While he remains hopeful that at least there’s the chance for some heroics, the reality is very different. Kemp’s war is instead a terrifying odyssey through the panic and confusion of his first battle, the brutal realities of siege warfare, and eventually to the field of Crécy, where he faces the armoured might of the French nobility. This stunning adventure brings the medieval world vividly to life, and is ideal for fans of Bernard Cornwell, Matthew Harffy and Giles Kristian.

Learn how to: - find peace and enjoyment during mealtimes; - find ways to help anxious eaters fearlessly try new foods; - navigate the sensory variations in food smells, tastes, textures looks, sounds: and - help anxious eaters (and their parents) develop a more positive relationship with food. Because parents are absolutely central to mealtime success, the author incorporates parent insights throughout the book. Using encouragement, novelty, and fun, she invites everyone back to the table with a sensitive and pressure-free approach.

Though they have allies among the monks and splinter cells inside the city, Shyla knows the Invisible Sword doesn't have the strength to win. With the group fracturing due to the strain of losses from their latest ordeal, thinly veiled suspicions and endless disagreements, it's up to Shyla to forge a new united order. When both the draconian Water Prince and brutal Heliacal Priestess learn of Shyla's new powers, life becomes even more complicated as they will stop at nothing to capture Shyla and take the magic of The Eyes for themselves. Hunted at every turn and unable to hide, Shyla and the Invisible Sword must use every resource at their command - and unearth new ones - in their race to save the city from destruction. But their enemies always seem to be one step ahead. And the cost to win the battle may be more than Shyla would ever be willing to pay...**
