Now, you can relax and enjoy preparing for your special day! "An outstanding resource for anyone planning a wedding! Shaw's advice is concise, on target, in good taste, and always full of dry humor." —Carolyn Shepard-Baehre, AIFD, president, Carolyn Scholars in many of the disciplines surrounding politics explicitly utilize either a narrative perspective or a metaphor perspective (though rarely the two in combination) to analyze issues -- theoretical and practical, domestic and international -- in the broad field of politics. Among the topics they have studied are: competing metaphors for t been coined over the centuries in diverse cultures; the frequency with which communal and international conflicts are generated, at least in part, by the clashing religious and historical narratives held by opposing groups; the cognitive short-cuts employing metaphor by which citizens make sense of politics; the need for political candidates narrative; the extent to which the metaphors used to formulate social issues determine the policies which will be developed to resolve them; the failure of narratives around the security of the nation to take account of the individual experiences of women and children. This volume is the first in which eminent scholars from disciplines as o anthropology, political theory, international relations, feminist political science, and media studies, have sought to integrate the narrative and the metaphor perspectives on politics. It will appeal to any scholar interested in the many ways in which narrative and metaphor function in combination as cognitive and rhetorical instruments in dis A companion to the popular website APracticalWedding.com and A Practical Wedding Planner, A Practical Wedding helps you sort through the basics to create the wedding you want -- without going broke or crazy in the process. After all, what really matters on your wedding day is not so much how it looked as how it felt. **Moral psychology** is the study of how human minds make and are made by human morality. This state-of-the-art volume covers contemporary philosophical and psychological work on moral psychology, as well as notable historical theories and figures in the field of moral psychology, such as Aristotle, Kant, Nietzsche, and the Buddha. The Oxford Handbook of Moral Psychology's fifty chapters, authored by leading figures in the field, cover foundational topics, such as character, virtue, emotion, moral responsibility, the neuroscience of morality, weakness of will, and the nature of moral judgments and reasons. The volume also canvases emerging work in applied moral psychology, including adaptive preferences, animals, mental illness, poverty, marriage, race, bias, and victim blaming. Collectively, the essays form the definitive survey of contemporary moral psychology. "Come live with me and be my love..." Nothing personalizes a wedding more than using the right words. Brides- and grooms-to-be looking for unique, inspiring ways to celebrate their special day will find the best words of love in this practical guide. Romantic and witty, classic and contemporary, multicultural, pop-cultural, and just plain fun-if it's been said about love, it's in this book. Covering everything from invitations and wedding websites to readings, programs, party favors, and more, Words for the Wedding presents hundreds of classic and contemporary poems, quotes, quips, and blessings-from the Buddha to Bono-along with advice on how to use them most memorably. Whether you're planning a traditional nuptial or a do-it-yourself celebration on a shoestring, this useful and inspiring book will help you find all the right words to go along with "I do."

A second book of stories for every week of the Christian year, and a few more besides. Relates to lectionary cycle A. Tom Gordon's stories are a product of his awareness of the issues of our current age. As a consequence, what he offers are truly contemporary parables, drawing our attention to facets of our modern living and pointing us to lessons and truths that will have universal relevance. Donnell engages gender theory and cultural studies in order to shed light on cross-dressing- a common though poorly understood practice- in plays performed in Spain and Colonial Spanish America during the sixteenth and seventeenth centuries. The author shows how certain naturalized assumptions about masculinity and femininity are unmasked through the cross-dressed performance of works attributed to Lope de Rueda, Morales, Lope de Vega, Monroy y Silva, and Calderon.

Liquid Scintillation Counting: Recent Developments presents the Proceedings of the International Symposium on Liquid Scintillation Counting, held in Sydney, Australia, on August 20-22, 1973. It summarizes the current status of recent developments in liquid scintillation spectrometry. It looks at the important role of liquid scintillation spectrometry in universities, laboratories and institutes involved in agriculture, biomedical science, geophysics, and nuclear physics. Organized into 32 chapters, this volume begins with an introduction to the scintillation process in organic molecular systems and liquid scintillation counting. It then discusses the background of a coincidence-type liquid scintillation counter, which is divided into three components. The reader is also introduced to the basic concepts involved in mathematical modeling. This volume includes papers dealing with solubilizers, spark ignition system, radiocarbon dating, benzene synthesis, liquid scintillation chemicals, luminous bacteria, and stochastic multidimensional model for liquid scintillation spectrometer. This book is a valuable source of information for scientists, agriculturists, geophysicists, and nuclear physicists.

The story is about a young lady, Marie, in her desperate search for love in the wrong places and with the wrong guys whose preference is in playing the field, rather than building a serious relationship. To find love, she had to pay a heavy price, going from fantasyland to hellish pain and heartaches. Engaging in hitching up, and being ditched by slippery slope no-good men within and outside her college neighborhood. The beauty of her story is that she inexplicably found her dream man when she least expected it. Her best friend and former roommate, Elisa, was finally sick of watching her going from one bad apple to another and decided to literally take the bull by the horns and introduce her to her fiancé's boss, Greg. An all-around, successful, wholesome, and compassionate young man who took her into his arms, loved and proposed to her, and eventually married her. The pages of this book would take the reader through her love life, her persistence and zeal to find love, her pain and pleasures in searching for passionate loving relationships, and her final transformation into a fabulous, and nurturing woman in the quest for continuous growth and development. A determination to love and cherish herself, her romantic husband, and her children. The take-away for people like herself would be to view her story as a GPS and use bits of her experiences as a road map in navigating detours and anguish in love relationships. Marie's recipe is not perfect for everybody, but it worked magic for her. The only way to find out is by checking out the pages and seeing for oneself. If nothing else, enjoy her heart-warming pleasurable story and share it with your fellow feministic divas and their lovers.

Alanna Christine always emerges smelling like a rose—or, at least, she sculpts the pile of crap she’s in to look like a rose. She likens herself to a phoenix, constantly burning up and rising from the ashes in this memoir that combines aspects of “Cinderella” with “The Little Engine that Could.” From being adopted and feeling out of place to contemplating suicide and going through a divorce, she’s conquered obstacles with grace and humor. With hard-fought wisdom, she’s forged ahead regardless of the stumbling blocks thrown in her path. Perhaps the biggest challenge has been living with multiple sclerosis, which has taught her that asking for help doesn’t indicate weakness—it indicates strength. She’s also learned that we truly don’t miss anything until it’s gone. In candid fashion, she looks back on her personal trials and tribulations, victories and defeats, and miracles she’s witnessed on the way. While she’s scared of what the future might hold, she’s already discovered strength she never knew she had. Get ready to be inspired by the important life lessons in How I Got a Horse Out of a Toilet.

Viktor Sokolov does not know if he should love his beautiful new wife ... or kill her. Growing up with a father who held a high position in the Russian mob, Alexandra Volkin was thrilled when her parents signed a contract promising her to a Russian mob boss, even though she'd never met him. All she ever wanted was to be the powerful woman of a man all respected. When she was killed and she was promised to another, Alexandra is almost unfazed. One mob boss is as good as another. Besides, she can not deny the strong attraction she feels for Viktor. Alexandra learned at a young age that sex equals power, and she is about to exercise a heavy dose of power on her new, coldly distant husband. It's not long, though, before she learns Viktor believes her father has murdered his own. Through a dark twist of fate, Viktor marries the woman for his murdered father-and his lovely bride's own father is the likely murderer. As the saying goes, keep your friends close and your enemies closer. It's not so big and sacrificing when your enemy is your sexy new wife. Viktor does not have the stomach for the brutal violence his father has exacted on his enemies, but it's almost certain that his wife's father killed his own father, and that leaves him with little choice. Yet, while he can ignore his pretty wife's pleas, her insistence that her father is innocent ... ignoring how she makes him feel a whole different challenge. There isn't going to be a happily ever after for the two of them. Unless, that is, she can prove her father's innocence.

Unenthused by a white wedding gown and bored by the hoopla of the Hollywood-style reception, Ariel Meadow Stallings found herself absolutely exhausted with the nuances of traditional nuptials . . . so she chose to take a walk off the beaten aisle. In this updated edition of *Offbeat Bride*, Stallings humorously recounts the story of the original offbeat wedding—hers—and shares anecdotes and advice from dozens of other nontraditional couples. She also includes a chapter on budget weddings in today's weak economy, along with sidebars, tips, tricks, and planner encouragement to help you figure out your special day. What results is a combination of hilarious wedding stories and tons of helpful how-tos—a perfect mash-up of memoir and handbook. At once practical and enjoyable, *Offbeat Bride* validates choosing the funky, different, and offbeat over the traditional, and leads couples through the planning process—from unique ideas on how to announce their engagement all the way to answering the question, “So, how's married life?” Stallings is the ultimate guide to the alternative wedding of your dreams, and with *Offbeat Bride*, she brings you a book that serves both as an encouragement and celebration of aisles less traveled.

When the Portuguese seafarer Afonso de Albuquerque conquered the bustling port of Malacca in 1511, he effectively gained control of the entire South China Sea spice trade. Although their dominance lasted only 130 years, the Portuguese legacy lies at the heart of a burgeoning tourist attraction on the outskirts of the city, in which performers who believe they are the descendants of swashbuckling Portuguese conquerors encapsulate their "history" in a cultural stage show. Using historical and ethnographic data, Margaret Sarkissian reveals that this music and dance draws on an eclectic array of influences that span the Portuguese diaspora (one song conjures up images of Lucille Ball impersonating Carmen Miranda on "I Love Lucy"). Ironically, she shows, what began as a literate tradition in the 1950s has now become an oral one so deeply rooted in Settlement life that the younger generation, like the tourists, now see it as an unbroken heritage stretching back almost 500 years. A fascinating case of "orientalism in reverse," D'Albuquerque's Children illuminates the creative ways in which one community has adapted to life in a postcolonial world.

Married to the Russian Kingpin Viktor Sokolov doesn't know if he should make love to his beautiful new wife... or kill her. Growing up with a father who held a high position in the Russian mob, Alexandra Volkin was thrilled when her parents signed a contract promising her to a Russian mob boss, even though she'd never met him. All she'd ever wanted was to be the powerful woman of a man everyone respected. So, when her intended is murdered and she is promised to another, Alexandra is nearly unfazed. One mob boss is as good as another. Besides, she can't deny the strong attraction she feels for Viktor. Alexandra learned at a young age that sex equals power, and she's about to exert a heavy dose of power on her new, coldly distant husband. Through a dark twist of fate, Viktor marries the woman intended for his murdered father—and his lovely bride's own father is the likely murderer. As the saying goes, though, keep your friends close and your enemies closer. It's not so big a sacrifice when your enemy is your sexy new wife. Viktor doesn't have the stomach for the brutal violence his father exacted on his enemies, but it's almost a certainty that his wife's father killed his own father, and that leaves him with little choice. Yet, while he can ignore his pretty wife's pleas, and her insistence that her father is innocent... ignoring how she makes him feel is a whole different challenge. Falling for the Mob Soldier Elena Popov would do anything for her ruthless father—including assassinate Viktor Sokolov, her best friend Alexandra's husband. She'll have no problem with this request, in fact, as Alexandra was forced to marry him. Elena will simply be rescuing her friend from a cruel mob boss. Pretending she's defecting, Elena heads to the Sokolov compound, escorted by the most maddening and distracting man she's ever met. It's almost as if Roman Garinovich was created just to get under her skin. Still, Elena won't let Roman stop her from completing her deadly task. There's just one hitch: Alexandra really loves Viktor, and killing him will crush her. Torn between her loyalty to her father and her best friend, Elena continues to plot, trying to ignore the growing instinct telling her to spare Viktor's life—and also working to ignore her growing attraction to Roman. Roman doesn't believe a word that comes out of Elena's mouth, however, and he's not about to let his guard down around her. Deep in his gut, he knows something's not right... but that doesn't stop him from acting on his unwelcome attraction to her. When he discovers her true reason for being in the Sokolov compound, he'll have to choose between the woman he loves and his deep loyalty to his friend. Saving the Russian Enforcer Kostya “Mad Dog” Sokolov has earned his reputation as a ruthless enforcer for the Russian mob. Cold, menacing, and driven, he has long ago dismissed any softness that might have been inside of him. And since his father was murdered, he’s wanted only one thing: revenge on the man who did it. The best way for Kostya to flush out his prey—Anatoly Popov—is to follow Popov’s daughter, Maya. What Kostya doesn’t count on is getting knocked out and forgetting why he’s in London or how he ended up in the flat of a beautiful woman. But once he remembers his mission, he realizes the only thing standing in his way is a pretty girl with a too-big heart. A pretty girl who’s the daughter of the man he’s vowed to kill. Maya has rejected everything about her father since learning at a young age that he’s a brutal mob boss. She’s

changed her last name to Orlov and set about creating as much distance between her and the Russian mob as she possibly can. So, when she discovers that the man she's rescued outside her London flat—the man she's falling for—is her father's greatest enemy, she's torn.

*In a compelling, honest, and transparent account, Ralph Friesen tells the story of his father, Reverend Peter D. Friesen of Steinbach, Manitoba. He also tells his own story, of the search for his father and a crisis of faith. Growing up in a fundamentalist Mennonite community as the son of a minister, Ralph resisted the pressure to be “saved” and struggled to find a spiritual alternative. His father suffered a debilitating stroke when Ralph was a young teenager, but it is only now, in his seventies, that Ralph has delved into the meaning of that event. Dad, God, and Me is Ralph's quest to discover and convey the man his father was—with all of his strengths, faults, aspirations, and regrets. Drawing on journal entries, old photographs, and personal memories, this memoir welcomes readers into a particular time, place, and family. An engaging read for anyone who appreciates that “real life” can be challenging, painful, and beautiful all at the same time.*

*Takes readers step by step through the planning process for a wedding away from home, from booking a location to inviting guests away, and offers practical advice on how to select the perfect location, establish a wedding and honeymoon budget, choose and hire vendors from a distance, deal with foreign marriage requirements, and more. Original. 40,000 first printing.*

Plan your day your way, from invitations to the last hurrah!

In the seventeenth century, Japanese popular prose flourished as waves of newly literate readers gained access to the printed word. Commercial publishers released vast numbers of titles in response to readers' hunger for books that promised them potent knowledge. However, traditional literary histories of this period position the writings of Ihara Saikaku at cent

stage, largely neglecting the breadth of popular prose. In the first comprehensive study of the birth of Japanese commercial publishing, Laura Moretti investigates the vibrant world of vernacular popular literature. She marshals new data on the magnitude of the seventeenth-century publishing business and highlights the diversity and porosity of its publishing genre. Moretti explores how booksellers sparked interest among readers across the spectrum of literacies and demonstrates how they tantalized consumers with vital ethical, religious, societal, and interpersonal knowledge. She recasts books as tools for knowledge making, arguing that popular prose engaged its audience cognitively as well as aesthetically and emotionally to satisfy a burgeoning curiosity about the world. Crucially, Moretti shows, readers experienced entertainment within the didactic, finding pleasure in the profit gained from acquiring knowledge by interacting with transformative literature. Drawing on a rich variety of archival materials to present a vivid portrait of seventeenth-century Japanese publishing, Pleasure

Profit also speaks to broader conversations about the category of the literary by offering a new view of popular prose that celebrates plurality.

*This comprehensive program offers couples the guidance and groundwork necessary to assist them in evaluating their readiness to make a permanent life commitment. Each of the eight chapters deal with critical topics that are addressed in several ways: His and Her pages; Couple and Group discussion questions; Issues of Special focus; and more. Also comes with a complete wedding liturgy planner with Scripture readings.*

*Timothy and Kathy Keller will show you a portrait of marriage as it's meant to be according to the Bible...by first throwing out most of what we've been taught about love. Modern culture would have you believe that everyone has a soul mate; that romance is the most important part of a successful marriage; that marriage does not mean 'til death do us part, but merely for as long as my needs are being met; and that when serious differences arise, divorce is the best solution. But all of these modern-day assumptions miss what marriage is really about. In this six-session video-based Bible study (DVD/digital video sold separately), Timothy Keller, along with Kathy, his wife of forty years, draws a profound portrait of marriage from the pages of Scripture that neither idealizes nor rejects the institution but points us back to the relationship between God and man. The result is a vision for marriage that is refreshingly frank and unsentimental, yet hopeful and beautiful. This study is for anyone from singles to couples considering marriage to those who have been married for any length of time. Sessions include:*

*Service: Marriage Isn't about You Covenant: Created to Make Promises Roles: Loving through Mutual Submission Singleness: Strengthening the Spiritual Family Sex: The Act of Covenant Renewal Hope: Seeing the Great Horizon Designed for use with The Meaning of Marriage Video Study (sold separately).*

*Did Jesus claim to be the "bridegroom"? If so, what did he mean by this claim? When Jesus says that the wedding guests should not fast "while the bridegroom is with them" (Mark 2:19), he is claiming to be a bridegroom by intentionally alluding to a rich tradition from the Hebrew Bible. By eating and drinking with "tax collectors and other sinners," Jesus was inviting people to join him in celebrating the eschatological banquet. While there is no single text in the Hebrew Bible or the literature of the Second Temple Period which states the "messiah is like a bridegroom," the elements for such a claim are present in several texts in Isaiah, Jeremiah, and Hosea. By claiming that his ministry was an ongoing wedding celebration he signaled the end of the Exile and the restoration of Israel to her position as the Lord's beloved wife. This book argues that Jesus combined the tradition of an eschatological banquet with a marriage metaphor in order to describe the end of the Exile as a wedding banquet.*

*Wuthering Heights is the name of Mr. HeathcliffÕs dwelling. ÕWutheringÕ being a significant provincial adjective, descriptive of the atmospheric tumult to which its station is exposed in stormy weather. Pure, bracing ventilation they must have up there at all times, indeed: one may guess the power of the north wind blowing over the edge, by the excessive slant of a few stunted firs at the end of the house; and by a range of gaunt thorns all stretching their limbs one way, as if craving alms of the sun. Happily, the architect had foresight to build it strong: the narrow windows are deeply set in the wall, and the corners defended with large jutting stones. Before passing the threshold, I paused to admire a quantity of grotesque carving lavished over the front, and especially about the principal door; above which, among a wilderness of crumbling griffins and shameless little boys, I detected the date Õ1500,Õ and the name ÕHareton Earnshaw.Õ I would have made a few comments, and requested a short history of the place from the surly owner; but his attitude at the door appeared to demand my speedy entrance, or complete departure, and I had no desire to aggravate his impatience previous to inspecting the penetralium. One stop brought us into the family sitting-room, without any introductory lobby or passage: they call it here Õthe houseÕ pre-eminently. It includes kitchen and parlour, generally; but I believe at Wuthering Heights the kitchen is forced to retreat altogether into another quarter: at least I distinguished a chatter of tongues, and a clatter of culinary utensils, deep within; and I observed no signs of roasting, boiling, or baking, about the huge fireplace; nor any glitter of copper saucepans and tin cullenders on the walls. One end, indeed, reflected splendidly both light and heat from ranks of immense pewter dishes, interspersed with silver jugs and tankards, towering row after row, on a vast oak dresser, to the very roof. The latter had never been under-drawn: its entire anatomy lay bare to an inquiring eye, except where a frame of wood laden with oatcakes and clusters of legs of beef, mutton, and ham, concealed it. Above the chimney were sundry villainous old guns, and a couple of horse-pistols: and, by way of ornament, three gaudily-painted canisters disposed along its ledge. The floor was of smooth, white stone; the chairs, high-backed, primitive structures, painted green: one or two heavy black ones lurking in the shade. In an arch under the dresser reposed a huge, liver-coloured bitch pointer, surrounded by a swarm of squealing puppies; and other dogs haunted other recesses.*

Philosophy and the Patience of Film presents a comparative study of the work of Jean-Luc Nancy and Stanley Cavell. It discusses the effect of their philosophical engagement with film, and proposes that the interaction between philosophy and film produces a power of patience capable of turning our negation of the world into a relation with it. Through detailed readings of cinematic works ranging from Hollywood classics to contemporary Iranian cinema, this book describes the interaction between film and philosophy as a productive friction from which the concept of patience emerges as a demand for thinking. Daniele Rugo explains how Nancy and Cavell's relationship with film demands the surrendering of philosophical mastery, and that it is precisely this act in view of the world that brings Cavell and Nancy to the study of film. While clarifying the nature of their engagement with film this book suggests that film does not represent the world, but 'realizes' it. This realization provides a scene of instruction for philosophy.
