High Roads Through Lowland

Alexis's long-awaited second novel follows his award-winning Childhood. Set in Ottawa during the Mulroney years, Asylum is André Alexis's sweeping, edged-in-satire, yet deeply serious tale of intertwined lives and fortunes, of politics and vain ambition, of the building of a magnificent prison, of human fallibility, of the search for refuge, of the impossibility of love, and of finding home. Whether he is taking us into the machinations of a government office or into the mysterious workings of the human heart, Alexis is always alert to the humour and the profound truth of any situation. His cast of characters is eccentric and unforgettable, all recognizable in one way or another as aspects of ourselves or people we know well. At the centre of the story, which covers almost a decade, is a visionary project to build an ideal prison, a perfect metaphor for the purest aspects of artistic ambition and for all that is great and flawed in the world. André Alexis is a true original, one of the most talented and astute writers writing in Canada today. This dazzling novel is filled with tragedy, dry wit,

intellectual grist. It is playful, linguistically accomplished, and psychologically profound. Its yearnings constitute the highest level of human concerns and pursuits. Alexis has written The Great Canadian Novel, with a twist.

Fans of Murder on the Orient Express and all things Agatha Christie won't want to miss this charming memoir from David Suchet... In the summer of 2013 David Suchet filmed his final scenes as Hercule Poirot. After 24 years in the role, he played the character in

every story that Agatha Christie wrote about him (bar one, deemed unfilmable) and felt it time to bid adieu to a role and a character that changed his life. In *Poirot and Me*, David Suchet tells the story of how he secured the part, with the blessing of Agatha Christie's daughter, and set himself the task of presenting the most authentic Poirot that had ever been filmed. David Suchet is uniquely placed to write the ultimate companion to one of the world's longest running television series. Peppered with anecdotes about filming, including many tales of the guest stars who have appeared over the years, the book is essential reading for Poirot fans all over the world.

The Federal Reporter

Blackness, as a concept, is extremely fluid: it can refer to cultural and ethnic identity, socio-political status, an aesthetic and embodied way of being, a social and political consciousness, or a diasporic kinship. It is used as a description of skin color ranging from the palest cream to the richest chocolate; as a marker of enslavement, marginalization, criminality, filth, or evil; or as a symbol of pride, beauty, elegance, strength, and depth. Despite the fact that it is elusive and difficult to

define, blackness serves as one of the most potent and unifying domains of identity. God and Blackness offers an ethnographic study of blackness as it is understood within a specific community—that of the First Afrikan Church, a middle-class Afrocentric congregation in Atlanta, Georgia. Drawing on nearly two years of participant observation and in-depth interviews, Andrea C. Abrams examines how this community has employed Afrocentrism and Black theology as a means of negotiating the unreconciled natures of thoughts and ideals that are part of being both black and American. Specifically, Abrams examines the ways in which First Afrikan's construction of community is influenced by shared understandings of blackness, and probes the means through which individuals negotiate the tensions created by competing constructions of their black identity. Although Afrocentrism operates as the focal point of this discussion, the book examines questions of political identity, religious expression and gender dynamics through the lens of a unique black church.
