Highly sensitive people—or empaths—see life through the eyes of compassion and caring. They were born that way. As a result, they carry a tremendous amount of inner light. But they're also the favored prey of "vampires" who feed off empaths' energy and disrupt their lives on every level—physical, emotional, and financial. In *Dodging Energy Vampires*, Christiane Northrup, M.D., draws on the latest research in this exciting new field, along with stories from her global community and her own life, to explore the phenomenon of energy vampires and show us how we can spot them, dodge their tactics, and take back our own energy. You'll delve into the dynamics of vampire-empath relationships and discover how vampires use others' energy to fuel their own dysfunctional lives. Once you recognize the patterns of behavior that mark these relationships, you'll be empowered to identify the vampires in your life too. In these pages, Dr. Northrup opens up a toolbox full of techniques you can use to leave these harmful relationships behind; heal from the darkness they've cast over your mind, body, and spirit; and let your own light shine. In the end, you may find yourself healthier, happier, wealthier, and more vibrant than you ever believed possible.

Use these laws of attraction to effortlessly attain your heart's desire. "If you don't need it, you are more likely to attract it." If our emotional needs are unmet, we repel what we most desire. When we've fulfilled our needs--such as the need to be cherished, the need to be heard, and the need for harmony--we are naturally attractive to potential love interests. "Like attracts like." When we are fully living our core values, we effortlessly attract others with similar values. It sounds simple. The trick is learning how to apply these laws in your everyday life--and international bestselling author and noted life coach Talane Miedaner shows you how. This easy-to-follow guide provides a comprehensive quiz to help you identify your top four emotional needs and includes step-by-step instructions on how to meet those needs. Once you start embracing your passion and living your dreams, you instantly become more attractive to others. It's truly the "effortless" way to find and keep the love of your life. "Talane is a masterful life coach--she is the living embodiment of the laws of attraction." --Sandy Vilas, MCC, CEO of Coach U, Inc.

“Every part of your life is experienced through the perspective of your physical body, and when you feel good, everything you see looks better. And so, there are few things of greater value than the achievement of health and physical well-being. “Not only does a good-feeling body promote positive thoughts, but, also, positive thoughts promote a good-feeling body. It is our expectation that as you ponder these cards, a new point of attraction will begin to be activated within you that eventually can lead to a wonderful mood or attitude, for if you are able to find feelings of relief even when your body is hurting or sick, you will find physical improvement, because your thoughts create your reality.” — Esther & Jerry Unleash the Miricle Power Inside You with Success Secrets from Around the World!

The New York Times best-selling authors of Ask and It Is Given and The Law of Deliberate Intent This book presents the powerful basics of the original Teachings of Abraham. Within these pages, you'll learn how all things, wanted and unwanted, are brought to you by this most powerful law of the universe, the Law of Attraction (that which is like unto itself is drawn). You've most likely heard the saying "Like attracts like," "Birds of a feather flock together," or "It is done unto you as you believe" (a belief is only a thought you keep thinking); and although the Law of Attraction has been alluded to by some of the greatest teachers in history, it has never before been explained in as clear and practical terms as in this latest book by New York Times best-selling authors, Esther and Jerry Hicks. Learn here about the omnipresent Laws that govern this Universe and how to make them work to your advantage. The understanding that you'll achieve by reading this book will take all the guesswork out of daily living. You'll finally understand just about everything that's happening in your own life as well as in the lives of those you're interacting with. This book will help you to joyously be, do, or have anything that you desire!

One recent December, at age 53, John Kralik found his life at a terrible, frightening low: his small law firm was failing; he was struggling through a painful second divorce; he had grown distant from his two older children and was afraid he might lose contact with his young daughter; he was living in a tiny apartment where he froze in the winter and baked in the summer; he was 40 pounds overweight; his girlfriend had just broken up with him; and overall, his dearest life dreams--including hopes of upholding idealistic legal principles and of becoming a judge--seemed to have slipped beyond his reach. Then, during a desperate walk in the hills on New Year's Day, John was struck by the belief that his life might become at least tolerable if, instead of focusing on what he didn't have, he could find some way to be grateful for what he had. Inspired by a beautiful, simple note his ex-girlfriend had sent to thank him for his Christmas gift, John imagined that he might find a way to feel grateful by writing thank-you notes. To keep himself going, he set himself a goal--come what may--of writing 365 thank-you notes in the coming year. One by one, day after day, he began to handwrite thank yous--for gifts or kindnesses he'd received from loved ones and coworkers, from past business associates and current foes, from college friends and doctors and store clerks and handymen and neighbors, and anyone, really, absolutely anyone, who'd done him a good turn, however large or small. Immediately after he'd sent his very first notes, significant and surprising benefits began to come John's way--from financial gain to true friendship, from weight loss to inner peace. While John wrote his notes, the economy collapsed, the bank across the street from his office failed, but thank-you note by thank-you note, John's whole life turned around. 365 Thank You is a rare memoir: its touching, immediately accessible message--and benefits--come to readers from the plainspoken storytelling of an ordinary man. Kralik sets a believable, doable example of how to live a miraculously good life. To read 365 Thank You is to be changed.

The Astonishing Power of Emotions

Money, and the Law of Attraction

Living a better-feeling life really comes down to one thing only: coming into alignment with the Energy of our Source.

Abraham reminds us that we are truly Source Energy focused into our physical bodies, and that a conscious Connection to that Broader Non-Physical part of us is necessary if we are to be the joyful Beings that we were born to be. Abraham calls that wonderful alignment Getting into the Vortex. Through a series of Leading Edge books (New York Times bestsellers), Abraham has emphasized the importance of our conscious alignment with the Source within us. They have let us know that our natural state of Being is inside our Vortex of Creation in complete alignment with Source Energy—and that every aspect of our physical experience reflects our alignment with, or resistance to, that Connection. Everything—from the physical well-being of our bodies, the clarity of our minds, and the abundance we allow to flow, to the satisfaction in every relationship we experience—is impacted by our all-important relationship with our Vortex.

Abraham has helped us to understand that our dominant intent in every day is to get into the Vortex! And now, they have lovingly and specifically guided Jerry and Esther Hicks in the creation of an innovative and valuable tool that promises to get us into the Vortex right now . . . and that tool is enclosed in the Getting into the Vortex User Guide in the form of a 70-minute audio download. This unique recording contains four powerfully guided daily meditations that have been designed to get you into the Vortex of Creation in four basic areas of your life: • General Well-Being • Financial Well-Being • Physical Well-Being • Relationships. Jerry and Esther are thrilled to offer this powerful, first-of-its kind, musically scored, breath-enhancing, user-friendly tool from Abraham that will get you into the Vortex.

If you feel stuck with no idea what you should do next, lifestyle celebrity and TV pioneer Debbie Travis's new book is for you. Drawing on the tough (sometimes hilarious) lessons Debbie learned in her own leap into a new way of living, and a multitude of stories, tips and ideas to jumpstart your dreams, she's created an inspiring roadmap for change. A few years ago, Debbie Travis realized that she was no longer challenged by her wildly successful TV career and she was so busy she was missing out on the people and things that made her happy. She dared to dream about a whole new direction in life--a plan to turn a 13th-century farmhouse in Tuscany into a unique hotel and retreat for people who need a change as much as she did. And now, after a crazy amount of work, she is not only living that dream but sharing it with others. Her new book draws directly on her own experiences (when she started, Debbie could barely make a bed, let alone run a hotel in a foreign county) and the uplifting stories of personal u-turns shared by women who have come to her retreats. Debbie's "commandments" will inspire women (and men) who have lost track of who

they are or what they want to be; who are going through the motions of a career that doesn't satisfy them anymore; who are wondering what to do with themselves now that their kids are gone or their marriage is over. On every page, Debbie shares the tools that helped her transform her life, and her example, her wit and her common sense advice will help motivate anyone who finds themselves standing at a crossroads wondering "What's next for me?"

This Leading Edge work by Esther and Jerry Hicks, who present The Teachings of Abraham, helps readers understand every relationship they are currently involved in as well as every relationship they have ever experienced. Includes a bonus CD on the law of attraction.

Provides guided meditations to help you come into alignment with the energy of your Source, and thus become a joyful Being.

This leading-edge book by Esther and Jerry Hicks, who present the teachings of the nonphysical entity Abraham, is about having a deliberate intent for whatever you want in life, while at the same time balancing your energy along the way. But it's important to note that the awareness of the need to balance your energy is much more significant than goal-setting or focusing on ultimate desires. And it is from this very important distinction that this work has come forth. As you come to understand and effectively practice the processes offered here, you will not only achieve your goals and desired outcomes more rapidly, but you'll enjoy every single step along the path even before their manifestation. As such, you'll find that the living of your life is an ongoing journey of joy, rather than a series of long dry spells between occasional moments of temporary satisfaction.

Bestselling author and renowned Zen teacher Steve Hagen penetrates the most essential and enduring questions at the heart of the Buddha's teachings: How can we see the world in each moment, rather than merely as what we think, hope, or fear it is? How can we base our actions on reality, rather than on the longing and loathing of our hearts and minds? How can we live lives that are wise, compassionate, and in tune with reality? And how can we separate the wisdom of Buddhism from the cultural trappings and misconceptions that have come to be associated with it? Drawing on down-to-earth examples from everyday life and stories from Buddhist teachers past and present, Hagen tackles these fundamental inquiries with his trademark lucid, straightforward prose. The newcomer to Buddhism will be inspired by this accessible and provocative introduction, and those more familiar with Buddhism will welcome this much needed hands-on guide to understanding what it truly means to be awake. By being challenged to question what we take for granted, we come to see the world as it truly is. Buddhism Is Not What You Think offers a profound and clear path to a life of joy and freedom.

Sara and Seth looked at each other. Both of them knew that if anything would fall into the category of ghosts, Solomon would most likely be it, but they didn ' t say anything, uncertain about telling their new friend their special secret. "Well, do you believe in ghosts?" Seth asked, looking intently at Annette ' s serious face. Annette looked at Seth and then at Sara, who both sat quietly, each waiting to hear the answer.
