A Petty Trader Driven by Purpose: A biography of Mofopefoluwa Joseph, FRM, narrates an inspiring life of a focused and spirit-filled business man that built his petty trading from nothing to what now becomes a formidable business entity. The book encapsulates Mofopefoluwa's humble beginning as a man that surrenders his life to the commandment and direction of God, even before he became a Christian. The biography narrates how Mofopefoluwa listens to the voice of God concerning his education, marriage, conversion, total change of name, and line of business he engaged in. The narration in the book, that of Mofopefoluwa's six decades on earth, should inspire not only the younger generations but also the older ones because it gives a vivid account of how God himself used Mofopefoluwa's life to add values to the lives of numerous

human beings through his philanthropic service to humanity. The book will surely encourage prospective business-minded individuals who are desirous of building a career from trading to forge ahead with divine focus while they have little or no working capital because Mofopefoluwa's petty trading that metamorphoses to a multimillion business spanning selling of weighing scales and virtual stamps to real estate commenced without a working capital. Hence, there are many prospective millionaire petty traders out there that Mofepefoluwa's purpose-driven life will inspire to fulfill their destinies.

Nigeria and Education

This book is the second of two books written for students following the core curriculum. The books provide the best learning tool for students preparing for the Cambridge IGCSE, GCE O Level Mathematics and WAEC Core Mathematics. The

topics are easy to follow with minimum help. Each of the sections offers a step-by-step explanation of concepts and then test your understanding with many exercises. The Try this exercises give you the opportunity to practise after every example. Every chapter ends with a test to help you retain mastery of the topics.

Research on Schooling in Nigeria

Report on the Supply of Secondary Level Teachers in English-speaking Africa

The American Heritage Journal of Creativity (AHJC) is a biannual journal of research from American Heritage University of Southern California located in the San Bernardino County in California, USA. It is published twice in a year. It accepts creativity as going beyond the possession and use of artistic, musical or writing talent, but permeating throughout the curriculum, in science, social studies and other areas. Research works conducted in the academia without restriction to subject are invited. The objectives of AHJC are to disseminate internationally pragmatic academic research solutions in diverse disciplines that are functionally creative and relevant to community and universal issues. Essentially, the crucial requirement is that it has to be a research paper with empirical findings. AHJC provides a multidisciplinary forum for the publication of original research and technical papers, short communications, state-

of-the-art developments in the liberal arts and sciences. Aside from articles, we also encourage prospective authors to submit book reviews, notes, short commentaries and full page relevant advertisements.
