Only, Rishi Kapoor was and is so much more. Few actors in Hindi cinema have had this sort of a career arc: From the gawky adolescent pining for his schoolteacher (Mera Naam Joker, 1970) to the naughty ninety-year-old (Kapoor & Sons, 2016), Rishi Kapoor has regaled audiences for close to fifty years. He won a National Award for his debut, became an overnight sensation with his first film as a leading man (Bobby, 1973), and carved a niche for himself with a string of romantic musical blockbusters in an era known for its angst-ridden films. He was the youth icon that is still the toast of the satellite TV circuit. The songs he lip-synced are the bread and butter of all radio stations even today. Then there was the second coming after a brief hiatus in the 1990s - as one of the finest actors in mainstream Hindi cinema with powerhouse performances in films like Do Dooni Chaar, D-Day, Agneepath and others. Characteristically candid, Rishi Kapoor brings Punjabi brio to the writing of Khullam Khulla. This is as up close and personal a biography as any fan could have hoped for. He writes about growing up in the shadow of a legendary father, skipping school to act in Mera Naam Joker, the workings of the musical hits of the era, an encounter with Dawood Ibrahim, his heroines (their working relationship, the gossip and the frisson that was sometimes real), his approach to his craft, his tryst with clinical depression, and more. A foreword by Ranbir Kapoor and a stirring afterword by Neetu Singh bookend the warmest, most dil se biography an Indian star has ever penned.

Director, dancer, goodwill advocate for the United Nations; Aishwarya Rajinikanth Dhanush is so much more than the daughter of a legendary actor, or the wife of southern cinema's biggest star. Growing up in Bangalore and then Madras, in a household that resolutely kept out any hint of her father's superstardom, she was a quiet, introverted child whose greatest pleasure was a visit to Marina Beach and an occasional meal out. It was not cinema but law that became a preoccupation when she started thinking about college and career - but fate, and her mother, had other plans for her.Aishwarya writes with disarming honesty about life as Rajinikanth's daughter, of falling in love and raising two boys with Dhanush, of fighting her own demons and finding satisfaction in a career of her choice. She reflects on the many roles a woman has to juggle at home and outside - in her case, under the watchful gaze of cameras and celebrity-watchers.Intensely personal, but also inspirational, Aishwarya's memoir is an unusually frank insight into growing up in cinema-land. A playful meditation on the joys and difficulties of being a woman in this age, Standing on an Apple Box is as much a celebration of individual fulfillment as it is of family.

As we learn to laugh and cry, win and lose, share and care, the meaning of life and true happiness unfolds before us. Known for his bold forays into Bollywood, Emraan Hashmi walks us through his memories that have shaped him—from confused teenager who dabbled in a variety of things to finding his calling to the suave, smart and unorthodox actor he has become today. At the heart of his story lies the most important and transformative experience of his life—the period when his son, Ayyan, was battling with cancer. It reveals the man behind the limitless charm of Emraan Hashmi and how he deals with his son's illness. Honest, personal, bold and heart-warming, The Kiss of Life is about an actor and a father's trials and triumphs.

"Matura's play not only offers a potted guide to Trinidadian ethnicity, economics and politics, but also a potent metaphor for the post-colonial process. It is also very funny ... the real power of Matura's play lies in its reminder, under all that surface exuberance, that the movement towards independence carried its own element of fancy-dress masquerade." Guardian 1950s Port of Spain. Samuel, a young tailor's assistant, dreams of Trinidad's independence. On the eve of carnival everyone fills the streets, dressed up to play mas. This annual celebration turns to tragedy and spurs Samuel on to make a decision that will change the political landscape of the future of this vibrant, volatile island. Play Mas premiered at the Royal Court

1974, winning the Evening Standard Award for Best Play, and transferred to the West End. Described as a wickedly funny, exuberant and poignant play, it is published in Methuen Drama's Modern Classics series for the first time, with a brand new introduction by Paulette Randall.

In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best ways forward.

Bollywood takes over in this contemporary, magical middle grade novel about an Indian American girl whose world turns upside down when she involuntarily starts bursting into glamorous song-and-dance routines during everyday life. You know how in Bollywood when people are in love, they sing and dance from the mountaintops? Eleven-year-old Sonali wonders if they do the same when they're breaking up. The truth is, Sonali's parents don't get along, and it looks like they might be separating. Sonali's little brother, Ronak, is not taking the news well, constantly crying. Sonali would never do that. It's embarrassing to let out so many feelings, to show the world how not okay you are. But then something strange happens, something magical, maybe. When Sonali gets upset during a field trip, she can't bury her feelings like usual—instead, she suddenly bursts into a Bollywood song-and-dance routine about why she's upset! The next morning, much to her dismay, Sonali's reality has shifted. Things seem brighter, almost too bright. Her parents have had Bollywood makeover. Her friends are also breaking out into song and dance. And somehow, everyone is acting as if this is totally normal. Sonali knows something has gone wrong, and she suspects it has something to do with her own mismanaged emotions. Can she figure it out before it's too late?
