you will be able to attain such a depth of contentment as you never before dreamed existed. This is a key book for building up Christian maturity. Christian Contentment, what is it? ''It is a sweet, inward heart thing. It is a work of the Spirit indoors. It is a box of precious ointment, very comforting and useful for troubled hearts
