

Webb Bridge Middle School

Small print edition 5x8Starkishia: Estrella is a story about a little girl who grew up too fast to feel the grass wear thin under the soles of her shoes. Abuse thickened her skin, yet her nightmares were as dark as they were real. The library became her sanctuary where stories took her to another place and time. But, in reality there was nothing imaginary about the bruises under her clothing as she advanced from one classroom to another during middle school, or nothing fictitious about being molested by the maggot father of a despicable relative. Her plight was hidden in a small town in Georgia, just as her physical abuse was disregarded by the school's social worker. This colored child was brought into this world by her 14 year old mother who was ruthlessly dominated by her husband. Starkishia loved her mother above all else; her step-father who provided shelter for them witnessed her birth and helped raise her. She consumed pieces of joy, but sometimes she received broken reprisals and ended up walking down the dark road alone; yet in some fortunate way humanity was always within reach. After her parents split up, Starkishia and her family ended up in Texas. Single parenthood changed their family structure forevermore. Starkishia became a wage earner at age 13; she also became homeless the following year. She was, for years, engulfed by her impoverished and dysfunctional environment. She married a native of Mexico a few days after her 15th birthday. He nicknamed her 'Estrella' a Spanish term which means 'Star.' It goes without saying that Starkishia was born in the land of opportunity, but it was not exactly within her reach. Yes, she was her grandmother's star, but she was a statistic of minimal proportions as far as small town and suburbia America was concerned. Shortly after marriage, she became a mother. Afterward the life of this teen went downhill at lightning speed. Many readers will identify with her; for, she walked away from her husband broken hearted; then, she fell in love with another man, and as new babies arrived, she took her limited funds and focused on the lives of those under her roof; in time, her parental absence to her oldest two children turned flat out into abandonment. Have mercy! Starkishia was a lost teen, but through grace she eventually became a productive woman in American society. Meredith Etc., a small press, proudly introduces readers to Starkishia: Estrella, a story about the perils of teen parenthood, economic dispossession, and the charity of new beginnings.Meredith Coleman McGee, Publisher/Acquisition EditorMeredith Etc., a small pressJackson, Mississippi, USAwww.meredithetc.com

Palm Beach County is known for its affluence and profusion of art and culture. Artists have produced fine art murals from the Depression era to the present. The Society of Four Arts, the Norton Museum of Art, the Flagler Museum, and the Boca Raton Museum of Art all display mural installations. Historic, decorative, and educational murals can be found on public school buildings, nonprofit institutions, commercial spaces, and large-scale landmarks, such as the South County Courthouse. Art can be temporary, as revealed on canvases at the Cornell Art Museum at Old School Square, or permanent, as the ceramic-tiled wall of the Boca Express Train Museum. Murals of the Palm Beaches exposes Art in the Alley, a hidden community project, and remembers masterpieces painted at the Palm Beach International Airport terminals, now demolished. Despite facing physical and political obstacles, the pioneers of public art in the Palm Beaches have paved the way for our graffiti-styled street artists of today.

Believing that someone is trying to steal the farm, Lillie gets herself in one tangled mess after another. Can she untangle the mess she created in time to save her home? The book focuses on the context in which educational testing operates and suggests a view of testing, not as a narrowing of the curriculum, but as a way to deepen teachers involvement in creating the ideas that must be assessed so that teachers can create curriculum and instruction appropriate to their students. The chapters are: (1) Defining the Problem: The Historical Context; (2) Schools at the Beginning of the 21st Century: Problems and Proposed Solutions; (3) Taking the First Steps toward Productive Change; (4) The Assessment Roadway: How Tests Tell Us What To Do; (5) Responding to High-Stakes, Standards-Based (HSSB) Tests: Restructuring Curriculum; (6) Building a Cohort of the Best Teachers: Recruitment, Engagement, Nurrturance; and (7) Searching for Leadership. California zookeeper Theodora Bentley travels to Iceland to pick up an orphaned polar bear cub destined for the Gunn Zoo's newly installed Northern Climes exhibit. The trip is intended to be a combination of work and play. But on day two, while horseback riding near a picturesque seaside village, Teddy discovers a man lying atop a puffin burrow, shot through the head. The victim is identified as American birdwatcher Simon Parr, winner of the largest Powerball payout in history. Is Teddy a witness - or a suspect? Others include not only Parr's wife, a famed suspense novelist, but fellow members of the birding club Parr had generously treated to their lavish Icelandic expedition. Hardly your average birders, several of them have had serious brushes with the law back in the States. Guessing that an American would best understand other Americans, police detective Thorvald Haraldsson grudgingly concedes her innocence and allows Teddy to tag along with the group to volcanoes, glaciers, and deep continental rifts in quest of rare bird species. But once another member of the club is murdered and a rockfall barely misses Teddy's head, Haraldsson forbids her to continue. She ignores him and, in a stunning, solitary face-off with the killer in Iceland's wild interior, concludes an investigation at once exotic, thrilling, and rich in animal lore.

Zookeeper Theodora 'Teddy' Bentley takes Alejandro, the Gunn Zoo llama, to a Monterey Bay area Renaissance Faire. Soon after, Teddy stumbles upon the still-warm body of the Reverend Victor Emerson, owner of the local wedding chapel. He is dressed in his royal robes as Henry VIII. At first it appears as if Alejandro stomped the man to death, but a closer look reveals a crossbow dart in the man's back. Teddy's investigation proves the "reverend" is really an escaped convict, and every marriage he's performed in the past twenty years is null and void. He twice married Teddy's ex-beauty queen mother Caro to wealthy men, and when both marriages failed, Caro received large financial settlements. Now she may have to give all that money back. But Caro wasn't the only person with a grievance against Victor. The child of the man Victor once murdered may have wanted to kill him, too. Then Teddy's embezzling father flies in from exile in Costa Rica to help spring Caro from jail, putting his own freedom in jeopardy. Can Teddy solve this case before someone else she knows is implicated?

"Sentimental, heartfelt...the exploration of Henry's changing relationship with his family and with Keiko will keep most readers turning pages...A timely debut that not only reminds readers of a shameful episode in American history, but cautions us to examine the present and take heed we don't repeat those injustices."-- Kirkus Reviews "A tender and satisfying novel set in a time and a place lost forever, Hotel on the Corner of Bitter and Sweet gives us a glimpse of the damage that is caused by war--not the sweeping damage of the battlefield, but the cold, cruel damage to the hearts and humanity of individual people. Especially relevant in today's world, this is a beautifully written book that will make you think. And, more importantly, it will make you feel." -- Garth Stein, New York Times bestselling author of The Art of Racing in the Rain "Jamie Ford's first novel explores the age-old conflicts between father and son, the beauty and sadness of what happened to Japanese Americans in the Seattle area during World War II, and the depths and longing of deep-heart love. An impressive, bitter, and sweet debut." -- Lisa See, bestselling author of Snow Flower and the Secret Fan In the opening pages of Jamie Ford's stunning debut novel, Hotel on the Corner of Bitter and Sweet, Henry Lee comes upon a crowd gathered outside the Panama Hotel, once the gateway to Seattle's Japantown. It has been boarded up for decades, but now the new owner has made an

incredible discovery: the belongings of Japanese families, left when they were rounded up and sent to internment camps during World War II. As Henry looks on, the owner opens a Japanese parasol. This simple act takes old Henry Lee back to the 1940s, at the height of the war, when young Henry's world is a jumble of confusion and excitement, and to his father, who is obsessed with the war in China and having Henry grow up American. While "scholarshipping" at the exclusive Rainier Elementary, where the white kids ignore him, Henry meets Keiko Okabe, a young Japanese American student. Amid the chaos of blackouts, curfews, and FBI raids, Henry and Keiko forge a bond of friendship--and innocent love--that transcends the long-standing prejudices of their Old World ancestors. And after Keiko and her family are swept up in the evacuations to the internment camps, she and Henry are left only with the hope that the war will end, and that their promise to each other will be kept. Forty years later, Henry Lee is certain that the parasol belonged to Keiko. In the hotel's dark dusty basement he begins looking for signs of the Okabe family's belongings and for a long-lost object whose value he cannot begin to measure. Now a widower, Henry is still trying to find his voice--words that might explain the actions of his nationalistic father; words that might bridge the gap between him and his modern, Chinese American son; words that might help him confront the choices he made many years ago. Set during one of the most conflicted and volatile times in American history, Hotel on the Corner of Bitter and Sweet is an extraordinary story of commitment and enduring hope. In Henry and Keiko, Jamie Ford has created an unforgettable duo whose story teaches us of the power of forgiveness and the human heart. BONUS: This edition contains a Hotel on the Corner of Bitter and Sweet discussion guide and an excerpt from Jamie Ford's Love and Other Consolation Prizes.
