Pete Culler on Wooden Boats

The insights and wisdom of the late, great boat designer and builder. Renowned as one of the last and best of the old-time boatbuilders, Captain R. D. "Pete" Culler provided a guiding light for the wooden boat revival in the 1970s. His designs are classic melds of elegance and utility; his workmanship was akin to artistry; and his teaching and writing a blend of clarity, good sense, insight, and humor. This book brings together the complete texts of Culler's classic works *Boats, Oars, and Rowing* and *Skiffs & Schooners*, along with articles from *The Mariner's Catalogs* and a selection of his timeless boat designs.
