

## *War Craft Official Battle Chest Guide Frozen Throne*

For over a quarter of a century, Warcraft and World of Warcraft players have been treated to a treasure trove of artifacts, gear, weaponry, and trinkets of both awe and amusement. Now players can get an in-depth look at the items they have collected...and the fearsome powers they hold. From the shining towers of Silvermoon to the sulfurous Blackrock Mountain to the white stone castles of Stormwind, the Eastern Kingdoms are vast and full of wonder. Every corner of the majestic isle contains countless stories, treasures, and more than a few secrets that some would prefer stay buried. Follow Spymaster Mathias Shaw and Captain Flynn Fairwind on an expedition across the Eastern Kingdoms for king and country as they chronicle its history and catalog the weapons, armor, and powers untold that are scattered across this sprawling dominion. Penned by New York Times bestselling author and Blizzard Entertainment writer Christie Golden, *Exploring Azeroth: The Eastern Kingdoms* is your first step on a truly remarkable journey across the beloved lands of Azeroth.

The peaceful realm of Azeroth stands on the brink of war as its civilization faces a fearsome race of invaders: orc warriors fleeing their dying home to colonize another. As a portal opens to connect the two worlds, one army faces destruction and the other faces extinction. From opposing sides, two heroes are set on a collision course that will decide the fate of their family, their people and their home. So begins a spectacular saga of power and sacrifice in which war has many faces, and everyone fights for something.

**NEW YORK TIMES BESTSELLER** • An all-new, official prequel novel to *The Battle for Azeroth*, Blizzard Entertainment's next expansion to the critically acclaimed World of Warcraft videogame. Azeroth is dying. The Horde and the Alliance defeated the demonic Burning Legion, but a dire catastrophe is unfolding deep below the surface of the world. There is a mortal wound in the heart of Azeroth, struck by the sword of the fallen titan Sargeras in a final act of cruelty. For Anduin Wrynn, king of Stormwind, and Sylvanas Windrunner, warchief of the Horde and queen of the Forsaken, there is little time to rebuild what remains and even less to mourn what was lost. Azeroth's devastating wound has revealed a mysterious material known as Azerite. In the right hands, this strange golden substance is capable of incredible feats of creation; in the wrong ones, it could bring forth unthinkable destruction. As Alliance and Horde forces race to uncover the secrets of Azerite and heal the wounded world, Anduin enacts a desperate plan aimed at forging a lasting peace between the factions. Azerite jeopardizes the balance of power, and so Anduin must gain the trust of Sylvanas. But, as ever, the Dark Lady has her own machinations. For peace to be possible, generations of bloodshed and hatred must be brought to an end. But there are truths that neither side is willing to accept and ambitions they are loath to relinquish. As Alliance and Horde alike grasp for the Azerite's power, their simmering conflict threatens to reignite all-out war—a war that would spell doom for Azeroth. Praise for *Before the Storm* “This is easily the best book in the World of Warcraft series, and I don't say that lightly. . . . It's so much more than a tie-in novel. . . . It's a beautiful book.” —Blizzard Watch

*The national bestseller and direct tie-in to the new game expansion pack Warlords of Draenor—a thrilling novel set in the universe of the record-breaking, internationally bestselling video game World of Warcraft! His thirst for conquest devastated cities, nearly tore the Horde apart, and destroyed countless lives. Now, on the legendary continent of Pandaria, he will stand trial for his transgressions. Renowned leaders from across the world have gathered to witness this historic event. As the trial unfolds, agents of the bronze dragonflight present shocking visions of Garrosh's atrocities. For many of those in attendance, these glimpses into history force them to relive painful memories and even question their own innocence or guilt. For others, the chilling details stoke the flames of their hatred. Unbeknownst to anyone, shadowy forces are at work on Azeroth, threatening not only the court's ability to mete out justice...but also the lives of everyone at the trial. © 2015 Blizzard Entertainment, Inc. *An exploration of the popular online role-playing game World of Warcraft as a virtual prototype of the real human future. World of Warcraft is more than a game. There is no ultimate goal, no winning hand, no princess to be rescued. WoW is an immersive virtual world in which characters must cope in a dangerous*

environment, assume identities, struggle to understand and communicate, learn to use technology, and compete for dwindling resources. Beyond the fantasy and science fiction details, as many have noted, it's not entirely unlike today's world. In *The Warcraft Civilization*, sociologist William Sims Bainbridge goes further, arguing that WoW can be seen not only as an allegory of today but also as a virtual prototype of tomorrow, of a real human future in which tribe-like groups will engage in combat over declining natural resources, build temporary alliances on the basis of mutual self-interest, and seek a set of values that transcend the need for war. What makes WoW an especially good place to look for insights about Western civilization, Bainbridge says, is that it bridges past and future. It is founded on Western cultural tradition, yet aimed toward the virtual worlds we could create in times to come.

Blizzard Entertainment and Dark Horse Books are thrilled to present the next installment of the wildly popular *World of Warcraft Chronicle* series. Volume 2 will reveal more sought-after details about the game universe's history and mythology. Showcasing lush, all-new artwork from fan favorites such as Peter Lee, Joseph Lacroix, and Alex Horley, this striking tome is sure to please all fans--casual and collector alike.
