

## What If I Had Never Tried It Valentino Rossi The Autobiography

*Bestselling author Mhairi McFarlane returns with another heartfelt romantic comedy perfect for fans of Josie Silver, Sophie Kinsella, or Sally Thorne. One of Shondaland's 5 Must-Read Books for March and a Best Romance of 2020 by Amazon, OprahMag, Insider, BuzzFeed, Bustle, Cosmo, PopSugar, and BookPage. If faking love is this easy... how do you know when it's real? When her partner of over a decade suddenly ends things, Laurie is left reeling—not only because they work at the same law firm and she has to see him every day. Her once perfect life is in shambles and the thought of dating again in the age of Tinder is nothing short of horrifying. When news of her ex's pregnant girlfriend hits the office grapevine, taking the humiliation lying down is not an option. Then a chance encounter in a broken-down elevator with the office playboy opens up a new possibility. Jamie Carter doesn't believe in love, but he needs a respectable, steady girlfriend to impress their bosses. Laurie wants a hot new man to give the rumor mill something else to talk about. It's the perfect proposition: a fauxmance played out on social media, with strategically staged photographs and a specific end date in mind. With the plan hatched, Laurie and Jamie begin to flaunt their new couple status, to the astonishment—and jealousy—of their friends and colleagues. But there's a fine line between pretending to be in love and actually falling for your charming, handsome fake boyfriend...*

*What If I Never*

Living in a "perfect" world without social ills, a boy approaches the time when he will receive a life assignment from the Elders, but his selection leads him to a mysterious man known as the Giver, who reveals the dark secrets behind the utopian facade.

Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

Perhaps enough has been said to show that the Bible is the most creating, regenerating, civilizing, humanizing, educating, reforming, and inspiring power in all the world, and that the most lurid imagination cannot conceive what would be the state of the world to-day if there had never been a Bible. But we place this emphasis on the Book, only because it is the one inspired and authoritative record of the redemption which is in Christ Jesus. It is little wonder that, throughout the ages, the devil has attempted to discredit or destroy the Bible, in spite of Christians, and, alas, sometimes by means of them.

Valentino Rossi is the greatest living motorcyclist. His legions of fans adore him (over 4,000 turned up to see him in Leicester Square last March). He has fought through the 125 and 250 class groups to win the World Championships five times and has been

Young Cassie Logan endures humiliation and witnesses the racism of the KKK as they embark on a cross-burning rampage, before she fully understands the importance her family attributes to having land of their own.

The Gift of the Magi is a treasured short story written by O. Henry. A young and very much in love couple can barely afford their one-room apartment, let alone the extra expense of getting Christmas presents for one another. But each is determined to show their love for the other in this traditional time of giving; each sells a thing they hold most dear in order to afford a present, with poignant and touching results that capture their love for one another.

*A Mighty Tempest*

"Cute, delightful and a super sweet story about the beautiful relationship of a mother and child. It's a book that celebrates love and belongingness." —Kiddingly If there never was a you, how empty life would be! Who would

make me smile and laugh and keep me company? Filled with heartwarming messages of love, belonging, and togetherness, *If There Never Was a You* gently reassures children that the place they hold in their parents' hearts can never be filled with anything else. "Love, warmth and security radiate from this book, making it a perfect read to cuddle up with and read . . . It's guaranteed to end with a big hug and leave both with all sorts of warm fuzzy feelings." —Bookworm for Kids "A beautifully told story, that is sure to bring a smile to anyone who reads it." —Midwest Book Review "A delightfully true sentiment. Amanda Rowe has put into words how every parent feels: big gratitude and love for all the moments we experience thanks to our beloved little ones. A beautiful message for kids to know how their presence deeply matters to us." —Marianne Richmond, bestselling author of *If I Could Keep You Little* "The pleasant rhyming text explores all of the ways that the little bunny brings joy to his mother's life . . . Both parents and kids will appreciate the sweet message within this story!" —Babies to Bookworms The acclaimed debut novel by the author of *Little Fires Everywhere* and *Our Missing Hearts* "A taut tale of ever deepening and quickening suspense." —O, the Oprah Magazine "Explosive . . . Both a propulsive mystery and a profound examination of a mixed-race family." —Entertainment Weekly "Lydia is dead. But they don't know this yet." So begins this exquisite novel about a Chinese American family living in 1970s small-town Ohio. Lydia is the favorite child of Marilyn and James Lee, and her parents are determined that she will fulfill the dreams they were unable to pursue. But when Lydia's body is found in the local lake, the delicate balancing act that has been keeping the Lee family together is destroyed, tumbling them into chaos. A profoundly moving story of family, secrets, and longing, *Everything I Never Told You* is both a gripping page-turner and a sensitive family portrait, uncovering the ways in which mothers and daughters, fathers and sons, and husbands and wives struggle, all their lives, to understand one another.

Everything I Never Told You

*The bestselling workbook and grammar guide, revised and updated! Hailed as one of the best books around for teaching grammar, The Blue Book of Grammar and Punctuation includes easy-to-understand rules, abundant examples, dozens of reproducible quizzes, and pre- and post-tests to help teach grammar to middle and high schoolers, college students, ESL students, homeschoolers, and more. This concise, entertaining workbook makes learning English grammar and usage simple and fun. This updated 12th edition reflects the latest updates to English usage and grammar, and includes answers to all reproducible quizzes to facilitate self-assessment and learning. Clear and concise, with easy-to-follow explanations, offering "just the facts" on English grammar, punctuation, and usage Fully updated to reflect the latest rules, along with even more quizzes and pre- and post-tests to help teach grammar Ideal for students from seventh grade through adulthood in the US and abroad For anyone who wants to understand the major rules and subtle guidelines of English grammar and usage, The Blue Book of Grammar and Punctuation offers comprehensive, straightforward instruction.*

*A necklace delivered to the wrong Allison: me. I'm the wrong Allison. That misplaced gift places a man in my path. A man who instantly consumes me and leads me down a path of dark secrets and intense passion. Dash Black is a famous, bestselling author, but also a man born into wealth and power. He owns everything around him, every room he enters. He owns me the moment I meet him. He seduces me oh so easily and reveals another side of myself I dared not expose. Until him. Until this intense, wonderful, tormented man shows me another way to live and love. I melt when he kisses me. I shiver when he touches me. And I like when he's in control, especially when I thought I'd never allow anyone that much power over me ever again. We are two broken people who are somehow whole when we are together, but those secrets—his, and yes, I have mine as well—threaten to shatter all that is right and make it wrong. What If I Never is the first book in the Necklace Trilogy.*

*Seven stunning stories of speculative fiction by the author of A Boy and His Dog. In a post-apocalyptic world, four men and one woman are all that remain of the human race, brought to near extinction by an artificial intelligence. Programmed to wage war on behalf of its creators, the AI became self-aware and turned against humanity. The five survivors are prisoners, kept alive and subjected to brutal torture by the hateful and sadistic machine in an endless cycle of violence. This story and six more groundbreaking and inventive tales that probe the depths of mortal experience prove why Grand Master of Science Fiction Harlan Ellison has earned the many accolades to his credit and remains one of the most original voices in American literature. I Have No Mouth and I Must Scream also includes "Big Sam Was My Friend," "Eyes of Dust," "World of the Myth," "Lonelyache," Hugo Award finalist "Delusion for a Dragon Slayer," and Hugo and Nebula Award finalist "Pretty Maggie Moneyeyes."*

*Arguably the world's all-time greatest motorcycle road racing champion, Valentino Rossi is without a doubt the best--and the best-loved--in modern times. In What If I Had Never Tried It he tells his remarkable story for the first time. And as might be expected, the story he tells is fast-paced, full of surprises, action-packed, and always entertaining. The son of 1970s racer Graziano Rossi (whose number, 46, he wears when racing), Valentino was born in Urbino, Italy in 1979. Here he relates how he started racing as a teenager, first with karts and minimotos (minibikes). He then traces his rapid and seemingly inexorable progress--from the 125 class to the 250 class to the 500s and finally on to 990 cc four-stroke, now known as MotoGP--to become a seven-time World Champion in Grand Prix racing by the time he was twenty-six. As he describes starting his career as a clownish upstart, only to emerge as "The Doctor" so famed for his precision, Rossi's crowd-pleasing character comes through in abundance. One moment a charismatic jokester, the next an insightful analyst, he is finally the single-minded, focused, strategic racer with split-second skills the rest of us can only dream of, giving us a glimpse of how one man has forever changed the face of motorcycle road racing.*

But the Bible, more than any other book, is also the most maligned on the market. Many of the cities of our culture dismiss the Word of God. In *What If the Bible Had Never Been Written?*, D. James Kennedy and Jerry Newcombe show that this collection of books was indeed the inspiration for almost all of the great explorers, scientists, writers, artists, politicians, and educators the world has ever known. That such a book, which has influenced so many and stood the test of time for so long, is dismissed as folklore or myth, just goes to show what extremes nonbelievers will go to rationalize their behavior. From the Ten Commandments, which many of our laws and government are based upon, to the Golden Rule, a verse taken straight out of the New Testament, to many of today's most common phrases and expressions...there is no doubt as to the influence the Bible has on everyone, in some degree, every day. *What If the Bible Had Never Been Written?* provides a well-documented and in-depth look at the impact the Book of Books has had on humanity, pointing to specific areas in today's society that would not be as they are now, if it were not for the Bible.

Looking for trivia books filled with fun facts and trivia questions and answers? *Answers to Questions You've Never Asked* will entertain you for hours. Fun facts for kids of all ages: When you take the most absurd parts of history, science, economics and geography, you end up with a pretty confusing picture of humanity. Why do we have borders, what 's the furthest you can get from the ocean, how do you qualify as a country and why did Vikings wear those silly helmets? These are just a few of the strange questions that bounce around the head of YouTube sensation Joseph Pienti, aka RealLifeLore. Trivia questions and answers: In his channel, Pienti presents illogical truths in a logical manner. In his debut book, Pienti builds on this nonsensical humor of the universe with in-depth analysis of empires, economies, and ecosystems as he helps answer the ridiculous. Why, you ask? Because someone has to. Using line drawings, graphs and charts, Pienti not only details the absurd, but he also provides explanations on why things are...and why they aren' t. Answers to: • Where can I move to so that I ' m never tempted by McDonalds again? • How far into the Pacific does Trump ' s wall stretch? • If Plato came back to life, what would he think of modern democracy? • Why do all empires fail? • Who decides what countries are allowed to participate in the Olympics? • What makes Finland so great? Witty, thought-provoking and occasionally snarky, *Answers to Questions You ' ve Never Asked* is for anyone who beams with curiosity and has a belly-button.

We live in a cynical age in which only one prejudice is tolerated--anti-Christian bigotry. Yet despite the unbridled slanders and attacks against the faith, one powerful truth is undeniable: if Christ had never been born, nearly every facet of human life would be much more miserable than it is today. Arranged topically and presenting compelling, little-known historical facts, *What If Jesus Had Never Been Born?* clearly demonstrates that an enormous array of benefits to humankind--from economics to art to government, science to civil liberties, morality to health, and beyond--would never have occurred had Jesus Christ not lived.

NEW YORK TIMES BESTSELLER • From the author of *American Wife* and *Eligible* . . . He proposed. She said no. And it changed her life forever. "A deviously clever what if."—O: The Oprah Magazine "Immersive, escapist."—Good Morning America "Ingenious."—The New York Times NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New Yorker • NPR • The Washington Post • Marie Claire •

Cosmopolitan (UK) • Town & Country • New York Post In 1971, Hillary Rodham is a young woman full of promise: Life magazine has covered her Wellesley commencement speech, she's attending Yale Law School, and she's on the forefront of student activism and the women's rights movement. And

then she meets Bill Clinton. A handsome, charismatic southerner and fellow law student, Bill is already planning his political career. In each other, the two find a profound intellectual, emotional, and physical connection that neither has previously experienced. In the real world, Hillary followed Bill back to Arkansas, and he proposed several times; although she said no more than once, as we all know, she eventually accepted and became Hillary Clinton. But in Curtis Sittenfeld's powerfully imagined tour-de-force of fiction, Hillary takes a different road. Feeling doubt about the prospective marriage, she endures their devastating breakup and leaves Arkansas. Over the next four decades, she blazes her own trail—one that unfolds in public as well as in private, that involves crossing paths again (and again) with Bill Clinton, that raises questions about the tradeoffs all of us must make in building a life. Brilliantly weaving a riveting fictional tale into actual historical events, Curtis Sittenfeld delivers an uncannily astute and witty story for our times. In exploring the loneliness, moral ambivalence, and iron determination that characterize the quest for political power, as well as both the exhilaration and painful compromises demanded of female ambition in a world still run mostly by men, *Rodham* is a singular and unforgettable novel.

A guide to unknown music provides recommendations on over two hundred recordings that represent such genres as indie, soul, folk, jazz, and techno.

**What if Aladdin had never found the lamp? This first book in the A Twisted Tale line will explore a dark and daring version of Disney's Aladdin. When Jafar steals the Genie's lamp, he uses his first two wishes to become sultan and the most powerful sorcerer in the world. Agrabah lives in fear, waiting for his third and final wish. To stop the power-mad ruler, Aladdin and the deposed princess Jasmine must unite the people of Agrabah in rebellion. But soon their fight for freedom threatens to tear the kingdom apart in a costly civil war. What happens next? A Street Rat becomes a leader. A princess becomes a revolutionary. And readers will never look at the story of Aladdin in the same way again.**
