

Western Civilization To 1715 A Brief History

Featuring the one author, one voice approach, this text is ideal for instructors who do not wish to neglect the importance of non-Western perspectives on the study of the past. The book is a brief, affordable presentation providing a coherent examination of the past from ancient times to the present. Religion, everyday life, and transforming moments are the three themes employed to help make the past interesting, intelligible, and relevant to students. Readers will find an emphasis on interpretation and analysis as opposed to straightforward presentation of information. Another important feature of this text is the focus on a comparative approach that provides students with a greater understanding of the West through comparisons with other civilizations and cultures. Also included are Original Source boxes as well as web links to additional and complementary information.

Prepared by James T. Baker of Western Kentucky University, the Study Guide includes chapter outlines and summaries, a glossary of key terms for each chapter, analysis of primary source documents, and questions that include matching, multiple choice, fill-in-the blank, chronology, critical thought, and map exercise questions.

The West Transformed

This brief version of the larger format book retains all its features in a condensed format. The author aims to strike a balance between political, economic, social, religious, military, cultural and intellectual history.

WESTERN CIVILIZATION: BEYOND BOUNDARIES, Seventh Edition, is distinguished for its wider definition of Europe that includes Eastern Europe, Scandinavia, and European frontiers. Recognizing that factors outside the continent affected European history, the authors highlight Europe's place in the world throughout the narrative and in the primary source feature. The seventh edition has a streamlined design and has been carefully revised with features such as focus questions, key terms, and section summaries to help readers understand the material. The reconceived narrative and restructured organization, featuring smaller, more cohesive learning units, make the book easy to use. Available in the following split options: WESTERN CIVILIZATION: BEYOND BOUNDARIES, Seventh Edition Complete, Volume I: To 1715, Volume II: Since 1560, Volume A: To 1500, Volume B: 1300-1815, and Volume C: Since 1789. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
